PREFACE

Economic & Statistical Organisation, Punjab has been compiling and disseminating statistical data on various socio-economic indicators of the state's economy which is useful for policy makers, Govt. and Non Govt. agencies and all those engaged in research & socio-economic analysis. The data thus collected is disseminated through various reports/publications of the department.

The 'Punjab At-A-Glance (District-wise)' is an attempt to present statistical profile and vital statistics of state in a concise manner. District-wise presentation of almost all the data make this publication more significant for sub state level planning & decision making. The organisation endeavors to update this publication and present it in more attractive form with the help of Graphs/charts. The data shows the nature, extent and trends of various socio-economic aspects of the state.

I appreciate the efforts made by the entire team of compilation section of the department under the supervision of Smt. Meena Rani, Research Officer and overall guidance of Sh. Harvinder Singh, Joint Director. Suggestions for improvement of the publication will be appreciated.
