FOREWARD

The Statistical Abstract of Union Territory Chandigarh is brought out annually by the Directorate of Economics and Statistics (Statistical Cell), U.T., Chandigarh. It highlights the achievements made in various Socio-Economic fields by presenting comparable series of Statistical data at one place. As in the past the Directorate of Economics and Statistics (Statistical Cell) has enlarged its scope and coverage by introducing some new tables and improving upon the old ones. The abstract goes a long way in equipping the readers with up-to-date information on developments taking place in various Socio-Economic spheres of Union-Territory, Chandigarh. I am confident that the Hon'ble members of various committees and those who are engaged in research and economic analysis will find it more useful.

I appreciate the efforts made by the staff of the Directorate of Economics and Statistics (Statistical Cell) in bringing out this publication well in time.

PREFACE

With the advent of planning, the demand for adequate and reliable statistics has been ever growing. In order to meet this demand, the Directorate of Economics and Statistics (Statistical Cell) Union Territory, Chandigarh compiled and got printed the Statistical Abstract Annually. Thus, the present issue is the 7th in the series.

The date coverage in this publication is extensive and touches almost all the Socio-Economic aspects of the Union Territory. Efforts have been made to make it as up-to-date as possible within the limited time available for collection of data from all parts of Union Territory, Chandigarh and several other sources in the country. To enhance the utility of the Abstract, some new tables have been added and improvement has been made in some tables by adding new information. The Statistical Abstract presents reliable and comprehensive statistics pertaining to various aspects of the economy of Union-Territory, Chandigarh needed by Planners and Administrators and thus serves as the only sources of authentic, reliable and up-to-date statistics of the Union-Territory, Chandigarh. The graphs have also been added to give visual presentation of important facts of the Economy.

I am grateful to various Heads of Departments of the Union-Territory, Chandigarh for extending whole-hearted co-operation in providing necessary information in time.

Thanks are also due to the State Informatics Officer of National Informatics Centre (NIC) and his staff as well as the Controller of Printing and Stationery Department, U.T. Chandigarh, who despite their engagements with other work, extended willing co-operation in bringing this voluminous publication within such a short period.

I would grateful, await suggestions, if any, for the improvement of this publication.
