DOC. No. D-1947.....
Date..... 12/12/20

I N T R O D U C T I O N

The Statistical Hand Book 1980-81 of Arunachal Pradesh presents official statistics as obtained from different Government Departments of the Territory and some of the Central Organisations working in the territory. Sources of data are indicated at the bottom of the tables.

It may be mentioned that as per the recommendations of the Technical Working Group appointed by the Central Statistical Organisation, Government of India on standardisation of Statistical Abstract/Hand Books brought out by the States, the title of the publication will be uniformly statistical abstract in all the States and Union Territories and the year will refer to calendar year with statistics presented within for agricultural or financial year etc ending within the calendar year under reference. The committee also suggested uniform sets of core tables leaving the states and territories to present other tables relevant to them. We are proposing to issue the next publication with the title 'Statistical Abstract of Arunachal Pradesh 1982' on the lines recommended by the Technical Working Group.

Looking at the bottlenecks of printing of the hand book etc and also in view of modifications which may be done for the next issue, this hand book for 1980-81 has therefore been issued in a concise cyclostyled form.

We acknowledge with thanks the cooperation from various organisations of the Govt of Arunachal Pradesh and other Government of India agencies. Thanks are due to the officers and staff of this Directorate (name listed in appendix 'A') who have helped in bringing out this publication.

Dae³ Shillong, the
27th April, 1983.

H. C. Sharma
(H. C. SHARMA)
Deputy Director
I/C Directorate of Economics & Statistics
Government of Arunachal Pradesh
S H I L L O N G - 793 001.
