F O R E W O R D

The District Statistical Hand Book of Tirap District has been compiled under the all India Core Scheme of the Central Statistical Organisation with a view to presenting a comprehensive picture of the district of Arunachal Pradesh and others in general and the District Administration in particular.

It is a pleasure to say that Shri B.K. Ghosh, District Statistical Officer with the assistance of Shri S.B. Biswas, Inspector of Statistics, Shri S. Kena, Sub-Inspector of Statistics and Shri R. Debnath, Field Investigator has been able to compile the District Statistical Handbook, 1979-80 with respect to Tirap District in such a short time with very limited resources. The co-operation of the District Heads of all departments and particularly of the local administration had made this possible. The Statistical department of Arunachal Pradesh appreciates and acknowledges the efforts made by all of them to enable the District Statistical Officer to publish this Hand Book promptly.

The Statistical tables that appear in the Hand Book of Arunachal Pradesh have provided the frame to prepare the tables of the District Statistical Hand Book giving details upto the circle level whenever possible. When a new table is introduced in the Statistical Hand Book of Arunachal Pradesh, the details of the same upto the circle level will be provided automatically in the District Statistical Hand Book of the succeeding year.

Any suggestion from the users for improvement of the District Statistical Hand Book will be gratefully received.

Sd/- A.M. CHANDA  
Deputy Director,  
Directorate of Economics & Statistics  
Government of Arunachal Pradesh,
