## FOREWORD

This issue of the "Statistical Hand Book, Assam, 1992" is the twenty fifth in the series. It seeks to present in a concise form the latest available basic statistics pertaining to socio-economic trends in the State of Assam. Efforts have therefore been made to collect up to date data covering upto 1991-92 and incorporate in this issue. However in case of non-availability of such data in few cases last year's published data have been repeated.

The generous co-operation extended by the Departments and Organisations by furnishing data for compilation of this issue is acknowledged with gratitude.

Suggestions for improvement of future publications are most welcome.

Dated, Guwahati  
the 28th Dec/92.

Director of Economics & Statistics,
