The Statistical Hand Book of Tirap District, 1985, is being brought out by the District Statistical Officer, incorporating information on varied subjects of this District. The information contained in the Hand Book provide basic data for planning at District level as well as at Union Territory level. It will also serve as a reference book-let for government departments and all those who want to have detailed information about Tirap District.

Shri Hage Tado, DSO with the assistance of S/Shri K. Baruah, SIS, S. Mukherjee, LDC, has been able to compile the Hand Book in a short period with limited resources. The District Heads of Departments have extended co-operation in providing information for compilation of this Hand-Book.

The efforts made by the District Statistical Officer and his team of workers is praise-worthy. I request the users of this book-let to provide the District Statistical Officer, with suggestions for effecting qualitative improvement in subsequent editions.

I N T R O D U C T I O N

The Statistical Hand-Book of Tirap District for the year 1984-85 is nineteenth issue of its annual series. It aims at highlighting a comprehensive profile of various socio-economic aspects as well as achievement made in different developmental activities in the district during the reference period. Attempts have been made to incorporate all the basic informations collected from various departments functioning in Tirap District.

The publication of this Statistical Hand Book is the handi-work of the Statistical officials of Tirap District carried out with the broad frame of coverage prescribed by the Directorate of Economics and Statistics, Government of Arunachal Pradesh, Shillong. The sources of data are clearly indicated at the foot of each table and Statistical Branch is not responsible for any error/omission that occurred at the source of origin itself.

The undersigned avails this opportunity to acknowledge with gratitude to all the concerned departments for their pain taking contribution and close co-operation towards publication of this Statistical Hand-Book.

I am immensely grateful to Shri K. Baruah, SIS for completing the compilation works of this hand book in such a short time with very limited resources. I also most deeply thanks to Shri S. Mukherjee LDC for his neatly typing the manuscript and cyclostyling. Further, I will be failing in my duty if I do not express my thanks to other Statistical staff who worked hard for this publication.

Any suggestion for improvement of the publication of the District Statistical Hand-Book will be gratefully accepted. The guidance and co-operation received from the Deputy Commissioner, Khonsa have also been a matter of encouragement in publishing this Hand-Book.
