PUBLICATION NO. 1146

1978
PRINTED BY THE MANAGER, GOVERNMENT OF INDIA PRESS, SIMLA AND
PUBLISHED BY THE CONTROLLER OF PUBLICATIONS, NEW DELHI-110001.

P R E F A C E

'Education in India' is brought out annually by the Ministry of Education and Social Welfare. This publication gives detailed statewise statistics, besides giving a brief survey of the educational activities in the country during the year under report. This publication is in the series and relates to 1974-75.

Since the Third Educational Survey was conducted during 1973-74, it was decided to utilise the data contained in the Survey for the compilation of 1973-74 edition of this publication. The detailed reports of the Survey are, however, not yet published. But in the meantime, the final data for 1974-75 has become available and it has been decided to bring out this edition of the publication.

The present edition is in the series commencing from 1971-72 and is in abridged form with a view to bring these reports upto date.

It is hoped that this publication would be of use to educationists, planners and research workers in the field of education.

The Ministry of Education and Social Welfare express their thanks to the State Governments for the cooperation extended by them to this Ministry in the expeditious collection of the data required for this publication.

EXPLANATION

1. Academic Year :—For the sake of uniformity, the academic year in these tables is taken to coincide with the financial year i.e. from 1st April, 1974 to 31st March, 1975.

2. All statistics refer to recognised institutions only. The recognised institutions are those in which the courses of study followed are prescribed or recognised by the Government or by a Board of Secondary and Intermediate Education constituted by law and which satisfy one or more of these authorities, as the case may be, that they attain to a reasonable standard of efficiency. They are open to inspection and their pupils are ordinarily eligible for admission to public examinations and tests held by the Government or the University or the Board.

3. Institutions, Enrolment & Teachers :—Figures regarding number of institutions, enrolment and teachers relate to 31st March of the year.

4. Expenditure :—In calculating the expenditure from Government all payments or contributions from fees and other sources which are credited to such funds, are deducted. The expenditure figures cover the financial year.

5. Indirect Expenditure :—Represents the amount incurred on direction, inspection, buildings, furniture, scholarships hostels and other miscellaneous items. The expenditure on some of these items cannot be apportioned to each type of institution.

PART I—GENERAL SURVEY

GENERAL SURVEY

During 1974-75, the Central and State Governments continued to expand their activities for the development of education in their respective spheres. This being the first year of the Fifth Five Year Plan, plan programmes were reviewed and formulated on the basis of the directions and priorities laid down by the Central Advisory Board of Education in its 37th meeting held on 4th November, 1974. Among other things, the Board recommended priorities for the programmes of Universalisation of Elementary Education, Adoption of uniform pattern of 10+2, Vocationalisation of Secondary Education, Qualitative Improvements, Development of Youth Services, comprehensive programme of Non-formal Education for adults in the age-group 15—25, adopting multiple entry and programme of part-time education on a bigger scale and developing part-time and correspondence courses at the secondary and university stages. The Board also recommended rationalisation of existing institutions of secondary and higher education with a view to controlling haphazard and unplanned expansion, maintenance of proper standards and regulation of growth of enrolment, and restraints in the establishment of new universities and colleges.

2. Out of the Fifth Plan allocation of Rs. 1,285·00 crores for education, a plan provision of Rs. 184·77 crores was approved by the Planning Commission for the year 1974-75. Out of this, Rs. 60·07 crores was in the central sector and Rs. 124·70 crores for the State's sector.

3. A brief account of the main activities in the various sectors of education during the year under report is given in the following paragraphs :

Elementary Education :

(i) The enrolment drives were intensified during the year with a view to achieve the target of universalisation of elementary education in various states for the children of the age-group 6—14. Schools were established in school-less habitations and additional teachers were provided to cater to the needs of additional children brought into the schooling system as a part of the campaign towards 'Universalisation of Elementary Education'.

(ii) Under the programme of 'Qualitative Improvements', teachers were provided with orientation courses with regard to the new techniques of teaching by the National Council of Educational Research and Training (NCERT). Besides, orientation courses for inspecting and supervisory officers of the Bihar States was organised.

(iii) During the year under report, a Central Curriculum Development Unit was set up in NCERT to act as a coordinating unit and technical agency for preparing guidelines for curricula and preparation of instructional materials, educational packages etc.

Secondary Education :

(i) The Central Advisory Board of Education took an important decision to implement the new structure of secondary education w.e.f. May, 1975. As a follow up action, a special Working Group was set up to prepare a scheme of studies for classes IX to XII, which was finalised during the year under review. This scheme, besides aiming at improving the quality of courses for these classes, provides for a balanced growth of students, the expansion of the sphere of knowledge and the study of languages according to 3-language formula. Besides regular subjects provision was made for work experience, health education and community services.

(ii) The Central Advisory Board of Education at its meeting held in October, 1974 expressed the following views with regard to the composition of the new system of education :—

"The school stage should necessarily cover a period of 12 years and should preferably be divided into 10+2. At the under graduate stage, we may have a pass course of 2 years and an honours course of 3 years. Post Graduate courses should cover a period of 2 years after the Honours degree. The Research degree should take 3 or more years after the Master's Degree"

(iii) In addition to the states of Andhra Pradesh, Karnataka and Kerala, which had already a pattern of 10+2+3, the States of Assam, Gujarat, Jammu & Kashmir, Maharashtra, West Bengal and Goa, Daman & Diu also decided to introduce this pattern. Uttar Pradesh had already in operation the 12 years system of secondary education and it had only to adjust the curriculum to fit into the recommended pattern. All the schools of the Union Territories of A & N Islands, Arunachal Pradesh, Chandigarh, Delhi and Lakshadweep, which were affiliated to the Central Board of Secondary Education, decided to introduce the new pattern of 10+2 from the academic session beginning from May, 1975. Steps were taken by various states for the introduction of the new syllabus and curriculum and for conducting orientation and content courses for secondary teachers in Science and Mathematics as a follow up of the introduction of the new pattern.

(iv) The Central Ministry of Education prepared a scheme of 'Vocationalisation of Higher Secondary Education' to be implemented in the Fifth Plan in selected higher secondary schools and steps were taken in this direction by the States of Assam, Gujarat and Rajasthan.

(v) The recently launched Educational Technology Project, both at the Central and State level designed to stimulate and promote integrated use of mass media and instructional technology at all levels of education, including non-formal education of the adults and thereby achieving a qualitative improvement, made considerable headway during the year. The Education Technology Cell tried to ensure the utilisation of educational television programme which was started in June, 1974, on a thrice-weekly basis by circulating guidelines to 564 secondary schools in Bombay and Pune. Educational Technology Cells were also set up in the States of Rajasthan, Andhra Pradesh and Orissa, in addition to Maharashtra.

(vi) Various programmes for the qualitative improvements of secondary school education continued to be implemented through the National Council of Educational Research & Training, such as orientation workshops, orientation courses for teachers training etc.

Girls' Education :

(i) In pursuance of the programmes pertaining to the celebration of the International Women's year in 1975, a national meeting of women teachers was organised in November, 1974 for discussing problems relating to girls' education and developing leadership qualities among women teachers. A series of seminars were also organised for promoting girls' education.

(ii) The National Council for Women Education in its meeting held on 18th March, 1975, considered the recommendations made by the committee on the Status of Women in India in so far as education was concerned. The Council generally endorsed the recommendations made by the Committee. It however, did not accept the recommendation of the Committee to the effect that at the university level co-education should be the general policy and opening of new colleges exclusively for girls should be discouraged. The Council felt that the implementation of this recommendation might adversely effect the progress of women's education. The recommendations made by the National Council were sent to all State Governments and Union Territory administrations for taking necessary action.

University and Higher Educations :

(i) During the year under review, 7 new universities, namely Acharya Narendra Deva University of Agriculture and Technology (Faizabad); (2) Avadh University (Faizabad); (3) Bidhan Chandra Krishi Vishvavidyalaya (Kalyan); (4) Bundelkhand University (Jhansi); (5) Chandra Shekher Azad University of Agriculture & Technology (Kanpur); (6) University of Hyderabad; (7) Rohilkhand University (Bareilly) were opened.

(ii) Revised salary scales, as recommended by the University Grants Commission, were approved for Central Universities and colleges and were also recommended to the states for acceptance by them. Assistance was offered to the State Governments to the extent of 80 per cent of the additional expenditure on account of this revision.

(iii) The UGC continued to implement programmes of qualitative improvements such as examination reforms, establishment of autonomous colleges, re-structuring of courses, faculty improvement, improvements of science teaching, humanities and Social Sciences etc. An expert committee for suggesting suitable courses of study oriented to rural environment and needs, was set up.

(iv) Various research projects under the auspices of the University Grants Commission, Indian Council of Social Science Research and Indian Council of Historical Research were undertaken.

(v) A Working Group was appointed by the Ministry of Education & S.W. to examine the reports of the various committees on examination reforms set up by the Government, U.G.C., Inter University Board etc. The report of the Working Group which contains number of suggestions on examination reforms such as internal assessment, semester system, marks and grades etc. was accepted by the Government and circulated to the State Governments, universities and colleges for implementation. An implementation committee on examination reforms was also appointed by the UGC for providing assistance to the universities for implementing the programme.

Technical Education :

(i) The All-India Council of Technical Education at a meeting held during the year made important recommendations relating to the establishment of appropriate links between industry and educational research institutions, programmes of vocationalisation and the establishment of teachers training centres in the field of management education.

(ii) Consolidation of existing facilities and re-organisation of degree and diploma courses with a view to improving the quality and standard of technical education continued to be a key-note of the activities in the field of education during the year under report.

(iii) The Board of post-graduate engineering studies and research recommended that consolidation of properly developed courses already approved should be the first charge on the available resources, proliferation of courses should be avoided and additional courses may be sanctioned only in those subjects/fields in which demand has been established. 5714 fresh trainees in addition to 3100 trainees of 1973-74 were provided facilities of practical training and experience in the industry under the Scheme of Apprentice Training.

(iv) The high power committee in 1973-74 for reviewing the present progress of 14 regional engineering colleges submitted its report during the year. The Government of India appointed a Review Committee under the Chairmanship of Prof. P.K. Kelkar, Director, IIT, Bombay to go into the functioning of the 4 Technical Teachers' Training Institutes at Madras, Chandigarh, Calcutta and Bhopal and suggested measures for their improvement so that they may serve as institutions of standard quality.

Non-formal Education :

(i) Under the Non-formal Education programme, which is the focus of educational strategy in the Fifth Plan, priority attention was proposed to be given to the youth in the age-group 15-25. This was as recommended by the Central Advisory Board of Education. The details of the schemes were worked out with the help of a group of specialists; detailed guidelines were drawn up and one illustrative unit was established. Four major areas which constituted the curriculum, were education, occupation/vocation, family life education and civics.

Scholarships :

(i) During the year about 350 scholarships were offered by various foreign Governments/Organisations for study, research or training to Indian nationals. Of these, 300 scholarships were utilised during the year under report. As against this, 170 scholars came from foreign countries to study in India under the Government of India Scholarships schemes.

(ii) Scholarships Programmes like National Scholarship Scheme for the children of primary and secondary school teachers, Talented Scholarships Scheme for rural children, Scholarship to students of Non-Hindi speaking States for Post-matric Studies in Hindi, Government of India Scholarship Scheme for students in Residential Secondary Schools, National Scholarships Scheme for Study Abroad and Loan Scholarship Scheme were continued during the year, besides the General Cultural Scholarship Scheme.

Book Promotion :

(i) The various programmes for book promotion, viz. providing support for the writing of quality books at university level, re-publication of low priced edition of standard works regionally published in USA, UK and USSR, production of books in core subjects, reduction of prices of university books by means of subsidies etc. were continued during the year.

(ii) The Sixth National Book Fair was held in Bombay from January 31 to February 11, 1974. A survey of Indian book industry, by the National Book Trust in September, 1972, the first of its kind to be taken up was completed during the year. The report of the survey gives comprehensive information about various aspects of book publishing in the country.

(iii) National Book Trust published 26 books in various series, arranged several regional exhibitions and organised in February 1975, the Seventh National Book Fair in Hyderabad.

Development of Languages :

(i) The various schemes relating to language development and language teaching and to the production of university level books in Hindi and regional languages continued to be operated with central assistance. A World Hindi Convention was held at Nagpur in January, 1975 by the Rashtriya Bhasha Prachar Samiti, Wardha with the assistance of the Ministry of Education.

(ii) The Taraqqi-e-Urdu Board was reconstituted during the year in order to streamline the arrangements for obtaining expert advice on the production of books in Urdu. Steps were initiated to produce books in Sindhi as a Central Scheme.

(iii) The year under review also witnessed the development of Sanskrit in a pronounced form covering wider areas of operation with various activities being undertaken by the Rashtriya Sanskrit Sansthan, which brought out publications and granted scholarships and rendered financial assistance to the institution working in the field.

National Integration :

National Integration Samitis established in Universities and Colleges continued their programmes for promotion of National Integration during the year under report.

Statistics :

Institutions :

The total number of educational institutions in the Country increased from 6,03,493 (1972-73) to 6,32,945 (1974-75), showing an increase of 4.9 per cent. The distribution of the total number of Institutions according to type of education with comparative figures for the year 1972-73 is given in table 1-01. The increase was noticeable in all type of Institutions, excepting Institutions of National Importance (decreased by 1) and social (adults) education schools, some of which were closed down during the year.

Enrolment :

The number of pupil receiving instruction in all types of recognised educational institutions increased from 8,91,29,754 (5,80,23,618 boys and 3,11,06,136 girls) in 1972-73 to 9,36,64,517 (6,06,44,298 boys and 3,30,20,219 girls) in 1974-75, showing an increase of 5.1 per cent. The total number of girl students constituted 35.3 per cent of the total enrolment as compared to 34.9 per cent during 1972-73. The comparative distribution of pupils by all type of institutions for the years 1972-73 and 1974-75 is given in Table 1-02. It will be observed that increase was reported by all type of institutions, excepting the Institutions deemed as universities and Research Institutions. The maximum increase in enrolment was in high/higher secondary schools (15,28,017), followed by middle schools (13,51,061), primary schools (12,18,962), colleges for general education (2,06,772), and colleges for professional education (1,14,328).

(ii) The total enrolment by stages is given in Table 1-03. There was a general increase in the enrolment at all stages of education, the maximum increase being at primary stage, followed by middle stage and high/higher secondary stage of education.

(iii) Educational facilities were available to 84 per cent of the school-going children in age-group 6-11 (classes I-V), 35.8 per cent in the age-group 11-14 (classes VI-VIII), 18.7 per cent in the age-group 14-17 (classes IX-XI) and 4.4 per cent in the age-group 17-23 (university stage general education). The corresponding percentages in the year 1972-73 were 83.3, 34.4, 18.7 and 4.3 respectively. State-wise picture of the schooling facilities is depicted in Table VIII of Part II.

Teachers :

The total number of teachers in the recognised institutions increased from 27,86,462 (21,21,386 men and 6,65,076 women) in 1972-73 to 30,08,254 (22,67,462 men and 7,40,852 women) in 1974-75, the rate of increase being 8.0 per cent (6.9 per cent for men and 11.4 per cent from women teachers), as compared

to 4.4 per cent (4.2 per cent in the case of men teachers and 5.1 per cent in the case of women teachers) in the year 1972-73. The women teachers constituted 24.6 per cent of the total number of teachers, as against 23.9 per cent in the year 1972-73. The number of teachers increased in all categories of institutions, except research institutions. The details of teachers by type of institutions is given in Table 1.04. Of the total number of teachers in schools for general education, the number of trained teachers in primary, middle and in high/higher secondary schools was 83.4, 86.4 and 81.5, as against the corresponding figures of 82.3, 85.4, and 78.6 respectively in 1972-73. The State-wise details with regard to average number of teachers per pupil in various type of institutions and trained teachers in schools for general education may be seen in Table III-A and III-B.

Expenditure :

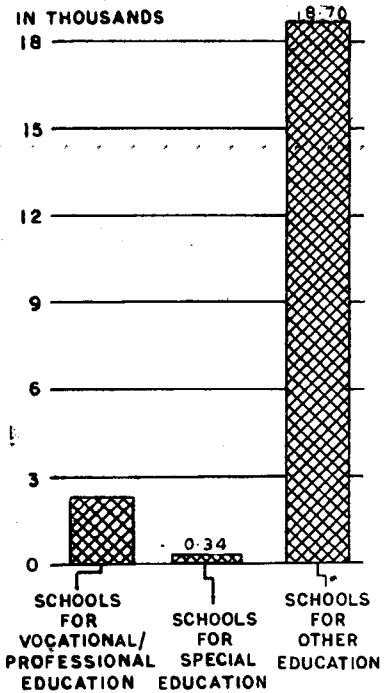

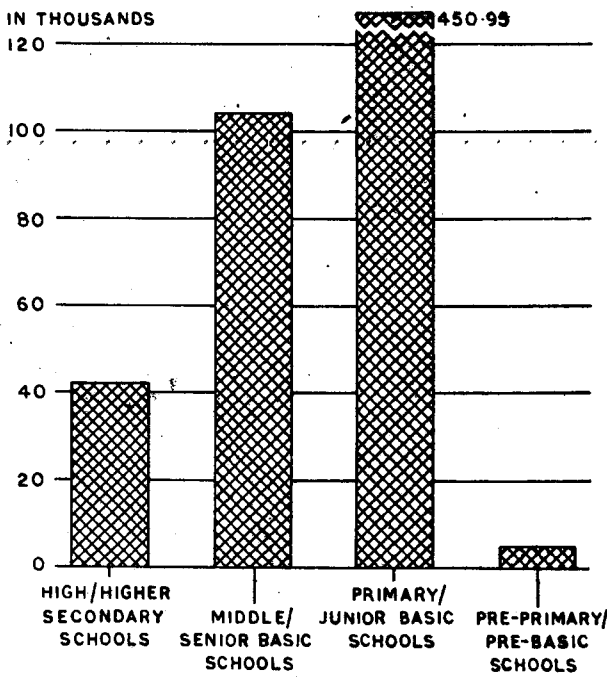

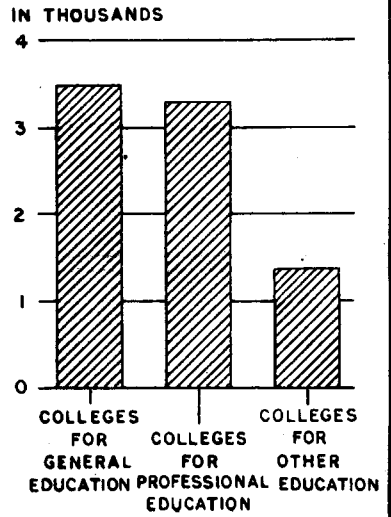

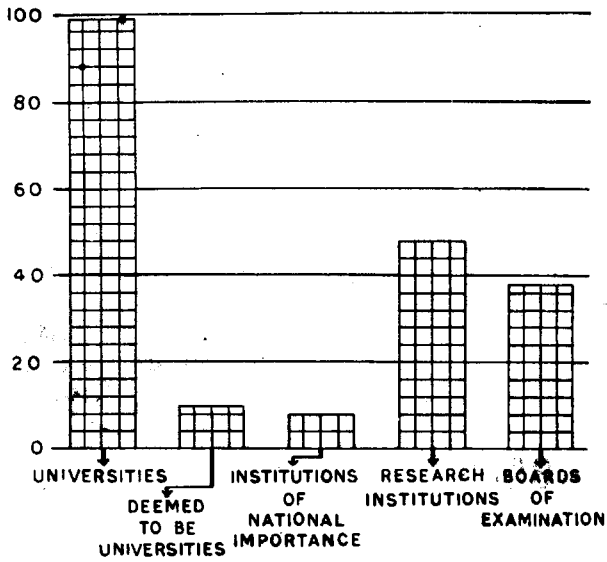

The total expenditure incurred on recognised educational institutions in the country amounted to Rs. 1807.29 crores in 1974-75, as against Rs. 1373.78 crores in 1972-73. Of the total expenditure, Rs. 1573.51 crores was direct expenditure, which formed 87.1 per cent of the total expenditure in education. The balance of Rs. 233.78 crores was indirect expenditure, forming 12.9 per cent of the total expenditure. The corresponding percentages of direct expenditure and the indirect expenditure for the year 1972-73 were 86.5 and 13.5 respectively. Of the total direct expenditure, highest expenditure was incurred for elementary education Rs. 677 crores (43.1%) followed by high and higher secondary education Rs. 437.00 crores (27.6 per cent). In the remaining sectors, the percentage in respect of expenditure was less than 10 per cent.

Three-fourths (75.7 per cent) of the total expenditure was spent on salaries of the teaching staff, which amounted to Rs. 1191.19 crores. Rs. 169.41 crores or 10.8 per cent was expended on salaries of other staff, and remaining Rs. 212.90 crores or 13.5 per cent was expended on equipment and other items. The all-India picture of the total direct expenditure of educational institutions by objects during 1972-73 and 1974-75 is shown in Table 1.06.

The total government expenditure on education during the year under report was Rs. 1452.85 crores, which constituted 80.4 per cent of the total (direct and indirect) expenditure on education, as compared to Rs. 1051.15 crores or 76.5 per cent in the year 1972-73. Of the total government expenditure, Rs. 1281.77 crores (88.2) per cent constituted direct expenditure and Rs. 171.08 crores (11.8 per cent) formed indirect expenditure. The corresponding figures for the year 1972-73 were Rs. 906.23 crores (86.2%) and Rs. 144.92 crores (13.8%) respectively. The all-India picture of the distribution of Government expenditure on education by heads of charge is shown in Table 1.07.
