

EMBLEM

GOVERNMENT OF MEGHALAYA

BLOCK INDICATOR 2009

EAST KHASI HILLS, SHILLONG

OFFICE OF THE DISTRICT STATISTICAL OFFICER
EAST KHASI HILLS: SHILLONG

**DIRECTORATE OF ECONOMICS AND STATISTICS
MEGHALAYA**

PREFACE

The **Block Level Indicator 2009** is the first of its kind in a number and series of publications, published by the office of the **District Statistical Officer**, East Khasi Hills, Shillong. The scheme of things of this novel exercise is to highlight the latest development in different fields at the Block Level. Reasonably, efforts have been made to present data of latest reference period, though such figures may not be ultimate but projected and Provisional in nature. Nevertheless, this publication provides the insight to the trend of ground reality, the pace of growth and the rate of change in different domains of society within the present decade. It may be mentioned that most of the institutional data are secondary in nature though endeavors have been made to source such information from the grass root units/institutions.

Hopefully, this indicator will be relevant to the need of the day and of diverse institutions, entities including the Policy makers, Researchers, etc. This office also places on record the uphill task and services rendered by the Sub-Inspectors of Statistics attached in the Blocks and also the good cooperation of all the Block Development Officers in making this job a success.

Views, comments and suggestions from all users are welcomed for improvement of other issues in the pipeline.

Shri V. Swer
District Statistical Officer
East Khasi Hills, Shillong.
