## FOREWORD

The current issue of 'Statistical Hand Book, Assam is the Twenty-third in the series. It presents a concise factual account of Social and Economic trends in Assam with the available data upto 1989-90 as far as possible. With a view to making the brochure more useful to the data users, Statewise Statistical data and key Statistics of the country are also included here.

The data presented in this issue have been collected from various Departments of the State and the Central Government, Public Sector undertaking and a few private institutions.

The continued and generous Co-operation extended by various departments of the Central and the State Governments and other agencies in making available the required Statistical data for the publication is gratefully acknowledged.

Suggestions for improvement in quality and content of the publication are welcome.

Guwahati,  
6th December, 1990.
