Note : 1. Total may not tally due to rounding off.  
2. Population group classification of banked centres is based on population figures as per 2001 census  
The definition/cut-off size of population groups are:  
a) "Rural" group includes centres with population of less than 10000  
b) "Semi-urban" group includes centres with population of 10000 and above but less than 1 lakh  
c) "Urban" group includes centres with population of 1 lakh and above but less than 10 lakhs  
d) "Metropolitan" group includes all centres with population of 10 lakhs and above.

Hence population groupwise figures are not strictly comparable with those of earlier years
