.

#### **Brief History:**

The State of Haryana came into existence on Nov. 1. 1966 having been carved out of the erstwhile state of Punjab under the Punjab Recorganization Act. It is not sure Haryana acquired its name. 'Historians have tried to explain the origin of the word "Haryana" on the basis of phonetics. To some 'Haryana' is the landing place of 'Har' (Lord Indera) and his 'lyana' (Chariot) While to others 'Haryana' is the corrupt form of 'Aryana', the abode of Aryanas. Some historians associated it with 'Haryalavan' - i.e. the green forest that once characterised this part of the Indo Gangetic plains.

#### **Toporaphy:**

Haryana is one of the smaller states in terms of area & population. Its total geographical area is 44212 Sq. Kms. i.e. 1.3% of the total area od country. The state is situated within the compass of northern region of the Indian union with Uttar Pardesh to its east. Punjab to its west, a part of Himanchal Pardesh to its north, and a vast expanse of Rajasthan to its south, with Delhi formating an enclave on its eastern boundary.

The state of Haryana is bounded by the Shivalik hills in the north & the Aravali hills in the south. There are some high ridges running throughout the tract from the north-west to the north-east. The ridges are known as the 'Morni Hills' (the average elevation of about 1065 mts.) & the Tipra Hills' (The average elevation of about 1370 mts.) These hills are separated by the valley of the Ghaggar river. The highest point in the tract is known the 'Karoh Pack' (1499 mts. Of the Nahan border).

#### Climate:

The climate of Haryana is of a pronounced continental character - very hot in summer and marked by cold in winter. The temperature during the months of May & June soars as high as  $46^{\circ}$ Celsius and it falls as low as  $3^{\circ} - 4^{\circ}$  Celsius in the month of January. The rain-fall in the region is low & erratic except in parts of Karnal, Ambala & Panchkula districts.

#### People:

The racial, religious & cultural composition of the people of Haryana has undergone as insessant metamoirphosis but time & age failed to write wrinkles on their brow. The Haryanavis have retained some their traditional traits & characteristics. It is in the folklores have ever been preserved with the balm of tradition & passed on from one generation to the other like other aspects of cultural heritage.

Linguistically, there are three main currents - 'Bangru', the main dialect in the districts of Hissar, Rohtak, Sonepat, Jind, Kaithal, Bhiwani, & Mewatt, a local violathal of Rajasthani spoken extensively in the southern district of Gurgaon & parts of Faridabad & 'Ahirawati', the main dialect of the people of district Mahendergarh & some parts of district of Gurgaon, Rewari & Jhajjar.

The people of Haryana are some what parochial, caste-ridden & therefore, lagging behind in the sphere of education of a comparable quality. The state has yet to catch up the educationally advanced states of the country.

In general, the people of Haryana are hardy, hearty simple, straight-forward, peace-loving & sacrificing, but in times of need they have risen to dizzy heights. Truly speaking, the people of Haryana constitute a virilie race of strong & sturdy fighters & indefatigable farmers, wielding the sword with as much skill in the times of crisis as they yield the plough in the times of peace.

#### Economy:

The main sources of Haryana economy have been agriculture small scale industries, cattle breeding. The net sown area of the state is about 3575000 hectares. Top priority has always been given to this sector resulting in the rise of production of food grain, rice and cotton. Today, Haryana is amply encriched 'Granary of India', contributing a substantial chunk of agricultural produce to the central food.

The industrial belt of Haryana is ground the national capital, especially in the districts of Faridabad, Gougaon, Sonepat & Bahadurgarh town of Jhajjar district and some of the industrial towns in the districts of Panipat, Ambala, Yamunanagar & Hisar. The industrial development of the state is also contributing to the national economy.

#### **Demographic Information : (Census-2001)**

Population of Haryana is 2,10,82,989 out of which males are 1,13,27,658 & female are 97,55,331. Thus the population of Haryana forms 2.05% of the total population of the country in terms of size. The density of population is 477 persons per Sq. Km. The decadal population growth (1991-2001) is

**28.06 percent**. The scheduled caste population of Haryana was about 19 percent of the total population of the state in 1991. 71% of the total population is roral.

#### **Primary Education:**

Primary Education, covering a period of 5 years is imparted through Govt. & Privately managed Primary schools. There has been a substantial increase in the number of primary schools during the last decade. The total number of Govt. Primary School in 1999-2000 was 8650.

Primary school are generally co-educational but there are separate schools for boys & girls also. The teachers are provided in the schools according to the pupil teacher ratio of 45:1. Single teacher schools are very few & are functioning in villages with a small population because in such schools the no. of students is very small.

#### **Enrolment:**

Student's enrolment at the primary level of education in Govt. & Recognized private schools was 2083201 (1999-2000).

#### Upper Primary Stage (Middle Class):

Middle school consists of class from VI to VIII. The pupil teacher ratio is 32:1 & the medium of instructions is Hindi. Hindi is taught as the first compulsory language from class I, English is taught as the 2<sup>nd</sup> compulsory language from class I onwards from Session 2000-2001 and Sanskrit or Urdu or Telgue or Punjabi is taught as the third compulsory language from 6<sup>th</sup> class onwards. Certain safeguards have been provided for linguistic minorities. The provision for the teaching of Urdu/Punjabi as an additional subject (in addition to Hindi) from the first primary class is made if there are 8 students in a class or 30 students in a primary school, desirous of learning this language. But the medium of instruction & the first language even for such students is Hindi.

# Chapter - 2 District Profile

#### Brief History:-

The history of the area in which the present Panipat distt, lies can be traced back, through the ages, to the ancient Aryan past. Of the five traditional divisions of India the region comprising the present Panipat district also lay mostly in the 'Madhyadesha'. This area which according to the Mahabharta was divided into a number of 'Vanas' or forests, has urban settlements like Kaithal, Rajond & Panipat. Panipat is said to have been one of the 'Prasthas' which Yudhishthira demanded from Duryodhana as the Price of Peace. The tract was also included in new Kushana empire as indicated by the discovery of Indoscythion coins from Then Polar, an ancient mound about 18 kms from Kaithal. Karnal and Panipat were on the high way from Sirhind & Ferozpur to Delhi and from the time of Timur to that of Akbar or for 150 years, this tract witnessed important and decision making battles fought between the ruling powers of Delhi, and those coming from the North-West with intention of supplanting their authority.

was created vide Haryana Govt. notification No. S. Panipat District О, 147/PA17/1887/S.S/89 dt. 16<sup>TH</sup> October, 1989. The said notification alters the limits of the areas of Karnal district so as to form a new district to be called 'Panipat' comprising Panipat Sub Division and Assandh Tehsil of Karnal district with effect from the 1<sup>st</sup> day of November 1989.

The 1981 'District Census handbook' series contained some new features along with the restructuring of the formats of village and town directory. At the same time comparability with the 1971 data had also been kept in view. The restructuring of the

format of the village directory and town directory and incorporating more exhaustive data on

infrastructure aspect were introduced to meet some of the requirements of the Revised

Minimum Needs Programme. In order to avoid delay in the publication of 1981 District Census handbooks, it was designed that Part A of the volume would contain village and town directory and Part B the 'Primary Census Abstract' of villages and towns including the scheduled castes/scheduled tribes upto Tehsil/town levels. In the beginning of the 'District Census Handbook' a detailed analytical note supported by a number of insert tables based on census and non-census data in relation to the infrastructure had been introduced to enhance its value. Both the parts were combined together and published in one volume so far as Haryana was Concerned.

#### Topography :-

Panipat district is bounded by the district of Karnal in the north, by the state of Uttar Pardesh in the east by the district of Sonipat in the south and by the Jind district in the west. Thus the position of Panipat district on the eve of 1991Census was as under:-

Name of Tehsil	No. of Villages	Name of Towns
1. Panipat	186	Panipat (MC) Samalkha (MC)

However in 1991 Census, Samalkha (MC) has been upgraded to the status of a municipal committee from its civic status of a Census town in 1981 and two villages Revenue estates are fully merged in Panipat town. The area of the district is 1754 Sq. km. which forms only 3.97 percent of the total area of the state and ranks 12th in the area of the districts.

The district is not rich in its forest wealth. Tropical Dry Deciduous Forests are found here. Mostly, the vegetation consists of Khair (Acacia catecha) Kikar (Acacia nilotica). Shisham (Dalbergia sisso) and safeda (Eucalyptus hybrid). Ficus religiosa (Peepal) Ficus Bengalensis (Badh) are often planted near village settlements and the people look upon these trees with religious farvour. Baer (Ziziphus mauratioms) Aam (Mangifera/indica) and

17

Jamun (Syzgium Jambolanum) are the main fruit trees.

#### <u>Climate:-</u>

The climate of Panipat is of a sub-tropical Continental monsoon and marked by cold in winter. The temperature during the months of May & June is as high as 46 degree Celsius and it falls as low as 3.4 degree Celsius in the month of January. The rainfall in the region is low & erratic. The district is not rich in the forest wealth. Tropically dry deciduous forests are found here.

The rainfall distribution is relatively satisfactory in relation to the other parts of Haryana and its is mainly concentrated during the monsoon. Some rain is also experienced during the winter season due to the passing western disturbances (cyclones). Air is generally dry during the greater part of the year. Dust storms mostly occur during April-June. Sometimes dense fog occurs in the winter season. The district is a plain area which slopes from north-east to south and south-west. The plain is a flat and within it, there is a narrow low lying flood-plain area known as 'Khaddar' of Yamuna river. The upland of Panipat district is known as 'Bangar' containing old alluvium. Yamuna is a perennial river which makes the eastern boundary of the district. The district has a good network of canals. Underground water level is comparatively high. Tubewell irrigation is also common in the district mostly, the soil is loam Bangar and Nardak and Silty loam Khaddar in the district. The soil as classified by the National Bureau of soil Survey and Land Use Planning (ICAR) Nagpur the district has mainly Aquepts-Ochrepts and Aquents-Fluvents types of soils

#### People:-

The racial, religion & cultural composition of the people of Panipat has undergone an incessant metamorphasis but time & age failed to write wrinkles on their face. Panipat has ever retained some of their traditional traits & characteristics. It is in the folklores of Panipat that one can see the multifarious richness of emotional life of its people. These folklores have ever been preserved with the balm of tradition & passed on from one generation to the other like aspects of cultural heritage.

The people of Panipat are some what parochial, caste-rider and therefore lagging behind educationally advanced district of the State.

しち

In general, the people of Panipat are hard-working, hearty, simple, straight forward peace-loving & sacrifying, but in times of need they have risen to glorious-heights. Truly speaking, the people of Panipat constitute a rare race of strong & sturdy fighters & indeatigable, farmers, wielding the sword with as much skill in the times of crisis as they wield the plough in the times of peace.

#### Economy:-

The main sources of Panipat economy have been agriculture, small scale industries & cattle-breeding. The net area of the Panipat is about 150 thousand hectares. Top priority has always been given to this sector resulting in the rise of production of food grain, rice & cotton.

A further study of main workers, such as cultivators agricultural laborers, those engaged in household industry and other workers i.e. engaged in activities like livestock, forestry, fishing and plantation of orchards in manufacturing, processing, servicing and repair other than house hold industry, in construction, in trade and commerce, transport, storage and communications and other services reveal that their percentages to total main workers are 32.92, 21.29, 2.69 and 43.10 respectively, against the corresponding figures of 38.77, 19.01, 1.53 and 40.70 for the state.

### Demographic Information: - (Census - 2001):-

Population of Panipat is 9,67,338 out of which males are 5,28,578 & females are 4,38,760. Thus the population of Panipat forms 4.86% of the total population of the state in terms of size. The density of population is 474 person per sq.km. The decadal population growth (1991-2001) is 36.85%.

There are 11 large and medium-scale industries located in the distt . presently, which

arc-(1) Pan Foods Ltd., Panipat (2)Metal Tubes Pvt. Ltd., Panipat (3)Steel crafts, Panipat
(4) Panipat Co-operative sugar Mills (5)Panipat Co-operative Distillery (6)Panipat Thermal

Solvent Pvt. Ltd. Panipat . (8)Hilton Spinner Panipat (9)Seethed plant (7) Vardhaman Precision, Panipat (10)Dhillon Kool Drinks, and (11) N.F.L., Panipat . Their manufacture includes sugar, distillery, fertilizers, alcohol, industrial gases, dehydrated vegetables, steel tubes, solvent, oil and oil cakes, cotton yarn by open-hand process, processing of woolen fabrics, soft drinks etc. As per figures available upto 30<sup>th</sup> September, 1992 these 11 large and medium scale units with the investment of about RS. 751.62 cross, provide employment to about 4790 workers.

### Table showing the literacy rate:-

General literacy Rate (Exclusive of children in the age of group of 0 - 6 years.)	69.75
Rural Male Literacy	76.62
Rural Female Literacy	51.00
Urban Rank of Male Literacy	82.73
Urban Rank of Female Literacy	69.38
Rank of Literacy amongst other District	7
Sex Ratio :- 1991	852 Female per thousand male
2001	830 Female per thousand male

### Source: - Census Hand Book 2001

Education in the District :-

The District is characterized by regional variations in literacy rate among different blocks & villages & also among different socio- economic groups. According to the Census 2001 the literacy rate for persons in the District is 76.62 percent for males & 51.00 for female in the rural area. In urban area literacy rate of male is 82.73 percent & female is 69.38 percent.

Source:-Census HandBook 2001

The policy on Education as incorporated in national system of education implies that in the age of 6-14 yrs all children, irrespective of their caste, colour, creed or sex must access to elementary education of a comparable quality.

There is a provision of free & compulsory education to all children upto age of 14 yrs .National Policy on Education 1986, top priority is being given to the universalization of primary education .State Government has formulated the new policy of education -2000 for the state.

In this policy teaching of English has been introduced from class 1st , computer education from class 9th to meet the new challenges of life. In Haryana as far as access is concerned, there is govt, primary school with in 1.13 km., Middle school with in 1.60 km., High school with in 1.2 km. & Senior Secondary School with in 3.8 km.

### <u>**Primary Education :-</u>**</u>

Primary Education covering a period of 5yrs is imparted through Govt. .& privately managed primary schools .There has been a substantial increase in the number of primary schools in 1999-2000 were 242. Primary schools are generally. Co-educational

There are separate schools for boys and girls also. The teachers are provided in the schools according to the pupil teacher ratio of 1:40. Single teacher schools are very few &

· ) [

are functioning in village with a small population because in such school the no of students in very small.

### <u>Enrolment:-</u>

Students' enrolment at the primary level of education in Govt. Schools was 49780 (2002-2003)

### Upper Primary Stage (Middle Class):-

Middle school, consist of classes from vi to vii. The pupil teacher ratio is 22:1 & the medium of instruction is Hindi. Hindi is taught as the first compulsory language from class 1<sup>st</sup>, English is taught as the 2nd Compulsory language from class 1<sup>st</sup> onwards from session 2000-2001 and Sanskrit or Punjabi is taught as the 3rd compulsory language from 6th class onwards. Certain safeguards have been provided for the linguistic minorities.

The provision for the teaching of Urdu/Punjabi as an additional subject (in addition to Hindi) from the first Primary class is made if there are 8 students in class or 30 students in Primary school, desirous of learning this language. But the medium, of instructions & the language of such students is Hindi.

## **Quality in Education**

Due to importance of this component Govt. suppress for qualitative improvement in schools through availability of infrastructure which is directly related to teaching learning process. In infrastructure school building, free text books to every poor students, availability of Taat-Patti, Sports Material, Computer Education, Library Books Preparation for competitions, Medical Check-up Programme, Award to best Schools and award for talented students play as incentive to prepare environment for formal schooling. To accelerated the education through this project. Government proposed new middle school to remove the problems of children such as: -

- 1. Availability of elementary education nearly.
- 2. Availability of elementary education with computer education.

For this we proposed 6 new middle schools in our district to provide elementary education to more and more children.

Details of the proposed budget for this intervention is given below: -

- 1. Free Text Books: Rs. 150 for books except SC girls proposed every year only for poor students enrolled in primary and upper primary schools.
- 2. Furniture and Taat-Patti for students: Rs 10000 as per each school proposed.
- 3. Science Labs: Rs. 2000 per annum for middle schools.
- 4. Library: Rs. 2000 at each school for primary and upper primary schools every year.
- 5. School Improvement Grant.- Rs. 2000 for school improvement grant proposed for primary and upper primary schools once in a year in whole project.
- 6. Teacher Grant: Rs. 500 for each teacher in primary and upper primary school proposed per annum for whole project.
- 7. The salary of project teachers in P.S. and U.P.S. is proposed Rs. 7125/and Rs. 8645/- Per month. The ratio of teacher and student is 1:40.
- 8. Provision for purchase of computer set: We proposed Rs. 14.80 Lacs for computer sets.
- 9. Computer Fees: We proposed Rs. 30 from each student as a computer education fee.

10. We also proposed for computer library and computer furniture.

.

After Micro planning process (House to House survey) we came to know the real position of Dropout children & basic reasons for that such as lack of Buildings/Infrastructure/Furniture/Material & Equipment/TLM as well as Lack of Training for quality Education.

Therefore to meet out with every necessity for the Quality in Education our team works out minutely for this Component & proposes.

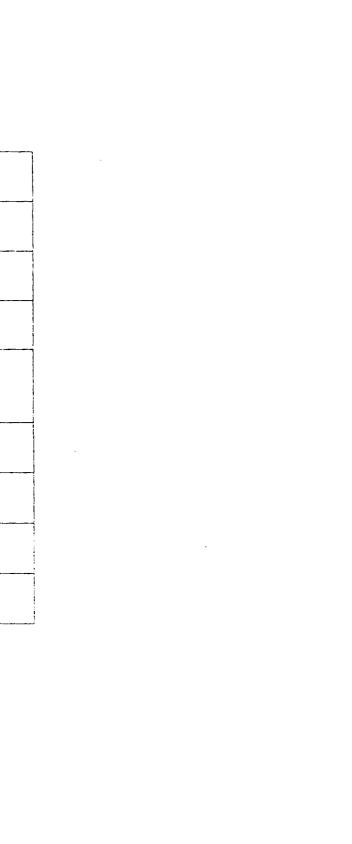

. . .

### CHAPTER - III

#### Sarva Shiksha Abhivan (SSA) :

The Sarva Shiksha Abhiyan is a historic strid towards achieving the long cherished goal of Universalisation of Elementary Education (UEE) through a time bound integrated approch, in partnership with states. SSA, which promises to change the face of the elementary education to all children in the 6 - 14 age group by 2010.

The SSA is an effort to recognize the need for improving the performance of school system and to provide community owned quality elementary education in the mission mode. It also envisages bridging of gender and social gaps.

#### What is Sarva Shiksha Abhiyan?

A programme with a clear time frame for universal elementary education.

A response to demand for quality basic education all over the country.

An opportunity for promoting social justice through basic education.

An effort at effectively involving the Panchayati Raj Institutions, School Management Committees, Village & Urban Slum level education committees., Parents teachers Associations, , Mother Teacher Associations, Tribal Autonomous Councils and other grass root level structures in the management of elementary schools

An expression of political will for universal elementary education across the country

A partnership between the Central, State and the local government.

An opportunity for States to develop their own vision of elementary education. AIMS OF SARVA SHIKSHA ABHIYAN

The sarva shiksha Abhiyan is to provide useful and relevant elementary education for all children in the 6 to 14 age group by 2010. There is also another goal to bridge social, regional and gender gaps with the active participation of the community in the management of school.

Useful and relevant education signifies a quest for an education system that is not alienating and that draws on community solidarity. Its aim is to allow children to.

Learn about and master their natural environment in a manner in a manner that allows the fullest harnessing of their human potential both spritiually and materially. This quest must also be a process of value based learning that allows children an opportunity to work for e ach other's well being rather than to permit mere selfish pursuits.

Sarva Shiksha Abhiyan realizes the importance of Early Childhood Care and Education and looks at the 0 14 age as a continuum. All efforts to aupport per school learning in ICDS centres or special pre-school centres in non ICDS areas will be made to supplement the efforts being made by the department of woman and Child development.

#### **OBJECTIVE OF SARVA SHIKSHA ABHIYAN**

All children in school. Education Guarantee Centre, alternate School "Back to school camp by 2003

All children complete five years of primary schooling by 2007.

All children complete eight years of elementary schooling by 2010.

Focus on elemantary education of satisfactory quality with emphasis on education for life.

Bridge all gender and social category gaps at primary stage by 2007 and at elementary education level by 2010. Universal retention by 2010.

#### WHY A FRAMEWORK FOR IMPLEMENTAION (AND NOT A GUIDELINE)

To allow states to formulate context specific guidelines within the overall framework

To encourage districts in States and UT's to reflect local specificity.

To promote local need based planning based on broad National Policy norms.

To make planning a realistic exercise by adopting broad national norms.

#### SARVA SHIKSHA ABHIYAN AS A FRAMEWORK AND AS A PROGRAMME

Sarva Shiksha Abhiyan {SSA has two aspects}

- 1) It provides a wide convergent framework for implementation of Elemantary Education schemes.
- 2) It is also a programme with budget provision for strengthening vitalareas to achieve universalisation of elementary education.

While allinvestments in the elementary education sector from the state and central plans will reflect as a part of the SSA framework, they will all merge into the SSA programme within next few years. As a programme, it reflects the additional resources provision for UEL.

#### VILLAGE EDUCATION COMMITTEE (VEC)

It is comprising 12 members (6 males & 6 females) manages DEEP affairs at the village level and ensures enrollment & retention of all the children in 6-14 age group in the school, VEC takes pride in owning the village school, exercise supervision & management and ensures Community participation in meeting the objectives of DEEP.

5,1

#### Village Construction Committee (VCC)

It is a subset of V.E.C. it consists of 5 members with woman as the chairperson. It menages the civil works of the primary and Upper primary schools including construction of toilets, its boundaries walls installation of water hand pump, repairs, maintenance, of school building and construction of additional rooms. Being responsible bodies, they will be fully empowered and accountable for finances, J.E.s will only be the technical advisors.

#### Function of VEC

To construct upto three class rooms & boundary walls, toilets in schools, install drinking water hand pump to undertake maintainance & repairs of the schools as per design. Specifications, guidelines and in accordance with norms & funds provided by DEEP.

To purchase material & employ labour for the above said construction work. To maintain record of construction work purchases & labour as per prescribed format. To maintain proceedings of all the meetings.

To open a joint account in the name of 2 or 3 members, out of which, one is to be members secretary & the other woman in the Village post office / Bank and maintain all funds received by DEEP in this account which is to be operated jointly by the member secretary and the woman member.

#### 

#### S.S.A. MICRO SURVEY

National Institute Of Education Planning and Administration (N.I.E.P.A.) conducted the first all India Micro Survey of education Administration in 1973-74 During this period Innovative Programs changes in Organizational structure of new policies consequent to the new educational policy, Program of action, Reports submitted by state level education commission, committees etc. have shared in a new era of educational development in the country The Three Principal objective of the second survey were :-

- 1. To understand the present status educational Administration status in terms of structure, systems and process at various levels
- 2. To study the experiment innovation and changes.
- 3. To identify major issues and future tasks of educational planning and management

At present the Government of India is planning to import education to everybody according to the fundamental right for Universilisation of Primary Education in the constitution. To fulfill above right the Government is working for last five years under the head of D.P.E.P.and presently under the head of S.S.A.

The S.S.A. Program in Haryana previously runs under the head D.P.E.P. in seven Distt. Now in eleven Distt. Plus the previous seven Distt. The project is to be started as S.S.A. with effect from 1-04-2002.

The Micro Survey of S.S.A. will cover the organizational set up, role, functions and activities of the education department at the block level. In this survey educational institutions under different management and departments other than educational departments are to be involved to achieve the goal of the survey. The strength of the survey lies on the preparation and presentation of the activity profile of different educational management, persons like the Distt. /Block Education Officers and the Heads of the institutions.

The methodology of survey include the collection of information the Education Deptt., Distt., Blocks and institutional level from

organizations on the basis of door to door elected information collected by surveyors.

Distt.Panipat is divided in five educational blocks such as Samalkha, Israna, Panipat-1, Fanipat-II and Maduloda. The actual survey reports of all blocks collected by surveyor teams under the guide line of Project Director and supplied material concerning Project.

The complete information of all the blocks that is total population, numbers of children five plus to ten plus age group, numbers of children of eleven plus to plus Fourteen age group, total out of school (drop out and non starter ) and grand total of out of school children is shown in compilation sheet for block level which is enclosed with the Perspective Plan.

h

#### 54

Data collected from D.P.E.O. and other sources differentiate from the data collected by House Hold Survey Micro Planning. So, We choose Micro plan as a base for perspective Plan.

#### <u>CHAPTER – IV</u>

#### **PLANNING PROCESS ; 1 FORMATION OF DISTRICT CORE TEAM :**

The team at district level is formed consisting District Project Co-ordinator (D.P.C) Assistant Project Co-ordinator and four Assistant Project Co-ordinators. Their Names are given below :

District Project Co-ordinator :-	SH. SATYAPAL MALIK
	(D.E.O. FNP.)
Assistant Project Team Co-ordinator :-	SH. KARAM SINGH SAINI
Assistant Project Co-ordinator :-	DILBAG SINGH
	KAMLESH KUMAR

#### 2. ORIENTATION OF CORE TEAM:-

ABOVE MENTIONED MEMBERS ATTENDED SEMINARS CONDUCTED BY Haryana Parthmik Shiksha Abhiyan from time to time to give complete knowledge of Sarva Shiksha Abhiyan. Dates of Seminars already held are given below :-

			Venue:
i)	Ist Seminar -	4 to 8 Sept. 2001	Haryana Panchayat Bhawan
ii)	IInd Seminar -	25 to 27 Sept. 2001 Sec.	28, Chandigarh
iii)	IIIrd Seminar -	9 to 10 Oct. 2001	do
iv)	IVth Seminar -	23 Oct. 2001	do
V)	Vth Seminar -	8 to 9 Nov. 2001	do
vi)	VIth Seminar -	21 Nov. 2001	Jind
vii)	VII Seminar -	22 Nov. 2001	Rohtak
viii)	VIII Seminar -	28 to 29 Nov. 2001	Chandigarh
IX)	IX Seminar -	06 to 07 Dec. 2001	Gurgaon
X)	X Seminar -	09 to 10 Dec. 2001	Chandigarh
			(Submission of
•			Prospective Plan)
XI)	XI Seminar -	16 to 17 Dec. 2001	do
XII)	XII Seminar -	11 to 12 Jan.2002	do
XII)	XIII Seminar -	17 to 20 Jan.2002	do( Appraisal with Centre
			Govt. Team)
XIV)	XIV Seminar -	04-02-02 to 06 Feb.02	Chandigarh
XV)	XV Seminar -	18 March 02	-do-
XVI)	XVI Seminar -	24,25 March 02,	-do- (Submission of
	•		Prospective Plan)
XVII)	XVII Seminar -	22-10-02	Chandigarh (Appraisal with Centre
			Govt. Team)
XVIII)	XVIII Seminar -	30 Nov. 02	Karnal (Checking of Prospective Plan)
		1 <sup>st</sup> Meet	ing start from 4 to 8 September at Haryana Panch
Rhawa	n Sec. 28-Assista	of Chandiaarh To get the	

Bhawan Sec. 28-Assistant Chandigarh. To get the training for S.S.A. programme. Talk with Dr. Ba Singh Assistant Depty Director (planning).

24.03.02 to 25.03.02 at Chandigarh

22.10.02 at Chandigarh

30.11.02 at Karnal

#### 3. FORMATION OF V.E.C./M.T.A. :

•

As the team is formulated only at at district level, so it becomes difficult task to cover all the villages for the formation of the cillage education committees. Still efforts were made by the team members and visited Ninteen villages in different blocks from 4-10-2001 to 11-11-2001. Villagers gathered in the school premisses of the concerenced villages. Formal introduction of the team members was given people showed their curiosity to know about the mission for which they were present. Villages visited by the team members are given as below :-

S.NO.	Date	Venue	No of Participent	Issue Raised
1	24.10.02	G.P.S Atawala	12	1. Shortage of Staff
		(Madlouda)		2. Toilets are not available.
				3. No Audio-visual Aids available.
				4. Lack of Tat-Patti.
				5. To orgnise the co-education Programme.
				6. All children should be given the Incentive.
				7. Lack of Black Board.
				8. Lack of Building.
				9. Lack of electricity.
				10. Free text books must be given for all poor girls.
				11. Repair of the school Building.
				12. Introduce the computer education.

### 4. **CONSOLIDATION OF THE MEETINGS:**

The meetings of all the center incharges and head Teachers/HM/Principals/B.E.O.s of Panipat district was held under the leadership of D.E.O Panipat. The aims & objectives of Sarva Shiksha Abhiyan were narrated in the meeting held on 13 Nov. 2002.

### 5. Consolidation of the meeting:-

### <u>ISSUES:-</u>

### Students Competitions :

# SUPERVISION AND MONITORING MECHANISM UNDER SSA

The success of any educational system lies in its systematic, regular and effective supervision and monitoring system. The study reveals that the results could not be attained previously because of ineffectiveness of this system. It has been found that the supervision and monitoring mechanism in education is both lethargic and ineffective or beyond grassroots approach. Moreover the frequency of our supervision system is so meager that hardly any proper direction could be achieved out of it. It is considered an appropriate, effective and nearer to grass root mechanism or supervision and monitoring . in addition to it the supervision system has always been in the form of inspection, which could never put up model for the improvement and could only work as faultfinder.

SSA has focused itself on four basic pillars:

- Decentralization and area-specific;
- ➢ Quality;
- > Universalisation of elementary education without any social or gender bias;
- > Community participation and ownership;

Again, more focus has been given on strengthening the monitoring and supervision system so that the activities under SSA may bring the desired fruits and may lead to the attainment of desired objectives within the timeframe. Hence, the Governor of Haryana, vide his letter no. 21/18-2002PE(2) dated 11<sup>th</sup> September 2002 is pleased to constitute the following committees for proper monitoring and supervision at village, school, cluster, block district and state level.

### 1. School level committee: (a) Parent Teacher Association

PTA will comprise of the following office bearers

(i) President	Elected
(ii) Vice President	Head teacher/HM
(iii) Secretary	Nominated
(iv) Joint secretary	Elected
(v) Treasurer	Nominated
(vi) Auditor	Not a member of executive

The membership of the association shall be open to all the parents or guardians of the students and the members of the staff of the school.

The head of the school shall be ex officio vice president of the association. The secretary of the association shall be nominated from amongst the members of the staff by the president in consultation with vice president, the treasurer, and the secretary and all the office bearers and members of the executive committee shall be elected at the time of annual meetings. There shall be an executive. It will consist of ten members (with at least three from the teachers) beside the office bearers. Meetings of the executive committee will be held once in a month preferably the last Saturday of the month. The aim of the associations is to encourage parents to share the responsibility along with the teachers for better educational standard and moral, social, and

physical development of the children and overall improvement of the schools.

11.0

The specific objective of the PTA will be as follows:-

- (i) **Creating awareness among the parents** regarding the need and importance of inculcating the habits of punctuality, regularity in attendance and cleanliness in their wards.
- (ii) Diagnosis of Educational backwardness and need for adopting remedial measures in time.
- (iii) Helping for making provision for physical facilities such as furniture, electric fans, building etc. to the schools.
- (iv) Making improvement in the overall conduct and behavior of the students. The tenure of the association would be two years.

### (b) MTA (Mother Teacher Association)

It is not basically different from PTA. Here, the membership is open only to Mothers and lady guardians of the children. The MTA will meet twice a month instead of once as in case of PTA.

The school may have either of two or both of the associations. From primary wing The MTAs may be there and for the whole school i.e. Upper primary level, the PTAs may also be there.

The tenure of the committee will be two years.

These bodies can inspect the records (student's attendance, Staff's attendance) of the school.

### 2. Village Level Committee:-

### (a) Village Education Committee (VEC)

There will be a village Education Committee (VEC) with the following members:

Three members nominated by Gram Panchayat3(At least one scheduled Caste and one lady member)3

Head teacher of the Primary school (Member secretary)

(In case of more than one school the senior most head of the school)

A female teacher

(In case of more than one school not from the school of member secretary)

• /		
Female member nominated by Mahila Mandal	1	
Lady health Worker	1	
Anganwadi worker/Bal Sevika		1
Two members nominated by PTA/MTA	2	
Member nominated by BEO	1	
(NGO member /Social worker /Educationist)		
Village secretary /Gram Sevika		1

### Village secretary /Gram Sevika TOTAL TWELVE

The selection of VEC members should be process based i.e. through activities and participation rather than by official orders of nomination.

Out of twelve members six should be from female side. The committee will elect its President and Vice President.

The committee will function as an arm of Panchayati Raj System and involve persons interested in the overall development of real education in the respective village. It will meet twice in a month and sends its report of the proceedings to cluster level committee (CLEC) and Block level education committee (BLEC)

Its objectives include creating awareness, increasing enrolment surveys for the purpose of Universalisation of primary education. It will also create an environment for quality education, discipline, cleanliness and beautifulness in the school. It will also help in capacity building also.

The tenure of the committee will be two years. VEC is expected to play important role in mobilizing the community for bringing un-enrolled children into formal schooling. It will also ensure the mainstreaming of the children of weaker section supervision and other disadvantaged sections of the society, especially of the girls and the disabled. It will also ensure that all children of 3 to 6 age group come to ECCE centers for pre-schooling. Moreover, it will regularly assess the local needs and aspiration of the stakeholders and try to materialize the goals in time and effectively. It will also identify the households, which are not sending their children to school and will take necessary steps in this regard. The committee will also maintain and update the village education register consisting of all relevant educational data, and will provide the profile of the children of the respective habitation. The VEC will also monitor and supervise the construction work in the school and will the school going and non-going children of the concerned habitation.

### (b) Village Construction committee (VCC)

It will have the following members	
A member (Male /Female of VEC)	President
Member secretary of VEC	Member secretary
VEC Member	Member
(Ex service man/Retiree/Social worker)	
VEC member belonging to SC	Member
Member nominated by NEC	Member
TOTAL	<b>FIVE Members</b>

The main objective of this committee is to maintain, extend and improve upon the school-building etc.

It will hold its meetings twice a month and send report of the proceedings to CLEC and BLEC.

### (c) Urban Education committee (UEC) for urban areas

For schools in urban areas UEC will be constituted urban area wise on The pattern of VEC and will consist of the following members:-

Three members approved by municipal committee /Council

(At least one scheduled Caste, One Lady member) Head Teacher/Head Master of elementary school 1 (Member Secretary) (In case of more than one school, the senior most) A female teacher nominated by the BEO 1 (In case of more than one school, not from the school of member Secretary ) Female member nominated by Mahila Mandal 1

Lady health worker (to be nominated by Health department)	1
Anganwadi worker/Bal Sevika to be nominated by ICDS	
Department	1
Two Members nominated by PTAs/MTAs	2
Member nominated by BEO	1
(NGO member/Social worker/Retired employee/educationist)	
A nominee of Municipal Committee /Council	1
TOTAL	TWELVE

### (d) Construction committee

Construction committee of the urban area will consist of the following members:-

<ul> <li>(ii) Head teacher/Headmaster-Member secretary</li> <li>(iii) UEC Member (Ex serviceman/Social worker/retired teacher)</li> </ul>	1
(iii) LIEC Member (Ex servicemen/Second worker/retired teacher)	•
(iii) UEC Member (Ex serviceman/Social worker/retired teacher)	1
(iv) UEC member belonging to scheduled casts	1
(v) Member nominated by UEC	1
Total Fiv	e
3. Cluster level Education committee (CLEC)	
The CLEC will consist of following members :-	
Cluster resource Coordinator (member secretary)	1
Four head Teachers (at least two of them Ladies)	2
Nomince of ICD Scheme	
1	
Nomince of Health Department	
1	
Nominee of Public Health Department	1
Two Retired Educationists	2
A prominent Ex-serviceman	1
Four VEC Members	4
(Not more than one from the same VEC)	·
· · · · · · · · · · · · · · · · · · ·	een

The Head Teacher and the VEC members may be opted by rotation after a period of one year so that opportunities are given to as many as possible.

The committee will function as an agency to support, coordinate and review the achievements of the schools in the cluster. Its aim and objectives will be as under:-

- a) Organizing session for mutual sharing of experiences of teachers.
- b) Reviewing infrastructure improvements in the schools.
- c) Sharing of infrrastructure/Teaching Learning Materials Wherever possible.
- d) Guiding further steps for Universalisation of Elementary Education.
- e) Maintaining the spirit of cooperation amongst the communities for the cause of education.

Juu vui oni

f) Collecting data and keeping it updated.

g) Following up the action on the decisions/proceedings of VEC/VCC meetings.

The committee shall meet twice a month and will send report of Proceedings to BLEC.

4. Block level Education Committee (BLEC) Block level Education will consist of the following members:-

Block Education Officer (president)	1	
Block Resource coordinator (member Secretary)	}	
Block Development Panchayat officer		1
Nominee of ICDS		1
Nominee of Health Department		1
Nominee of Public Health Department	1	
Two Cluster resource Coordinators	2	
(One male, one female: to be nominated by BEO)		
Head of high/senior secondary school		
(Preferably the senior most)		
A prominent ex-serviceman of the block	1	
Retired Eductionist preferably the State/national awardee	1	
VEC members from different Clusters		2

C/School

### **1.TEACHERS IN PS AND UPS**

According to the micro-survey, the number of children not admitted in the school is 15660 and the rate of increase in population in the district is 2.1 % E.I. 8908. The dropout no. of students in upper primary schools 23568.

Therefore, fifty teachers in Primary Schools and thirty teachers in Upper Primary Schools are demanded per year. The budget provision for this intervention is Rs. 277.80 Lacs.

### **2.ALTERNATING SCHOOLS**

The dropout Rate in Pry. Schools in this distt. is 1% Where as the maximum Dropout Rate is 1.82 in Block Israna, the minimum Rate in Block Samalkha is 0.32. Therefore, the alternate schooling is more required in block Israna. Block Samalkha is very sensitive toward Dropout Rate. Therefore, the next Block for this system (As) is Bapoli, where the dropout rate is 1.17 in this block. The Dropout Rate in Block PNP is 1.01.

To increase the retention Rate & decrease Dropout Rate the Provision of AS is most essential. Under E.G.S forty seven AS centres approved by the directorate. In Bapoli Block there are many villages populated by Mohmmadans. They are cut off from streamline of elementary education particularly in remote area near Yamuna river.Garhi Basik,Pattthar Garh, Rana Majra, Jalal Pur II, Nagla Par, Nawada etc are such villages where the children are not getting benefit of formal education. The number of dropout children is very large. To start AS in these villages, the qualified lady instructors are not also available. Even plus two pass gents candidates can't be found in these villages, We proposed under SSA that instructors from neighborhood villages can be arranged or the person with less qualification can be adjusted to achieve the aim of SSA.

Panipat District is an Industrial sector. The labour from other states work in these industries. There are many more industries, where these persons reside in the same campus, such as Sheena Export, Mittal International, Raj Woollen etc. to achieve the object of SSA, we proposed  $\Lambda$ .S. in these sectors also.

Thirdly, in this district, there are some places, where people are residing in Jhuggies for many years, such as near Bishan Sarup Colony, near Railway Line, Jyoti Nagar near Barsat Road. The children residing in these 'Jhuggies can also get benefit of this elementary Education Scheme.

Fourthly there is a cluster of Bhatthas at some places. The terminal A/S system can be set up in such areas, because the labour migrates after six or eight months working in this sector. They return after some months again.

The Budget Provision for this Intervention is Rs. 39.692 Lacs **3.CIVIL WORK** 

Civil work is the backbone of SSA Plan. Therefore, the provision for this component is 33% of the total budget provision. To meet out all the necessities of civil work in this distt, there are many components in Civil Work. Components of Civil Work are as under: -

Construction of B.R.C 1.

- 2. Construction of C.R.C. Building
- 3. Construction of New School Building and all repairs of the room.
- 4. Construction works of all heads are put into Civil Work.
  - The total budget Provision has been proposed for Rs. 637.636 Lacs.

### **4.REPAIR AND MAINTENANCE: -**

Repair and maintenance of the infrastructure is as important as imparting of education facilities. The number of schools in the district is 398. The budget for this package is demanded **Rs. 79.60 Lacs.** 

### 5.FREE TEXT BOOKS:-

Free textbooks have to be provided to all girls and S.C.boys except The S.C girls S.C. Girls are left out because they are already getting free books. The no. Of such girls, getting free textbooks will be 51966. It will entail an expenditure of Rs. 321.26 Lacs.

### 6.TEACHING LEARNING EQUIPMENTS (TLE): -

To make the teaching more effective and fruitful, the teachers should have some helping aids, such as-coloured chalks, drawing paper-sheets, woodden blocks of different shape and size (rectangular, square, spherical, triangular, conical etc.) and the rings of different size, colours and metals, needles and threads of different type- such as cotton, woollen, silky and synthetic, toys, charts, models etc. The budget for TLE for 255 Primary Schools and 111 Upper Primary Schools (except 32 U.P.S. under Operation Blackboard Scheme) is required Rs. **3.50 Lacs**.

### 7.SCHOOL GRANTS:- (PS AND UPS)

Continuous improvement in teaching learning activities is a thought of SSA therefore, RS 2000/- per school for 255 schools would be required for P.S. sections and for UPS 143 schools at the same rate would also be required. The total budget for school grant is **Rs. 31.84 Lacs**.

### **8.TEACHERS GRANT:-**

The teachers working in primary and upper primary schools are proposed to be provided personal teaching aids at the rate of RS 500/- per head. The total cost will be **Rs. 44.46 Lacs** 

The number of such teachers would be 1439 and 906 respectively. A 2% increase is expected every year.

### **9.TEACHERS TRAINING:-**

The teacher's training programme for existing and the new addition year after year is to be undertaken both for primary and upper primary sections for 20 days at the rate of RS.70/- per head per day. The number of such teachers at P.S. level be 1269 and U.P.S. level will be 886. The total expenditure on this account would be Rs.183.73 Lacs.

### **10.COMMUNITY TRAINING: -**

There are 186 VEC's and 31 Urban Education Committees (one UEC from each ward of the city) in the district. The training to eight members from each committee is to be given two times in a year. Thus, the budget provision per year for 1736 members for 4 years is **Rs. 4.166 Lacs.** 

### **11.RESEARCH AND EVALUATION: -**

Education is a continued process. Learning is an integral part of teaching and new experiments and ideas are to be introduced and implemented in the system to cope up with the new demands of ever-increasing quest of children' knowledge. To make the teaching learning more easy effective, practical, more digestive and interesting, some new methods are expected to be introduced in the education system. For this, a lot of research work will have to be done and its results to be evaluated. Therefore for 398 schools in the District the budget for this package is demanded Rs. 6.368 Lacs.

### 12.1 ECCE:-

Early child hard Education is organized by the P.s. Panipat at Distt Level. There are 550 ECCE centers in the five CS Block of the Distt. The total Enrolment of male children is 23841 and female students are 21034. The working team of ECCE is formulated by three components one is ECCE worker second is the helper & the third is the supervisor. CDPO hold the supervisory staff at urban & rural Level.

During the meeting with the Distt. CDPO & Supervisor we noted some of their problems, some which are as follows:

- (i) Lack of infrastructure/Furniture/Stationary etc.
- (ii) Lack of Training to ECCE worker for record keeping.
- (iii) They demanded more Salary package for ECCE worker & helper.
- (iv) Most of supervisor made a stress on one point that one room for ECCE should must be aliotted in Govt. school building so that after completing ECCE course the child could be admitted direct in Govt. Pry. School. It will help to increase Enrolment in Govt. Pry schools.
- (v) Time to time training for ECCE worker is required, So that the child could be prepare for latest educational background.
- (vi) The learning kits should also be provided for ECCE children.

The budget provision for this intervention is **Rs. 47.07 Lacs** 

### 12.2 Computer System: -

Today Computers are used in practically all fields. In schools computers might be used a teaching aids. They are capable of simulating experiments, which are not

possible otherwise in a Lab environment. Today computer based training packages are available for practically all subjects and classes. Computers are being use for tabulation for examination results, accounting, preparing salary statements of the staff. It is a new addition in education system. To quench the thirst of knowledge of the children computer education has become the essential part of education. For this project the budget of for Rs. 59.20 Lacs is demanded.

### 12.3 MM & WE :-

Under Mass Mobilization & Women Empowerment, Banners, stickers, Railies Prabhat Pheries & Maa, Beti Mela are the major activities to activities the village background people.

'Maa Beti Mela' is very encouraging to attract female gender to school Education.

Functions through VEC's also help to build Environment for village children for schooling. Quiz competitions, Thakhties, school Diaries to teachers, Printing of Newspaper, Documentation of village, Award to VEC & Lady motivator with the help of media. Resource group will be fully helpful for this activity. The total provision for this activity is being proposed for Rs. 47.16 Lacs

### **13. BLOCK RESOURCE CENTRE AND BLOCK RESOURCE CO-ORDINATOR**

### <u>(BRC)</u>

BRC is an academic arm, field unit & extension wing of DIET. Through it, in service training of primary / upper primary teachers has been decentralization. Center can be located anywhere in the block depending upon the availability of land around a primary/ upper primary school.

### Main functions of BRCs' are:

- To organize seminars, workshops & training programmes. To provide in service training to primary/ upper primary school teachers. Head Teachers. NFE. ECCE functionaries, members of VECs' in-supervision of DIET.
- ➤ To act as a link between CRCs', VECs', DPIU & DIET.
- > To guide CRCs. In conducting monthly seminars, workshops & extended training

### The functioning machinery of B.R.C's is as under: -

- 1. ABRC's\_\_\_\_\_7500-200-10500
- 2. Accountant \_\_\_\_\_ 5000-150-7850
- 3. Data Entry Operator\_\_\_\_\_\_4000-100-6000
- 4. Class IV\_\_\_\_\_2550-55-2960

The Budget Provision for this intervention is Rs. 357.6371 Lacs

### <u>14. IED :-</u>

To help the disables out of India have made a package named Integrated Education for disables. In this package, there is a provision for Rs. 1200/- P.A. per child to assist them according to their requirement. Such as a Hearing suffering child will get hearing aid, whereas another orthopeadically handicapped child will get a Wheel chair so that he/she could reach school easily & the third type could be a blind or partially blind child. He/she must be provided broil books & teacher to teach them. According to Household survey, the total No of disabled children is 976. The Provision in the budget is proposed for **Rs. 46.824 Lacs.** 

j \* 1, č.

## **15. MANAGEMENT COST:-**

Inspection machinery would work to take care all of the SSA programmes. It will be divided in two parts. -District Project Implementation Unit (DPIU) and Education Management and Information System (EMIS). The official machinery headed by D.E.O. who will be known as District Project Co-ordinate (D.P.C). He will be assisted by two A.P.Cs, one accountant, one programmer, one data entry operator and one class fourth. He will be further assisted by EMIS machinery with a programmer, a computer operator Therefore, 6% of the total budget is to be reserved for this and a class fourth. component. DPIU is the main office at the district level.

Details of DPIU Budget as per head given below: -

- Salary of APC: There is a provision of two APC's to assist to the DPC. 8500-1. 200-10500.
- 2. Section Officer :- 6500-175-7850
- 3. Salary of Accountant: - 5000-150-7850
- 4. Salary of Head Clerk :-5500-175-9000
- 5. Salary of assistant :- 5000-150-7850
- 6. Salary of Computer Programmer :- 5000-150-7850
- 7. Salary of Clerk :- 3050-75-3800
- Salary of Data Entry Operator :- 4000-100-6000 8.
- 9. Salary of Peon :- 2550-55-2960
- Salary of Sweeper cum Night watchman :- 2550-55-2960 10.
- 11. POL: --Rs 8300 per month and Rs 1 Lac per Annum for whole budget.
- Electricity Charges: --12. Rs 1.44 Lacs per annum for whole budget.
- Telephone Charges: --13. 2000.00 per month by DPC and APC's for whole project.
- 14. T.A./D.A to staff: --Rs 10000.00 per month for DPC and APC's office. 15.
  - Furniture: -Rs 1.00 Lac. For furniture.
- 16. Rs 50000.00 for 4 years and after it Rs 20000.00 Furnishing of Office: -for remaining project.

The total budget for this intervention is Rs. 78.9496 Lacs.
