PROJECT GOALS & OBJECTIVES

The main Project goals of DPEP is same as described in the National Policy of Education (NPE) 1986 (As updated in 1992) and the Programme of Action (POA) 1992 which is reaffirm the National Commitment to Universalisation of Elementary Education (UEE). National Policy of Education resolves that free and compulsory education of satisfactory quality should be provided to all children upto 11 years of age group before we enter the 21st century. The National Policy of UEE has three aspects which are the goals of the DPEP :-

1. Universal access & enrolment .
2. Universal retention of children upto 11 years of age group.
3. Substantial improvement in quality of education to enable all children to achieve essential level of learning.

The District Primary Education Programme would develop and implement in the District's selected replicable, sustainable and cost-effective programme.

1. Enrolment :-

In accordance with NPE 1986, Banaskantha District has reach enrolment rate upto 87.38 percent of boys & decided to increase upto 90 percent by the year 1997 - 98 and for girls has reached upto 57.21 percent and decided to increase upto 63 percent by the year 1997-98.

2. Retention :-

In the same way retention rate is decided to increase for the year 1997 -98 from 52 percent to 56 percent for the boys and from 30 percent to 33 percent for the girls.

3. Quality Improving :-

To provide Primary Education up to minimum level of learning at every stage.

To motivate SC/ST/OBC girls students for Primary Education equal to girls of general category.

To motivate and increase moral by specified schooling activity for boys of SC/ST/OBC students to reach equal level of general students.

All the social groups and parents will be involved for achievement above activities with satisfactory education.

FOCUS ON THE PROGRAMME.

District Primary Education Programme has main three aspects to make succeed the programme for the year 1997 - 98 .

- Enrolment
- Retention
- Achievement .

1. Enrolment :-

=====

In the year of 1997 - 98 , Banskantha District Primary Education Programme has decided to increase net enrolment ratio for boys up to 90 percent from 87.38 percent (1996 - 97) and the same for girls has decided to increase upto 62 percent from 57.21 percent (1996 - 97).

2. Retention :-

=====

At present the retention rate of boys is 52 percent and of girls is 30 percent of the age group 6 to 11 years. District Primary Education Programme, Banaskantha has decided to increase for boys upto 56 percent and for girls upto 33 percent for the years of 1997 - 98 .

3. Achivement :-

=====

During the year of 1997 - 98 , various activities like training of teachers of MLL approach, 'TARANG - ULLASHMAY' education, education through ativities etc. will be held. More over inservice training for ADEIS, head-masters, teachers and co-ordinator of BRC and CRC will be held during this year.

CRC have increased from 77 to 225 for proper guidance and implementation of the scheme to the rout level for effective implementation and so programme will become cost-effective. The proposed stratagy assumed that activities of awareness creation and mobilisation, which are

culturally appropriate and attempt to overcome barriers to the attendance and achievement of girls are necessary. Also, gaining the commitment of Village Education Committee is necessary.

Secondly, decentralised teacher development, through Taluka and School cluster level structure, is necessary for strengthening teacher competence not just in matter of pedagogy, but the broad area of managing and educational context.

Thirdly, the plan assume that the District Panchayat has sufficient experience in the implementing activities but meeting shortages of physical infrastructure like class-rooms, toilets etc.. The proposal involve construction of new class rooms, Taluka Resources Centre, toilets urinals and water facilities. The main departure made in this plan is to involve identified non-profit charity organisations of the District, which have experience of constructing quality school buildings.
