Publication of a hand book containing list of schools providing formal schools Education is the annual feature of the Planning and Statistics Sections of the Directorate of Education (Schools).. The similar hand book could not be brought out for the year, 1993-94 as it was covered by the 6th All India Educational Survey for which final report is still awaiting. With the sincere efforts and hard working of the Staff members of this Section, all cares have been taken to avoid any sort of errors while preparing the list. However, the list, being for official used only, while using data for other purposes, formal authentication and permission of the Director of Education (Schools) should be obtained.

Suggestions from users, researchers and officials, for improvement of the list, will be appreciated.

30th December, 1995.

(B.C. Sharma)
ADDL. DIRECTOR OF EDUCATION (PLS),
GOVERNMENT OF MANIPUR.
