STATEMENT OF OBJECTS AND REASONS

Amending Act 07 of 2014.- It is considered necessary to regulate salary and allowance and other conditions of service to teaching and non-teaching employees of private educational institutions on admission to grant-in-aid and limiting financial liability of the State.

The State Government framed several rules under the Karnataka Education Act, 1983 clarifying the stand of the Government that the non-grant period of service shall not be counted, on admission to Grant in aid, for the purpose of pay, leave, seniority and pension to teaching and non-teaching posts in Private Aided Education Institutions of Primary Schools, Secondary schools, PU Colleges coming under the purview of the Primary and Secondary Education and Colleges including B.Ed. Colleges and Technical Institutions coming under the ambit of Higher Education into Grant-in-Aid.

And whereas the non-reckoning of non-grant period of service for pensionary benefits was challenged by Sri H. Peter in W.P. No. 10399/2004 and the Hon'ble High Court of Karnataka allowed the said writ petition on 01-09-2006 with a direction to compute pensionary benefits by considering non-grant period.

And whereas, the Writ Appeal No.291/2007 filed by the State before the Division Bench of the Hon'ble High Court of Karnataka against the order dated: 01-09-2006 made in W.P. No.10399/2004 was rejected and the Special Leave Petition filed by the State before the Hon'ble Supreme Court was also dismissed on 09/05/2011.

And whereas, non reckoning of non grant period of service for pensionary benefits was challenged in W.P. No.126/2008 and W.P. No.15025/2006 and the said writ petitions were connected with the writ appeals filed by the state and the said writ petitions were allowed on 03-11-2009.

And whereas, the non-consideration of non-grant period for fixation of pay was challenged in W.P.No. 25447/2010 and the said writ petition was allowed on 16-08-2010. The State filed Writ Appeal 4788/2010 against the order dated:16-08-2010 and the Division Bench of the Hon'ble High Court dismissed the said writ appeal and the Special Leave Petition (CC) No. 7365/2012 was dismissed on 02-07-2012. The review petition No. 2364/2012 filed by the State against the order passed in S.L.P. (CC) No. 7365/2012 was also dismissed on 06-12-2012, thereby creating inevitable

situation of complying orders of the Hon'ble High Court of Karnataka in W.P. No. 25447/2010 against the directions given in rule 21(2) and (3) of the Karnataka Pre-University Education (Academic, Registration, Administration & Grant-in-aid etc.) Rules, 2006.

And whereas, the Special Leave Petition No. 22176-22186/10 filed by the State in the Hon'ble Supreme Court of India challenging order dated: 03/11/2009 was connected with other S.L.P's filed by the State and the said S.L.P's were dismissed on 21-08-2013.

And whereas, the non-reckoning of non-grant period of service for Automatic Advancement Scheme, Career Advancement Scheme and Pension was challenged by some Aided employees in Hon'ble High Court of Karnataka in Writ Petition Nos. 14676/2001, 871/2004, 19431/2005 and 5145/2007 and upholding the contention of the Petitioners that the Triple Benefit Scheme Rules and the Government Orders are not in consonance with section 87 of the Karnataka Education Act, 1983 thereby rejecting the Government's contention that as per TBS Rules only the service rendered in aided institutions be considered for qualifying service, the Hon'ble High Court on 13.10.2006 and 12.12.2007 allowed the Writ Petitions by directing reckoning of the service from initial appointment on the basis of actual emoluments drawn, including increments and promotions for non-grant period;

And whereas, the State filed Appeals against the Orders dated: 13.10.2006 and 12.12.2007 made in Writ Petitions Nos. 14676/2001, 871/2004, 19431/2005 and 5145/2007 and on 03.11.2009, the Hon'ble High Court of Karnataka connected the Writ Appeals Nos. 450/2007 and 848/2008 filed by the State with other similar Writ Petitions delivering the following Order:

"Under the circumstances, Writ Appeals filed by the State have to be dismissed and the Writ Petitions have to be allowed. Rule is made absolute. The respective authorities are directed to consider the case of each of the Petitioner and pass orders accordingly in the context of relevant rules applicable to them with regard to their retirement benefits including pension and gratuity along with interest at the rate of 6% p.a. which shall be paid with effect from the date of filing of the Writ Petition by each of these lecturers/teachers within a period of two months from the date of receipt of the certified copy of this Order".

And whereas, the State of Karnataka preferred the Appeal in the Hon'ble Supreme Court in the Special Leave Petition No. 22176-22186/2010 was connected with other similar Special Leave Petitions were dismissed on 21.08.2013;

And whereas, there is no justification to include the service rendered in un-aided institutions which are subsequently brought under grant-in-aid, for the purpose of pensionary benefits as such inclusion would amount to taking into consideration the service not covered by the Pension Rules and it would also amount to giving retrospective effect to the admission to grant-in-aid which is never contemplated by the Government;

And whereas, if the increments earned by the teaching and non-teaching employees of the Private Aided Educational Institutions in non-grant period is taken into consideration for releasing the Grant-in-aid, and for the purposes of Automatic Advancement Scheme, Career Advancement Scheme and Pension it would involve very huge financial implication to the state exchequer;

And therefore, Government reviewed the matter and decided to extend Grant-in-aid computed at the minimum of pay in the time scale on the date of admission to grant in aid to the employees working in Private Educational institutions in the State and to limit the liability of the State on schemes of Advancement to the extent of Grant-in-aid sanctioned to the posts and for the matters connected therewith or incidental thereto.

Therefore, it is considered necessary provide for following in the Bill, namely:-

- (i) to regulate pay, pension and other benefits of employees working in private aided educational institutions by non-reckoning of service rendered during the non-grant period for purpose of pay, leave, seniority automatic advancement scheme/career advance scheme and in settlement of pensionary benefits;
- (ii) to extinguish the claims of employees of private aided educational institutions conferred by any order of the Government or by any judgment of the Court or Tribunal regarding counting the increments drawn prior to admission of grant-in-aid and finalization of pensionary benefits by non reckoning unaided services;
- (iii) not to recover any amount paid already towards time-bound advancement/automatic advancement/career advancement / pensionary benefits;
- (iv) not to maintain suit or other proceedings or to continue in any court against Government and to restrain any court to enforce any decree or order directing release of grant-in-aid taking into account the increments earned and finalization of pension by reckoning the service rendered during non-grant period; and
- (v) to reduce the huge financial implication to the State exchequer;
- (vi) other matters connected therewith or incidental thereto.

Hence, the Bill.
