mighth Five Year Pla - 1990-95.
XI. Social Services.

Education.

Technical Education.

(General Areas)

### 1.0. INTRODUCTION:

Two numbers of Engineering Colleges and eight nos. of Polytechnic have so far been established in the State of Assam with the Approval of the All India Council for Technical Education, Ministry of Human Resource Development. All these institutions are Govt. Institutions. Degree or Diploma level.

### 1.1.A. FINANCIAL ACHIEVEMENT DURING VIITH 5 YR. PLAN.

Allocation Rs. 1575,00 lakhs. Expenditure Rs. 1970.66 lakhs.

### 1.2.B. PHYSICAL ACHIEVEMENT DURING VIITH 5 YR. PLAN:

During the 7th 5 yr. plan period main emphasis was given in consolidation of existing Institutions and Courses and in the introduction of new courses in the thrust areas, such as Computer Education, Electronics etc. Proposals for establishment of new institutions could not be materialise for want of fund.

The achievements attained pertaining to Technical Education during the 7th 5 year Plan period are summerised below :-

### A) NEW COURSES INTRODUCED

- 1. Post Graduate Course in Soil Mechanic at Assam Engineering College, Guwahati.
- Master of Computer Application Course at Jorhat Engg. College, Jorhat.
- 3. Master of Computer Application Cours at Assam Engineering College, Guwahati.
- 4. Degree Course in Computer Science & Engineering at Jorhat Engineering College, Jorhat.
- 5. Post Diploma Course in Computer Application at Assam Engineering Institute, Guwahati.

- 6. Diploma Course in Computer Engineering at Assam Engg.
  Institute, Guwahati.
- 7. Diploma Course in Computer Engineering at Nowgong Polytechnic, Nagaon.
- 8. Diploma Course in Electronics and Telecommunication Engg. at Prince of Wales: Institute, Jorhat.
- 9. Diploma Course in Instrumentation Technology at Prince of Wales Institute, Jorhat.
- 10. Diploma Course in Automobile Engineering at Prince of Wales Institute, Jorhat.
- 11. Certificate Course in Civil Engineering.Draftsmanship at Girls' Polytechnic:, Guwahati.
- 12. Certificate Course: in Textile Technology at Junior Technical School, Goalpara as an advanced action towards upgradation into Polytechnic.

### B) ESTABLISHMENT OF NIEW INSTITUTIONS

- 13. Bongaigaon Polytechnic.
- 14. Upgradation of Junior Technical School, Golaghat into Girls' Polytechnic: and introduction of the following two Certificate Courses.
  - a) Textile Technology.
  - b) Civil Engineering Draftsmanship.

### C) OTHER ACTIVITIES.

- 15. Increase of Intake: capacity of Diploma Courses in Textile Technology at Assam Textile Institute, Guwahati.
- 16. Revision of staff structure in Engineering Colleges, thereby creating additional teaching posts and additional promotional avenues.
- 17. Revision of staff structure in Polytechnic, thereby creating additional teaching posts and additional promotional avenues.
- 18. Creation of new posts of Medical Officer for Nowgong
  Polytechnic, Dibrugarh Polytechnic & Silchar Polytechnic,
  where there were no such posts earlier.
- 19. Providing new bus as ammenities to staff & Students of Dibrugarh Polytechnic, which is away from the town centre.
- 20. Providing new bus as ammenities to staff & Students of Bongaigaon Polytechnic, which is away from the town centre.
- 21. Increase in the rate of grants upto Rs.400/- per students of all Polytechnics for perticipation in All India Educational Excursion.

- 22. Construction of Girls' Hostels at Jorhat Engineering College, Jorhat, Dibrugarh Polytechnic, Dibrugarh, Silchar Polytechnic, Silchar, Nowgong Polytechnic, Nowgong and Girls' Polytechnic, Guwahati.
  - 23. 1st phase construction of Bongaigaon Polytechnic completed.
  - 24. Staff quarters at Silchar Polytechnic and Assam Textile Institute, Guwahati completed.
  - 25. Workshop Building at Assam Textile Institute, Guwahati completed.

### 1.3. PROGRAMME OF VIITH 5 YR. PLAN :

A) FINANCIAL PROGRAMME DURING VIDITH 5 YR. PLAN.

The out lay proposed during VIIph 5 year Plan is Rs.6650.00 lakhs. Out of this amount a sum of Rs.2459.00 lakhs is expected from World Bank Assistance. The Capital Content prop-osed Rs4291'00. Anammount of Rs1084'0 is proposedduring 191-92.

- B) PHYSICAL PROGRAMME DURING VDITH 5 YR. PLAN:
- Establishment of an Institute of Technology(Introduction of Textile Degree Course)
- Upgradation of Junior Technical School Goalpara into a Polytechnic.
- Establishment of Polytechnic at Sonithpur and North Lakhimpur.
- Introduction of new P.G.Courses in Engineering Colleges.
- Introduction of new Degree Course in Engineering Colleges.
- Introduction new Post Diploma, Diploma and Certificate Courses in Polytechnics.
- Equipments for modernisation of Laboratories & Workshop.
- Continuance of grants-in-aid to Regional Engineering
   College (State share)
- Computarisation of all Institutes and Development of Computer Education.

### 2.0. WORLD BANK ASSISTANCE:

The Technician Education System will be strengthened and modernised with World Bank Assistance. The following Schemes will be covered under this scheme.

- Establishment of Residential Girls' Polytechnic.
- Providing Additional Girls Hostel.
- Introduction of Continuing Education programme.
- Strengthening Community Polytechnics.
- Modernising existing Polytechnics.
- Staff Development of Polytechnics and Administration.
- Establishment of C.D.Cell.
- Establishment of L.R.D.C. in the Directorate and L.R.U.C. in all Polytechnics.
- Establishment of Computer Centre in all Polytechnics.
- Industry Institute interaction.
- Establishment of Maintanence Cell at P.O.W.I., Jorhat.
- Strengthening Directorate including Computer Science.

# CENTRALLY SPONSORD SCHEME.

Under centrally Scheme the following Schemes are spilled over to V111 th 5 year Plan:-

- -P.G. Course in Watershed Panagement and Soil Techanics at Assam Engineering . Gawhati.
- Community Politechnics in Nawgong, Dibrugarh, Silchar. Bongaic
- Post Diploma Course in Compter Application At Assam Engineeri
  Instute.
- -Computerisation in Poly and Engig Colleges
- Institutional Net Work Scheme.
- Removal of Obsolesence and Modernisation of workshop and-Lab
  Laboratories.in Poly and Colleges.
- Master in Computer Application at Asssam Engg. Colleges and Jorhat Engg. Colleges.

  laks

  The outlay proposed during V111 th 5 yr Plan is R645'00 and

The outlay proposed during V111 th 5 yr Plan is Rs645'00 and Capital content Rs 365'00. And an amount of Rs106'00 laks during 1991-92. The capital content proposed Rs 65'00 laks.

# SPORTS AND YOUTH SERVICES

# REVIEW OF SEVENCE PLAN 1985-90 & ACHIEVEMENT

# PARTITION :

The Sevenum Five Year Plan was formulated Keeping in view of the following:-

- 1. To foster sports as per National Sports Policy.
- 2. To provide infrastructure for development of sports and games in the state.
- 3. To provide sports facilities in the rural areas for development of sports.
- 4. To expand the training facilities to the youths.
- 5. To provide more sports facilities to the Ecteational Institute of the State

			5)Multipurpose Indoor Hall	1	Nil
			6)Development of Play field	10	5 works under progress
			7) Neighbourhood community centre	2	2 works under progress

Due to insufficient provision under Seventh Five Yeat Plan, most of the schemes could not implemented and some of the projects had to be abandoned. Moreover, the State share of Centrally sponsored scheme could not be released to the tune of Rs. 52.00 lakhs.

# SCHEMES UNDERTAKEN DURING EIGHT FIVE YEAR PLAN 1990-95

# 2. STRENGTHERING & EXPANSION OF THE DIRECTORATE:

chinery of the Directorate and District Offices for execution of all the scheme taken up by the Directorate. For smooth implementation of the scheme in a proper way, the administration machinery is to be expanded even to block level also. This scheme also includes participation of state/teams in the different national level competitions, during Seventh Five Year Plan, the schemes was implemented successfully. Accordingly a fund of Rs. 110.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

# 2. STATE SPORTS COUNCIL OF ASSAM:-

The State Sports Council of Assam is an advisory Body to help in development of sports & games in the state particularly in rural areas. The State Sports Council extended grants-in-aid to Sports Association for development of play ground, Stadia and used to supervise the works also. During Seventh Five Year Plan, the Council had played a vital role and accordingly an amount of Rs. 19.00 lakhs have been sought for the Eight Five Year Plan 1990-95

# 3. MOUNTAINEERING & ADVENTURISM: -

The Youth of the state have been encourages to undertake adventurous activities like scaling of mountain peaks, trekking, skking etc. through this schemes and during Seventh Five Year Plan period 275 youths is involved in this activities and training. During Seventh Plan 174 youths were trained for Basic course and 257 youths were trained for adwance course. For smooth & better

performances of the scheme during Eight Five Year Plan and amount of Rs. 14.00 lakhs is proposed.

## 4. BHARAT SCOUTS AND GUIDES:

The Scouts & Guides is an International Organisation which uncertakes training to Youth for their character building to enable the mounths) be a citizen of the country and to achieve the emotional integrety. A fund of Rs. 14.00 lakhs is proposed for Eight Five Year Plan 1990-95.

# 5. GRANTS TO UNIVERSITY:-

To enable the University sports Boards to hold the Inter College Sports Meets and to participate in the Inter University Sports Competition, Grants-in-aid have been given and a fund of Rs. 14.00 lakhs is proposed for the Eight Five Year Plan 1990-95.

## 6. NATIONAL SERVICE SCHEME:-

Through this scheme, the University Authorities are given responsibility of involving students in social activities and aware the problems of people. During Seventh Plan period 85000 students were enrolled and 75 camps were organised under the scheme. The expenditure of this centrally sponsored scheme has been met a ratio 7:5. Accordingly as state share of expenditure a sum of Rs. 44.00 lakhs is proposed during the Eight Five Year Plan 1990-95.

## 7. ASSAM FLYING CLUB:-

To provide training to NSS Air Wing cadets in Flying and to facilitate the youth to take up flying as a carrer, the Assam Flying Club has been established and grants-in-aid are given regularly. During Seventh Five Year Plan a good number of youths have regulatered their names for flying training. During Seventh Five Year Plan 30 youths were trained for Private Pilot Licence. A stm

Rs. 19.00 lakhs have been proposed during the Eighth Five Year Plan 1990-95.

# 8. DEVELOPMENT OF PLAY FIELD IN SCHOOLS:-

As the all round development of sports and games in the state based on development of play ground and stadia to the extent of the need of youths, more emphasis have been given on development of play ground and stadia particularly in the rural areas.

Under the schemes, Association/Organisation/Institutions have been given financial aid for development of play ground and stadia. \*A During the 7th Five Year Plan 150 school play fiels have been developed. A sum of &s. 80.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

# 9. SCHOLARSHIPS:-

To give incentive to talented sportsmen and women scholarship have been awarded during Seventh Five Year Plan about 1500 atdents were awarded under the scheme. A sum of Rs. 18.00 lakks have been proposed during Eight Five Year Plan 1990-95.

# 10) EXPANSION AND DEVELOPMENT OF RURAL SPORTS & CONSTRUCTION OF RURAL STADIA :-

For development of sports and games in rural areas and to spot the rural talent, much strees on development of rural sports have been given to achieve the target of development of sports and games in a proper way. Accordingly more facilities to the rural youths are to be provided by constructing rural stadia. During 7th Plan construction of 5 rural stadia were started. A sum of Rs. 35.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

# 11. MAKING SPORTS COMPULSORY IN SCHOOLS:-

Towards the aim of making sports compulsory in schools, the schools are given playing equipments, in a phased manner and a cum of Rs. 50.00 lakhs have been proposed during Eighth Five Year \$1.50.00 lakhs have been proposed during Eighth Five Year

# 12. ESTABLISHMENT OF A COLLEGE OF PHY. EDN. :-

The need of a college of Physical Education in the state has been felt since long back. Towards materialisation of the scheme a sum of Rs. 10.00 lakhs has been proposed during Eight Five Year Plan 1990-95.

## 13. PHYSICAL EDUCATION :-

The moto of the scheme is "fit men fit nation" under the swheme, the students are made physically fit by imparting training by the qualified teachers appointed under the scheme. The qualified youths are sent for higher training in physical education batch by batch and appointed as teacher after successful completion of the course. During 7th Plan 185 graduate youths were trained and absorbed as Physical Instructor, A fund of Rs. 100.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

## 14. BOARD OF SPORTS OF ASSAM:-

The responsibility of taking care of Nehru Stadium and Jorhat Stadium are given to the Board of Sports of Assam. Apart from this the Board takes care of Nehru Stadium Guest House, Guwhati. A sum of Rs. 15.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

# 15. CONSTRUCTION OF INDOOR HALL IN RURAL AREAS:-

To provide more facilities to the rural youths the scheme of construction of Indoor Hall in rural areas have been taken up. During the Eight Five Year Plan period a target of constructing two Indoor Halls has been targetted. A fund of Rs. 65.00 lakhs have been proposed during Eighth Five Year Plan 1990-95.

# 16 EXPANSION OF YOGA EDUCATION: -

To enable the youths to keep the balance of mind and health, the expansion of Yoga Education in the state has been undertaken. A fund of & 15.00 lakes have been proposed during Eight Five Year Plan 1990-95.

## 17. YOUTH WELFARE PROGRAMME :-

Under this scheme financial adds have been extended to help the youths to involve themselves in organising sports activities, reading habits of youths by establishing clubs etc. in rural areas. A fund of Rs. 7.00 lakhs is proposed during Eight . Five Year Plan 1990-95.

## 18. COACHING SCHEME OF SPORTS & GAMES:-

The talented boys and girls are given training for better performances in sports and games under the scheme. The fund of RS. 70.00 lakes have been proposed during Eighth Five Year Plan 1990-95.

# 19 . CONSTRUCTION OF MINI STADIUM:-

For development of sports and games in rural areas, the scheme for construction of mini stadium in rural areas has been drawn up. This will provide more facilities to the talented rural youths. During 7th Five Year Plan 46 such Stadium in Community Development blocks have been started. A sum of Rs. 60.00 lakhs is proposed during Eight Five Year Plan 1990-95.

# CONSTRUCTION OF SPCRTS HOSTEL:-

To provide more facilities to the sportsmen and women in travelling place to place in connection with sports activities and to job seeking, the scheme of constructing the sports hostel, in few district head quarters of the state have been drawn up. A sum of Rs. 5.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

#### 21. REGIONAL CENTRE OF NIS :-

In the pattern of National Institute of Sports, Patiala, a centre is decided to be open in Assam with the help of NIS Patiala. During the Eight Five Year Plan and a sum of Rs. 5.00 lakhs have been proposed during Emight Five Year Plan 1990-95.

#### 22. NATIONAL TALENT CONTEST AND TRAINING IN ABROAD:-

The need of sending best players of various disciplines of the State to foreign countries for higher training has been felt since long back. During Eight Five Year Plan period 6 players were sent for training under this scheme. Accordingly a fund of &. 12.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

## 23. CONSTRUCTION OF SWIMMING POOL:-

swimming is treated as one of the best sports discipline. Accordingly swimming needs to be given priority among the youngstars. To build a modern pool is a costly affairs but at the same time, its utility cannot be denied. Further Assam is a riverature state is such learning of swimming is needed a life saving devise. Our boys and girls have talent in the discipline. They needs to be nurished. During seventh Plan two swimming pools at Nagaon and Golaghat were started and the same will be completed during this year. In view of this a target of constructing two swimming pool

during Eight Five Year Plan is kept and a fund of Rs. 60.00 lakhs have been proposed during Eight Five Year Plan 1990-95.

# 1. CONSTRUCTION OF GYMNASIUM HALL:-

Gymnasium is also one of the important discipline which needs to be popularised. It needs an Indoor Hall with sufficient space to fix the equipments. To make gymnastic popular in Assam, more Gymnasium Hall is needed. For constructing of Gymnasium Hall during the Eight Five Year Plan a fund of Rs. 50.00 lakhs has been proposed.

# 25. MULTIPURPOSE INDOOR HALL: -

A fulfleged multipurpose Hall with all modern amenities has become idespensable. Due to lack of such modern Indoor Hall, we are always debarred from hosting International competitions in Indoor Maxx Games. On the other hand unless our players see the action of internationally famous players, they cannot judge their merit. To have such occasion, a multipurpose Indoor Stadium is proposed to be constructed during the Eight Five Year Plan. A fund of Rs. 30.00 lakhs as state share has been proposed during Eight Five Year Plan 1990-95.

## 26. DEVELOPMENT OF SPORTS INFRASTRUCTURE: -

The basic cause of the development of sports in our state is sports infrastructure without infrastructure facilities no sports can be developed. During the Seventh Five Year Plan we have developed some play fields mostly in rural areas/schools. But regarding facilities of Indoor Hall, Gymnasium Hall, Swimming Pool. Department proposed to provide in each head quarter of the districts. Therefore during the Eighth Five Year Plan a fund of Rs. 50.00 lakhs is proposed.

# PROMOTION OF SPORTS IN SPECIAL AREAS:-

During the Seventh Five Year Plan, the Sports Authority of India gave emphasis for development of Sports & games in special areas. Our state is geographically very peculiar and inhabited by people of various caste and creed and they were specialiseds in particular games. It is therefore proposed to developed these games and sports a fund of Rs. 14.00 lakhs is proposed during Eighth Five Year Plan.

# 28. PROMOTION OF INDEGENOUS GAMES:-

phasis to promote the indegenous games. The early part of the sports and games of the present are not popular but every state have their own indegenous games which are popular among the people. Now such games are generally decreasing. With a aim to revive such indegenous games we proposed & fund of Rs. 5.00 lakks during Eighth Five Year Plan 1990-95.

# 29. PURCHASE OF SPORTS GOODS UNDER SCHEME "SUBSIDIEED "RATE:-

Under the scheme the Sports Authority of India purchase of sports goods for distribution amongs Clubs/Association; with the 50% assistance of State Govt. During Seventh Five Year Plan the deptt. avail the facilities of the Sports Authority of India.During Eight Five Year Plan the deptt. decided to avail of the scheme and a fund of Rs. 30.00 lakhs is proposed for the purpose.

# 30. BEIGHBOURHOOD COMMUNITY CENTRE:-

The Sports Authority of India had drawn up this scheme to provide sports facilities in rural areas, by constructing centure tres with the facilities like football ground, hockey ground, athletic trock etc. The state liabilities is to maintain the centre

by providing recurring grants. At present such three centres are in the State and few more Centre will came up during Eighth Five Year Plan. Accordingly for maintenance of this centre a fund of Rs. 7.00 lakhs is proposed during Eight Five Year Plan 1990-95.

# 31. SPORTS PROJECTS DEVELOPMENT AREAS :-

This scheme is implemented by Sports Authority of India. At present Assam is having one centre at Golaghat and the preparation of another centre at Tezpur is also going on. For maintenance of these projects during Eighth Five Year Plan 1990-95 an amount of Rs. 10.00 lakhs has been proposed.

### DRAFT FIGHTH FIVE YEAR PLAN, 1990-95 CULTURAL AFFAIRS

#### INTRODUCTION

Protection, preservation and promotion of cultural heritage of Assam would be principal thrust in the Fighth Five Year Plan. Assam has vast varities of cultural heritage and different ethnic groupes have different district cultural and heritage of their own. The store house of these cultural heritage are located in the villages of Assam. Due to various influences and constrain these store house are started dyingout. To keen this store house of cultural heritage, it has been proposed to spread our activities to the villages so that this decaying tendency of store house can be stopped and revitalised them by injecting new enthuasim among the population, while doing so a cadre of artists would be building up in the State by giving extensive training. So that they can absorve themself in self-generating amployment programme by making themself as resource persons.

#### BREET REVIEW OF SEVENTH FIVE YEAR PLAN (1980-35)

During the Seventh Five Year Plan period (1935-90) a sum of Rs. 317.00 lakhs was fixed for the art and culture under General Areas and a sum of Rs. 20.00 lakhs was alloted under Hill Areas, but it was subsequently raised to Rs. 1068.00 lakhs under General Areas and Rs. 52.00 lakhs under Hill Areas for implementation of different schemes under this Directorate.

The allocation and the actual expenditure under 7th Five Year Plan (1985-90) both General and Hill areas are given below for implementing of different schemes.

Year	General Plan allocation	Actual Expn. (Gen.Areas)	Hill Plan allocation		Actual Expn. (hill areas)	Additive actual expr

## ART AND CULTURE : PUBLIC LIBRARIES

#### OBJECTIVES OF THE LIBRARY SERVICES DURING 7TH PLAN :-

///ith a view to mee: the demand for expansion of Library Services to all Districts, Sub-Divisions, Block & Gaon Panchayats, the surengthening of the Directorate is essential for its proper development, organisational set up and proper supervision.

#### 1. ACHIEVEMENT DURING 1985-86 :-

The approved annual plan outlay for the year 1985-86 was Rs. 14.00 lakhs out of which Rs. 11.00 lakhs was spent towards strengthening of the Directorate of Library Services, Rural Library Complex, establishment of new Sub-Divisional Libraries, purchase of books, Matching grants, Grants to Madhupur Satra and other expenses. The remaining amount of Rs. 3.00 lakhs pertaining to capital content was spent for construction of Library building at District Library, Mangaldoi.

#### 2. ACHIEVEMENT DURING 1986-87 :-

During the year 1986-87 the plan outlay was for Rs. 20.00 lakhs out of which Rs. 2.00 lakhs was for construction of building. The balance amount of Rs. 18.00 lakhs was for strengthening of the Directorata, Rural Library Complex, establishment of Children Section, Purchase of books, Matching Grant, Purchase of vehicles and other charges.

#### 3. ACHIEVEMENT DURING THE YEAR 1987-88n:-

During the year 1987-88 the approved plan allocation was for Rs. 20.05 lakhs. The entire amount was spent for on-goining schemes such as salaries, other charges, purchase of books and construction of building.

#### 4. ACHIEVEMENT DURING THE MEAR 1988-89 :-

The annual plan of R. 50.00 lakhs for the year 1988-89 was utilised as follows :- •

The sector-wise outlay and achievement during the year 1988-89 are furnished below:-

1.	Strengthening of the Directorate Library Services.	of	-	14.18	
2.	Opening of Children Jection		-	•36	
3.	Rural Library Complex		-	10.15	
4.	Upgradation of existing & b- Divisional Library, Golaghai to that of District Library,		***	0.50	
5.	Esstt, of 4 Nos. of new Sub-			1.00	
6.	Grant in aid		-	1.00	
7.	Grants to Madhupur Satra & Barpera Satra			•••	
8.	Purchase of Books for all Librari	es	-	10.25	
9.	Matching Grant.	,	-	1.25	
10.	Purchase of vekicle.		-	~	
11.	Training of Librarians.		-		
12.	Other expenses :-		-	6.31	
	Travelling expenses, Newspaper & Periodicals, furnitu e, House Ren Installation of telephones, Furch of Generator & Book Linding Machifor District Libraries,	ase			
13.	Construction of Library building District Library, Mangaldbi, Barp and fixation of chairs at Distric Library, Silchar.	e a 、	***	5.00	
		loial		50.00	lakhs.

#### 5. ACHIEVEMENT DURING THE YEAR 1939-90 :-

The approved annual Plan outlay for the year 1989-90 was A. 55.00 lakes out of which Rs. 5.00 lakes for construction of Library building. The balance amount of Rs. 48.00 lakes was for strangthening of the Directorate of Library Services, Rural Library Complex, establishment of new Sub-Divisional Libraries & Children Library, Purchase of books, Matching grant, Grants-in-aid and other expenditure etc.

The agreed outlay for the Seventh Five Year Plan(1985-90) was Rs. 56.00 lakhs for public Libraries but it exceeded to Rs. 157.05 due to taking some urgent works.

### A) PLAN PROGRAMME FOR 8TH FIVE YEAR PLA. (1990 95) :-

(1) MANPOWER: - A Library is regarded as a social institution and it plays an important part in the field of education. A Library provides ample scope for (A) Life long self education (B) Information-documents in all subjects including local, national and international affairs to serve economic, political and social Welfare (C) Preservation of literary heritage for posterity (D) Proper use of leisure (E) Advancement of Culture. The heart of administration is the management of programmes designed to serve the general welfare. Management is therefore significant to every organisation. Without human efforts it is not possible to organise any institution and to achieve its desired goal. So, is the case of Library. Without minimum requirement of staff it is not possible to make the library functional in all aspects of Library Services. In a Sub-Divisional Library separate Section for (a) reading (b) reference (c) lending (d) Children (e) Newspaper and periodicals are maintained. A minimum of 9 persons are required to manage the different sections besides one Librarian, one Library Asstt., one Accountant. one L.D. Asstt. and two Grade IV. But in case of newly created Sub-Divisional Libraries, only one post of Librarian and one Counter Attendant have been created and as such it is not practically possible to manage the affairs of the Library. Even a District Library is under staffed at present. In order to meet the minimum requirement of staff and to overcome the shortage of manpower library budget be adequately enhanced. Library Services should treated as a special fotting inview of the services rendered to the public. Hence, we proposed 3. 70. (1) lakhs for 8th Plan against this scheme.

#### (2) RURAL LIBRARY SCHEME :-

Since the implementation of the Library schemes in Assam in the year 1954 Library facilities have been provided only to the urban section of the state. With a view to expanding the library services to the grassroot level and to build up a sound network of library system from the rural level to the state level, the rural library scheme with the approval of Planning Commission, Govt. of India was implementation in Assam in the year 1985. The rural library scheme will help much in creating reading habits in rural areas for all round development. The scheme should therefore be further strengtheneds and be brought to a regular cadre of service om a phased programme instead of accommodating staff of monthly honorarium basis. A separate and specific budget provision for rural library scheme be made during the 8th Five year Plan. Expenditure involves (i) Honorarium basis for 714 Gaon Panchayat - 1,82,07,000/- (ii) Regular basis for 714 Gaon Panchayat - 10,63,50,240/-. Hence we proposed Rs. 35.59 lakhs for this scheme.

In this connection it may be mentioned that we have already been proposed Rs. 100,00 lakes under Externally Aided project for implementation of the Rural Library Complex. But we have not yet received any information. The scheme will privide employment opportunity to 1428 persons (Employment content).

#### (3) MODERNISATION OF LIBRARY SERVICES & AUDIOVISUAL AID :-

Modernisation of Libraries with modern equipments for speedy supply of information and other required materials to scholars, educationist, researchers is necessary. Supply of audiocisual aids to attract rural section of the population to the libraries and to create reading atmosphare in the rural areas and to acquaint the public with the developmental activities of

the state & Central Govt. is considered most essential. Hence an amount of Rs. 2.00 lakes is proposed for 8th Five Year Plan.

# (4) STRENGTHENING OF DISTRICT LIBRARIES, UP-GRADATION OF LIBRARIES, ESTABLISHMENT OF CHILDREN LIBRARY AND NEW SUB-DIVISIONAL LIBRARIES:-

Library Services in Assam has so far covered all the dxisting 18 Districts and 18 Sub-Divisions. Consequent upon the creation of New Districts and Sub-Divisions, upgradation of the existing Sub-Divisional Libraries to that of District Libraries and expansion of Library Services to the New Sub-Divisions are considered necessary. For strengthening of District Libraries and providing better reading facilities to the children, a separate children section in each of the District Library is proposed to be set-up. There is a ful-fledged children Library in the Bishnu Nirmala Bhawan, Guwahati. Hence we proposed Rs.1.00 lakh for this scheme.

#### (5) TRAINING OF LIBRARIANS :-

Training of Library personnel is very important to provide technical knowledge to the profession. It is therefore proposed to make it a continuous process. Hence we proposed a sum of Rs. 1.00 lakh for this purpose.

#### (6) TEXT BOOKS LIBRARY :-

Text Book Library in each District Library is proposed to be opened to cater the needs of reading public specially students in Assam. Hence an amount of Rs. 2.00 lakks is proposed for 8th Five Year Plan.

#### (7) DECENTRALISED PLAN DURING 8TH PLAN:

Decentralised Planning will benefite in the field of Library Services also. An allocation of Rs. 110.00 lakks is proposed to be earmarked for decentralised Planning during the 8th Five Year Plan. The amount is proposed under the scheme of salaries for Districts and Sub-Divisional Libraries, Rural Library Complex, Purchase of books, newspaper and Magazines etc.

(8

#### (8) GRANTS-IN-AID :-

The grants-in-aid is extended to the voluntary organisation/Rural Libraries of the state for benefit of the local people. A non-Government againstation constituted, administered and maistained a collective private enterprise with the aid of advancement of the informal education pertaining. Library Services to perticular section of people of the state as a hole. Hence an amount of Rs. 5.000 lakes is proposed for the eight Five Year Plan.

#### (9) PURCHASE OF BOOKS FOR ALL : DRARIES -

Yearly purchase of book for all Libraries is a regular feature. It is proposed to purchase books for Libraries i.e. Directorate of a brary services, Assam, Guwahati, Dispur Branch Librar 18 District Libraries, 18 Sub-Divisional Libraries, 27% Ryral Libraries during 8th Five Year Plan. Hence an abount of No. 40,00 lakks is proposed for this scheme.

#### (10) MATCHING GRANT :-

Under this scheme spon and by the Raja Rammohun Roy Library Foundation, Calcut: with the financial assistance of the Govt. of Ind. the Laundation supplies books to the state contributin, matching grants. The matching grant however depends in the rants released by the Govt. of India and the marticipating states. It may be stated here that the Foundation has been suppling books to Libraries of our state rice that the amount contributed by us. Hence we proposed Rs. 3.00 lakhs for this scheme during the 8th Fixe year Plan.

#### (11) BUILDING COMPONENT :-

There was a full fledged stat. Library for the undivided Assam and was located in Shillong. With the creation of Meghalaya the State Library Building was handed over to the Govt. of Meghalaya. The books Meghaloya. The State Central Library with its share was shifted to Guwahati and somehow accommodated in the District Library Building at Guwahati in the month of December/1973, since then there is no separate state central Library in Assam. After the shifting of the State capital of Assam from Shillong to Guwahati in the year 1973 there is no separate State Central Library for Assam. In all other states of India there are separate State Central Libraries. Therefore, there should be a separate State Central Library for Assam. The public also have been pressing hard for such a Library. As such No. 2.00 lakhs is proposed during the 8th plan period for converting District Library to State Central Library.

#### (12) CONSTRUCTION OF DISTRICT LIBRARY BUILDING :-

The building construction project will be taken up on a phased programme. Necessary land for library building have already been earmarked and alloted for District Library, Mangaldoi, Barpeta, Nalbari, Golaghat, Goalpara, Hailakandi, Dhemaji, Biswanath Chariali, Sodia, Jonai & Morigaon. The Foundation stones of the District Library, Mangaldoi & Barpeta were laid three years back. But constructions were not taken up. During the 8th plan period construction of District Library building at Mangaldoi, Barpeta and Nalbari is proposed to be taken up.

Fixation of chairs in the District Libraries
Auditorium at Silchar, Jorhat and North Lakhimpur are
to be taken up at the earliest possible time, as rents
and electric charges have been realising from the public
for holding meeting, conference & cultural shows.

At present the District Library at Sibsagar has been fuctioning free of charges in the Kali Prasad Memorial Hall since many years back. Hence renovation is a must. An amount of Rs. 34.00 lakes is proposed for these above schemes during the eight five year plan.

# DRAFT EIGHTH FIVE YEAR PLAN (1990-95 ) ARCHAEOLOGY

into archaeological parks.

consist of :-

The Principal works of the Archaeology

- a) Protection and preservation of ancient monuments/
  sites/remains of historical and archaeological
  importance which are not less than one hundred
  years old, and developing some of them into centres
  of tourist attraction by converting them into archaeological parks, whenever possible. During the eigth 5 year plan three such sites will be developed
- b) Archaeological exploration and documentation of hitherto unknown sites and remaine, and their study.
- c) Archaeological excavation, which includes (i) regular excavation of a site, (ii) salvage excavation of archaeological remains and (iii) trial excavation to assess the potentiality of an archaeological site.
- d) Publication of reports on archaeological excavation/ exploration, brochures, monographs etc. and printing. of archaeological maps.

The Directorate of Archaeology has, under its various schemes, executed the following work:

- a) Protected and preserved 75 archaeological sites and monuments;
- b) Covered approximately 9000 sq.km.by regular exploration, leaving aside stray explorations, and brought to light about 31 new sites/remains,
- c) Carried out one regular excavation, 29 salvage excavations and 8 trial excavations to date.

During the 7th five year plan period, 1985-90, an amount of rs. 48.00 lakh was allotted,out of which an amount Rs.87.72 lakh was utilized on altogether 15 schemes. In these 15 schemes, targets were achieved in 9 schemes, and in certain cases, the targets were exceeded.

In the Eighth Five Year Plan, the following works are proposed to be undertaken, of which the physical targets have been shown in the appropriate proforma:

- 1) Conservation of Alchaeological sites & monuments.
- 2) Archaeological Exploration & Excavation.
- 3) Preservation of ancient tanks & Ramparts.
- 4) Student participation in preservation of cultural properties.
- 5) Establishment of Archaeological Parks & Site-Museums.
- 6) Establishment of Field Archaeological Branch.
- 7) Establishment of Mason's Branch.
- 8) Establishment of Research Branch.
- 9) Publication.
- 10) Establishment of Library.
- 11) Establishment of Photographic Section.
- 12) Setting up of Gardening Branch.
- 13) Setting up of Chemical Branch.
- 14) Construction of Building for Headquarters, Zonal Offices, Staff-quarters etc.
- 15) Procurement of Scientific and camping materials.
- 16) Procurement of Vehicle.
- 17) Expansion of staff including committed expenditure.
- 18) Seminar, Exhibition, etc.

Apart from these, it is also proposed to expand the scope of the scheme of "Student participation in the preservation of Cultural properties" which had been opertaining sporadically ever since 1976 but which has now been operating in full swing. This is sought to be done by involving more educational institutions and attaching them to the nearest protected sites/monuments, in which they will undertake cleaming, landscaping works under guidance. This scheme further includes guided tour to different sites and photographic exhibitions at different educational institutions, thus serving as a suplement to formal education, besides performing the jobs however insignificant, of the Monument Attendents, of which there is a dearth. It has been found that their physical involvement generates among them a sense of awareness of their cultural heritage.

All these schemes are on-going ones. The financial outlay shown against the on-going schemes, viz, schemes no.(1)

Conservation of Archaeological sites & monuments.(2)Archaeological Exploration & Excavation.(3) Preservation of ancient tanks & remparts.(4) Student participation in the Preservation of Cultural properties.(5) Establishment of Archaeological Parks & Site-Museum, (7) Establishment of Mason's Branch.(10) Establishment of Library.(17) Establishment of Photographic Section, will barely cover the expenditure to be incurred in their

executions, apart from the fact that the scopes of most of the schemes have been increased. It is, therefore, felt that the financial outlays, as shown against the physical targets, are fully justified.

It is also proposed to initiate a few new schemes, which are -

- 1) Research Branch with two Research Officers to undertake researches in ancient arts, architecture, numismatics and epigraphy, these being special branches of study. It may be added that no sustained and systematic works in these fields have been undertaken by any educational or research insitutes of the state so far.
- 2) In the absence of a field Archaeology Branch, only salvage digging and trial excavations in different parts of the state could be undertaken so far, and it has not been possible to take up full-scale excavation which is a very urgent need, since many such sites exist in this region awaiting the excavator's spade. In fact, no full-scale excavation has been taken up in the state, except the Ambari excavation, which is being conducted by the Gauhati University and which is yet to be completed. A field Archaeology Branch is, therefore, felt to be one of the most urgent needs, to enable this Directorate to undertake full-scale excavation on its own.

# Draft Eighth Five Year Plan (1990-95)

### MUSEUM

Museums are the repositories of the remains of the past civilization, They provide the place where these civilization can be studies and where their cultural achievement can be understood and approciated.

The function of the Museums are given below:-

- (a) Collection of cultural and archaeological, folk and tribal material Culture.
- (b) Setting up of District/Sub-divisional/Site Museum,
- (c) Publication of Catalogues, journals, album, books on museological interest.
- (d) Preservation and conservation of Gultural objects,
- (e) Organising seminar, exhibitions, research oriented talks etc.

# SEVENTH FIVE YEAR PLAN (1985-90) :-

During the Seventh Five Year Plan period an amount of Rs. 187.00 lakhs was allocated under the Museums. With this amount the following major programmes so far have been achieved:-

- (a) Established 7(seven) district Museums at Tezpur, Mongaldoi, Barpeta, Kokrajhar, Dhubri, Jorhat and Dibrugarh.
- (b) Established 2(two) site museums at Bordowa(Nagaon district) and Kamakhya (Kamrup district).
- (c) Construction of Additional State Museum building has already been completed.
- (d) Published so far 19(nineteen) books on museological interest, such as, Bulletin of the Assam State Museum NO.VI, VII, VIII, IX, X, XI, Ancient Treasures of Assam, Catalogue on Inscriptions, Catalogue on Bronze & sculptures, Museums of North-East India, Numismatic Studies of N.E. India (vol.i.ii), Asamat puratattik Sharshar Agragati(in-Assamese), Sculptudes of the Assam State Museum (colour slbum), Picture postcard (colour), Asamar Durdasagrasta Satra samuhar sanrakshan (in Assamese), folders on Assam State Museum and district museums.
- (e) Organised so A far 13(thirteen) exhibitions, seminar, conferences etc., such as, conference of the

Indian Archaeological Soceity, conference of the Epigraphical society of India, Exhibition of recent collection, Exhibition on Coins, Exhibition on Inso-riptions, Exhibition on Paintings, Exhibition on the sculptare collected from varanash Hindu University.

Details information on physical target and achievement are furnished in statement II, The year-wise allocation and expenditure are givenbelow:-

<u>Year</u> 1985 <b>–</b> 86	Allocation 21.00 lakh	Expenditure 21.00 lakh	7th plan agreed outlay/86.00 lakh
1986-87	30.00	30.00	
1987-88	35.00	35.00	
1988-89	49.00	49.00	•
1989-90	52.00	50.97	
Total	187.00 lakh	185 <b>.</b> 97 lakh	86.00 lakh

PROGRAMMSSFOR EIGHTH FIVE YEAR PLAN (1990-95) :-

One of the prime objectives of the Eighth five.year popular is to collect materials of the great cultural heritage of this state and to undertake their proper exposition, presedvation and study.

### A. Critical ongoing scheme

### 1.CONSTRUCTION OF ANNEX BUILDING :-

For the Eighth Five Year Plan, critical ongoing scheme the construction of the Annex Building of the Assam State Museum at Guwahati will be continued.

#### B.Continued Scheme :-

# 1. INTERIOR DECORATION OF ADDITIONAL STATE MUSEUM BUILDING AND SETTING UP OF GALLERIES:

The intorior decoration of the 2nd floor of the Additional State Museum building at Guwahati is about to complete. The interior decoration of the 1st floor and ground floor are to be done within the Eighth Plan period. Moreover the existing galleries of the Assam State Museum will be further improved with proper display technique. An amount of Rs. 25.00 lakh is necessary for this purpose.

# 2.EXTABLISHMENT OF DISTRICT MUSEUM AND IMPROVEMENT OF GALLERIES :-

Seven district museum have already been established at Tezpur, Barpeta, Dhubri, Kokrajhar, Mangaldoi, Jorhat and Dibrugrah. The galleries of these district museums will be further

inproved. Hence an amount of Rs.5.00 lakh is needed for the improvement of 7 district Museum galleries.

## 3.PUBLICATION :-

A Museum's research is directly related to the publication through which it will be transmitted to the scholars and students and other people. There are two types of publication. The first is the out-come of serious research conducted on the objects and published in the form of catalogue, monograph, brochures etc. The other type of publication is meant to familiarise the people of the area with museum and its activities etc. in the form of guide book, report etc. The Museum has already published 19 books on museological interest during the seventh plan period. The proposed target for the 8th plan is fixed at 15 publications and for which an amount of Rs.4.00 lakh is necessary.

# 4.ACQUISTION OF MUSEUM OBJECTS :-

The prime purpose of the museum is to collect materials of museclogical interest for comprehensive and intensive study of the past, as such they are the resort of scholars and they afford also the common people opportunities for appreciating the rich cultural heritage of this state. 560 objects were collected from different parts of this state during the 7th plan period. The proposed target for the 8th plan is fixed at 1000 objects and for which an amount of \$3.4.00 lakh is necessary.

### 5.EXPANSION OF STAFF :-

Due to expansion and increase of activities, some additional posts will be needed. Hence it is proposed to create 40(fourty) new posts during the 8th plan perid.

## 6. PROCUREMENT OF BOOKS FOR LIBRARY: -

The procurement of books has been proposed during the 8th pan also, as the existing library has found to be inadequate to cater the need, as also those of research scholars, who frequently visit the Museum in search of old books, journals etc, which in most cases it becomes difficult to provide, It is therefore essential to take steps to procure about 1000 books on art and archaeology, nature and architectur to establish really a good library. A provision of Rs.1.00 lakh is proposed for the 8th plan.

## 7. PURCHESE OF DOCUMENTARY FILM :-

The purchese of documentary film on art, architecture, nature, culture are necessary for the spreading of knowiedge to the mass people. Additional films have already been purchese during the 7th plan period. The target for the purchese of documentary film for 8th plan is fixed at 8(eight) numbers. Under this item an amount of Rs. 2.00 lakh has been proposed.

# 8. ORGANISING EXHIBITION/SEMINAR ETC. :-

The museum has organised 13 exhibitions/seminars/conferences etc. The main conferences and exhibitions so far organised are as follows:

- i) Conference of the Indian Archaeological society
- ii) Conference of the Numismatic Society of India
- iii) Conference of Epigraphical Society of India
  - iv) Conference of All India "useum Association
  - v) Exhibition of Coins
  - vi) Exhibition of Insoriptions and epigraphy
- vii) Exhibition on Recent Collection of Museums
- viii) Exhibition of paintings

Venatras

ix) Exhibition of soulptures collected from A \*\*\*.

Hindu University etc.etc.

It is proposed to organise 10 exhibition/seminar /research oriented talks etc during the 8th plan period.
Under this item Rs.4.00 lakh has been proposed.

### 9. QRANTS-IN-AID :-

The prime purpose of this scheme is to provide grants to private muscums, research institutions and to .old dilapidated satres(institutions) of Assam.A provision of Re. 1.00 lakh is propose for this purpose.

## 10. SITE MUSEUM AT KAMAKHYA AND BORDOWA :-

The site museums at Kamakhya and Bordowa has so far been established. The gallery of the site Museum at Bordowa will be further improved with proper lighting and display system. Under this . item Rs. 2.00 lakh Apas been proposed

## C.New Schemes :-

# 1.CONSTRUCTION OF 1ST FLOOR OF THE ASSAM STATE MUSEUM BUILDING :-

A large number of antiquition and art treasures are

stored in the Reserve Collection of the Assam State Museum. It is, therefore, urgently necessary to display these art objects to whe visitors. Hence the construction of the 1st floor of the Assam State Museum Building is urgently felt. A provision of Rs. 20.00 lakks is proposed for this item.

# 2. AIR CONDITIONING OF THE STATE MUSEUM AND ADDITIONAL STATE MUSEUM BUILDING:-

Due to climatic condition of this region, art objects are decaying day by day. For proper preservation of antiquities and art treasures, Air Conditioning of the entire museum building is necessary. Hence it proposed for air conditioning of the State Museum and Additional State Museum building. A provision of Rs. 25.00 lakhs is proposed for this purpose.

# 3. CONSTRUCTION OF DISTRICT MUSEUM BUILDING :-

Since its inception, the district museums at Dibrugarh, Jorhat, Tezpur, Mangaldoi, Dhubri, Kokrajhar and Barpeta are functioning in the rented houses. Hence the construction of District Museum Building is urgently felt. It is proposed to construct 3 (Three) Museum building at Mangaldoi, Barpeta and Kokrajhar. A provision of Rs. 44.00 lakhs is proposed for this purpose.

## 4. SETTING UP OF A SUB-DIVISIONAL MUSEUM AT MAJULI :-

There are large number of wooden art objects, manuscripts, illustrated manuscripts lying uncared in some old satras of Majuli Sub-Divisiona. These art objects should be protected from denudation. Hence it is proposed for setting up of a Sub-Divisional Museum at Majuli. A provision of Rs. 1.00 lakh is proposed for this purpose.

5. CONSERVATION OF MUSEUM OBJECTS:-

The museum objects should be protected from decaying and denudation. With this scheme it is proposed to preserve and conserve about 1000 museum objects in the 8th Plan period. For this purpose laboratory equipments and apparatus plus chemicals are necessary. A provision of Rs. 1.00 lakh is proposed for this item.

## 6. DOCUMENTATION OF MUSEUM OBJECTS :-

The objective of this scheme is for the scientific documentation, such as, introduction of card system, photo documentation, photo negative documentation etc. The target for 8th Plan is fixed at 3000 numbers, Under this item Rs. 1.00 lakh has been proposed.

## 7. INSTALLATION OF SECURITY EQUIPMENTS :-

Every objects of a museum should be protected from theft. Hence we propose to install security equipments, such as, smoke detector, fire extinguishers, close circuit T.V. etc. in the State Museum. It is proposed to install 30 equipments in the State Museum during the 8th Plan period and for this purpose Rs. 1.00 lakh is necessary.

GENERAL AREAS.

# Art and Culture Manuscripts

Antiquarian Studies in Assam, is the Collection, Preservation, Translation, Deciphere — Transcript and Publication of Ancient Manuscripts, Coins, Copper—Plates and other Historical source Materials and Records. The Department is functioning keeping the basic object in view. With a view to accolerating the activities bearing on the acquisition, preservation, publication, research and rendering efficient & better services and facilities to the Scholars and Readers during the Seventh Five Year Plan 1985—90 — agrammount of Res.31.00 Takks had been spent by the Department.

The Eighth Five Year Plan (1990-95) has been prepare to augment more facilities in different sphere of its activities and to complete some of the remaining works of the Seventh Five Year Plan 1985-90. The basic objective of the sphere of activities during the Eighth Five Year Plan 1990-95 will be to strengthen the collection of scattered Manuscripts in the State. Scientific preservation, Publication Library development for offering better facilities to the readers and students in general. An amount of Rs.40.00 lakhs are proposed under different Heads of Development during Eighth Five Year Plan 1990-95.

### Objectives :

(a) <u>Collection</u>: During the Eighth Five Year Plan 1990.95 the Department proposes to extend its collection of ancient Manuscripts and Historical Records. As these are lying scattered in the remote areas and interior villages of Assam & neighbouring States, the Deptt. has prepared a collection scheme for which at least an amount of Rs.10.00 lakks will be needed. Moreover the Department proposes to complete the opening of Zonal Offices at different parts of Assam for more better collection of the scattered Manuscripts with the proposes amount.

- (b) Preservation: After collection the Manuscripts and Records have to be preserved in a scientific manner. The Preservation Unit of the Department is yet at the preliminary stage, to arrange it in a scientific way more Machineries & Men have to be brought to action. So an amount of Rs.5.00 lakes be needed for the purpose.
- (c) Publication: Publication of Chronicles and books of Historical importance is one of the function of the Department. More important books & Chronicles are to be published by the Department during the Eighth Five Year Plan. The Department intend to publish at least 20 books including 'Saila Parva' a coloured Manuscript, Buranji Vivak Ratna of Moniram Dewan and some other Manuscripts during the Eighth Sive Year Plan for which an amount of Rs. 10.00 lakhs will be necessary.
- (d) Library Department: The Department have a Library of a very old & Antique books and valuable ancient Manuscripts and rare books and source materials of History & Culture. So it became the nerve centre of all the research scholars & students of the North Eastern Region. To offer then more facilities and to arrange the Library in a modern and scientific line more books, Manuscripts and equipments including men will be needed in the Eighth Five Year Plan. An amount of Rs.5.00 lakhs areproposed under this Heads.

- (e) Extension of the Building: The Department is now Laccomodate facing acute space problem to / its increasing collection, books and staff in the existing building. Moreover the present electric connection of the existing building became unable to bear the load of the increasing demand of the machineries & Air-Conditioning. So a Transforma will also be needed to cope with the demand of electric consumption. Hence the Department propose to extend the present building to accommodate its increasing staff, books & collection and to install a transforma within the Department for its own. So an amount of Rs.10.00 lakhs will be needed for the same.
  - (f) Monitoring: Regular monitoring of the Plan expenditure and Plan proposals done monthly and quarterly progress report are regularly sent to the concerning Department.

### Draft 8th Five Year Plan State - Assam.

Department :- State Archives Organisation.

Introduction.

Records created at different levels of our State Govt. since the British occupation of the State in 1826 are of unique importance to administrators and scholars like for the information materials contained in them. Scientific management and preserva-tion of these records is a must in a state like ours where natural calamities, climatic conditions, pests and insects have already caused havoc to many invaluable documents. Problems in respect of papers in the custody of Directorates, Divisions, Districts, and Sub-Divisions are of a great magnitude, for such records are Mable to neglect, decay and destruction for want of adequate knowledge and practise of this scientific management and preservation. So to bring about better and uniform organisation, efficient administration, proper management Scientific Preservation and meaningful utilisation of records, created at different levels of the State Administrations, under one centralised agency well-equipped with trained staff and machinery and also to fall in line with the national pattern in the development of archives, a Directorate of Archives is necessary for the State. It is not possible because of the cost factor involved, for even record creating a-gency to have the necessary infrastructure for an archival organisa-tion of its own.

Present position Presently, the State Govt. have got a State Archives Organisation as an attached office of the General Administration Department. This was set up in 1979-80. It has already got the infrastructure for its up-gradation into a full-fledged Directorate of Archives and Cabinet Memorandum submitted in this regard is awaiting Government Clea-rance. For without a full-fledged Directorate of Archives in the State it would not be possible to exercise effective control over the records of the different creating agencies in the State. The State Archives will necessarily be Central Record Office of the State looking after management. Preservation and utilisation of the records of the entire state administration. When

the Directorate of Archives is set up - the proposal is panding as stated above - it will adopt an Archival Policy Resolution for the administration of the record in the State.

The Sta-te Archives is now looking after the old records of the Government (1776-1950) which had accomulated in the Sectt. Records Room. Besides it is also taking care of the record of the Dhubri District and the Assam Administrative Tribunal which have been volunterly transfered to the custody of State Archives. Under the Archives and an Archival Policy Resoulation the Government will be in a position to ask the Directorates, Divisions, the Districts and other subordinate offices to transfer their non-current records.

The State Archives is at present accomodated in the composite Building for Sectt. Record and State Archives at Dispur. The total floor space for the accommodation of State Archives Record is 1275 Sq. Mtrs. More accommodation will, however, be required for the stack area when Heads of Deptts start transferring their record

The State Archives Organisation has at present the minimum required number of Staff headed by a Special Officer. It has also procured necessary machineries, equipment and materials for preservation of records in a Scientific manner.

7th Plan achievements. The year wise break-up of the expenditure incurred during the 7th plan is as follows:-

Year	Total allocation	Total Expenditure.
1985 <b>-</b> 86	2.75	1.66
1986 <b>-</b> 87	3.00	2.38
1987-88	4.00	2.56
1988 <b>-</b> 89	7.00	4.73
<b>1</b> 989 <b>-</b> 90	7.44	7.02

Targets for 8th plan.

The targets fixed for the 8th five year plan are - (i) taking over non-current records of the Heads of Deptt. Districts, Divisions and other subordinate offices, (ii) setting up of four Zonal Centres in a phased manner, for centralisation of District and Divisional records, (iii) extension of the stack area for accommodating the records of the Heads of the Deptts

and other agencies (iv) air conditioning of the stack area to ensure the safety and longevity of records against the heat and humidity of Guwahati, (v) elimination of useless records (ephemeral ) (iv) procurement of machineries and equipment for reprographic and preservation units.

During the 8th Plan period the State Archives
-Department-proposes to start regular training courses in
Record Management and Record preservation under its auspices. The Courses will be meant for those engaged in such
works in the Heads of Department Offices, District and
Divisional Administrations in the State. For without adequate training proper management and scientific preservation of records are not possible.

In view of these new schemes the following additional amount will be required for the 8th plan.

Revenue Accounts including machinery & equipment.

••

50.00 Lakhs

Capital Account.

- 75.00

Total-125.00

The break up of expenditure is as under including Annexure - I and II.

The Schemes have been proposed according to priority.

#### Capital Account

- Rs. 75.00 Lakhs

(a) Air conditioning of Stack Area :- - Rs. 40.00

After doing procedural work like apprisal, listing, indexing etc. the noncurrent records which are found of paramount importance are kept for permanent preservation. But preservation of these records is a difficult tack because a part from biological enemies, physical and chemical agents causes much harm to the records. Exposure of light and heat causes paper yellow and brittle. Chemical reaction takes place with atmospheric pollutants like sulpherdioxide,

Carbondisxide, Carbon menoxide gas with moisture resulting in total damage of records. Gauhati climate has all the pollutants and is not and humid which very easily renders the paper records brittle and yellow. All these menance can be avoided if the record repository(Stack Area) can be airconditioned and with this intention an amount of Rs. 40 lakhs as estimated has been proposed in the eight plan period.

#### (b) Extension of Stack Area: #5. 35.00 Lakhs.

State Archives has at present 5085 meters linear shelf space covering 1275 sq. metre area with three floors as records repository enabling to store the semicurrent and noncurrent records of the Secretariat only. With the elevation of State Archives into a Directorate of Archives and the a-doption of Archival Policy Resolution by the Government in future the semicurrent and noncurrent records of all the deads of the Department and Divisional Offices which when transferred will have to be stored in the record repository. For storing these additional bulk of records stack area will have to be extended and estimated cost of construction will stand around 35 lakhs in 1993-94.

For properly equipping the Reprography division to go ahead with microfilming of the old records, machineries like Microfilm Camera, Processor, Reader Printer, Duplicator, Drier along with its store house materials have to be purchased. Microfilming is most essential for two reasons - (i) as the film base document is more durable than the paper one and (ii)it requires only one 100 th part of the floor space compared to paper records to store these film. With these idea am amount of Rs. 10 lakhs has been earmarked in the Eight Plan.

The benifits derived by the society from Archival services during the seventh plan period has been shown in annexure - III.
