District: Golaghat

Axom Sarva Siksha Abhiyan Mission [ASSAM]

DISTRICT PROFILEE

GOLAGHAT

The district is located in the remote north-eastern corner of India and is rich in cultural heritage. It is famous for freedom fighters like Kushal Konwar, literary figures like Pandit Hem Ch Goswami, thick reserve forests like Nambar with its rich fora and fauna and the Kaziranga National Park famous for its great Indian One Horned Rhinoceros.

District At A Glance

Geography :

Location North East of Assam

Longitude Range 93°16 East 94°10′ East.

Latitude Range 25°50′ North to 26°47′ North

Distance from State Capital 290 Kms.

Area 3502 Sq. Km.

Borders North: Brahamaputra River

South: Karbi Anglong, Nagaland

West: Nagaon, Karbi Anglong

Major Rivers Dhansiri, Kakodonga, Doyang, Gela beel, Diphu

Major Forests Kaziranga, Nambar

Total Forest Cover Approximate 1,036.27 Sq. Km.

The Implementation Structure:

There will be a District Board of Education (DBE). It will play an advisory role and formulate broad policies and guidelines. The DBE will be headed by Deputy Commissioner/Chief Excecutive Officer of Zila Parishad of the District . The District Project Co-ordinator (DPC) will be the member secretary. It will have its meeting once in each quarter and review the progress and suggest measures for improvement.

To oversee the day to day functioning of the project implementation there will be a committee named District Advisory Committee (DAC) headed by Deputy commissioner of the district. The District Project Co- ordinator (DPC) will be the member secretary. The committee will hold its meeting once in a month to monitor and review the project implementation.

A district Project Office (DPO) will be setup for implementation of the project in mission mode. The District Elementary Education officer (DEO) /Inspector of Schools—will act as chief executive officer and designated as District Project Coordinator (DPC). The principal DIET will act as District Academic Officer (DAO). The Sadar DI will act as Associate District Project Co-ordinator. There will be five district Programme officer to assist the DPC and DAO for implementation of activity pertaining to different functional areas viz.: Community Participation, Teacher Training, Early Child Education and Girls Education, Education Guarantee Scheme—and Alternative Innovative Education. While selecting the functional area in charges preference will be given to the personal of training institutes.

To oversee the implementation Block Level Education Committee would be formed.

At block level Block Resource Center (BRC) would be setup in each Educational block (Both Rural and Urban). The BRC will be headed by Block Elementary Education Officers (BEEO). In case of urban blocks where there is no BEEO the Deputy Inspector of Schools (DI) head the BRC. The head of the BRC will be designated as Block Project Coordinator (BPC). The BPC will be assisted by three Block Academic Officer (BAO). One BAO will be responsible for pedagogy of all functional areas, one for Education Guarantee Scheme and Alternative Innovative Education and one for special focus group viz. Girls, weaker sections etc.

To provide specific support to the Upper Primary Schools a Zonal Resource Center (ZRC) would be set up in each Panchayat. The Principal/Headmaster of the school where in ZRC will be located would act as ex- officio Zonal Resource Center Coordinator (ZRCC). Five RPs expert in different subject would be selected to assist the ZRC.

At cluster level Cluster Resource Centre (CRC) will be setup. CRC will comprise of 10-15 primary schools. The number of schools would depend on geographical location as maximum distance for a school under a CRC will be 7 Km. The CRC will be headed by a primary/Middle school teacher having minimum 7 years of teaching experience.

At village level Village Education Committee (VEC) already constituted by Govt. of Assam will be the implementing authority. The VEC will be responsible for construction works except BRC building and DIET hostel , school infrastructure grant , Teaching Learning Equipment Grant ,management of ECE , EGS & AIE and Village Level environment building and promotional activities. The VEC will see that all school going age group children attend school and complete at least 7 years of schooling. At school level School Managing Committee (MC) is already there. The MC would be represented in the VEC and MC would report to the VEC regarding school related activities.

COMPONENT WISE STRATEGIES AND PLAN OF ACTION:

A. PROJECT MANAGEMENT

A district Project Office (DPO) will be setup for implementation of the project in mission mode. The District Elementary Education officer (DEO) /Inspector of Schools will act as chief executive officer and designated as District Project Coordinator (DPC). The principal DIET will act as District Academic Officer (DAO). The Sadar DI will act as Associate District Project Co-ordinator. There will be five district Programme officer to assist the DPC and DAO for implementation of activity pertaining to different functional areas viz.: Community Participation, Teacher Training, Early Child Education and Girls Education, Education Guarantee Scheme and Alternative Innovative Education.

The tentaive mangement structure at district level is given below

Disptrict Project Co-ordinator	1
District Academic Officer	1
Associate District Project Co-	1
ordinator	
District Programme Officer	5 (TT, CP, IED, ECE &GE, E GS & AIE)
Finance & Accounts Officer	1
Junior Accounts Officer	1
District Project Engineer	1
UDA	1
LDA cum Typist	2
Cashier	1
Stenographer	1
Receptionist cum typist	1
Junior Engineers	One for DPO and one each for each block
Grade IV	3

In addition to the staff mentioned above, provision for furniture equipment office contingency, rent and vehicles hire etc. are also made as per minimum requirements for the remaining period of the financial year. It has been proposed to utilise hired vehicle instead of purchase of vehicle.

B. ENVIRONMENT BUILDING, MEDIA & PUBLICITY

For creation of viable environment to launch the project minimum provisions for organising cams at village level has been proposed. For media and publicity it has been proposed to utilise the mass media like print, audio and video in a limited scale initially. Provisions has also been kept for conduct of Sishu Mela at all schools for felicitating the parent's and children's participation

C. BLOCK RESOURCE CENTRE

Block Resource Centre made functional under DPEP has gained recognition as vital Centre of teacher-training and community-oriented activities and has given a real boost to the school support activities. So it is proposed to setup BRC in all urban (DI Area) and rural blocks to transform the classrooms into child-centric and activity-based teaching-learning centres and teachers into dynamic and innovative practitioners of child-friendly new teaching-learning approaches

The BRC would function as mini DIET at each block for imparting intensive in-service training to the teachers. Apart from these the BRC will also impart training to VEC members, CRCCs and AS personnel.

Provision for selection workshop, monthly recurring expenses and establishment costs have been proposed.

D. CLUSTER RESOURCE CENTRE

To ensure vigour, dynamic, intensive and quality for the school-support and community mobilisation efforts it is proposed to constitute CRCs at sub-cluster level. A CRC is the grassroots level vital agency for delivering of new inputs to elementary education through training of teachers as well as meeting, supervision etc. It is a sub block level forum for innovation, practice of new ideas on pedagogy. There will be one CRCC for 10-15 schools. The number of schools would depend on the geographical location. It would be seen that the distance of all the schools under particular CRC is within a radius of 5-7 KM maximum. Provision for selection workshop, monthly recurring expenses and establishment costs have been proposed.

For providing support to the upper primary schools it has been proposed to create Zonal Resource Centre (ZRC) at Panchayat Level. In each Panchyat one Zonal Resource centre would be made functional. No permanent positions would be created for ZRC. The HT/Principal of the school wherein the ZRC would be located would act as Zonal Resource Centre Coordinator (ZRCC). To assist the ZRC co-ordinator there would be 5 RPs experts in different subject area. Besides assisting the ZRCC in conducting monthly meeting the RPs would also visit schools for providing on site support. Provisions for development of ZRC and recurrent expanses for meeting, field visits etc. has been kept.

B. ENVIRONMENT BUILDING, MEDIA & PUBLICITY

For creation of viable environment to launce the project minimum provisions for organising cams at village level has been proposed. For media and publicity it has been proposed to utilize the mass media like print, audio and video in a limited scale initially. Provisions has also been kept for conduct of Sishu Mela at all schools for felicitating the parent's and children's participation

C. BLOCK RESOURCE CENTRE

Block Resource Centre made functional under DPEP has gained recognition as vital Centre of teacher-training and community-oriented activities and has given a real boost to the school support activities. So it is proposed to setup BRC in all urban (DI Area) and rural blocks to transform the classrooms into child-centric and activity-based teaching-learning centres and teachers into dynamic and innovative practitioners of child-friendly new teaching-learning approaches

The BRC would function as mini DIET at each block for imparting intensive in-service training to the teachers. Apart from these the BRC will also impart training to VEC members, CRCCs and AS personnel.

Provision for selection workshop, monthly recurring expenses and establishment costs have been proposed.

D. CLUSTER RESOURCE CENTRE

To ensure vigour, dynamic, intensive and quality for the school-support and community mobilisation efforts it is proposed to constitute CRCs at sub-cluster level. A CRC is the grassroots level vital agency for delivering of new inputs to elementary education through training of teachers as well as meeting, supervision etc. It is a sub block level forum for innovation, practice of new ideas on pedagogy. There will be one CRCC for 10-15 schools. The number of schools would depend on the geographical location. It would be seen that the distance of all the schools under particular CRC is within a radius of 5-7 KM maximum. Provision for selection workshop, monthly recurring expenses and establishment costs have been proposed.

For providing support to the upper primary schools it has been proposed to create Zonal Resource Centre (ZRC) at Panchayat Level. In each Panchyat one Zonal Resource centre would be made functional. No permanent positions would be created for ZRC. The HT/Principal of the school wherein the ZRC would be located would act as Zonal Resource Centre Co-ordinator (ZRCC). To assist the ZRC co-ordinator there would be 5 RPs experts in different subject area. Besides assisting the ZRCC in conducting monthly meeting the RPs would also visit schools for providing on site support. Provisions for development of ZRC and recurrent expanses for meeting, field visits etc. has been kept.

E. INSTITUTIONAL CAPACITY BUILDING (DIET), BTC, Normal Schools

DIET would be the nodal agency for overseeing the pedagogical renewal process. Steps would be initiated for institutional development and capacity building of DIET, BTC, Normal schools.

Provisions for some recurrent expanses and mobility support for supervision by DIET has been proposed.

F. SCHOOLING FACILITIES

It is proposed to provided school infrastructure grant and teaching aid grant for all primary and middle schools. Provision for Teaching Learning equipment grant for Upper Primary schools has also been proposed. It has been decided to implement the schemes directly through VEC.

G. TEACHER TRAINING AND MOTIVATION

For qualitative improvement development of resource persons and training of teachers would be the main focus.

- 1. Development of resource persons need careful planning and a systematic approach to ensure the formation of a band of committed, resource group.
- 2. The visioning exercises need to be conducted at various levels for grasping the objectives of DPEP and one's role in it.
- 3. The Administrative officers like DIs; BEEOs SIs can play a vital role in materialising the scheme in the grassroots level.
- 4. The involvement of VEC must be ensured from the very beginning by inviting their suggestion in the actual intervention strategy.
- 5. The use of self- instructional training package in the training programme reduces the chance of transmission loss and dependence on resource persons.
- 6. The project personnel, teachers need to be empowered time and often through approach / discussion papers. The distance mode of education can go into a big way for enriching their professional status.
- 7. The children's involvement in almost all the areas of pedagogic intervention is very crucial for overall achievement.
- 8. All the Resource persons need to have first hand experience of actual classroom teaching.
- 9. The Resource Institutions like DIET, BRC are required to play a definite role as teacher training institute. The direct involvement of BRCC and DIET personnel in the teacher training seems to be very effective.

10. The monthly teacher meeting in the cluster level plays a significant role in improving classroom transaction. It can solve problems like non-use of T/L material in classroom situation, teachers' absenteeism, irregular attendance of teachers / students and lack of community involvement and continuous evaluation.

Following are 3s will be considered:

- The development of a Resource team in the district
- Identification of proper strategy for empowerment of Resource team.
- Need based teacher training package
- Integrated approach for effectiveness of classroom transaction

Training of resource persons: Strategy and Provisions:

The RPs will be provided self- instructional training packages for understanding their role. More over, 5 selected persons from every district will be invited to state level workshops for visioning exercises. Another strategy is to help them to attend residential camp while attending training of H / Ts and Mass Teachers training (school readiness programme). This intensive participation will give each of them opportunity to gauze the actual status of their ability and ways for further development.

As a part of strategy the DRG will first receive massive 7 day training on school readiness package. The CRCCs & CRGs will receive a 10-day orientation programme on the same.

The main aim of teachers training in to bring coherence between principles (method) classroom transaction teacher training and textbooks (materials). The focus is to help teacher build confidence in them, awareness regarding their role and continuity of purpose. The focus in the first two years will be on development of teachers' ability but at the same time attempts will be made to ensure students participation in the school activities. The monthly teachers meeting will serve as a powerful institution of upgrading teacher's professional growth through new teaching practices in terms of evaluation sheet. The monthly teacher meeting must prepare list of activities subject wise for the coming month and also fix the amount to be spent out of the grant (Rs. 500/-) for the same. This meeting will also review the status material prepared in the last month specially the actual use in the classroom. The teachers will get ample opportunity every year to go through two rounds of Mass teachers training, intensive training in the BRC and DIET and regular training in monthly meeting. The plan has been conceived as over all intervention in all the 7 key areas: curriculum, method, materials, textbooks, teacher training, Supervision and evaluation. The review workshop will be conducted at DIET / DPO level for assessing the school effectiveness. Survey programmes will be launched for identifying the actual status of the problem. This will be followed by a workshop on data analysis. The results findings of this survey will be shared with the teachers.

Supervision strategy would be framed on the experience of DPEP districts. Regular ARG support structure will be maintained more over, special support campaign will be conducted involving DIs / BEEOs / SIS Etc. after each teacher training is over.

The district people (teachers, CRCCs,) will be given sufficient scope for visiting the DPEP district and sharing with others. In the same way selected teachers, RPs will be sent to visit outside projects time & often.

H. EDUCATION GURANTEE SCHEME AND ALTERNATIVE INNOVATIVE EDUCATION (EGS&AIE)

The plan for EGS & AIE would be drawn after the completion of the on going House to House Educational Survey and microplanning process.

I. EARLY CHILDHOOD EDUCATION

Strengthening of ICDS would be thrust area of this component. Instead of setting up of ECE centres in the areas wherein ICDS centres exist, it would be attempted to support and strengthen those ICDS centres by way of training, incorporation educational inputs etc.

However, in Non-ICDS habitations ECE centres would be opened. The plan for setting up of ECE centres would be drawn after the completion of the on going House to House Educational Survey and micro-planning process.

J. GIRLS EDUCATION

For enhancement of the girls education it has been proposed to organise 10 promotional campaigns would be organised in each block in the identified pockets having problems in girls education.

K. COMMUNITY PARTICIPATION/VILLAGE EDUCATION COMMITTEE

The Govt. of Assam has already constituted VECs in all the villages. VECs would be strengthened by incorporating Panchayat representatives, members of School Managing Committee, Parent representatives of IED children etc. All the Panchayat members of the VEC area would be the VEC members. Besides there will be an Education Sub-committee in each Panchayat.

VEC shall be the most powerful tool for bringing about a positive change in the school environment. VECs would be implementing agency for school grant, TLE grant, and civil works, running ECE, EGS & AIF schemes. Besides the village level other interventions viz. EB campaign, Community participation activities would also be implemented through the VECs.

Training of VEC members has been planned. To activate the VEC provisions for monthly meeting of VEC has been kept. Besides for ensuring community participation in school development process it has been proposed to conduct drop out prevention and retention drive in every village through VEC.

L. MANAGEMENT INFORMATION SYSTEM (MIS)

In order to systematically monitor the progress in providing elementary education of acceptable standard for all, a computerised Management information system (MIS) has been proposed at DFO so that the flow of information from the School / CRC 's to the district level run smoothly. As the present system of collecting data is time consuming and likely to have manual errors, therefore it is necessary to have computerisation of MIS at primary & upper primary level. It will be covering the following aspects.

- Planning
- Monitoring of implementation of Different activities
- Educational aspect
- Project parameter (Financial & Physical)
- Regular school statistics
- Evaluation / Assessment studies.
- Project scheduling, implementation and flow of resource.

The MIS will provide inputs to the Planners for need based target oriented area specific planning. Provisions for staff and setting up of MIS have been kept.

M. ACTION RESEARCH AND EVALUATION

Due to limited time period the proposal for this component would be made under next financial year.

N. INNOVATION

For carrying out innovative activities a lumpsum amount of Rs.50000/- has been proposed.

Induction training and also to provide books and journals to the educational functionaries.

P. DISTANCE EDUCATION

The actual programmes under this component would be launched under next financial year. For development of the district to launch distance education programme it has been proposed to provided equipment and accessories to the DIET, BTC, and blocks for conducting tele conferencing programme. Provisions have also been made for development of Self Instructional materials.

Q. INTEGRATED EDUCATION FOR DISABLED CHILDREN

The field level activities would be started from next financial year. However as a beginning it has been proposed to conduct awareness campaigns at block levels.

R. CIVIL WORKS

Except construction of BRC building and DIET hostel all other constructions would be implemented by the Village Education Committee.

Provisions for minimum civil works, which can be completed started within the financial year, have been kept. Detailed civil works plan would be drawn after completion of micro planning and collection of EMIS data.
