## PREFACE

This book contains the particulars of Adult Education Centres run by the Haryana State Government during the year 1981-82. In all 3500, Adult Education Centres were sanctioned. Of these, 3441 were actually functioning on 31st March, 1982. In the Districts of Hissar, Karnal, Sirsa and Sonapat, 6, 5, 42 and 6 Centres respectively were not functioning. In other Districts, the facilities were fully utilized. The District of Sirsa needs special attention.

Of 3441 Centres, 3091 were located in Rural Areas. This number was 89.8% of the total. Thus the focus of the programme remained on these areas. The number of women centres was 1894, i.e. 55% of the total. More centres for women need to be opened, in view of the fact that the literacy for women lags behind.

The problems of Housing the Centres in public Places has remained unsolved, despite instructions from the State Panchayat Department that accommodation should be provided by the Village Panchayats. 60.9% Centres functioned in Instructors own houses. The Panchayats must own their responsibility and fully participate in this programme of National importance.

Most of the Adult Education Centres were combined with Non-Formal Education Centres. Only 232 Centres functioned independently. 93.3% Centres were integrated.

In this booklet, a list of independent Non-Formal Education Centres has also been introduced for references.
