PREFACE

The department of economics and statistics is now engaged in building up block-level data for each district to facilitate decentralised planning. "Block level statistics" of Palghat district was prepared by officers and staff of the district office of Economics and Statistics, Palghat under the guidance of the deputy director. It is hoped that this report will be of considerable use to the planners for formulation of schemes and for evaluation of schemes implemented in blocks. Suggestions for improvement are most welcome.

Trivandrum,
24-9-1986.

N. GEORGE JOHN,
Director of Economics & Statistics.
