## P R E F A C E

I have great pleasure in presenting to you the 25th Annual Report of Goa University for the academic year 2009-10.

This Annual Report is presented, as per our annual practice, in six parts comprising (I) University Authorities and Boards, (II) University Departments, Centres and Programmes, (III) Achievements of the University Faculty, (IV) General Administration, (V) Affiliated Colleges, and (VI) Recognized institutions. The Report largely covers the profiles and activities of the post graduate departments at the University and the significant achievements of both the members of the faculty and the students. The section on affiliated colleges mirrors the activities that are undertaken by the professional and non-professional colleges affiliated to this University.

This Annual Report spans the Silver Jubilee Year of Goa University. The Silver Jubilee Year was observed with great fervour with a large number of national and international conferences hosted by the University departments during this period. The period also witnessed visit to the University of such luminaries as Dr. Anil Kakodkar, Dr. Raghunath Mashelkar, Prof. Prabhat Patnaik, Ambassador Lalit Mansingh among others. During the year of the Silver Jubilee of its foundation, the University was also privileged and honoured by the gracious presence of Her Excellency Smt. Pratibha Devising Patil, Hon'ble President of India, at the 22nd Annual Convocation held in November 2009. This Annual Report makes an attempt to capture some of those moments.

I would like to record my appreciation and acknowledgment towards the cooperation of all the teaching and non-teaching staff members and students who contributed to the success of the year-long Silver Jubilee celebrations.

Prof. Dileep N. Deobagkar  
Vice Chancellor

## INTRODUCTION

Goa University has treaded a path of sustained growth since its inception in 1985 around the nucleus of Centre for Post Graduate Instruction and Research of the University of Bombay in Goa. As is expected of an institution on the move, Goa University has grown steadily in terms of its infrastructure, addition of contemporary courses with a dynamic curriculum, and increase in the number of affiliated colleges and recognised institutes.

The Annual Report of the University attempts to reflect the various facets of academic and co-curricular activities at the University. The information contained in the pages that follow truly reflects the vibrant academic ethos of the University, its focus on research, and notably the rich contribution of the faculty in terms of research projects, national and international seminars and workshops as well as publications. The Report also reflects the academic ethos of our affiliated colleges and institutes.

Since this publication covers the period of the Silver Jubilee Year 2009-10, images of the various activities conducted during the year have also been included in the publication.

We are thankful to all heads of University departments and Principals of affiliated colleges who have painstakingly compiled information that is contained in this Report. The Committee would like to express its gratitude to all those who have contributed in the publication of this Annual Report.

6 students are working on lecture basis in different degree colleges affiliated to GU, others are working for High Schools and Higher Secondary Schools.

**Other Information**

**R. N. Mishra**

1. Telecast Hindi Varta on 'Jaidev Rachit Geet Govind Ka Madhurya' from All India Radio, Panaji on 26th August, 2009.
2. Recorded talk on 'Bharteeya Darshanik Dr.Radhakrishnan Varta' at All India Radio, Panaji, on 22<sup>nd</sup> March, 2010.

**Vrushali S. Mandrekar**

1. Translated book 'Katha Darpan' was published by Institute Menezes Braganza on 24<sup>th</sup> Nov. 2009.
2. Translated stories published in 'Vartaman Sahitya'.
3. "Uullaghan" (Sahitya Academy project) submitted to Sahitya Academy after translation from Marathi to Konkani

**No. of Radio talks/ TV interview/ Popular articles**

R. N. Mishra - 2.

Translations - 3.

**DEPARTMENT  
OF  
MARATHI**

**Faculty**

S. M. Tadkodkar, Ph. D., Associate Professor & Head -- Old Christian Marathi Literature, Modern Marathi Literature & Literary Criticism.

V. D. Sawant, Ph. D., Associate Professor, Modern Forms of Literature & Literary Criticism.

B. G. Kanolkar, Ph. D., Associate Professor – Modern Forms of Literature & Folk Literature.

S. S. Umraskar, M. A., Assistant Professor – Medieval Literature & Modern Literature.

**Major thrust areas of research :**

The major thrust areas of the research are modern Marathi Literature, Christian Marathi Literature, Marathi Fiction, Goan Marathi Literature and Folklore. Research work is being undertaken in the areas of Science Fiction in Marathi, Goan Marathi Literature, Christian Marathi Literature and Marathi Fiction.

**Other information**

**Awards/Honours conferred**

S. M. Tadkodkar was awarded a Gold Medal instituted by Research Line, Indore (a national monthly research journal) for outstanding contribution to literature and research, 2009.

**No. of Radio talks/TV interviews/Popular articles**

S. M. Tadkodkar - 1.

**DEPARTMENT  
OF  
FRENCH  
&  
FRANCOPHONE  
STUDIES**

**Faculty:**

Edith Melo Furtado, Ph. D., Associate Professor -- French and & Francophone Literature, French-Canadian Studies and Culture Studies (with special reference to Goa).

Anuradha Wagle, Ph. D., Associate Professor and Head – Translation and Interpretation, Linguistics & Methodology of Teaching French.

Claire Chaize, Masters, Tutor in French – Methodology of Teaching French, French Language and Culture.

Marise D'Lima, M. A., Visiting faculty – French for Hotel and Tourism Industry, Translation.

Maria Theresa Abranches, Masters – Visiting faculty, French language teaching.

**Major thrust areas of research**

The Department of French & Francophone Studies has the unique advan-

tage of offering inter-disciplinary programmes that are innovative and utility oriented. The academic programmes at the Department indicate a nuanced thrust on Literature, Translation, Methodology, Functional French, Language Proficiency and Cultural Studies. These components prepare students for the job market in one or more fields.

The Department has developed in the area of Francophone Canadian Studies and the Colonial Encounter, going as far as including Goan post-colonial literature written in English and French, with the Francophone world as the point of reference.

It has also been working towards the diffusion of Translation Studies, which have been accorded a major thrust in recent years. Students are increasingly aware of the usefulness and the job opportunities available in the world of Translation Studies.

The Department holds Language courses for institutions such as the Academy for Culinary Science (Cidade de Goa) as part of their diplomas. The Faculty of the Department of French & Francophone Studies has also been requested by the Goa Board of Secondary and Higher Secondary Education to lend its expertise to the French Textbook Project for Secondary and Higher Secondary schools with a view to introduce new and innovative ways of teaching the language. The books for Std. VIII and IX are already in use.

The Department of French, in collaboration with the Embassy of France in India, has availed the services of a French tutor who is deputed by the Embassy for one academic year at the University. Fourth such tutor is currently working at the Department.

The Department has also signed an MOU with Université Stendhal Grenoble (France) for cooperation in research projects, MA French through distance mode and Student Exchange Programme and is currently discussing research possibilities with the University of Aix-en-Provence.

#### Visiting Scholars

Isabelle Taudière, Former faculty of Advanced Institute of Translators and Interpreters, Paris, France, Workshop on Translation and lecture on "Self Training for Literary Translators", 11<sup>th</sup> -12<sup>th</sup> Sept., 2009.

Philippe Guinet, Association Passeur des Mots, Silver Jubilee Workshop on Literary theatre "Chorale des Mots", 22<sup>nd</sup> - 27<sup>th</sup> Feb., 2010.

Jean-Yves Petitgirard, CUEF, Université Stendhal, Grenoble -3 (France), "Higher Studies in French Universities", 8<sup>th</sup> March, 2010.

Guillaume Marbot, University of Rennes, France, "Linguistic and Cultural exchanges with French Universities", 8<sup>th</sup> March, 2010.

**Other information****Fellowship/Visiting Professorship**

Anuradha Wagle was invited to participate, with full sponsorship, in the Conference of Teachers of East Asian Countries, held in Taipei, Taiwan, organized by the Association of Teachers of French of Taiwan in collaboration with the French Embassy in Taiwan. She participated in discussions on French Teaching in Asia and represented the Asia Pacific Commission of the FIPF at the Conference.

Anuradha Wagle was invited to participate, with full sponsorship, in the International Conference of Teachers of French of the Latin American countries in Rosario, Argentina, organised by the International Federation of Teachers of French (FIPF) headquartered in Paris (France). She also represented the Asia Pacific Commission at the Executive Committee meeting of the FIPF held during the Conference.

**Achievements of Staff and students**

Anuradha Wagle and Edith Melo Furtado were both awarded the medals of "Chevalière dans l'ordre des Palmes Académiques". Anuradha Wagle was awarded the medal by His Excellency Jerome Bonnafont, Ambassador of France, in New Delhi on 28<sup>th</sup> July 2009 and Edith Melo Furtado was awarded the medal by François Pujolas, the Consul General for France in Mumbai, in Goa on 2<sup>nd</sup> May, 2010.

Evelyn Fernandes, student of MA French was awarded an assistantship to the Academy of Bordeaux (France) from Sept., 2010 to April 2010.

**DEPARTMENT  
OF  
PORTUGUESE**
**Faculty**

Delfim Correia Da Silva, Lecturer, In charge

**Highlights of major achievements**

Patrícia Vieira, Assistant Professor at the Department of Spanish and Portuguese, Georgetown University, U.S.A., delivered a talk titled "Contemporary Literature in Portuguese: History, Memory and Utopia" held in Goa University.

**Conference on Portuguese Literature and Culture**

The Department of Portuguese, in collaboration with CLP/Instituto Camões, Panjim, organised conferences on Portuguese Culture.

Miguel Real, renowned Portuguese writer, whose work comprises essays, novels, theatre and philosophy, delivered a talk titled "A Filosofia da Saudade no Século XX," followed by a second conference in English on "Manuel Alegre's and Jose Saramago's Camoes: Recovery and Disassemblage of a Myth" delivered by Manuel Ferro, Professor of Compared Literature and a

research scholar of Centro Interuniversitário de Estudos Camonianos from University of Coimbra.

The exhibition «*O que é o Teatro?*», an initiative of Centro de Língua Portuguesa/ Instituto Camões in collaboration with Department of Portuguese, Goa University, was opened to the public from 6<sup>th</sup> - 14<sup>th</sup> Nov., 2009 at the premises of CLP/ Instituto Camões, Panjim. Paulo Neves Pocinho, Consul General of Portugal in Goa inaugurated the exhibition, after which a talk titled “The influences of European theatre on Goan *Tiatr*” was delivered by Dr. Rafael Fernandes, Associate Professor, Department of English, Goa University.

“O que é o Teatro?” is an exhibition featuring by 25 paintings, organized by Maria João Brilhante, Director of Teatro D.Maria II, Lisbon, depicting, through pedagogical material like didactic texts, photography and illustrations, the development of theatre from the ancient Greece to the present times, interpreters, authors, texts, the public, the social aspects and the places of presentation.

The Department of Portuguese, in collaboration with CLP/Instituto Camões in Panjim, organized a Reading Session on 18<sup>th</sup> March, 2010 at Goa University with the special participation of José Luís Peixoto, a young Portuguese writer, winner of the José Saramago Literary Award in 2001. Around 40 students and teachers of different Departments read poems in Portuguese, English, Konkani, Hindi, Marathi, French and Persian.

## DEPARTMENT OF HISTORY

### Faculty

Pratima P. Kamat, Ph. D., Professor and Head – Indo-Portuguese History and Maritime Studies

N. Shyam Bhat, Ph. D., Associate Professor – History of Modern India, History of South Kanara, and Indo-Portuguese History

Nagendra Rao, Ph. D., Associate Professor – Ancient India, Economic & Social History of Western Coastal India.

Parag D. Parobo, M. A., Assistant Professor – History of Goa, Portuguese Colonialism, Intellectual History and Maritime History

### Major thrust areas of research

The faculty members of the Department have been actively involved in research and publications in their respective areas of specialisation. They have published their research in journals, both within the country as well as abroad. This has helped strengthen the Department's academic contribution to its thrust area, viz., Indo-Portuguese History and Maritime Studies.

### Visiting Scholars

Swapnil Naik, Department of History, Goa University, Tourism in Goa: Issues and Concerns, 7<sup>th</sup> Oct., 2009

Parag D. Parobo delivered talk on the theme "Cultural History of Goa" for Fulbright Scholars of the State University of New York, USA, during the interaction organised by Centre for Latin American Studies, Goa University on 25<sup>th</sup> January 2010.

Parag D. Parobo participated in one day workshop on the theme of "Assessing Knowledge Text Translations in Konkani Language" organised by National Translation Mission, Central Institute of Indian Languages, Ministry of Human Resource Development, Department of Higher Education, Government of India, Mysore, held at Fr. Agnel College, Pilar on 24<sup>th</sup> January 2010.

**DEPARTMENT  
OF  
PHILOSOPHY**

**Faculty**

A. V. Afonso, Ph. D., Professor and Head -- Philosophy of Science & Philosophy of Religion

Sanjyot D.Pai Vernekar, Ph. D., Associate Professor – Applied Ethics

U. A. Vinaya Kumar, Ph. D., Associate Professor – Indian Metaphysics, Indian Logic, Epistemology, Existentialism

Milan Desai, Ph. D., Associate Professor – Philosophy of Science, Analytical Philosophy

Koshy Tharakan, Ph. D., (on Lien)

**Major thrust areas of research**

A. V. Afonso, engaged in research in the area of "Hermeneutics as Method" as part of "Modes of Philosophical Reasoning" project.

Sanjyot D. Pai Vernekar, engaged in research on "The Spiritual Aspects in the Thought of Shri Aurobindo."

U. A. Vinaya Kumar: Metaphysical Synthesis of Major World Religions—A Project titled "Synthesis of World Religions: On Constructing General Metaphysical Structure."

Milan Desai, engaged in research on "Scientific Basis of Mantras." Is also presently engaged in study of "Philosophy of Science and Commensurability Thesis."

**DEPARTMENT  
OF  
POLITICAL  
SCIENCE**

**Faculty**

Rahul Tripathi, Ph.D., Assistant Professor & Teacher Incharge -- International Political Economy, South Asia.

Prakash Desai, Ph.D., Assistant Professor – Political Theory, Democratic Politics in India.

Alaknanda Shringare, Ph.D., Karnatak University, Dharwad, Assistant Professor (on contract) – Coalition Politics, Gender, Democratic Governance.

**Major thrust areas of research and achievements**

The Department maintained its focus on International Relations, South Asia and Goa as part of its teaching, research and seminar activity. The department faculty engaged with the leading global and national scholarship on International Political Economy with the purpose of creating a community of South Asian scholars on the area. It also took the lead in organising a conference on 'Dayanand Bandodkar and his ideas', and seeks to develop a research program on the significance of the Bandodkar era for Goa's contemporary political economy.

A number of academic talks and round table discussions were organized by and at the Centre over the past year.</p>

The Centre continued its tradition of organizing a day long academic function for the 46<sup>th</sup> course organized by the Foreign Service Institute of the Ministry of External Affairs, Govt. of India, New Delhi.

The Centre also organized a distinguished lecture in collaboration with the UGC Nehru Centre by Ambassador Lalit Mansingh, former Foreign Secretary, MEA, Govt of India.

The Centre also organized a number of programmes in collaboration with the American Center Mumbai on Sexual Harassment in Academic and Workplaces as well as an academic interaction on Goa for visiting Fulbrighters from the USA, in January 2010.

The Centre also organized a National Seminar on *Contemporary Latin America and the Caribbean Recent Developments in the Region*. The faculty members of the Centre are actively involved in extension activities which include public lectures and special tutorials for students appearing for NET/SET examinations.

#### Visiting scholars

Ambassador Lalit Mansingh, former Foreign Secretary, Govt. of India, Ministry of External Affairs, Public Diplomacy Division, "India's Foreign Policy in the 21<sup>st</sup> Century," 29<sup>th</sup> March, 2010.

## CENTRE FOR WOMEN'S STUDIES

#### Faculty

S. Desouza, Ph. D., Asst. Professor (Incharge) – Gender Studies, Health / Empowerment

#### Highlights of major thrust areas of research and achievements

The Centre for Women's Studies was involved in policy planning for women in the state of Goa through its association with the Goa State Commission for Women(GSCW) from December 2006 - December 2009. Faculty of the CWS was appointed member of GSCW. Though its involvement with the GSCW, the CWS has collaborated with the Goa Police to start a helpline (1097) to address the issue of molestation of girl student on buses and other issues related to violence against women in Goa. The CWS also prepared a simplified version of the Protection of Women from Domestic Violence Act 2005 that was printed and disseminated through public programmes organised by the GSCW all over Goa.

The CWS was awarded a UGC major project that studied the links between tourism related development practice, nutritional entitlement of women and the consequent impact on their health. The research project was completed in August, 2009.

The CWS has been awarded Rs. 5,00,000/- p.a. (Rupees Five Lakhs per annum in the Eleventh Plan Period) under the UGC scheme for Women's studies.

The CWS has been pursuing its proposal to the Government of Goa for development into an Advanced Centre for Women's Studies with the aim to reach out to a wider cross section of the Goan society, develop a teaching programme at the CWS as well as to include a variety of training programmes as a step towards the National goal of Women's Empowerment.

#### **Ongoing Projects / completed**

- S. V. Girkar, M. Sc., Assistant Professor – Organic Chemistry
- Witty D'Souza, Ph.D., on contract
- Shweta Verlekar, M. Sc., on contract

**Major thrust areas of research and achievements**

1. Newer methods of chemical synthesis of inorganic and organic materials.
2. Solid state chemistry and catalysis
3. Electrochemistry
4. Synthesis of natural products and polymers
5. Green chemical processes
6. Synthesis and applications of nanomaterials
7. Coordination and bioinorganic chemistry

Faculty members of the department have been involved in the following research activities:

- a) Investigations on metal ion absorption on hydrous manganese oxides
- b) Preparation of nano material based active catalysts for carbon dioxide detoxification and metal organic type semiconductors for photo degradation of azo dyes.
- c) Synthesis and characterisation of coordination polymers of alkaline earth metals and metalsulfido compounds.

- d) Development of an efficient two step general procedure for the synthesis of avenanthramides and long chain alkyl hydroxycinnamates.
- e) Preparation of mixed metal transition oxides which shows high sensitivity & selectivity for ppb level gases such as H<sub>2</sub>S, NH<sub>3</sub> etc. at room temperature.
- f) Domino reaction, green synthesis, asymmetric synthesis and application of new components in organic synthesis.
- g) Synthesis of new monomers and polymers and successfully tested them as solid state nuclear track detectors.
- h) Designed improved synthetic strategies to obtain nano size titania.
- i) Oxidative organic transformations using transition metal coordination compounds. Synthesis of ligands and metallation.
- j) Isolation and structure elucidation of secondary metabolites from marine organisms.

K. Mahender, Ph.D., Associate Professor – Sedimentology, GIS Petroleum Geology and Remote Sensing & GIS.

A. G. Chachadi, Ph. D., Associate Professor – Groundwater, Environmental and Exploration Geophysics.

T. A. Vishwanath, Ph. D., Associate Professor, Geochemistry, Metamorphic & Igneous Petrology.

A. A. A. Viegas, Ph. D., Assistant Professor – Igneous Petrology, Remote Sensing

#### Major thrust areas of research

K. Mahender: Major part of the work proposed for the current year as a part of DRS-II program of UGC-SAP has been completed with the preparation of digital data of Goa for drainage, geology and village boundaries.

#### Ongoing projects/completed during June 2008 – May 2009

K. Mahender, Multimedia Field Guide Preparation on Sedimentary Facies of Kutch Basin, June, 07, DST, New Delhi, sponsored project, Rs.7.17 lakhs.

**DEPARTMENT  
OF  
MATHEMATICS**

Faculty

- A. J. Jayanthan, Ph. D., Associate Professor & Head - Knot Theory, Topology  
 Y.S. Valaiikar, Ph.D., Associate Professor – Ordinary and Delay Differential Equations  
 A. N. Mohapatra, Ph.D., Associate Professor – Operator theory  
 Manvendra Tamba, Ph.D., Assistant Professor – Lie Algebra/Number theory  
 M. Kunhanandan, M.Sc., Assistant Professor – Analysis

**DEPARTMENT  
OF  
PHYSICS**

Faculty

- P. R. Sarode, Ph.D., Professor – Solid State Physics: Structural Properties of Solids by X-ray Spectroscopy – XANES, EXAFS.  
 J. A. E. Desa, Ph. D., Professor & Head – Solid State Physics: Structures of Glasses and Disordered Materials, Neutron Diffraction.  
 U. Subramanian, Ph. D., Associate Professor– Solid State Physics: Optical and Electrical Properties of Materials.  
 R. B. Tangsali, Ph. D., Associate Professor – Solid State Physics: Transport and Magnetic Properties of Materials, Nanomaterials.  
 R. V. Pai, Ph. D., Associate Professor – Theoretical Solid State Physics: Cold Atoms.  
 K. R. S. Priolkar, Ph. D., Assistant Professor – Solid State Physics: Shape Memory Alloys, EXAFS, and Neutron Diffraction.

**DEPARTMENT  
OF  
ELECTRONICS**

Faculty:

- G. M. Naik, Ph.D., Professor and Head – Laser & Fiber Optics Systems, Sensors, Instrumentation.  
 R. S Gad, Ph. D., , Sr. Lecturer – Biomedical Electronics and VLSI  
 J. S. Parab, Lecturer – Embedded Systems and DSP

**Major thrust areas of research**

The UGC has sanctioned with major research projects in the area of embedded systems and signal processing. Faculty is also involved with USIC for digitization of Indian Navy aircrafts and digital repositories. Altera, USA is collaborating with electronics program for development of embedded technologies.

List of Visiting Scholars invited to deliver special lectures  
 Sheshu Pendyla, Intel Pvt.ltd, EDA Tools and Design, 30<sup>th</sup> Dec., 2010.

**Sponsored Research Projects sanctioned between June 2009 - May 2010**

G. M. Naik and R. S. Gad, Design of Hyper Spectral Smart Sensors, Mar.2010, UGC, 9.27 lakhs.

R. S. Gad and G. M. Naik, Non-invasive Glucometer, March, 2010, ICMR, 22 lakhs.

**Ongoing Projects/completed during June, 2009 - May, 2010**

G. M. Naik, Innovative Program in Embedded Systems, 1<sup>st</sup> April, 2007 Duration: 5 years, UGC, 75 lakhs.

No. of Ph. D awarded: 1.

**UNIVERSITY  
SCIENCE  
INSTRUMENTATION CENTRE  
(USIC)**

**Faculty**

G. M Naik, Ph. D, Professor and Head (part time) – Laser & Fiber Optics Systems, Sensors, Instrumentation

**Major thrust areas of research**

The centre has successfully completed Indian Navy Digitization of Air Publication pilot project and based on the knowhow, phase I project for digitization of Dornier aircraft has been sanctioned.

## DEPARTMENT OF BOTANY

### Faculty:

- D. J. Bhat, Ph. D., Professor – Mycology, Microbial Diversity, Plant Pathology.
- Prabhat K. Sharma, Ph. D., Professor & Head– Plant Physiology & Biochemistry Plant Molecular Biology and Genetic Engineering.
- M. K. Janarthanam, Ph. D., Professor – Plant Taxonomy (Angiosperms).
- B. F. Rodrigues, Ph. D., Professor – Genetics and Plant Breeding, Mycorrhizal Research.
- Vijaya U. Kerkar, Ph. D., Associate Professor – Algae and Pteridophytes.
- S. Krishnan, Ph. D., Assistant Professor – Plant Histochemistry, Tissue Culture, Molecular Biology & Genetic Engineering.
- Nandkumar M. Kamat, Ph. D., Assistant Professor – Taxonomy and Biology of Actinomycetes Yeasts and Basidiomycetes, Environmental Education, Science Popularisation.

### Major thrust areas of research

- a) Cataloguing, Taxonomy, Biodiversity and Bio-prospecting (antibiotics, enzymes, organic acids) of Micro- and Macro-fungi, Actinomycetes, yeasts Algae and higher plants (general and medicinally important) of Goa and neighbouring regions.
- b) Isolation, identification and inoculum production of Ectomycorrhizal and AM fungi.
- c) Identification of potentially useful native plants for revegetation of mine wastelands.
- d) Documentation, tissue culture propagation, molecular characterisation and developmental biology of medicinal plants of Western Ghats in Goa.
- e) Rice grain quality evaluation and enhancement of grain-filling.
- f) Photosynthesis and stress physiology of higher plants and algae.
- g) Successful production of fruit wines, oyster mushrooms, screening of actinomycetes for antibiotics and basidiomycetes for phosphate solubilization.
- h) Addition and maintenance of fungus culture collection.
- i) Work on grass flora of Goa.

### Major achievements

Revised M. Sc. Syllabus – 2010. Development and implementation of Credit based programme

Awarded UGC-SAP DRS II – 2009-2014

Award of a Women's Scientist

Organised 'Biodiversity Awareness Workshop in collaboration with Goa Union of Journalists'.

Conducted a National Seminar on 'Fungal Biodiversity & Bioprospecting in the Age of Global Warming and 36<sup>th</sup> Annual Meeting of Mycological Society of India'.

No. of Ph. Ds awarded: 3.

**Other Information:**

S. Krishnan, member of Expert Committee for conduct of Viva-Voce examination of Limaye Abhijit Surendra, thesis titled "Assessment of Some Species of *Adiantum* with Reference to Secondary Metabolites, Amylase Inhibitors and Antioxidants" at Department of Botany, Pune University, Pune, 22<sup>nd</sup> Dec., 2009.

**Awards/Honours conferred**

Best Poster Award co-authored along with Seema Dessai at National Conference on "Biodiversity Conservation in India: Status and Approaches", Organized by Gopalkrishna Gokhale College, Kolhapur and Indian Women Scientists' Association (IWSA), Kolhapur Branch, (2010).

Best Poster Award co-authored along with James Dsouza at National Conference on "Microbial Inoculants" jointly organized by Government College of Arts, Science and Commerce, Quepem, Goa and NIO, Dona Paula, Goa (2010).

**Fellowship/Visiting Professorship, etc**

B. F. Rodrigues attended "International Training on *in vitro* culture of AMF", held in Département de chimie appliquée et des bio-industries Unité de microbiologie, Université catholique de Louvain (UCL), Louvain-la-Neuve (April 2010).

**Special achievements by students/staff**

To create awareness during International Year of Astronomy-2009, N. M. Kamat completed his pioneer series of 12 articles on "Archaeoastronomical Heritage of Goa" in Goa Today monthly in Dec., 2009 and began another series "Biodiversity Heritage of Goa" from January 2010 to highlight the International Year of Biodiversity; Also opened a webportal on Termitophilic mushrooms accessible at <http://www.kamat-termitomycopedia.blogspot.com>;

N. M. Kamat was appointed i) on the Executive Committee of Mineral Foundation of Goa in September 2009. He was also appointed as a member of State Audit Advisory Board, Maharashtra and Goa, by Indian Audit and Accounts Dept. of the Principal Accountant General (Audit) of Maharashtra, Oct., 2009, ii) Member of the Expert Committee for the preparation of training modules for officers, staff and various stakeholders under Biodiversity Act 2002, National Biodiversity Authority, Government of India, MOEF, Chennai, Feb., 2010; iii) Member, Expert Panel on Western Ghats chaired by Padmabhushan Prof. Madhav Gadgil, Ministry of Environment and Forests, Govt. of India, March 2010; Chairman, Task Force Committee to prepare a welfare scheme for Goa's traditional occupations, Directorate of Social welfare, Govt. of Goa, March 2010.

**No. of Radio talks/T.V. interviews/Popular articles**

N. Kamat, contributed 30 articles in Marathi, 120 in English.

## DEPARTMENT OF MARINE SCIENCE

### Faculty

- G.N. Nayak, Ph.D., Professor – Marine Geology, Modern Sedimentology, Sediment Geochemistry Environmental Studies.
- H. B. Menon, Ph. D., Professor & Head -- Physical Oceanography, Remote Sensing, Marine Optics, Radiative Transfer Modeling.
- S. Upadhyay, Ph. D., Associate Professor – Marine Chemistry, Aquatic Geochemistry.
- V. M. Matta, Ph: D., Associate Professor – Marine Chemistry, Marine Pollution, Seaweed Chemistry.
- C. U. Rivonkar, Ph. D., Associate Professor – Marine Ecology, Fisheries
- Aftab Can, Ph. D. & M. Tech., Assistant Professor – Physical Oceanography & Meteorology, Remote Sensing.

### Major thrust areas of research

**Physical Oceanography** (i) Optical Remote Sensing, Marine Optics, generation of inherent and apparent optical properties, algorithm development for retrieval of colour components from optically complex case II waters – coastal and estuarine waters, radiative transfer modeling of visible spectrum of electromagnetic radiation, identification of perennial source CO<sub>2</sub> through optical remote sensing, atmospheric optics, aerosol characterization, effect of aerosol on climate, aerosol radiative forcing, atmospheric correction of ocean colour monitor and MODIS data, synoptic analysis of aerosol through satellite data. Satellite Oceanography and Meteorology, air-sea interaction and genesis of water masses, ocean circulation.

**Marine Chemistry:** Biogeochemical cycling of nutrients and trace metals in estuaries and adjoining coastal waters, process of transfer of elements from dissolved to particulate fraction, impact of pollutant (mining, sewage and industrial) on water quality, sediment composition and biota in estuaries and adjoining coastal waters, speciation of some minor elements to understand dominant fraction of the total element, Sorption modeling of trace metals.

**Marine Biology :** Marine demersal fish biodiversity assessment, community structure, tropic dynamics and ecosystem function, database and photo documentation of demersal fish communities in costal waters.

**Marine Geology :** Coastal and estuarine sediment characterization, coastal morphology and dynamics, coastal zone management, impact of mining on lacustrine and estuarine sedimentary environment – suspended and bed – load sediments, geochemistry of lacustrine and estuarine sediments and tidal / mudflat sedimentary environment, speciation of elements in estuarine sediments and bioavailability of metals, magnetic susceptibility of estuarine and mudflat sediments, suspended matter and its chemistry of Southern Ocean, environment assessment studies of estuaries and lakes, reading pollution history through mudflat studies.

### Visiting Scholars:

No. of Ph.D.s awarded - 1

**Special achievement by students/staff :**

Students registered for Ph. D. in Centre for Cellular & Molecular Biology, Hyderabad, National Centre for Cell Sciences, Pune, National Institute of Immunology, New Delhi, Indian Institute of Science, Bangalore, Central Food Technology & Research Institute, Mysore, Post-Graduate Institute of Medicine, Chandigarh, Institute of Himalayan Bioresource Technology affiliated to Palampur University, National Botanical Research Institute, Lucknow and in Institute of Genomic & Integrated Biology, Delhi.

S. Kerkar represented Goa University and was a part the IIIrd Indian Arctic expedition in June, 2009

Kuldeep, pursuing Ph. D. under the guidance of S. Kerkar, received JRF fellowship under Ministry of Earth Sciences Manpower Development Programme. (Grant of Rs. 5,26,800/-) (OASTC).

Five M.Sc II students qualified the DBT-JRF under category A whereas three students qualified under category B

Six M.Sc II students were awarded CSIR-UGC JRF and 5 students have been granted UGC-NET lectureship.

Seventeen students cleared the GATE exam with more than 90 percentile score.

Akshay Kumar Ganguly secured 99.98 percentile in GATE life sciences (All India rank-2) whereas Ashish Kabra secured 99 percentile (All India rank-51).

Three M.Sc I students were selected to attend the Science Conclave (meeting with Nobel Laureates) at IIT, Gandhinagar in Dec., 2009.

Extension of UGC Research Fellowship in Science for Meritorious Students  
- Maria Celisa Santimano & Milind M. Naik

Jawaharlal Nehru School Scholarship for Doctoral Studies to Trelita DeSouza.

## DEPARTMENT OF ZOOLOGY

### Faculty

P. V. Desai, Ph. D., Professor & Head, Physiology, Neurophysiology Tissue Culture.

A. B. Shanbhag, Ph. D., Professor, Endocrinology, Wetland Biology.

S. K. Shyama, Ph. D., Associate Professor, Genetic Toxicology, Environmental Mutagenicity and Human Genetics.

R. Roy, Ph. D., Associate Professor, Environmental, Physiology & Biochemistry, Lipid Biochemistry.

I. K. Pai, Ph. D., Associate Professor, Genetics, Sericulture.

Shanti N. Desai, Ph. D., Assistant Professor, Physiology, Animal Cell Culture.

### Major thrust areas of research

The faculty and research scholars are engaged in research activities in the field of animal tissue culture pertaining to stem cells, nerve cell lines of mollusca and other invertebrates; electro physiology of nervous and cardiac tissues; adaptation biochemistry with respect to membrane structure and cellular functions; nutritional biochemistry with respect to lipid metabolism and role of PUFA in maintaining the organism in a well being state; to understand the hepatitis and its prevention; human genetics concerning congenital malformations, genetic toxicology, antimutagenicity and antitumor studies of spices, bio prospecting, biodiversity and ecodynamic studies pertaining to zooplankton, ants, beetles etc. of the region; ornithological studies with respect to freshwater and estuarine wetlands and ecology of monoculture forest plantation.

### Sponsored Research Projects during June 2009 - May 2010

R. Roy, Lipidomics of some fishes : control of inflammatory disease, 9<sup>th</sup> Sept., 2009 for 3 years, Department of Biotechnology New Delhi, 28.93 Lakhs.

I. K. Pai, Investigations in zooplankton diversity, distribution pattern and documentation in the south west coast of Indian EEZ, 12<sup>th</sup> Jan., 2010, 3 years, UGC, Rs. 6,90,800/-.

Shanti Desai, "Culture and characterization of mantle cells of *Phaphia malabarica*" DST, New Delhi, 2009, Rs. 18.5 Lakhs.

### Ongoing Projects/Completed during June 2009 - May 2010

P. V. Desai, Mass culture of hepatopancreatic tissue and other tissues of Crab-*scylla serrata* and isolation of bioactive compounds, 25<sup>th</sup> Sept., 2007, DBT, Rs. 28,60,000/-.

## INNOVATIVE PROGRAMS

### 2.7 (i) Research Development & Resources Mobilisation Cell (RDRM)

The Research in the University is funded through two sources. The University receives funds for Post-Graduate and Doctoral instructions from the Ministry of Education, Government of Goa. The second major source of funding comes from the Research Projects and consultations.

Research and Development Projects and Consultancies are handled by the faculty members of Goa University. These projects are funded by various organisations such as Council of Scientific and Industrial Research (CSIR), Department of Science & Technology (DST), University Grants Commission (UGC), Ministry of Earth Sciences (MES), Indian National Centre for Ocean Information Services (INCOIS) Hyderabad, Atomic Energy Regulatory Board (AERB), Department of Biotechnology (DBT), All India Council for Technical Education (AICTE), Department of Science, Technology & Environment, Goa (GSCST), Ministry of Environment and Forests (MEF), CIBA, South Asian Network for Development and Environmental Economics (SANDEE), ISRO, Naval Research Board, DPSE etc. In addition, Science Departments of the University receive research grants under Special Assistance Programme (SAP) of UGC and Funds for Infrastructure in Science and Technology (FIST) of DST. OSTC (Ocean Science and Technology Cell) attached to the Department of Microbiology receives a special grant from MES (Ministry of Earth Science) for its research activities every year.

In the year 2008-09, 18 projects were sanctioned to the Departments of Chemistry, Physics, Botany, Microbiology, Marine Science, Biotechnology, Geology, Zoology, CWS, Political Science, History and Hindi. The total grants received from various funding agencies during this year amounted to Rs. 361.69 lakhs.

### (ii) Remote Sensing Laboratory (RSL)

Remote Sensing Laboratory has been established with financial assistance from Indian Space Research Organization (ISRO). The facilities of the laboratory include hardware consisting five desktop and software necessary for image processing. Image processing package such as ERDAS IMAGINE has been procured. In addition, all the instruments necessary for developing algorithms have also been procured. An Interdisciplinary course has been introduced across the different faculties where remote sensing technique has the application. The Laboratory provides hands-on training to students who opt for interdisciplinary course in remote sensing and research and thus cater the country's need for trained manpower in this field. At present there are ongoing projects funded by different agencies like Naval Research Board (NRB), Space Applications Centre (ISRO), Space Physics Laboratory (VSSC, ISRO) and Indian National Centre for Ocean Information Service of Ministry of Earth Sciences, Delhi. All these projects are carried out by the Department of Marine Sciences.

### **(iii) Ocean & Atmospheric Science and Technology Cell (OASTC)**

Ministry of Earth Sciences (MoES) supports basic and applied research in Ocean and Atmospheric Science and Technology in Universities through establishment of nine subject specific Ocean and Atmospheric Science and Technology Cell (OASTCs), which cater to ocean related research. Goa University has set up one such OASTC cell in Marine Microbiology and Centre of Excellence to pursue mission mode projects in the area of Marine Microbiology.

The objectives of the cell are to strengthen academic and scientific work in the area of Ocean Sciences and to recommend research projects and monitor their progress. The cell functions under the guidance of the Management Board constituted by MoES with Vice Chancellor, Goa University as the Chairperson and Research Coordinator, OASTC as a Member Secretary. The MB meets in the year to discuss, guide and direct the activities of the Cell.

1. **Brain Storming Session sponsored by MoES** was held on August 1 & 2, 2009 at International Centre. Participants were experts from various Culture Collection Centers, academicians, scientists. The members deliberated upon setting up of marine Microbial culture collection centre at Goa University. The report of the same was submitted to Ministry of Earth Sciences.

2. **Workshops:**

The progress and achievements of the projects funded by MoES was reviewed by the Expert Committee on November 30, 2009. P.I.s of the ongoing projects presented the progress of their work.

3. **Seventh Management Board Meeting of OASTC and CoE (Marine Microbiology)** was held on 1<sup>st</sup> December, 2009.

4. **Special joint meeting of OASTC/CoE:**

A meeting with the members of the Management Boards of the OASTC/CoE of Marine Biology, Annamalai University and Marine Microbiology, Goa University and Heads of Departments under Faculty of Life Sciences of Goa University and Annamalai University was held on January 10-11, 2010 at Annamalai. The members discussed the curriculum structure of National level 5-year multidisciplinary Integrated Post-Graduate degree course on Ocean Science & Technology to be simultaneously offered by both Universities.

5. **Steering Committee:**

The National Steering Committee was held under the chairmanship of Secretary, MoES, met at Goa University on 25 - 26<sup>th</sup> February, 2010 to review the status of all OASTCs.

**(iv) Distance Education, Information & Training Infrastructure (DEITI)**

The DEITI engaged its infrastructure and expertise in producing several video recordings of the official programmes which were held on the campus by various departments as well as Administration. As a part of Silver Jubilee celebration, DEITI had recorded the lectures of eminent personalities such as Dr. Raghunath Mashelkar, Dr. Anil Kakodkar, Shri Lalit Mansingh, Prof. P. Balram, Prof. Prabhat Patnaik, and others.

Teleconferencing services were provided for Satellite Sub Speciality CME's of Indian Academy of Pediatrics organized by Goa Association of Pediatrics and The Panaji Obstetrics & Gynecological Society (FOGSI).

During MCIAPSCON 2010 a workshop was conducted in Goa Medical College & Hospital for a live operation and the DEITI undertook the job of recording the entire live operation which was conducted in two operation theatres simultaneously. The same was also displayed on the LCD screen outside the operation theatre where from the other doctors were interacting with the surgeons operating the patients. Six such operations were carried out in two operation theaters which were recorded with four camera setup.

As a regular event, DEITI conducted the e-content development workshop for the participants of the University Academic Staff College. The various facilities of the studio were also extended to the private parties.

**(v) Study India Programme**

The SIP is a programme offered to a group of foreign students wanting to pursue study in India to earn credits. The university is successfully running the SIP for the students of the College of International Relations, Nihon University, Japan. For the SIP 2009-10 edition the Nihon University had sent a batch of ten students. The programme for this 6<sup>th</sup> batch of the students from Japan was conducted from September 2009 to February 2010.

## PART 4: GENERAL ADMINISTRATION

### General Information

The Works Division of the University has undertaken construction of infrastructural facilities at the University campus. Construction of the Jubilee Hall has been completed. The new Boys' Hostel, a project of GSIDC, has been completed and commissioned.

The following major works are currently under progress:

1. Construction of Women's Hostel
2. Hostel for Academic Staff College.
3. Compound wall (Calapur Village).

The following major works are expected to commence shortly:

- i) Health Centre
- ii) Fitness Centre
- iii) Auditorium
- iv) Compound wall (Bambolim Village).
- v) Compound wall (Taleigao Village).

The Works Division has also undertaken painting, water proofing and regular maintenance works for various buildings at the University campus. Parking areas with pavers and inter-connecting tiled footpaths have been provided.

Construction of new Life Sciences block, being executed by GSIDC, is in progress.

### Computerisation and IT Infrastructure

During the year the Computer Centre processed all examination results as well as the payroll of the University in a time bound manner. New systems were designed and implemented for the Examination section. The Computer Center developed and implemented the Central Inventory System for Purchase Section and Leave Record Management System for General Administration of the University.

The Computer Centre has also undertaken suitable modification and upgradation of the existing software on regular basis. Students, teachers and the general administration were also extended the various IT related services.

The Centre has managed efficiently the entire campus network as well as the Internet services on wired and wireless network. The switches were upgraded at many places and the Network was extended on the campus. The Internet bandwidth was upgraded to 20 Mbps due to which the browsing speed has improved substantially.

### Conduct of Examinations

The University conducted examinations in 27 Bachelor's Degree programmes, 63 Master Degree programmes and 11 Post Graduate Diploma programmes during the year 2009-2010.

### Library

The Goa University Library and the Information Centre was established in the year 1985 as part of the then Post Graduate Centre of Bombay University (CPIR). This Library, now

in the 25<sup>th</sup> year, has developed into a huge library with modern facilities. The library has a collection of 131276 books and 8650 volumes of bound journals. The library subscribes to 458 periodicals of out of which 152 are foreign journals.

The library is automated for its routine works and the entire collection is bar-coded. The library also offers access to general reference materials like the Encyclopaedia Britannica and the Encyclopaedia of Science and Technology, The world Book Encyclopaedia, The Oxford English Dictionary and the Manorama Year book. The library also holds in its digital collection the INFLIBNET's COPSAT database, through which the abstracts of Science and Technology journals can be searched.

#### LIBRARY HOME PAGE

The library home page can be accessed through the INTERNET link:  
<http://goalnet.unigoa.ac.in/gulibrary/index.htm>

All the resources of the library can be accessed through this webpage. All the relevant information and services are detailed in this page. This site is equipped to answer most queries of the users.

#### UGC-INFONET CONSORTIA:

Goa University library being the first Phase member of UGC-INFONET programme avails the IP authenticated E-journals subscription facility extended by the INFLIBNET Ahmedabad. All users of the library can access these electronic journals through the Intranet:

Internet link for searching ugc infonet:

<http://www.inflibnet.ac.in/econ/search.html>

Internet link for jccc@ugc-infonet:

<http://www.jccc-ugcinfonet.in/>

#### DELNET SERVICES

Developing Libraries Network has been offering inter-library loan services to the subscribing libraries. Goa University Library has access to the various services of DELNET like "Database of periodical articles", "Union lists" "Database of Thesis and Dissertations" and many other databases.

#### Other facilities:

The Library has access to the India stat website ([www.indiastat.com](http://www.indiastat.com)) and Sciencedirect e-journals within the campus. Another important information service is added to the library resources with the help of INFLIBNET Centre is the web of Science database.

#### INTERNET BROWSING FACILITY

The Library is equipped with a Computer Centre with 30 Internet-enabled computers, which the faculty and students can use for browsing the Internet. The Library campus also has a 2mbps broad band connection in the campus with Wi-Fi access.

#### Students Sports Activities

##### Participation at Inter -University Championships 2009-2010

### Directorate of Students' Welfare and Cultural Affairs

The welfare activities of the students are looked after by the Directorate of Students' Welfare and Cultural Affairs. The main task of this Directorate is to look after the two main associations of the students – (1) Goa University Students' Council, which is the representative body of the students from the various colleges affiliated to Goa University and the Post Graduate students, and (2) Post Graduate Students' Union which is the representative body of the Post Graduate students of Goa University.

The Directorate of Students' Welfare and Cultural Affairs organises Inter-Collegiate and Inter University youth Festivals, Workshops, Competitions, Seminars etc. in the field of Arts, Dance, Music, Theatre, Literature, Social Services etc. The students are also trained to take active part in the various activities organised by the Government and the Semi - Government institutions.

The Directorate also offers the following schemes for the Post Graduate Students of Goa University.

**Earn While you Learn:** During 2009-10, twelve students took the benefit of this scheme.

**Students' Aid Fund:** During 2009-10, 85 students were given financial assistance to meet their expenditure on tuition fee.

**Students' Safety Insurance Scheme:**

Under this scheme all Post Graduate students of Goa University as well as students of various colleges affiliated to Goa University were covered so to avail the Insurance benefits at the time of calamities such as accident, loss of part of the body, death etc.

**Plateaunica:**

This is an annual event organised by the Post Graduate students at the University campus. It is an Inter Faculty Youth Festival wherein all students get an opportunity to meet on a common platform in pursuit of their interests in music, art, dance, stage performance, etc.

#### **U. G. C. Academic Staff College**

The Academic Staff Orientation Scheme is an outcome of NPE (1986). The NPE, in its programme of action, makes a pointed reference to the crucial link between teacher motivation and quality of education. Since teachers occupy a key position in the education system, the quality, competence and character of teachers are of utmost importance. They influence the standard of education and thus contribute to national development. The UGC-ASC was established with the objective of acting as an agency to bring about changes and development in education. It is meant to involve itself in the improvement in the Management of Higher Education, and to bring about a closer linkage between society and Higher Education through meaningful study and research.

The UGC-ASC at Goa University has been conducting Orientation Courses since its establishment in February 1988. In addition to Orientation and Refresher Courses, the UGC-ASC has been regularly organizing Seminars/Conferences and other academic activities.

In keeping with the recent advances in Information Technology, the UGC has given a major thrust to IT and its applications. A Computer Lab has been set up with special grants from the UGC. Participants are given basic training along with hands-on experience with Computers. They are also helped in exploiting the informative resources on Internet and in the use of other technologies. Refresher Course participants are trained to use software packages pertaining to their particular discipline.

Till date the UGC-ASC at Goa University has completed 81 Orientation Programmes and 162 Refresher Courses covering 2808 and 4722 participants respectively. During the year 2009-10 the UGC-ASC conducted 4 Orientation Programmes and 2 Refresher Courses in Hindi and Economics.
