## INTRODUCTION

With a view to have better control on educational activities and supervision of school, the Union Territory of Delhi has been divided into four educational districts Viz. North, East, South and West comprising of 28 zones as under :-

District North	Zones 1-7
District East	Zones 8-15
District South	Zones 16-21
District West	Zones 22-28

For demarcation of the districts, the geographical boundaries such as main road, railway lines, etc. have been taken in view.

Zonal boundaries are demarcated so as to make the zones compact and convenient for supervision/inspection purposes.

Initially, the senior Secondary/Secondary and Middle schools were distributed equally among the four districts and as such each district had six zones. However, with opening of more schools according to requirement of increasing population which was not always evenly distributed, the number of schools and consequently the number of zones per district has varied resulting in the creation of 28 zones in all.

### HOW TO CONSULT THIS LIST

All the schools have been grouped district wise-North, East, South and West. At the beginning of each district tables showing number of schools (according to management, stage etc.) has been given. Each zone has been allotted two pages first page containing names of Senior Secondary and Secondary Schools and the second page containing in the names of Middle Schools.

Each Category has further been arranged as under :-

Boys	Girls
Govt. (Urban)	Govt. (Urban)
Govt. (Rural)	Govt. (Rural)
Aided (Urban)	Aided (Urban)
Aided (Rural)	Aided (Rural)
Unaided (Urban)	Unaided (Urban)
Unaided (Rural)	Unaided (Rural)
Central Schools/NDMC	Central Schools/NDMC

The list also contains names and telephone numbers of the officers of Districts Head quarters.

It is hoped that this list will be of help to all those concerned with the school education in Delhi.
