This is the first Educational Atlas of Jammu and Kashmir being brought out by the Education Department. The Atlas forms a part of the 4th All India Educational Survey conducted in the J&K State. The need for such an Atlas was felt over a long period but could not be published earlier due to various reasons.

The maps indicate population, Schooling Facilities etc. at Village level. One of the most interesting phenomena of this publication is that information regarding the Educational trends in Jammu and Kashmir State is available at a glance.

Education Department.

I am thankful to Shri K. R. Sharma, Assistant Director and other staff of the Department for making necessary arrangements for printing of the Atlas, especially for full co-operation generated by the field officers viz. District and Tehsil Educational Planning Assistants.

Above all this publication has become possible due to persistent efforts and talents put in force by Shri Abdul Rashid, Draftsman of this office for which he deserves commendation.

Last but not least mention must be made about Shri H. K. Sharma, General Manager, Government Printing Press, Srinagar, Shri Nisar Ahmad Camera-man and Mono Section for their cooperation in bringing out the Atlas.
