(F O R E - O R D)

Development plans of any area cannot be prepared without reliable agro-socio-economic data. In these days of planning for development the importance of Statistics cannot be over emphasised. It is expected that this Statistical Hand Book which has incorporated all available upto date data will meet the needs of the Planners and Administrators.

I appreciate the honesty and hard labour put in by Shri Y. Manjao Singh, Deputy Director of Economics & Statistics/District Statistical Officer (Central), Imphal and his staff in bringing out this reference book in time.

P R E F A C E

The " District Statistical Handbook, Manipur Central District, 1980 " is the third issue of its kind brought out by the Directorate of Economics & Statistics, Government of Manipur, Imphal.

Reliable serial statistics at the district level are not generally available in respect of various sectors and the publication of District Handbooks is an attempt to collect and maintain such statistics at the district level. The various data contained in this hand book are collected by the District Statistical Office, Manipur Central District under the supervision of Shri Y. Manjoo Singh, District Statistical Officer, Manipur Central District.

It is hoped that the issue of District Statistical Hand Books may fulfill the long-left need of district-wise statistical information.

Suggestions for improvement of the publication in its future issues will be gratefully received.
