## FOREWORD

This publication presents the list of High Schools, Anglo Indian Schools, Special Schools and Teachers Training Institutes functioning in the State for the academic year 1992-93. It contains the name, postal address and standards in each school.

Schools are listed in Revenue and Educational District-wise in the order of management viz. Government, Private Aided and Private Unaided schools are presented in the alphabetical order as far as possible to facilitate early reference.

An abstract is given at the beginning showing the number of schools at a glance. The list is prepared by the Statistical Wing of this Department on the basis of information furnished by the Deputy Directors (Education) after proper scrutiny. The co-operation extended by the Deputy Directors (Education) in this regard is highly appreciated. This publication is mainly intended for Departmental use.
