PROCEEDINGS OF THE GOVERNMENT OF
KARNATAKA

Subject.—Revision of Schedule of rates to be allowed to private presses for executing Government works.

Order No. ED 162 MPS 82, Bangalore,
dated the 18th February 1983.

Read.—

1. Government Order No. ED 321 MPS 2, dated 8th February 1973.
2. Letter No. P(P) 266/82-83 dated 21st/28th August 1982 from the Director of Printing, Stationery and Publications, Bangalore.

Preamble.—

In Government Order dated 8th February 1973 read at Sl. No. 1 above sanction was accorded to the revised schedule of rates allowed to private presses for executing Government works.

to The Director of Printing, Stationery and Publications, Bangalore in his letter dated 21st/28th August 1982 read at Sl. No. 2 above has stated that the Department of Printing, Stationery and Publications has to entrust some urgent printing work beyond its installed capacity to private presses at times of urgency. Similarly, Government Departments, like the Department of Information and Publicity, Agriculture Department, Sericulture Department, Public Works Department etc., had to get them printed at private presses. For this purpose there are schedule rates prescribed by Government from time to time. There are also certain other kinds of work like printing of Census Hand Book, Gazetters, Electoral Rolls and certain Acts and Rules books for which they are specially approved rates which are almost revised every year. Though the quantum of work entrusted by the Department of Printing, Stationery and Publications to private presses, is very small it is all the same necessary to keep the general schedule of

rates revised periodically to make those rates reasonably attractive to private presses to take up the work in times of need and urgency. The schedule of rates fixed in the year 1972, has been found to be extremely low and not attractive to any private printers. As a result the Departments have gone on allowing an increase ranging from 25 per cent to 50 per cent over the labour costs for such urgent work entrusted to private presses.

Of late, it is reported that even after adding 100 per cent of this labour costs over and above the approved rates the private printers are not coming forward to undertake the work. As a result, the Department of Information and Publicity, Industries and Commerce, Public Works Department have got their works done at rates higher than admissible including the 50 per cent or 100 per cent extra allowance for urgent work and have approached the concerned administrative Department for approval of their action taken in extending such higher rates.

Under the above circumstances the Director of Printing Stationery and Publications, Bangalore has requested for approval of Government to revise the schedule of rates of the Private Presses for executing Government works.

ORDER

In view of the circumstances stated in the preamble, Government are pleased to accord sanction to the revised schedule of rates appended to this order which shall be adopted to Private Presses for executing works.

The revised schedule of rates shall be given effect to from the date of this order.

This order issues with the concurrence of Finance Department vide their U.O. Note No. FD 75/INTpEXP-8/83, dated 3rd February 1983.

By Order and in the name of the Governor of Karnataka,
M. L. RUDRAPPA,

Under Secretary to Government,
Education & Youth Services Department.
