## **Preface**

Economics and Statistics Division of the State Planning Institute, Uttar Pradesh has been bringing out the brochure "U.P. At A Glance (In Figures)" in Hindi every year since 1991. To facilitate the users, English version of the brochure "U.P. At A Glance (In Figures) 2009 " is being brought out for the first time.

The booklet contains two parts. First part of the brochure comprises the last year 2001-02 data concerned with the ninth plan period and recent two years available socio-economic data of the State and in the second part, indicators of some important items related to U.P. have been compared with corresponding indicators at the national level.

I am grateful to concerned departments of Central and State Governments, for their cooperation in publishing this edition.

I am sure that the brochure will be found very useful by statisticians and all others concerned. Suggestions for its further improvement are most welcome.
