PREFACE

The present edition of 'Statistical Hand Book on Nicobars District 1994' is the fifth in the series. It presents in a handy form of important 'Statistical Information' relating to various sectors of economy of Nicobars District.

We are grateful to the Govt. agencies/Public sector organisations for their generous co-operation in supply of the relevant data for incorporating the same in this publication.

The publication is a result of hardwork put in by Smti. Sobhana K. Unny, Senior Investigator, Shri S. N. Sreepakash, Statistical Assistant under overall supervision of Shri Jacob Varghese, Statistical Officer. It is hoped that the publication will be found useful by the readers.

Suggestions for further improvements of the publication are most welcome.
