A WORD

School - List is a very important need for Educational Administration in general and for collection of data in particular. Keeping this in view Planning and Statistics section on this Directorate has prepared and produced this school list with the help of District Education Officers, Inspector of Schools and Circle Deputy Inspectors of Schools. This list being purely meant for statistical purpose it cannot be used as a document for any evidence. Lastly but not the least thank goes to the Director of Education (S) for his co-operation in producing this list.
