INTRODUCTION

With a view to have better control on educational activities and supervision of schools, the Union Territory of Delhi has been divided into four educational districts viz- North, East, South and West comprising of 28 zones as under:-

Distt. North	Zones 1-7
Distt. East	Zones 8-15
Distt. South	Zones 16-21
Distt. West	Zones 22-28

For demarcation of the districts, the geographical boundaries such as main roads, railway lines, etc. have been taken in view.

Zonal boundaries are demarcated so as to make the zones compact and convenient for supervision/inspection purpose.

Initially, the Senior Secondary/Secondary and middle schools were distributed equally among the four districts and as such each district had six zones. However, with opening of more schools according to requirement of increasing population which was not always evenly distributed, the number of schools and consequently the number of zones per district has varied resulting in the creation of 28 zones in all.

HOW TO CONSULT THIS LIST

All the schools have been grouped district-wise- North, East, South and West. At the beginning of each district number of schools (according to management, stage etc.) has been given. Each zone has been allotted two pages- first page containing names of Senior Secondary and Secondary schools and the second page containing the names of middle schools.

Each category has further been arranged as Under:-

Boys

Govt. (Urban)
Govt. (Rural)
Aided (Urban)
Aided (Rural)
Unaided (Urban)
Unaided (Rural)
Central Schools/NPMI

Girls

The list also contains names and telephone numbers of the officers of the Directorate and Distt. Headquarters.

It is hoped that this list will be help to all those concerned with the school education in Delhi.
