For this purpose, a sum of Rs. 1.70 lakh has been proposed for next year which also includes continuation of expenditure of 5 existing posts.

ii) District level:

In the Office of DEOs, the number of Asstts. range between 2 and 3. In one case, there are 4 Asstts. with the result that these DEO Offices have been reduced to mere sections/branches and not the District offices. In a number of cases like C&V teachers, Class IV employees etc. in the District, the

DEOs are the final appointing authorities. They have to handle almost all schemes of scholarships apart from regular inspections of the educational institutions in the District. A large number of enquiries they have to handle including the legal cases. They have also to look after in the matters of inauguration of new educational institutions and the like. Apparently, the District Offices should be well equipped in men and materials to undertake this responsible assignment. It is, therefore, proposed to provide 17 new posts (12 Asstts, 2 Sc. Remaining sum of Rs. 4.60 lakh represents 200 new centres proposed for next year and 2 new projects to be provided against these 400 centres, next year.

V- E. UNIVERSITY AND OTHER HIGHER EDUCATION.

A sum of Rs. 151.33 lakh has been proposed for 1987-88, mainly under the following programmes:-

1) Assistance to HP University

Assistance to HP University has been proposed to be increased from 10.00 to 24.00 lakh, lifting of UGC assistance has been proposed at the level of 5.00 lakh, library books and science equipment to colleges has been proposed at Rs. 5.40 lakh. Book Banks has been proposed to be increased from 0.36 lakh to 1.00 lakh. At present construction work is going on at GC Shimla (Boys Hostels), GC Malagarh, Una, Chamba, Dhaliara, Sarkaghat, Kotshera, Sawra, Hamirpur and for that purpose a sum of Rs. 30.00 lakh has been proposed for next year against 24.85 lakh budgeted for this year. As far as new programmes are concerned, two new colleges are proposed for next year, 70 addl. posts of Ministerial staff and other categories and 18 posts of lecturers for continuation of new subjects in colleges have been proposed. Similarly the Boys Hostel at GC Shimla has to be furnished by

supplying cots, utensils and other materials needed to make this Hostel workable. In GC Hamirpur 5 more class rooms have been added wherein furniture and desks have to be supplied. GC Kullu also needs equipment and furnishing. For these three colleges a sum of Rs. 3.20 lakh has been proposed for next year.

VI- G. SPORTS & PHYSICAL EDUCATION

A sum of Rs. 16.96 lakh has been proposed for next year as against 11.94 lakh this year. The increase proposed is as under :-

Sports Scholarships are proposed to be increased from 0.40 to 0.50 lakh, Grant-in-aid to HP School Sports Association has been proposed to be increased from 2.00 lakh to 5.00 lakh, opening of 2nd Indp. Girls Coy. is proposed to be increased from 2.10 to 4.53 lakh. The provision for NCC Bhavan at Shimla has ^{been} kept at Rs. 2.00 lakh. No new programme has been proposed under this sector.

VII- GENERAL ADMINISTRATION

Under this head, as against a sum of Rs. 5.44 lakh, a sum of Rs. 9.89 lakh has been proposed for next year. The increase under the continued programmes is mainly due to the construction of shiksha Vhawan for which a sum of Rs. 4.00 lakh has been proposed against Rs. 2.00 lakh budgeted this year. Under the new programmes 10 new posts have been proposed for various branches of the Directorate. This includes undertaking the reconciliation work of the Plan and Non Plan side at the Directorate. At present there are

nearly 850 D&DOs under the Directorate of Education and budgetary control over these organisations is becoming day by day difficult. This has resulted in wrong booking of expenditure by the field offices. Instances have come to the notice of Director of Education that Non Plan posts are being charged from Plan funds while Plan posts from Non Plan etc. The B&S Branch if strengthened will exercise greater budgetary control and shall help proper reconciliation of expenditure. Similarly Pension Branch is proposed to be strengthened as the number of retiring persons from the Department is increasing day by day. At present this assignment is being handled by Building Branch. So also E.II Branch is proposed to be bifurcated. In this Branch there is lot of pressure pertaining to transfer of employees and this Branch also needs strengthening. The communication system in the Directorate has deteriorated as a result of bifurcation of Directorate into two Directorates. At present there are 13 officers and 13 Branches in the Directorate for whom there are only six telephones bearing No. 2906, 2579, 3120, 5157, 3438 and 2052. Therefore, we would at least need 10 more telephones to improve the communication system and affect efficiency in the Directorate. At present many of the officers and the officials from various branches have to waste their time in attending telephones at different places. This has already effected the administrative efficiency of the Directorate. Therefore, a sum of Rs. 0.50 lakh has been proposed for this purpose.

For computerisation of bio-data of employees, a sum of Rs. 2.00 lakh has been earmarked for the purpose.

VIII- ART & CULTURE

As against a sum of Rs. 14.47 lakh budgeted for this year a sum of Rs. 18.54 lakh has been proposed for next year. The increase mainly is due to setting up of State Library at Shimla with children section wherein the increase is from Rs. 1.00 lakh budgeted this year to Rs. 5.00 lakh proposed for next year. Recently, State Govt. have declared all libraries attached to High Schools as Public Libraries wherein Teacher-Librarians will work and they shall be paid honorarium @ Rs. 100/-p.m. for 9 months. For this a token provision of Rs. 1.00 lakh has been earmarked.
