

GOVERNMENT OF HIMACHAL PRADESH  
DIRECTORATE OF ECONOMICS AND STATISTICS

STATISTICAL ABSTRACT  
OF  
SHIMLA DISTRICT  
1985

*Issued by:*  
DIRECTORATE OF ECONOMICS AND STATISTICS, HIMACHAL PRADESH  
SHIMLA-171001

## P R E F A C E

The compilation of a Statistical book at district level is an important and useful work. The present publication is eighth in series and contains comprehensive tables about area and population, agriculture, livestock, forests, medical and public health, education, co-operation, industries, labour and employment, transport etc; besides some state level tables. The information contained in this book will be of immense use not only for assessing the progress in the district in different sectors of the economy but will also provide useful data for formulating various district/block level developmental plans and policies for future.

I am thankful to all the District Officers of different departments for their kind cooperation in making available the data presented in the publication.

Suggestion to improve the scope and contents of this publication will be welcome.

R.S.BHATNAGAR  
Director of Economics and Statistics,  
Himachal Pradesh.

## REVIEW OF ACHIEVEMENTS IN SHIMLA DISTRICT

### REVIEW OF ACHIEVEMENTS IN SHIMLA DISTRICT

Shimla District became a part of the State of Himachal Pradesh on 1st November, 1966. At the time of the re-organisation of the Punjab State, at that time it comprised of three Sub-divisions, namely Shimla, Kandaghat and Nalagarh with two tehsils namely Kandaghat and Nalagarh and one sub-tehsil Shimla. On the re-organisation of Shimla and Mahasu District on 1.9.1972, in the new Shimla District, most of the territory of the erst-while Mahasu district was merged with Shimla sub-tehsil and two of the sub-divisions of the old Shimla District namely Kandaghat and Nalagarh were merged with the newly created Solan district.

The present Shimla District comprises of five sub-divisions namely Shimla, Theog, Chopal, Rohru and Rampur having twelve tehsils namely Shimla, Seoni, Theog, Chopal, Jubbal, Kotkhai, Rohru, Kumharsain and Rampur, Chirgoan two sub-tehsils namely Nankhari and Kupvi for administrative purposes. For development purposes the district is divided in to eight blocks namely Kesumpti-Seoni, Theog, Chopal, Jubbal and Kotkhai, Rohru, Chhohara, Kumarsain and Rampur. There are two hundred and seventy three gram Panchayats in the district having 2,188 inhabited and 221 un-inhabited villages. There are six urban areas in the district namely Municipal Corporation, Shimla Municipal Committee Theog and Rampur, Notified area committee Dhali and Rohru and cantonment Board Jutogh.

### LOCATION AND BOUNDARIES:-

The District is situated between longitudes 37°02' and 78°18' and latitudes 30°43'. It is bounded on the North by Kinnaur, Kullu and Mandi district, on the East by U.P. on the South by Sirmour District and on the West by Solan district.

### AREA AND POPULATION :-

The total area of the District according to Survey General is 5,131 Sq. Kilometers where as it is 2,87,844 Hectares according to revenue papers. The total population as per 1981

...contd...

(vi)

Census is 5,10,932 which consists of 2,72,126 males and 2,38,806 females and ratio of females per thousand males comes to 844. The decennial growth ratio of population during 1971-81 is 21.70 percent which is lower from the State average of 23.71 percent. The density of population 100 percent per sq.km. The Scheduled Caste and Scheduled tribe population comprises 26.76 and 0.72 percent of the total population of the district. 15.69 percent of the total population living in urban areas against 7.72 percent of Himachal Pradesh. The working force of the district comprises 2,35,540 main workers, 1,59,209 cultivators, 6,726 agricultural labourers and 2,47,84 non-workers.

#### CLIMATE :-

Since the terrain is mountainous with deep valley and with rieges and peak. The climate of the district depends much on elevation which generally varies from 1,000 metres in the western position rising sharply to about 5,000 metress in the eastern parts on the district. Fairly severe cold weather season from December to March, pleasant summer from Aptil to June, rather short monsoon from July to mid September and mild post monsoon from mid-September to November constitute the salient featheres of the climate of the district,

#### ACRICULTURE :-

Agriculture being the large single industry and main occupation of the people of Shimla district provide direct employment to about 71 percent of the total working population of the district. The principal crops grow in the district are maize, wheat, paddy and major cash crops are potato ginger and vegetables. The net area sown during 1982-83 is 72,473 hectares against 72,016 hectares during the previous year. The net areas sown from 66.44 percent of the total cropped area. The cropping antensicy is 158 percent. Cropes grown during Kharif season are Maize, Paddy, Potato, off season vegetables and millets and during Rabi season wheat and barely are grown.

(vii)

The area and production of principal crops during 1982-83 was as under:-

<u>Crop</u>	<u>Area(Hect.)</u>	<u>Production(Tonn)</u>
1. Wheat	33852	22408
2. Maize	22324	16100
3. Barley	8917	5782
4. Rice	5085	3072
5. Potato	6903	16495
6. Ginger	66	12

In order to disseminate the modern techniques of cultivation amongst the farmer, the following seed multiplication farms and potato farms are in the district

1. Seed multiplication farm parala	4.80 Hect.
2. " " " Annu	4.60 "
3. " " " Duttnagar	4.00 "
4. Potato Development Station Shillaru	14.59 "
5. " " " Kharapathar	8.19 "
5. " " " Khadrala	6.10 "
7. " " " Dhurka	8.09 "

on the basis of crop cutting experiments conducted by the Agriculture Department, the yield of some of the major crop is given below :-

<u>Crop</u>	<u>yield (in kg.)per Hect.</u>
1. Maize	2,307
2. Paddy	1,037
3. Wheat	5,323
4. Barley	1,047

The achievement of area under high yielding varieties under food grain and distribution HYV seeds for kharif 1979 to kharif 1981 are tabulated below:-

<u>Item</u>	<u>Unit</u>	<u>Achievements</u>			
		<u>Kharif 1979</u>	<u>Rabi 1979-80</u>	<u>Kharif 1980</u>	<u>Rabi 1980-81</u>
<u>1.</u>	<u>2.</u>	<u>3.</u>	<u>4.</u>	<u>5.</u>	<u>6.</u>
1. Area under HYV under food grains	Hect.	8,688	256,800	10,297	28,221
2. Distribution of HYV Seeds	MT	12.54	100.00	11.51	21.45
3. Exchange of HYV	TMT	45.54	3,800.00	74.00	6,781.00

HORTICULTURE

Horticulture occupies a pivotal role in the development programmes envisaged for the betterment of agricultural based population of the State. Shimla District has wide potentials for the development of the people of horticulture and as a result of horticultural development the people of the district has improved their living conditions. The per capita income of the people has also risen sharply. The total area under fruits has increased from 23,375 hectares during 1981-82 to 24,246 in 1982-83. The production of fruits during 1982-83 was 94,513 (MT). During the year the production was almost half due to severe drought.

ANIMAL HUSBANDRY

Broadly speaking the development of agriculture also depends upon the development of animal husbandry. The total livestock population in the district is 6,36,053 (1982 census) as against 6,08,770 during 1977 livestock census. Out of the total livestock cattle counts 3,42,653 (54%), Sheep 1,6,496 (26%) and goats 1,04,001 (16%).

As on 31st March, 1983, 22 veterinary hospitals 78 dispensaries including 2 mobile centres were functioning in the district. Besides there were 18 artificial insemination centres operating in the district.

FORESTS

Forests have a special significance as it provided valuable timber, medicinal herbs, raw material for small and large scale industries and provides several other major and minor forest produce, besides, this it also generates employment and play vital role in soil conservation and ensure timely and adequate rains. In Shimla District forests cover an area of 2,63,028 hectares, which form about 51 per cent of the total geographical area of the district.

MEDICAL AND PUBLIC HEALTH

To provide adequate and efficient medical and public health services in a welfare state is the most important aspect of Government policy. With this aim in view the Government policy include such invaluable services, as of environmental sanitation, control of communicable diseases,

(ix)

health education, family welfare and maternal and child health services besides providing curative services through a net work of 13 hospitals 9 primary health centres, 36 allopathic dispensaries, 60 Ayurvedic dispensaries and 2 Unani dispensaries.

During the year 1983, 1,28,274 patients were treated indoor and 7,30,777 in outdoor and 1,321 beds were available as on 31.3.1983.

In order to check the high growth rate of population in the district, family welfare programme on voluntary bases aimed at motivating the people to accept small family sterilisation operation and 89 IUCD insertions were performed and 1,027 C.C. were also distributed and 4,387 sterilisation operation were performed.

EDUCATION

Education plays a vital role in the socio-economic development of the people. According to census 1981 the district has 2,18,354 literate persons (1,47,951 males and 70,403 females). The literacy percentage is 42.74 percent 54.37% amongst males and 29.48% amongst females) and this is higher than the state literacy percentage of 42.48%.

As on 31.3.1984 there were 1076 primary schools 157 middle schools (inclusive 3 privately managed), 110 high/ Higher Secondary schools (inclusive 12 privately managed) and 5 degree collages (inclusive one privately managed functioning in the district).

RURAL INTEGRATED DEVELOPMENT AND PANCHAYAT

Rural intergrated development department is stimulating economic development consistent with social justice. A concerted and intergrated efforts towards meeting this end was initiated and at present eight development blocks are functioning in the district.

In the democratic setup like India, Panchayats have get a vital role to play. Through these institutions, effort are being carried out successfully for the uplift of villages. Presently, there are 273 gram panchayats, 8 panchayat smities are functioing in the district.

contd....

( x )

#### CO-OPERATION

The co-operative movement has been recognised as an important inorder to establish a socialistic pattern of society. The number of all types of co-operative societies as on June, 1983, were 295, in the district which covers 97 per cent villages of the district. These societies provide financial loans to its member which number 58,480 persons, having about Rs.808 lacs as working capital out of which loans advanced are worthRs.76 lacs.

#### INDUSTRIES :

During 1982-83, a sum of, Rs.1.35 lacs was advanced as margin money to 27 parties and there were 128 registered factories in the district.

With a view to boost the industrial sector and industrial estate at shoghi near Shimla has been identified. It is hoped that with the development of this industrial estate, small industries can be located at Shoghi and number of industries which produces ancillary goods can be developed around this area.

#### LABOUR AND EMPLOYMENT

During the year 1983 in all 12,979 candidates were registered while 4,096 vacancies were notified against which 1248 candidates were placed. The total number of candidates as on 31-12-1983 on live register stood at 22,926.

According to census of Himachal Pradesh Government Employees 31.3.1983, the district has 13,254 regular employees, and 12,533 contingent paid/work charged/daily paid employees.
