- 22. Staffing pattern in DIETs 1997-98

B.P.WADIA ROAD, BASAVANAGUDI, BANGALORE 560 004.

The Department of state Educational Research and Training was established in the year 1975. Prior to 1975, the various academic wings of the department were functioning independently. All these wings were brought under one umorella to ensure proper co-ordination, prevent duplications and to bring in an integrated approach in catering to the academic needs of the State. This department functions under the overall control of the Commissioner for Public Instruction, Bangalore.

The objectives of the Department are.

- a. To achieve qualitative improvement in school education.
- b. To promote Research in Education in order to bring changes in class room practice.
- c. To control and administer Teacher Education in the State.
- d. To serve as co-ordinating agency at the state level in the implementation of NCERT/UNICEF/UNESCO/UNEPA/ and DPEP aided projects.
- e. To prepare, publish and supply textbooks and teacher's support materials
- f. To undertake all academic reforms schemes proposed by the department and in the light of policy changes brought about by the State Government.

Due to the implementation of National Education policy (1986) and the Programme of Action 1992, 20 DIETs and 6 CTEs have been established in the State. Thus, DSERT's position stands elevated and the nature of functioning has changed considerably. Though training is still the major focus of the institutions, the target groups and the mode of training have changed. Many new areas and functions have been integrated into the regular stream.

The department has 5 units functioning at the State level. These units reach the field through CTEs, DIETs and Pre-service training institutions.

The various units and their main functions are as follows.

T STATE INSTITUTE OF EDUCATION: -

The main objective of this unit is to impart training of teachers. It gives value based training to the teachers to enrich their knowledge in the field of education.

1. EXCELLENCE IN PRIMARY, SECONDARY AND TEACHER EDUCATION This scheme was started in 1976-77. It aims to increase the knowledge and competency of teachers through conduct of essay competition, programmes on various educational aspects. These essays are assessed by eminent educationists. As in the previous years, this year also 10 essays from primary and secondary schools were selected. The selected essays were awarded cash prize of Rs.1,000/- each alongwith a "Merit certificate".

2. PROGRAMME FOR ENGLISH LANGUAGE TEACHERS:-

English language teachers of primary and secondary schools are given training in English language teaching through various agencies. Among them, the Regional Institute of English, South India, Bangalore is a premier institution which organises programmes twice a year. During the year 1997-98, 2 programmes each of four months duration were conducted in the institute. 45 High school teachers have been trained.

This institute also conducted a training programme under tribal area project, 45 High school teachers were trained.

The English language teaching centres [ELTC] at Mysore, Dharwad and Gulbarga have conducted training programmes in English language for the primary and secondary school teachers, These centres conducted 6 programmes each for primary and secondary school teachers. About 980 teachers have been trained during this year.

3. NATIONAL TALENT SEARCH EXAMINATION: -

The National council of Educational Research and Training, New Delhi has entrusted the responsibility of conducting the I phase examination to the DSERT, Bangalore.

The examination comprises of two papers viz.

- 1. General Mental ability test. (GMAT)
- 2. Scholastic Aptitude test. (SAT)

The main objective of this scheme is to identify, encourage and develop the latent talent hidden in students. Those who emerge successful in the NTSE in the I and II phases and get through the final interview will be eligible for the award of scholarship by the NCERT New Delhi. This scholarship is given till they complete their highest studentship in the faculty of their choice. The amount of scholarship depends on the choice of study. In addition to the monthly scholarship, Book grants are also given to the students.

The students who are selected only in T phase will be given scholarship of Rs.150/- PM by the Teachers Benefit Fund and Students Welfare Eoundation Bangalore.

During the year 1997-98, 9152 students have been registered for I phase Examination. Out of them, 170 candidates have been selected and they also attended the National Level written Text on 10th May 1998. II phase examination, 86 students are declared as eligible candidates for viva which will be held in the month of August 1998.

This NTSE I phase evamination was conducted in 26 centres in Karnataka. An amount of Rs.4.6 lakhs was alloted for this examination.

4. NATIONAL POPULATION EDUCATION PROJECT:-

Karnataka is one of the premier states in the country to take up the cause of institutionalisation of population education concepts through its policies seriously. At the National Level, the project was started in the year 1980 and Karnataka has joined the main stream in the same year. The aim of this scheme is to create awareness about the concepts like alarming increase in the size of population, rapid increase in growth rate, population explosion and other related problems. The National population Education project focuses its attention on achieving these goals through four groups of activities.

- 1. Curriculum and Material Development.
- 2. Training
- 3. Evaluation and Research
- 4. Co-curricular activities.

1. Curriculum and Material Development.

"Adolescence Education in schools" is a package of 5 parts, out of these 5 parts, 3 parts have been received from the National Council of Educational Research & Training New Delhi with a direction to translate and revise the same in accordance with the cultural settings of our state. A workshop has been conducted by involving 13 subject experts. An amount of Rs. 3000/- for kannada translation and Rs.15000/- for review has been spent.

2. Training.

During the year 1997-98, the training programmes were not conducted in this activity.

3. Co-curricular activities.

Under this activity "World Population Day" has been observed at DSERT Bangalore. An amount of Rs.5000/- was spent. DSERT had also organised Population Education Week in all 21 districts in the state. An amount of Rs.5000/- to each district was released to organise this activity.

4. Research and evaluation.

During the year 1997-98 Research and Evaluation activity was not conducted under this activity.

5. Report and printing:

The printing work of a translation book on Population Education i.e. "Family Life and value Education" written by Smt. Mary Magnas, Maskharahas was taken up. This was translated to Kannada by Sri. Shivanna Dept. of youth services. An amount of Rs. 1,80,860/- was spent.

6. Monitoring:

Under this activity a sum of Rs.28,000/- was spent to convene "A State consultative and State Advisory Board" meeting.

5. DISTRICT INSTITUTE OF EDUCATION AND TRAINING AND COLLEGE OF TEACHER EDUCATION (DIETS AND CTES)

In Karnataka, there are 20 DIETs and 6 CTEs, 4 private CTEs and one private TASE. At present, these institutions are concentrating on the academic excellence. These institutions have conducted number of training programmes for in-service teachers. They have also developed training packages for many training programmes. A total number of 1350 training programmes have been conducted and 66,624 teachers trained by the DIETs. The CTEs have conducted 297 programmes and trained 16348 teachers.

The DSERT has been giving support to these institutions through proper advice in conducting the training programmes and preparation of training packages, DSERT has also developed an ambitious programme of training the DIET faculty members through "Induction Training Programme". Training packages have been prepared for this programme and the same has also been field tested.

DIET faculty members who are willing to pursue their education have been deputed to M.Ed course to various colleges in the state. During the year 1997-98, 30 DIET faculty members have been deputed to M.Ed course. An amount of Es.5.00 lakks was sanctioned by the State Government.

IT STATE INSTITUTE OF SCIENCE.

The major goal of this unit is to improve and promote the quality of science teaching and learning at primary and secondary stages of education. The various programmes undertaken by this unit were:

- a. to improve scientific knowledge and skills.
- b. to develop scientific attitude among school children.
- c. to improve science education programmes in schools.
- d. to create interest and popularise science among children as well as teachers.

1. ORIENTATION TRAINING PROGRAMME DIET LECTURERS

The training on "Script writing of video cassettes" was conducted for DIET lecturers at Bangalore. 26 DIET lecturers participated in this programme.

2. STUDENTS SCIENCE SEMINAR: -

The main objective of this programme is to develop scientific attitude and competitive spirit among to know more about the recent inventions, students, developments and techniques in science. This programme was conducted at different levels in collabaration with the Sir. M. Visveshwaraiah Institute of technology and Museum, at National Bangalore. This programme was also conducted level by the National councuil of Science and Museum, New Delhi. The number of participants at District and state level were about 1200 and 21 respectively. State level winners participated at the National level. The topic of the science seminar reading was "Recycling A step conservation."

3. SCIENCE EXHIBITIONS:

To create interest in scientific knowledge, develop healthy competitions in science among students and to develop improved scientific models and to develop scientific experiments were the main objective of this programme. This programme was conducted at different levels in collaboration with the VITM Bangalore. The topic of the science exhibition was "Science and Technology in the Information Age."

District level science exhibition was conducted in the month of October 1997 by the concerned Deputy director for public instruction. The participants were about 17,000 students from 850 schools.

State level scienc exhibition was conducted from 17/12/1997 to 21/12/1997 at Lakshmi janardhana high school, Mandya, 168 students and 84 teachers participated in this programme.

The state level winners moved on to Zonal Level Science Exhibition conducted at Quilon, Kerala State from 19/1/98 to 23/1/1998. 100 students and 50 teachers participated in this programme.

The write-ups of the exhibits that were displayed at State level has been sent to NCERT, New Delhi, for selection to participate at the National level.

4. ORIENTATION TRAINING PROGRAMME FOR HIGH SCHOOL TEACHERS:

A content enrichment programme in science and mathematics for High school teachers was conducted at Mandya for the teachers of Mandya District by faculty of Indian Institute of science. About 85 teachers from Mandya District participated in this programme. This type of programme is being conducted for the benifit of teachers of one district chosen every year by rotation.

5. PREPARATION OF AUDIO AND VIDEO CASSETTES:

To help the teachers in teaching the scientific concepts contained in the text books more effectively and to provide more information at the class room level, video cassettes on teaching of science were prepared for the benefit of teachers and students of High schools. a video cassette on "THE STRUCTURE AND FUNCTION OF CELL" and "ROCKS AND VOLCANOES" were prepared and produced. 26 DIET lecturers participated in the preparation of scripts for audio cassettes.

6. <u>SCIENCE QUIZ PROGRAMME</u>.

To develop interest in science, to inculcate scientific attitude, to encourage students, to know new inventions in science, to acquire new ideas and skills, this programme was conducted at District, Division and State levels.

District level science quiz programme was conducted during the month of Dec 97 and Jan 1998. About 1260 students from 315 schools took part in the programme.

Division Level Science Quiz programme was conducted during the month of Feh 1998 by the Joint Director of Public Instructions. The winners of District level were the participents at Division level.

State Level Science Quiz programme was conducted in collaboration with the VITM Bangalore, 84 students and 21 teachers participated in this programme.

Zonal level science quiz programme was also conducted, 16 students and 4 teachers participated in this programme.

7. PROGRAMMES CONDUCTED BY BHARATHIYA GNANA VIGNANA SAMITHI (VOLUNTARY ORGANISATION)

a. Parisara payana

A programme to develop awareness about environment was conducted at Sravanabelagola (Hassan District) from 26/10/1997 to 27/10/1997. About 80 teachers from all over the state participated. The thrust was to create an interest among students about environment and to instill concern for conservation of natural resources.

b. Our scientist and our achievement.

A programme was conducted from 28/2/98 to 1/3/98 at Tumkur. This is the programme to highlight about the contribution of Indian scientist in the field of science and technology. It aimed to impart Knowledge about the role of Indian scientist in pre and post independent era as well. 80 persons participated in this programme.

c. Cosmic Voyage programme:

It is designed to establish Astronomy hobby clubs and to remove blind believes relating to celestial bodies and cosmic events. This programme was organised at Thirthahalli (Shimoga District) from 27/12/97 to 28/12/97. 80 teachers participated in this programme.

8. WORKSHOP ON LOW COST SCIENCE TEACHING AIDS:

This programme was conducted by Karnataka State council for science and techology. Under this project, the teachers from rural high schools were trained, performed experiments on light and were made to fabricate some models which could be used as teaching aids in the class room teachings. These experiments and models are so choosen that, it covers the science syallbus prescribed by Government of Karnataka for 7th, 8th and 9th Standarad. 50 participants were drawn from 3 districts.

9.A TEACHERS WORKSHOP ON DEVELOPMENTS AND PREPARATION OF SCIENCE CHARTS:

A work shop for science teachers and drawing teachers on developments and preparation of science charts was conducted at Tumkur. 26 participants attended in this workshop.

III STATE EDUCATIONAL AND EVALUATION UNIT :

1 STATE EVALUATION UNIT :

Evaluation unit intends to bring about qualitative improvement in education at the primary and secondary stages. The un t regularly organises various evaluation programmes. Each programme is directed towards the quality improvement in standard of education. The programme includes refresher and orientation course to class room teachers, Heads of secondary and primary schools. Major emphasis was being placed on raising qualitative achivement among secondary children. This unit has also organised workshop for the secondary schools teachers, heads of primary οì schools teahcers, minorities exclusive programme for Dy. Directors of Public Instruction of involving Distrricts, Block Eduational Officers, School inspectors, and associations. The main emphasis of these programmes was remedies at primary and secondary level. The following are the objectives of this unit.

- 2. To suggest better method of instructions.
- 3. To motivate students for better achivements.
- 4. To develop diagnostic and achivement test.
- 5. To refire teaching learning objectives.
- 6. To develop question bank.
- 7. To evaluate the results of SSLC public examination
- 8. To suggest ways and means to improve performance at X standard examination.

The following subjects are discussed in all evaluation workshop.:-

- a. Concept and funcation of evaluation,
- b. Administration.
- c. Time table for different categories,
- d. Home-assignments, corrections and follow-up-works.
- e. Diagnostic and remedial teaching.
- f. Unit plans and unit tests.
- g. Construction of question paper.
- h. Preparation of question bank.
- i. Shortage of teachers in schools.
- j. Maintenance of academic records,
- k. Proparing the children for examination.
- 1. Involving the parents co-operation for the improvement of their children.
- m. Utilising the service of SBC and local resource (school betterment committee).
- n. Utilissing Training programmes and Teachers guides of DSERT.

The programmes are organised at different levels. During the year 1997-98, 13 prrogrames have been conducated and 603 teachers benefited (100 teachers from minority schools) Teachers guide books are also distributed.

This year more emphasis was given to improve the results of 10th Standard. A state level seminar was organised under the guidance of Sri. Sanjay Kaul, Commissioner of Public Instruction, Bangalore, invloving educationalist, Karnataka Secondary education Examination Board chair persons and members, question paper setters, DPT, Primary and secondary education and also resource persons. A draft plan for teachers on improvement of SSLC results was made and a training package was developed, printed and distributed to schools through DDPI of all Districts.

A teacher guide in English II Languages and Mathematics were printed and distributed Grammer and composition guidance material, mathematics question bank for 10th Standard and children literature (a teacher guide for minorities - urdu languages from 5th Std to 7th Std) are all printed and distributed to the schools. A video cassite was also developed to avoid mal-practice in examinations.

During the year 1997 - 98, a amount of Rs. 3,10,000/- was sanctioned, out of which Rs. 2,63,544/- was spent.

2. EDUCATIONAL AND VOCATIONAL GUIDANCE UNIT:

Educational and vocational guidance unit mainly focussed on giving training in guidance to secondary schoool teachers. The main objective of this programme is to enable the secondary school teachers to undertake guidance and counselling in schools and to help the pupils and to make the right choice of course of study. The following training programmes were take up in this unit in the year 1997 - 98.

1. CAREER MASTERS TRAINING PROGRAMMES :-

Five programmes of 6 days duration were conducted at Belthangadi, Bagalkote, Hassan, Bellary and Bidar. 188 high school teachers participated in the programme and a sum of Rs. 1,05,689/- was spent.

2. SOCIALLY USEFUL PRODUCTIVE WORK :-

Three programmes of 4 days duration were organised for DIET lecturers and High school teahcers at Mysore, Bangalore and Belguam. 152 teachers were trained at an expenditure of Rs. 68,000/-

3. VOCATIONAL GUIDANCE TRAINING PROGRAMME FOR EDUCATIONAL OFFICERS AND HIGH SCHOOL TEACHERS.

Due to unavoidable circumstances, this programme was not conducted in the year 1996 - 97. The same programme was conducted at Belgaum and Dharwar in this year. 2 programmes of 4 days duration was organised for educational officers and high school teachers. 30 DIET lecturers and 30 high school teachers participated and an amount of Rs. 32,285/- was spent.

4. CAREER DAY - COMPETITION :-

Career day competition programmes were organised to high schools students at Districts and State levels 20 high school students participated in the state level career day competition programme. An amount of Rs. 21,150/- was spent for this programme.

5. MORAL SPIRITUAL AND RAJAYOGA TRAINING PROGRAMMES:

Under the state plan this programme was conducted at Brahma Kumari Eshwari vidhylaya, Yellapura U.K. District. 163 primary and secondary school teachers participated in this programme. An amount Rs. 2,00,000/- was expended.

Moral, Spiritual and Rajayoga training programme of 7 days duration was conducted for educational officers in the same place. 30 eductional officers from all districts participated. An amount Rs. 50,000/- was spent for this programme.

IV EDUCATIONAL TECHNOLOGY CELL: :-

The aim of this unit is strengthen the technology support in education and to promote and provide the media support by means of training the teachers, developing media software, duplication and circulations to institution with the purpose of brining joyful learning in teaching and also to provide individualised instruction to students.

The details of activities and programmes undertaken by this unit are given below.

1. PREPARATION OF VIDEO EILMS / CASETTES ON EDUCATIONAL TECHNOLOGY - PART I:-

a. Use of print media in education :-

Students learn more from story books like Chandamama, Balamangala and News papers. Students can develop competencies from the use of print media in education. It is easy to handle multigrade teaching by self learning, remedial teaching and develop creative thinking. In this background, educational technology cell has prepared a video film on print media for training purpose.

b. Use of non-print media in education (part II):-

Students can learn more effectively by seeing and listening simultaneously. The subject can become interesting and long lasting. By using Radio, Tape recorders Television and slides and learning becomes joyful students can develop competencies from non-print media. In this

backgourd. the ETCELL has prepared a video film on expend non-print media for training purpose.

2. INDUCTION TRAINING PROGRAMME TO DIET LECTURERS :-

DSERT has developed on ambitous programme of training the DTET faculty members through induction training programme. Induction training will be conducted in two phases of 6 days duration each. Two lecturers in each DTET will be trained on the following aspects.

- 1. Action Research
- 2. Micro Planning
- 3. Computer training
- Field visit
- 5. Home Asignment.
- 6. Utilisation of Budget.
- 31 DIET lecturers participated in this programme and training packages have been prepared.

3. ENGLISH LANGUAGE TRAINING TO DIET / CTE LECTURERS AND OFFICERS IN THE DEPARTMENT:

To improve the knowledge of english language teaching and to facilitate the correspondance in the higher offices, english language training were arranged to DEIT / CTE lecturers and officers in the departement. This training programme had been given to 25 DIET / CTE lecturers and officers at Central Institute of English and Foreign Language, Hydrabad.

IN KANNADA FOR PRIMARY SCHOOLS (BASED ON MLL)

Twenty audio cassette to Ist and IInd standard in Kannada for primary schools were prepared at Regional Institute of Education, Manasagangothri, Mysore. The preparation of Audio cassettes are based on minimum level of learning. An amount of Rs. 1.5 lakks was spent.

5. SUPPLY OF AUCTO SOFTWARE :

Curriculum based audio-software has been prepared to facilitate absentee arrangement, introduce innovativeness in class-room teaching, suppliment non-print media and to facilitate the development of listening skills in students. Audio softwares are supplied to all primary schools in the state in a phased manner. During the year 1997 - 98, 38,720 audio cassettes were supplied at the rate of 10 per school to 3,872 schools.

6. ORGANISING WORKSHOP GOR VILLAGE EDUCATION COMMITTEE

Village education committees are constituted to facilitate community participation in achieving universalisation of elementary education. The main objectives of this scheme are 1. To create awareness among publics, the importance of Primary and secondary education.

- 2. To acheive the goal of compulsory primary education.
- 3. To encourage public participation in school activites.

During the year 1997-98, a sum of Rs. 15.00 lakhs was provided for this programme. Out of them, an amount of Rs. 5.00 lakhs was distributed to the DIETS, Uttara Kannada, Dakshina Kannada, Chikmagalur, Hassan, Tumkur, Chitradurga and Shimoga to provide training to 3125 VEC members.

The balance of Rs. 10.00 lakhs was provided for an installtion of SATCOM Communication centre at Abdul Nasir sab Institute of Rural Development Administrative training Institute campus, Mysore, with the purpose to relay the selected difficult topics through DIETS.

7. GENDER SENSITISATION ACTIVITIES:

Gender sensitisation programmes are initiated in the department with a view to facilitate the system to achieve female enrolment at the primary and secondary level and also to provide sufficient oppurtunities for the female children in joining the main stream of education and to eradicate gender bias.

The details of activities under this scheme are given below.

A) STORY WRITING COMPETITION:

Story writing workshop was one of the programmes conducted by educational technology cell in the year 1996-97 with the objectives of inculating gender sensitivety among secondary school students. This workshop was conducted with regard to women empowerment at the school level. The student of Secondary schools are given an opportunity for innovative writing. In this aspect, about 84 students had been selected and some of the stories have been printed as "Prathidwani" books. These books have been distributed to all schools 20,000 copies have been printed and an amount of Rs. 2.50 lakks was spent.

B) GENDER TRAINING TO ALL BLOCK EDUCATIONAL OFEICERS IN THE STATE.

Gender Training programme was organised to all block educational officers in the State.

The main objectives of this training are :-

- a) To remove gender bias in their working place
- b) To wipeout gender discrimination among lady teachers.
- c) To eradicate the drop out rate of girls students in primary schools.

109 Block Educational Officers participated in the training programme and an amount of Rs. 2.00 lakks was spent.

C) GENDER TRAINING TO DIET LECTURERS:

Gender training to DIET lecturers was organised with a view to wipe out the gender bias among pre-service and in-services teachers in the department. 27 DIET lecturers have been trained, am amount of Rs. 2.00 was spent.

D) INCOME GENERATING PROGRAMME UNDER GENDER SENSITISATION ACTIVITIES:-

department has introduced this programme in the year 1996-97 the short-term vocational education under gender sensitisation activities for socially backward scheduled caste / tribe girl students. In Karnataka, there are four residential vocational education training schools for SC/ ST girl students. Economically weaker section of the society are provided an opportunity for self - employment by these schools. Students after completing their matriculation, they can utilise the locally available resources and lead a independent life without depending on Government for their About 200 girl students are given training in employment. vocatinal courses like computer education, repairs of home appliances, electronic goods and welding. The subject wise text books in Kannada were prepared and distributed to students. An amount of Rs. 4.00 lakhs was spent and 200 SC/ST girls students were benifitted.

F) GENDER TRAINING TO MINORITY SCHOOL TEACHERS :-

Minority school teachers should also be trained in gender awareness, so that the benifits will reach the community. In this respect, minorities school teachers, staff of the minority direcotrate etc., were given training on gender issues. A package in Urdu language was prepared, printed and supplied to minority schools. About 45 teachers were trained in gender issue and am amount of Rs. 1.5 lakhs was spent.

G) NEED ASSESSMENT TRAINING - GENDER TRAINING FOR MINISTERIAL STAFF:-

Gender sensitisation training for administrative staff at divisional levels of Education Department was organised through the DIETs, Shimoga, Hassan, Dharward and Bellary Districts. The main objective of this progammes were as follows:

- 1. To create an awareness on gender sensitisation in the administrative machinery / staff.
- 2. To provide high level training for state level resource persons (Master trainers and DIET lecturers)
 - 3. Gender training programme for Ministerial Staff.

During the year 1997-98, an evaluation training programme on gender sensitisation activities was conducted.

As per the stand of the Government that a women employee in the Department of Public Instruction has to participate actively for the enlightment of gender sensitisation.

Gender sensitisation training has been conducted at the various levels such as officers level, staff level and teachers level with a view to create an awareness of gender bias and to invotve themselves in their repective fields and to create an opportunity to work creatively. About 650 teachers are trained and benefitted.

H) TALUK ADOPTION- GUBBI IN TUMKUR DISTRICT UNDER GENDER. SENSITISATION TRAINING PROGRAMME:-

Government of Karnataka has sanctioned Rs. 1.5 lakh to intiate comprehensive education under gender sensitisation at one particular taluk. Gubbi taluk in Tumkur District was selected / adopted for this programme. This programme was conducted with a view to involve complete taluk for the improvement of primary education along with gender sensitisation training activities.

The objectives of this programme are as follows:

- 1. To achieve equality by giving qualitative education.
 - To achieve the development and value of equality.
- 3.. To enlighten about qualitative education in primary education level and to encourage their participation in school activities.
- 4. To convert the school complex into Resource centre with a view to strengthen school complex on its own.

This programme has been implemented through the following institutions:

- 1. Department of State Educational Research and Training, Bangalore.
- 2. Deputy Director of Public Instruction, Tumkur District.
- 3. Principal, District Institute of Education and training, Tumkur District.
- 4. Block Eduational Officer, Gubbi Taluk, Tumkur District.
- 5. Heads of school complexes.

800 Primary school teachers, 26,360 Primary school students and 160 village education committee members who come under 18 school complexes have been benifitted by this programme.

4. TRACHER EDUCATION:

The teacher education units looks after the administration of the private pre-service training institutions, comprising of admissions, grant and renewal of recognitions, release of grants etc., Besides, the unit co-ordinates with the National council of Teacher Education in academic and administrative matters.

During the year 1997-98, a workshop on Educational Enrichment programme to Principals of B.Ed colleges and superintendents of teacher training Institutes was conducted at DSERT, Bangalore. 147 Principals of B.Ed colleges and 66 superintendents of TTi's were participated in this workshop.

A Project on "TEACHER EDUCATION" - "CURRENT STATUS, ISSUES AND FUTURE PROJECTION" which was sponsored by the National council for Teacher Education, New Delhi, was conducted. A Project Report was prepared and sent to the NCERT, New Delhi, for approval.

To improve basic amenities at the Govt. Teacher training institution, the State Government sanctioned a sum of Rs. 5.00 lakks to the following 8 Govt. teacher training institutions.

	me of the stitutes	Purpose	Amount Released.
1.	Govt. Maharani's Teacher training Institute, Mysore	Repair of existing basic amenities.	Rs. 38,000/-
2.	Govt. Teacher Training Institute Hungund.	Purchases of of Furniture	Rs. 50,000/-
3.	Govt. Teacher Training Institute, Hosadurga.	Purchases of furniture and books.	Rs. 50,000/-
4.	Govt. Teacher Training Institute Vadgir.	Purchase of of Books	Rs. 32,000/-
5.	Govt. Teacher Training Institute Balmatta.	Repairs of Building	Rs. 50,000/-

TEXT BOOK UNIT :-VT

The directorate of Textbooks is one of the wings of and a part of the department of Public Instructions, the nationalisation of Text books, the responsibility of the preparation, production and publication of text book lies with the department.

The textbook from standard I to V in 340 titles in languages and seven media (excluding MLL Books) are prepared, keeping in view the 10 core elements and 84 values stressed in national policy of education - 1986. text books are prepared in accordance with the new syllabus based on NPE - 1986. The new text books was introduced in a phased manner as follows:

1.	I and II standards	-	1989	-	90
2.	III, V and VIII stds	-	1992	_	93
3.	IV, Vi and IX stds	-	1993	-	94
4.	VII and X Standards	-	1994	-	95

These books have been edited and reprinted every year. The department has entrusted the printing of Akshaya / Vidhya Vikasa i.e., free text books to the Director of printing and stationery and distribution to the benificiaries through concerned District Deputy Directors and Block Educational Officers.

Akshaya ie., sale component text books publisher. printed, published and distributed by the private Their distribution network consists of nearly 4,000 book sellers throughout the state.

This Directorate is also entrusted with the task preparing MLL text-cum-workbook and teachers guide in Kannada medium and four minority media Marathi, Urdu, Tamil Telugu.

During 1997-98, preparation of MLL text book started for class I and II in Marathi andUrdu on the lines of Kannada Media books in language, Mathematics and environmental sciences. During 1998-99 preparation continued for III and IV Tamil and Telugu for standard I and II which are being introduced during the academic year 1998-99. These textbooks are under print.

The details of benificiaries under Akshaya and Vikasa scheme and DPEP scheme (free supply) are shown

	I Standard	- 12,66,347	
2.	II Standard	- 11,19,401	Akshaya scheme
3.	III Standard	- 11,31,760	45,67,878
4.	IV Standard	- 10,50,370	
5.	V Standard	- 2,51,213	
6.	VI Standard	- 2,22,793	Vidhya Vikasa Scheme
7.	VII Standard	- 1,96,304	6,70,310

TOTAL 52,38,188 Non- Akshaya and Minority :-

Textbooks are printed by 27 private publisher and the Akshaya textbooks are printed by Government text book printing press, Mysore. Every year about 10 crores rupees are spent for the supply of books. This directorate is taking steps to distribute text books well in advance before the commencement of the academic year.

Teachers Hand books are prepared on major titles to improve the quality of class-room teaching. The preparation of hand books in 10th standard Kannada first language, Urdu Mathematics, Science, 9th Standard Urdu and English and 7th standard Urdu amd Mathematics are taken up during this year. The preparation and translation of 10th standard Mathematics and Science handbook are also in progress. Text books in Kannada shorthand is already prepared and printed. The directorate has prepared 7 text books in special music, dance and Falavadya for the juniors. Two books are already printed and the rest of them are under progress.

The directorate has taken up the review of existing curriculum. A committee has been costituted under the chairmanship of Dr. Jayalakhsmi.

The Main objectives are :-

- 1. To provide illustrations and examples in text books and make the text book more attractive and joyable to children and make the learning joyful.
- 2. Teacher fraternity has not been very participative in giving feed back on the text books introduced. This is proposed to be remedied through more inner action with them.
- 3. A detailed plan has been prepared to print hand books for most of the text books and workbooks in various classes.
- 4. The MLL books which were introduced from 1996 onwards will be reviewed.
- 5. Suggestions of Yashpal committee report has been incorporated while preparing the text books.
