MINISTRY OF EDUCATION AND SOCIAL WELFARE  
GOVERNMENT OF INDIA

PUBLICATION NO 1035.

## PREFACE

This Annual Report entitled "Education in India-1969-70" surveys the progress of education in the country during the year. It gives detailed educational data in respect of almost all major aspects of education in the country likely to be of interest to educationists, planners and research scholars.

Upto 1965-66, this publication was being brought out in two volumes-Volume I and Volume II. In order to reduce the size of the publication, the two volumes were merged into one volume with effect from the year 1966-67. The present publication which is of fourth in that series, consists of two parts-Part I and Part II. Part I gives general survey of various developments in the field of education, both at the Centre and in the States, whereas Part II generally comprises of Statewise statistical tables relating to all aspects of education on which data is collected annually by this Ministry.

The Ministry of Education and Social Welfare express their thanks to the Directorates of Education in the States and Union Territories and other educational bodies both at the Centre and in the States, who supplied the material required for the publication.

Suggestions for further improvements in this publication are welcomed and may be addressed to the Joint Secretary (Planning) in this Ministry.

New Delhi,  
Dated May 28, 1975.

LIST OF ILLUSTRATIONS . . . . .	xiii
ABBREVIATIONS USED . . . . .	xiv
EXPLANATIONS . . . . .	xv

## PART I

General Survey . . . . .	1
TABLE 1.01—Number of Institutions by Type . . . . .	16
TABLE 1.02—Number of Pupils by Type of Institution . . . . .	(18)
TABLE 1.03—Number of Pupils by Stages of Instruction . . . . .	20
TABLE 1.04—Percentage of Enrolment in General Education of School and College Stage to Population of Corresponding Age-groups by States . . . . .	21
TABLE 1.05—Number of Teachers . . . . .	22
TABLE 1.06—Total Expenditure on Education by Sources . . . . .	23
TABLE 1.07—Expenditure on Education by Heads of Charge . . . . .	24

## PART II STATISTICAL TABLES

I—Useful Computations at a Glance . . . . .	26
II—Abstract of Educational Statistics . . . . .	27
III—Number of Educational Institutions by Management—	
A—Universities . . . . .	28
B—Institutions Deemed to be Universities . . . . .	29
C—Institutions of National Importance . . . . .	30
D—Boards of Secondary and/or Intermediate Education . . . . .	31
E—Other Boards of Examination . . . . .	32
F—Research Institution . . . . .	33
G—Colleges for General Education :	
(i) Degree and Post Graduate Standard	
(a) Arts and Science . . . . .	34
(b) Home Science . . . . .	35
(ii) Under-Graduate Standard:	
(a) Arts and Science . . . . .	36
(b) Home Science . . . . .	37
Total C—Number of Colleges for General Education . . . . .	38
IV—Colleges for Professional Education (excluding Teacher Training)—	
(i) Degree and Post-Graduate Standard :	
(a) Agriculture . . . . .	39
(b) Commerce . . . . .	40
(c) Engineering, Technology and Architecture . . . . .	41

## EXPLANATIONS

1. **Academic Year**—For the sake of uniformity, the academic year in these tables is taken to coincide with financial year i.e. from 1st April, 1969 to 31st March, 1970.
2. All statistics refers to *recognised institutions* only. The recognised institutions are those in which the courses of study followed are prescribed or recognised by the Government or by a Board of Secondary and Intermediate Education constituted by law and which satisfy one or more of these authorities, as the case may be, that they attain to a reasonable standard of efficiency. They are open to inspection and their pupils are ordinarily eligible for admission to public examinations and tests held by the Government or the University or the Board.
3. **Institutions, Enrolment & Teachers**—Figures regarding number of institutions, enrolment and teachers relate to 31st March of the year.
4. **Expenditure**—In calculating the expenditure from Government, District Board or Municipal Board funds, all payments or contributions from fees and other sources which are credited to such funds, are deducted. The expenditure figures cover the financial year.
5. **Local Boards**—Include District, Municipal and Cantonment Boards as well as Town Area Committees and Janpad Sabhas, Zila Parishad and Territorial Councils.
6. **Examination Results**—Refer to those students who were educated during the year. These include results of private candidates also.
7. **Indirect Expenditure**—Represents the amount incurred on direction, inspection, buildings, furniture, scholarships, hostels and other miscellaneous items. The expenditure on some of these items cannot be apportioned to each type of institution.
8. Institutions exclusively or mainly meant for girls have been classified as girls' institutions and the remaining as boys' institutions.

**PART I--GENERAL SURVEY**

---

---

## GENERAL SURVEY

During the year under report, which was the first year of the Fourth Five Year Plan, a review of the progress made during Third Plan was done. As a result of this review, the scope of the old-continuing programmes was enlarged and new schemes formulated with an idea of developing education as base for economic and national reconstruction. An account the progress made during the year under report is briefly reported in the subsequent paras.

In the Fourth Five Year Plan an outlay of Rs. 840 crores was allotted for Education which formed 5.4 per cent of the total plan outlay. This distribution of Rs. 840 crores between the State Sector and the Central and Centrally Sponsored Sector was Rs. 659 crores and Rs. 271 crores respectively. For 1969-70, an outlay of Rs. 105.96 crores was approved by the Planning Commission of which States share

The Ninth National Seminar on Elementary Education was held at Simla on October, 14-17, 1969. The Seminar made various recommendations relating to (i) making the core of curriculum in primary schools common for all the States, (ii) expansion of Schools Feeding Programme and coordinating with the School Garden Programme, and (iii) producing cheap text-books and supplying them free to the poor and needy students, etc. In implementation of these recommendations, National Council of Educational Research and Training prepared a standard curriculum for primary stage, a handbook on the concept of work experience and a scheme for a programmed learning for primary classes.

A National Conference on Wastage and Stagnation was held under the auspices of the National Council of Educational Research and Training in Delhi on January, 27-31, 1970. The Conference made several significant recommendations for activating the action programmes for reducing wastage and stagnation at the primary level.

The Government of India concluded an agreement with the UNICEF and UNESCO for reorganising the teaching of science at the schools level. Text-books, teachers' guides and kit of laboratory science equipment were prepared, and it was proposed to try out the textual material and laboratory equipment in about one thousand primary schools in the State at the rate of about 60 schools in each State commencing from the academic year 1970-71. Preliminary arrangements for equipping the schools and for training the teachers were made during the year.

## (ii) Secondary Education

A new science syllabus and a set of books based on the new syllabus for secondary stage were under preparation for being tried out in selected secondary schools particularly in the Central schools, during the year. It was envisaged that the new books would be introduced in secondary schools throughout the country with suitable modifications to suit local conditions before the end of the Fourth Plan.

## (iii) Education of Girls and Women

The eleventh meeting of the National Council for Women Education was held in April, 1969 at New Delhi. It was proposed to try out some pilot projects to implement the various suggestions made by the Council as well as by the Directors of Education and Education Secretaries to improve the enrolment of girls in schools.

## (iv) University and Higher Education

The Sixth Conference of Vice-Chancellors was held on April 21-23, 1969. The Conference discussed National Policy on Education and made a number of significant recommendations regarding priorities and programmes in the field of higher education, enrolments in relation to man-power needs, admission policy, reform in the existing curriculum and system of examinations, teachers' education, governance of universities, including student participation in university affairs, the production of university level books, national service corps, national sports organisation and adult education. In pursuance of the recommendations, the University Grants Commission appointed various committees to consider various issues. The University Grants Commission also set up a Standing Advisory Committee on Education and Training and Social Work in July, 1969.

The Jawaharlal Nehru University, New Delhi was inaugurated on 14th November, 1969. The University took over the Institute of Russian Studies and arrangements were finalised to take over the Indian school of International Studies. The recommendations of the Gajendragadkar Committee on the Banaras Hindu University were fully implemented after passing the necessary legislation and a special grant-in-aid was made available to the University for improving its student services.

The University Grants Commission accepted the proposals for the establishment of a university at Amritsar in Punjab and a University in Himachal Pradesh. An ordinance was issued by the Government of Jammu & Kashmir for the establishment of a separate university at Jammu, in addition to that at Srinagar.

The erstwhile Punjab Agricultural University was bifurcated in February, 1970, as a result of which two independent Agricultural Universities viz., Punjab Agricultural University, Ludhiana and Haryana Agricultural University, Hissar came into existence.

During the year, the University Grants Commission accepted the proposals of the Madras and Karnataka University for the establishment of post-graduate centres at Coimbatore, Tiruchirapalli and Gulbarga. The UGC agreed to the establishment of a women's polytechnic at the SNDT Women's University, Bombay, and the introduction of a part-time post-graduate diploma course in business management at the Aligarh Muslim University and the South Gujarat University, and a one-year part-time post-graduate course in marketing sales management and personnel management at the Delhi University. The Review Committee on Rural Higher Education appointed in 1967 by the National Council for Rural Higher Education to review the progress of the scheme and to suggest ways and means for improving its working submitted its report in October, 1969. Its recommendations were approved by the National Council at its meeting held in November, 1969.

The All-India Scheme of National Service Programme was introduced in 40 selected university centres with a coverage of 40,000 students.

A committee was appointed to encourage selected universities to undertake specific measures of examination reform. Nineteen Universities have modified or reconstructed their courses and introduced the semester or trimester system in one form or the other. Some universities had adopted the system of sessional assignments and devised methods of continuing assessment.

Up to the end of the year under report, the Governments of Assam, West Bengal, Uttar Pradesh, Kerala, Maharashtra, Punjab, Haryana, Gujarat, Madras, Jammu & Kashmir, Bihar, Mysore, Rajasthan and Andhra Pradesh and the Union Administration of Pondicherry, Himachal Pradesh and Goa, Daman and Diu had taken steps to implement the revision of salary scales of pay of teachers as recommended by U.G.C.

#### (v) **Technical Education**

During the year under review the schemes and programmes of technical education carried over from the Third Five Year Plan were continued. However, the major events in technical education were the steps taken to improve the employment situation of engineering personnel and to improve the quality of engineering institutions and to relate them more closely to industry. The All India Council for Technical Education set up an expert committee to examine the question of bringing about radical changes in polytechnic education by reorganising their courses and training programmes. A comprehensive programme was formulated and was proposed to be implemented from 1970-71 in respect of the development of curriculum for engineering colleges and polytechnics and preparation of instructional materials, including text-books and reorganisation of laboratory experience. The demand for Technical Education further went down and the actual admissions during 1969-70 were 17,853 in degree courses and 26,588 in polytechnics, as against 18,455 and 27,254 respectively in 1968-69.

Besides the five Institutes of Technology, facilities for postgraduate courses were developed in over 30 selected institutions with an annual admission capacity of 2,000 students.

The programme of training of teachers for engineering colleges and summer institutes was continued during the year. However, the programme of practical training for engineering graduates and diploma holders was expanded, and during 1969-70 about 11,000 training places were secured in various industrial establishments out of which 9,568 seats were actually utilised. For the effective organisation and supervision of practical training, Boards of Apprenticeship Training were set up in four regions.

The National Institute for Training in Industrial Engineering conducted over 200 technical oriented courses for about 350 participants from industries. Besides, unitbased courses for about 200 participants from different groups of industries were organised.

In pursuance of the conference of Education Secretaries of States and Union Territories and the conference of Directors of Public Instruction/Education held in May, 1969, a Study Group on vocationalisation of school education was set up. The Study Group at its first meeting held in November, 1969 decided to set up five sub-groups to study the specific problems in this field.

#### (vi) **Social Education**

A National Board of Adult Education was established during the year mainly to advise State Governments on all matters relating to Adult Education and act as a clearing house of all ideas and information on adult education. Promotion of research, evaluation, etc., were some of the other functions assigned to the Board.

The programme of functional literacy taken up in high yielding and in operation in 10 districts was continued and it was envisaged to expand this programme during 1969-70 to cover 15 additional districts.

#### (vii) **Education of Scheduled Castes and Scheduled Tribes**

Special schemes for providing educational facilities to scheduled castes and scheduled tribes were continued during the year. These included award of post-matric scholarships, exemption from tuition fees and examination fees, provision of educational equipment, mid-day meals and Ashram schools, construction of hostel buildings for girls, and craftsmen training stipends.

The Tribal Education Unit of the National Council of Educational Research & Training prepared outlines of two projects namely, 'Pilot Project on the Education of the Scheduled Tribes' and 'Pilot Project on the Education of the Scheduled Castes'. The Unit also prepared a research project on 'A study of the Use of Scholarship received by Scheduled Tribes and Scheduled Castes Employees studying in Evening Classes in Delhi'.

#### (viii) **Sports and Games**

The All-India Council for Sports, that was reconstituted on November 14, 1968, held four meetings during the year under report and made recommendations on the various policy matters and on proposals for grant-in-aid received from sports federations for visit of Indian teams abroad and for inviting teams from foreign countries. It met the representatives of State Sports Councils of Bangalore and discussed with them the Fourth Plan programme for the development of sports and revised National Coaching Scheme. The Council also met sports centres at Bombay and the representatives of sports writers at Bombay and the representatives of the national sports federations to exchange views on organisational matters and development of sports in the Fourth Plan, etc.

#### (ix) **National Youth Services**

A conference of representatives of youth organisations, youth services agencies and youth leaders was held in New Delhi from 30th April to 2nd May 1969 to consider problems relating to non-students youth who form the bulk of population for the age group of 16-30, and to develop a common programme for national youth services. The Conference recommended a number of programmes on the basis of which a programme of youth services for non-student youth was drawn up and was proposed to be introduced from 1970-71.

#### (x) **Physical Education**

The national physical efficiency drive for 1969-70 was organised all over the country between November, 1969 to January, 1970. The Ninth All India Seminar on National Physical Efficiency Drive was organised at Gwalior from 28th to 30th September, 1969. The seminar made recommendations for accelerating the progress of the drive, which relate to periodical evaluation of the scheme with particular reference to technical and administrative aspects, special efforts to attract college and university students, awards by State Governments and model training-cum-testing centres. During the year, the national service corps programme intended to promote a sense of social responsibility and inculcate discipline and dignity of labour was being launched in 40 universities and other institutions covering about 40,000 youths.

A scheme which provided for giving of cash rewards every year to authors of the published literature in physical education and sports and games was finalised. Under this scheme 5 books were to be selected every year for a cash reward of Rs. 1,000 each for the authors and also for purchases of 250 copies each of the books, for free distributing among the physical education training institutions.

#### (xi) **Scholarships**

During the year, 406 scholarships were offered by various foreign Governments and organisations for study/research/training of India Nationals abroad. Of these, 333 scholarships were utilised. The Government of India reciprocated by offering scholarships to 56 students belonging to foreign countries under various schemes. Besides these schemes, Ministry of Education and Social Welfare also provided training places to the nationals of foreign countries under the Technical Cooperation Scheme of the Colombo Plan. Under the Partial Financial Assistance Scheme, 48 interest bearing refundable loans were granted to students proceeding abroad for higher studies/training for which adequate facilities were not available in India. A total sum of Rs. 1,61,778 was paid under the scheme of Overseas Scholarships to Scheduled Castes and Scheduled Tribes. 9 scholarships were awarded (6 for scheduled castes and 3 for scheduled tribes) under the schemes for Government of India Merit Scholarships for studies in Residential Schools, and awards were given to students whose parents' income was low. Under the National Scholarships Scheme, 206 awards were distributed among all the States and Union Territories. 500 awards were given under the National Scholarships Scheme for children of Schools Teachers. Besides various other miscellaneous scholarship schemes continued to operate for the benefit of students in various fields,

## (xii) Book Promotion

The National Board of School Textbooks set up under a Government resolution on December 31, 1968 held its first meeting on April 5-6, 1969 and made a number of valuable recommendations for production, publication and distribution of nationalised textbooks.

The All-India Conference on School Textbooks was held in New Delhi on January 15-16, 1970 to discuss problems relating to quality of school books, their production, pricing and distribution. The Department of Textbooks in the NCERT undertook the development of basic principles of preparing text-books and procedures for their evaluation concerning a number of school subjects and brought out a number of experimental editions of brochures.

Other major activities in the field of book promotion included the intensification of the programme of producing university-level books in Indian languages including the special programme developed for the production of core books at the national level, special arrangements for the production of Urdu books, further development of the collaborative schemes with U.K., U.S.A. and U.S.S.R. for production of editions of university-level books, introduction of a new scheme of subsidy to Indian authors of university level books, expansion of the programmes of the National Book Trust and especially the introduction of the schemes of *Nehru Bal Pustakalaya* and *Adan Pradan* for translating standard works in various languages, etc.

## (xiii) Development of Languages

A Central Institute of Indian Languages (Bhartiya Bhasha Sansthan) was established at Mysore in July, 1970 to promote the development of all Indian languages through inter-linguistic research. Under the scheme relating to appointment of teachers of modern Indian Languages in Hindi speaking States, being implemented by the Institute, four Regional Languages Centres were set up, one each at Mysore, Bhubaneswar, Poona and Patiala where teachers of Hindi speaking States were to be trained to teach modern Indian languages. Each centre provided training for a group of languages.

As per government resolution on the language policy as adopted by both the Houses of Parliament, the Government of India initiated a programme of production of books on regional languages at the first degree level with a view to formulating early adoption of regional languages as the media of instructions in as many disciplines as possible.

The Government also initiated a new scheme during the year to award fellowships to enable a proportion of outstanding students in science, humanities and social sciences subjects after the Master's degree to associate themselves with distinguished university teachers for purpose of undertaking writing of quality books at university level.

A scheme for the award of prizes to authors for writing books/manuscripts in any Indian language other than Hindi, Sanskrit and the language of the region or their mother tongue was also introduced and announced on 30th September, 1969.

The Study Group on Three Language Formula held two meetings on 3rd April, 1969 and 10th May, 1969 and recommended that every Hindi-speaking State should draw up a programme spread over a few years for the introduction of modern Indian languages, preferably from the South, as a part of its three-languages formula and begin its implementation in selected schools.

## (xiv) National Integration

The Government of India decided to set up a coordinating Committee for National Integration Samities. The main function of the Committee was to establish National Integration Samities in all the universities and central public undertakings where they did not exist, and to regulate, guide and finance their functioning under the auspices of the National Integration Council.

Following the recommendation of the Standing Committee of National Integration Council, two Committees were set up viz. Committee of Writers and Committee of Educationists and Leaders of Student Organisations, for formulating suitable programmes of national integration and their implementation.

Various programmes were undertaken by the National Council of Educational Research & Training and Kendriya Vidyalaya Sangathan for promoting national integration and these included organisation of series of inter-State camps for students and teachers, mix-up of major regional and linguistic groups to bring about understanding between them. In pursuance of the recommendation of a meeting of selected musicians and music experts held at the New Delhi on 8th May, 1969, for evolving a suitable repertoire of national songs in various Indian languages, the government decided to undertake a pilot project to begin with in schools in Bombay, Calcutta, Delhi and Madras and to train selected teachers from Delhi schools in community singing who in turn were expected to train student leaders in schools in their respective areas for organising and conducting youth choirs.

## STATE SECTOR

A brief account of the major developments in the field of education and other related activities in various States and Union Territories during the year 1969-70 is given below:

### *Andhra Pradesh*

Consequent to the introduction of integrated secondary education syllabus in classes VIII, IX and X during the school years 1966-67, 1967-68 and 1968-69, class XI was abolished with effect from the year 1969-70, while a two-year higher secondary course was introduced in the existing degree colleges and in some selected secondary schools now regarded as junior colleges. The new course is designated as the two-year intermediate course. An ad-hoc Board of Intermediate Studies was established to conduct a common examination of all areas of the State for the two-year intermediate course.

A scheme for the award of special scholarships to women was introduced in 1969-70 for encouraging them to take up post-matriculation studies leading to M. Ed. degree and post-graduate studies in mathematics and physics in which there was considerable dearth, the rate of scholarship being Rs. 100 per month in degree and B. Ed. course and Rs. 150 per month in the post-graduate courses payable for ten months in a year.

### *Assam*

A scheme was prepared to open more pre-primary schools as well as pre-primary model classes all over Assam. The UNICEF scheme of teaching of science in primary schools was introduced during the year. Publication of the standard text-books for primary schools was undertaken through the agencies of the Board of Text Book Production and Research, Assam and revised curriculum and syllabus was prepared and distributed to primary schools. In order to reduce the wastage, steps were taken to reduce the number of single teacher primary schools and convert them into plural teacher schools to increase the number of teachers at primary stage and to get more untrained teachers trained. For the promotion of girls' education, residential quarters had been set up for women teachers in rural and backward areas.

The evening shift was opened in the post-graduate training college, Jorhat, and a number of seats in other training colleges was also increased to impart training to teachers of secondary schools.

### *Bihar*

The State Government decided to make the following four colleges as constituent colleges of the university (i) M.S. College, Motihari (ii) Marwari College, Bhagalpur (iii) Nalanda College, Bihar Sheel. A sum of Rs. 68,000 was granted to non-government middle schools for the development of science. Workshops for science teachers were organised in six districts of the State.

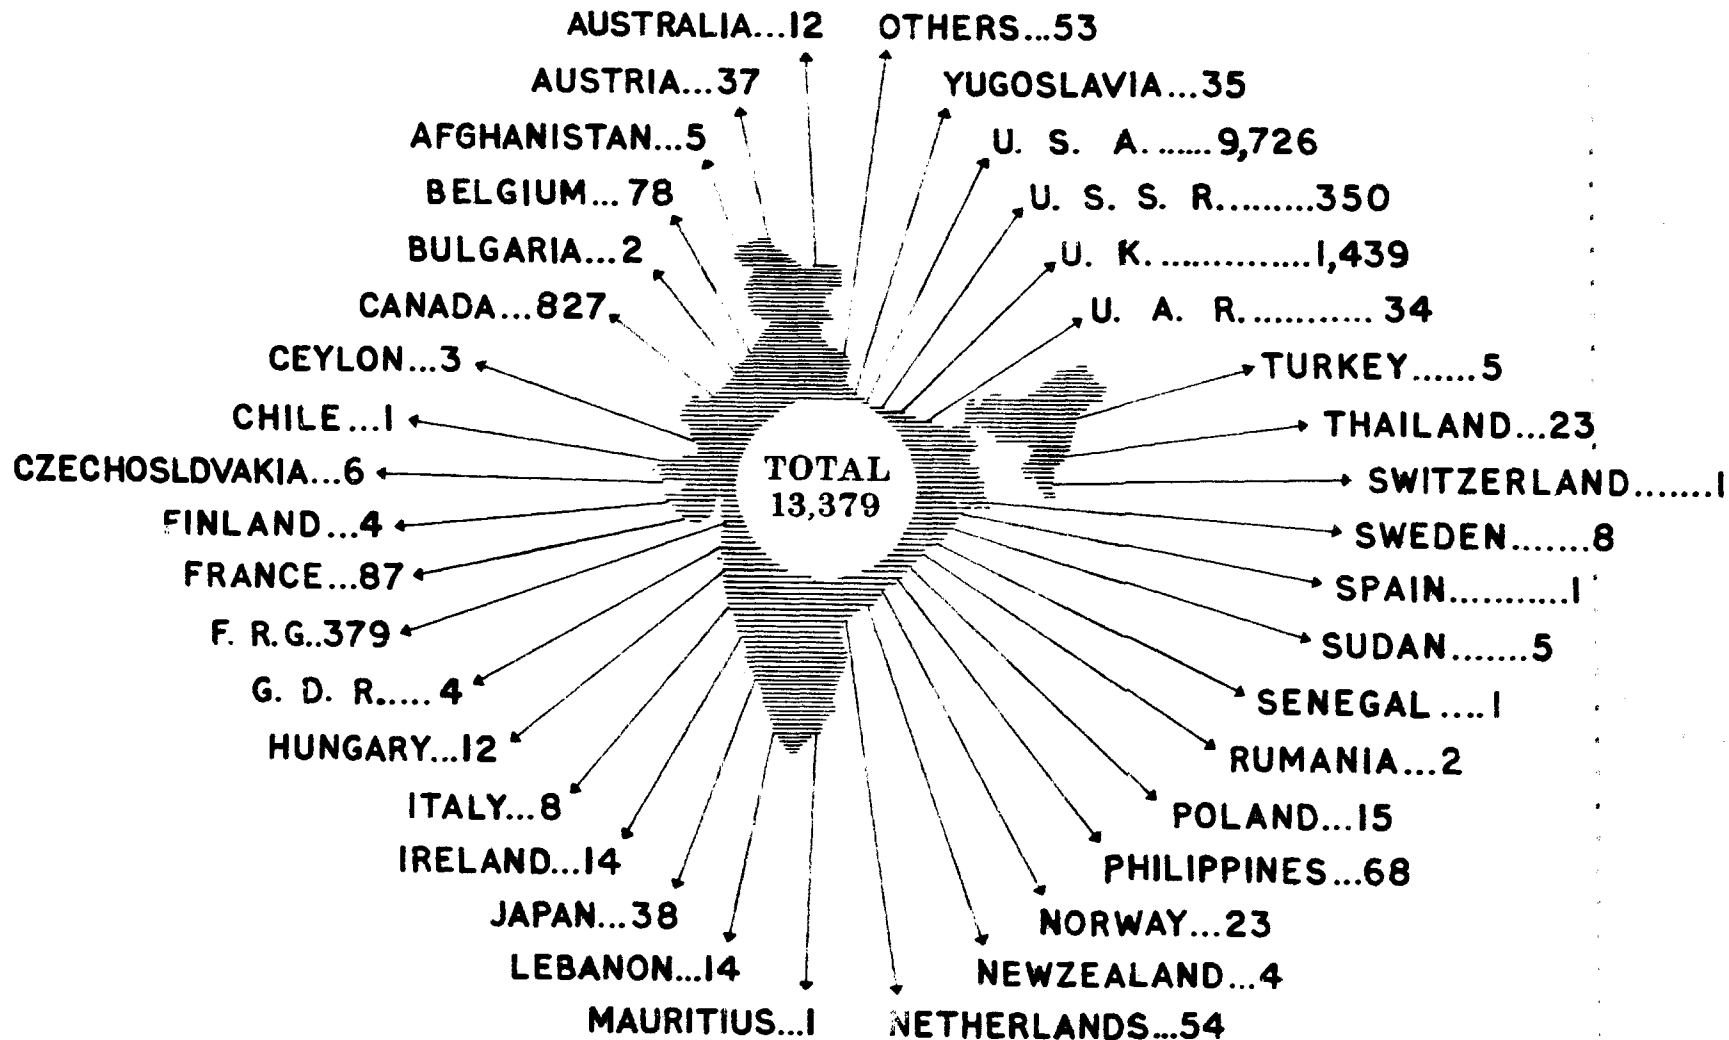

### *Gujarat*

Education of the girls studying in standards VIII and IX of the secondary schools was made free during the year. This facility was extended to next classes gradually in subsequent years. Government decided to reimburse the tuition fees in respect of such students at the prescribed rate.

A Board was constituted for the production of school text-books at State level according to the curriculum prescribed for primary and secondary schools. An industrial Liaison Board was also established with a view to providing guidelines and submitting the proposals of programmes pertaining to the development of technical education at the degree as well as diploma levels drafted by the representatives of technical institutions and industries.

# INDIAN STUDENTS ABROAD

AS ON 1-1-1970

### *Haryana*

Haryana Examination Board was set up during the year. A State Institute of Education was set up at Karnal for conducting research in basic education and improving primary education. The institute organised a number of science workshop seminars. Grants-in-aid amounting to Rs. 13.50 lakhs were given in 1969-70 to non-government colleges in respect of pay scales of teachers that were revised with effect from 1-11-66.

An Indo-CARE feeding scheme was introduced in 1969-70 under the scheme of improving and developing primary education during the Fourth Plan period.

### *Jammu and Kashmir*

A separate university namely, Jammu university was established at Jammu during the year. A law faculty in Jammu university and a commerce faculty in Kashmir university were also set up.

School broadcasting scheme was introduced in Kashmir Valley for the first time covering 53 schools. A Sainik school at Nagrata in Jammu also started functioning during the year.

### *Kerala*

Three more educational districts were formed during the year bringing the total of such districts to 27. The new districts were Neyyattinkara, Tirur and Cannanore. The post of Additional District Officer, Trivandrum was abolished during the year.

Syllabi in social studies, mathematics and general science were finalised and the text-books were prepared and sent to press for various standards.

The State Education Advisory Board had recommended that the age of admission of pupils to standard I should be 5 and that it should be raised to 5½ from 1970-71 onwards with a view to eventually raising it to 6+. The Government partially accepted this recommendation and ordered the age of admission to standard I to be 5+ in 1969-70.

The Board also recommended that the instructional hours should be increased to 1200 in a year to implement the revised curricula. The Board also made important recommendations in regard to study of languages at school stages.

The scholarships rules and pattern of distribution of various kinds of scholarships were revised during the year. Besides, girl pupils of Muslim community were given special scholarships.

The Sainik schools switched over to the new scheme of higher secondary certificate course from the academic year 1969.

### *Madhya Pradesh*

The system of 12 year schooling that was introduced in 1968-69 by extending schooling by one year on the recommendation of Kothari Commission was ended in 1969-70 and the old system of 11 year of school education was reintroduced. The Madhya Pradesh Text Book cooperation that was established in 1968-69 for improving the text-books, prepared translation of text-books in Hindi, Marathi, Urdu and Sanskrit for the study of the students having these languages as their mother tongue. Under the Re-organisation Scheme of Science Education, science lecturers were imparted special science training.

Correspondence courses for social (adult) education for women were started during the year.

### *Maharashtra*

The important developments in the field of education were the publication of a White Paper on Policy on Educational Reconstruction in Maharashtra State; introduction of revised pay scales of teachers in primary schools as recommended by Budkas Pay Commission, bringing about qualitative improvement in education at primary level, revision of syllabus at teacher training level by introducing subjects of

work experience and community living, and establishment of a separate cell at the Directorate of Technical Education for introducing scheme of correspondence courses in technical education for diploma examination in civil, technical and electrical engineering.

### *Punjab*

As part of the celebration of Guru Nanak's Quincentenary, Guru Nanak University was set up in November, 1969 and it started functioning in 1970-71. The districts of Amritsar, Sangrur and Ferozepur were rescheduled for starting the farmers' functional literacy programme in 1970-71.

### *Rajasthan*

Owing to the existence of a large number of B.S.T.C. schools, all the 29 boys' B.S.T.C. schools were closed down. The duration of the elementary teacher training school course was increased to two years instead of one year. For the vocationalisation of secondary education, science was introduced in 6 schools (3 secondary schools and 3 higher secondary schools) biology in 93 schools (55 secondary schools and 38 higher secondary schools), agriculture in 4 schools (2 secondary schools and 2 higher secondary schools) and commerce in only one secondary school.

### *Tamil Nadu*

A committee was appointed to go into the question relating to service condition of teachers in aided elementary and secondary schools including non-teaching staff. The schemes for the enrolment of 1.5 lakhs of pupils of the age group 6-11 and the appointment of 3,600 teachers, and also enrolment of 60,000 additional pupils of the age-group 14-17 in secondary schools and the appointment of 1500 teachers were sanctioned. The terms of the family pension admissible to teachers coming under the Madras Teachers' Contributory Provident Fund Insurance Pension Rules, 1958, were liberalised. Various seminars were held on improvement in the quality of education, improvement of SSLC results, etc. A government school for the blind was opened at Sivaganga during the year. The second reorientation training course under the farmers functional literacy programme in the same blocks were started. Besides these, the government sanctioned the starting of further 60 centres in Thanjavur District under the farmers functional literacy programme during the year and the opening of 500 adult literacy centres of four months' duration.

### *Uttar Pradesh*

Agriculture and crafts were made compulsory with a view to improving the syllabi of senior basic schools. The estimated value of the agriculture produced by the students was Rs. 31 lakhs. To improve middle school education emphasis was laid on three objectives : (i) increasing the standard of middle education, (ii) increasing the educational facilities, and (iii) encouraging the students for science education.

State Hindi Sansthan was established with a view to increasing the level of teaching at various levels of education. Main function of the Sansthan were : (i) training of junior and higher secondary school Hindi teachers; (ii) organising refresher courses for those teachers; and (iii) preparation of suitable syllabus.

Meerut University introduced semester system and started correspondence course and M. Phil. classes. For the establishment of Nehru Gram Bharati Institute, Allahabad, a provision of Rs. 1,00,000 was made. Three diversified courses were started during the year 1969-70 in various technical institutions viz. (i) post-diploma course in automobile engineering in Govt. Polytechnic Institute, Lucknow, (ii) post-diploma course in air conditioning and refrigeration in Murlidhar Gajananand Technical Institute, Hathras, and (iii) post-diploma course in industrial electronics at Allahabad Polytechnic Institute, Allahabad. In Allahabad Polytechnic Institute, Allahabad, a training-cum-production centre was started.

### *West Bengal*

Steps were taken to minimise wastage and stagnation in the primary stage by providing free supply of text-books to all the students of classes I & II and offering attendance scholarships to girl students. During the year, primary education was made compulsory in the rural areas of Purulia district. The scheme of free and compulsory elementary education was introduced in 13 municipality areas of the State. In Calcutta Corporation area 1.04 lakhs children receiving primary education were brought under the GOWB-CARE school meal programme. The scheme for terminal benefits to the teaching and non-teaching staff of aided secondary schools by way of pension and gratuity was given effect to.

*Assamachal Pradesh*

Hindi was introduced as a compulsory subject in class III of Assamese medium schools. The midday meals scheme could not be introduced as a regular feature for want of funds. Eight NCC units were raised during the year.

*Chandigarh*

The Triple Benefits Scheme (Provident Fund, Insurance and Pension) was extended to permanent teachers in the union territory.

*Dadra and Nagar Haveli*

The activities of the national cadet corps for boys and girls were carried out in two secondary schools at Silvassa and Naroli during the year.

*Delhi*

In order to meet the increased demand for admissions, additional capacity was created in the existing colleges. Post-graduate diploma course in science was started by Delhi University to overcome shortage of post-graduate science teachers. Study centres were opened in various institutions for those students who did not have the facility of rooms for study at homes. Vocational guidance service was introduced in 60 schools. The standard of science syllabus at higher secondary stage was raised by the Central Board of Secondary Education, Delhi.

The preparation of scheme of teaching (courses) on television was taken up. Television lessons were to be sent to 150 schools for valuation. A television news-letter was also issued. Various cultural programmes were organised in connection with the Gandhi Centenary.

*Himachal Pradesh*

A State Board of School Education was set up with its headquarters at Simla. In collaboration with the Punjab University, M. Sc. classes in physics and chemistry were started in the Regional Centre of Post-Graduate Studies at Simla. A sum of Rs. 1.26 lakhs was utilised for the development of Mountaineering Institute at Manali. Two district libraries were started, one each at Kulu and Lahul & Spiti. Besides numerous other scholarships and financial concessions awarded, 2644 students in Lahul & Spiti were covered under a special scholarship programme involving an amount of Rs. 1.57 lakhs. In order to increase the number of girls in schools and to encourage their education, the Education Department provided incentives in 1969-70 by way of (i) village allowance to lady teachers, (ii) attendance scholarships in classes I-VIII, (iii) free clothing for school dress, and (iv) freeships. Youth sports festivals were organised for school and college youths. 125 primary schools and 40 middle schools were supplied science equipment. In close cooperation with the panchayats, 200 one-room buildings were constructed for elementary education.

*L. M. & A. Islands*

Consequent on the opening of a separate girls' section for high classes in High School, Kalpeni, a girls' hostel at Kalpeni was opened there during the year, abolishing the girls' hostel at Amindivi. The national physical efficiency drive test was conducted in three permanent testing centres in January, 1970.

*Manipur*

Hindi Inspectorate was strengthened by creating of one post of Inspector of Schools and one post of Sub-Inspector of Schools.

*Tripura*

To draw more enrolments in the schools and also to check wastage and stagnation, financial assistance of various forms such as book grants, attendance scholarships, etc., were provided to deserving students. Besides, more furniture and equipments were provided. Three senior basic schools were selected for improvement of science teaching. Science equipment was also provided in three higher secondary schools for improvement of science teaching. A Bir Bikram Evening College was started by the Government during the year. Some improvements were made in the syllabus of basic training colleges. Some special education centres were reconstructed, short course training camps on adult literacy organised and a new method of teaching was introduced in some centres.

## STATISTICS

### Institutions

The total number of educational institutions in the country decreased from 16,58,711 (7,97,019 for boys and 8,61,692 for girls) in 1968-69 to 7,52,054 (5,40,070 for boys and 2,11,984 for girls) in 1969-70. This shows a decrease of 54.7 per cent. The distribution of the total number of institutions according to type of education with comparative figures for the previous year is given in Table 1.01. The large decrease in the number of institutions is mainly in the case of schools for social (adult) education which decreased mainly in Maharashtra. Excluding the social (adult) education centres, there was increase in the number of institutions which, however, was only 5,42,323 or 1.6 per cent as compared to 0.38 per cent in the previous year. The increase was noticeable in all types of institutions except under-graduate colleges for professional education. The number of institutions located in rural areas formed 87.6 per cent of the total number of institutions in the country.

### Enrolment

The number of pupils receiving instruction in all types of recognised institutions decreased by 19,67,180 from 8,29,94,257 (5,35,57,058 boys and 2,94,37,199 girls) in 1968-69 to 8,10,27,077 (5,28,98,133 boys and 2,81,28,944 girls) in 1969-70, thus showing a decrease of 2.4 per cent. This decrease was mainly on account of enormous fall in the enrolment in social (adult) education centres in Maharashtra, the number of which too decreased enormously, as already mentioned. Excluding the enrolment of social (adult) education, the enrolment increased by 2.6 per cent. Girl students constituted 34.6 per cent of the total enrolment as compared to 35.5 per cent in the previous year. Although as many as 87.6 per cent institutions were located in rural areas, only 69.4 per cent of the total enrolment were studying in such institutions. The distribution of pupils by type of institutions and their number according to stage of instruction is given in Table 1.02 and Table 1.03 respectively. The huge decrease in enrolment in other Education of school level was due to enormous decrease in enrolment in social (adult) education during the year. Of the total enrolment, 65.7 per cent students were at primary stage, 17.0 per cent at middle stage and 9.6 per cent at high and higher secondary stage. The distribution of remaining students was as follows: pre-primary stage 0.4 per cent, vocational/special/other education (schools standard) 3.2 per cent, general collegiate education 2.8 per cent, and professional and other collegiate education 1.3 per cent.

Educational facilities were available to 78.0 per cent of the school-going children in the age-group 6-11 (classes I-V), to 33.6 per cent in the age group 11-14 (classes VI-VIII), 18.3 per cent in the age-group 14-17 (classes IX-XI) and to 3.7 per cent in the age-group 17-23 (University stage). In the previous year, these percentages were 78.1; 33.5; 18.3 and 3.3 respectively. State-wise picture of the schooling facilities is depicted in Table 1.04.

### Teachers

The total number of teachers in all the recognised institutions increased from 23,87,657 (18,45,910 men and 5,41,747 women) in 1968-69 to 24,566,060 (19,00,833 men and 5,65,227 women). Women teachers formed 22.9 per cent of the total number of teachers as against 22.7 per cent in the previous year. The number of teachers increased in all categories of institutions except research institutions and schools for other education. The details of teachers by type of institutions and level are given in Table 1.05.

### Expenditure

The total expenditure on education amounted to Rs. 1,008 crores in 1969-70 as against 898 crores in 1968-69, showing an increase of 12.2 per cent. As usual, Government contributed the maximum i.e. 75.5 per cent of the total expenditure while contribution by local bodies, universities, fees and endowments & other sources was 3.8 per cent, 1.2 per cent, 13.3 per cent and 6.2 per cent respectively. The highest percentage increase was in case of Government funds (15.7 per cent), followed by university funds (11.4 per cent), fees (6.1 per cent), and endowments & other sources (4.7 per cent), while contribution from local body funds showed a percentage decrease of 12.9.

Of the total expenditure, Rs. 861 crores was direct expenditure which formed 85.4 per cent of the total expenditure on Education. The balance of Rs. 147 crores comprised of indirect expenditure forming 14.4 per cent of the total expenditure. The corresponding percentages of direct expenditure and indirect expenditure in the previous year were 85 and 15 respectively. Of the total direct expenditure,

highest was expended on high and higher secondary schools (28.3 per cent), followed by primary and junior basic schools (24.3 per cent), middle/senior basic/junior high schools (17.8 per cent), colleges for professional education (9.3 per cent), colleges for General education (9.2 per cent), universities and teaching departments (6.2 per cent), institutions of national importance and boards of examination (1.1 per cent each), and schools for vocational/professional education (1.6 per cent). In the remaining types of institutions viz. institutions deemed to be universities, research institutions, colleges for other education, pre-primary/pre-basic schools, schools for special education and schools for other education, the percentage in respect of direct expenditure incurred was less than 1 per cent.

Of the indirect expenditure, 14.5 per cent was spent on direction and inspection, 23.9 per cent on buildings, 33.3 per cent on scholarships and other financial concessions, 11.7 per cent on equipment, 4.1 per cent on hostels and 12.2 per cent on other items.

The details of the sourcewise distribution of total expenditure on education are given in Table 1.66, while the details of expenditure by heads of charges are given in Table 1.07 for the year 1968-69 and 1969-70.
