F O R E W O R D

I feel pleasure in releasing the Eighth issue of the publication entitled the "Socio Economic Development of Dadra and Nagar Haveli since its Liberation (1992-93)", which has been one of the most useful publication providing handy information on Annual achievement under various Sectors in the U.T.

The increasing interest shown by various data users both in Government and Private Organisations for this booklet have encouraged us in releasing the Eighth issue. It is hoped that the same will serve as **a**n useful handbook for all concerned.

The work done by the Statistical Department to bring out the publication is worth appreciation.

P R E F A C E

This is the Eighth edition of the "Socio Economic Development of Dadra and Nagar Haveli since its liberation" containing physical achievement during 1992-93 as compared to the achievement at the time of liberation, under various sectors of Development. This booklet has served as a source of handy information of highlights of progress made by the U.T. Administration after liberation and we have observed that the demand of this publication has been increasing every year and thus its usefulness among the data users, planners and other research personnels has been proved for itself, which has encouraged this Department in releasing the publication

I would like to appreciate the cooperation extended by the concerned Departments under this Administration, Post and Telegraph Office, Lead Bank Office by providing feedback data. The extra efforts made by Shri U.R.Vyas, S.A., Smt.N.N.Joshi, Investigator and Miss D.M.Desai, L.D.C. to bring out the publication are worth mentioning.

Suggestions for further improvement in this regard are warmly welcomed.

Dadra and Nagar Haveli is linked with National Highway No.8.

Dadra and Nagar Haveli was born on 17th December, 1879 as a result of the treaty between Portuguese and Marathas. The Marathas assigned 72 villages to Portuguese in return of their friendship and the group of 72 villages came to be known as Dadra and Nagar Haveli. The Portuguese ruled the Territory until its liberation in the year 1954. After liberation, the Administration of Dadra and Nagar Haveli was carried on by local body as Free Dadra and Nagar Haveli Administration till its merger with the Indian Union on the 11th August, 1961.
