PREFACE

The Statistical Abstract of Nagaland 2008-09 is a publication of the Directorate of Economics & Statistics presenting the birds' eye-view of the economic scenario of the State over the past years with that of the contemporary. Efforts have been made to present the statistical data as accurate as possible. This publication is expected to help Research Scholars, Policy- Makers, Planners and Administrators to arrive at conclusion based on factual and informed database. Error (if any) may be communicated to the department for rectification.

I am indebted to all the Departments for their co-operation and providing the required data to bring out this edition. I also extend my appreciation to all my colleagues and staff for their untiring efforts and making it possible to publish the report.

Your valuable suggestion to improve this publication is ever welcome.
