ANNUAL WORK PLAN & BUDGET 1999-2000

DISTRICT PALAKKAD

DISTRICT PRIMARY EDUCATION PROGRAMME

-54839 372 KER-A 54839 312 A KERA

PROFILE OF THE DISTRICT.

The formation of Palakkad district was on 1st January 1957. This district, situated almost in the center of the state, has no coastline. The district opens the state to the rest of the country through the palakkad gap. This 32 to 40 kms wide natural gap in the 960 kms. Long western Ghats is perhaps the most influential factor for the unique characteristics of the district such as climate, commercial as well as cultural exchanges between the state and the rest of the country. Palakkad witnessed invasions of historical importance that have left indelible impressions on the history of kerala.

Geographical Demographic Features of the District.

Palakkad district lies between north latitude 10-6 and 10-59 and east longitude 76-28 and 76-39. It is bounded on the east by the Coimbatore district of Tamilnadu, on the north and north west by Malappuram district and on the south by Thrissur district. The climate of the district is tropical. During dry weather, hot winds blow from the burning plains of Coimbatore through the Palakkad gap.

This district is divided into two natural divisions midland and highland. The midland region consists of valleys and plains. Bharathapuzha, with her tributaries, sprawls across the entire district. The main tributaries are Gayathri puzha, Kannadi puzha, Kalpathy puzha and Thutha pzha The silent valley area 46 kms. from Mannarkkad town, has the distinction of being a rain forest, very rare in the world. It is spread over an area of about 9000 hectors. This thick forest is rich in some of the rare species of plants and animals. This area is declared as a National park.

This district has a total area of 4480 sq:kms. There are 13 CD blocks, 90 GramaPanchayaths and four Municipalities. The total population of the district according to 1991 census is 22,82,235 out of which female population is 12,26,413.

PROJECT POPULATION AS ON 1st MARCH

YEAR	1996	1997	1998	1999	2000
POPULATION	25,47,000	25,82,000	26,16,000	26,52,000, 2	6,87,000

Sex ratio of the district is 1061 female to 1000 males. Density of population is 532. Per capita income is 5376 Nearly 76 % of the population belongs to the Hindu Community. The Muslim Community is the second largest forming 21.2% of the population. The numerical strength of Christian Community in the district according to 1991 census is 76690. The forest region of Palakkad district is notable for its tribal population. Irular, Kurumbar, Mudugar, Eravalas, Malamalasar, Malasar, Kadar, Malayar etc are the tribals in these forests. Attappady is an important centre of tribal people. The scheduled caste population in the district is 3,78,548 and that of ST population is 35374.

There is a migrant population in the district from the nearby Tamilnadu, which accounts for .15% of the total population.

SOCIO ECONOMIC FEATURES

In Palakkad district 8,77,809 people are workers. Of them 5,72,539 are males and 3,05,270 are females. As in any part of the state the socio and economic status of the people in the district is undergoing changes. The breaking up of the joint family system and the increasing partition of old 'Taravads' has led to the disappearance of the importance of High caste Hindus in the society. A survey of the social and economic scene shows that those of education, employment, trade commerce and industry have replaced the values based on caste and land in recent times.

'Rice bowl of Kerala is the synonym for Palakkad. The net cultivated area of the district is 284 lakh hectares, ie 64% of the geographical area. Food crops account for about 80% of the gross cropped area and paddy alone accounts for about 60% of it. Cocunut, Groundnut, cotton, sugarcane, pepper banana and cashew are some of the majorcash crops raised. Traditionally agricultural based Palakkad is all set to be the industrial capital of the state. The department of industries and commerce has identified the Kanjikode belt, connecting Palakkad and Coimbatore as an area for industrial development. The excellent infrastructure facilities like NH-47, trunk railway line, near by airport at Cochin, Calicut and Coimbatore, cheap availability of land and labour, cheap power and water etc are the main attractions of industrialists.

Cultural and Linguistic Features

The proximity and easy approach to Tamilnadu have caused the admixture of malayalam and tamil culture, here. Palakkad district has a glorious cultural tradition, worthy contributions have been made by talented artists of this district for maintaining and enriching the classical dance forms of Kerala. The musical tradition of Palakkad district is unchallenged. The district has been blessed with the birth of late sri Chembai Vaidianatha Bhagavathar, the exponent of Karnatic music and sri. Palakkad Mani aiyer, the inimitable mastro of Mridangam.

Konganpada is a grand festival of historical importance celebrated in the Bhagavathy temple at Chittur. There is an ancient jain Temple at Jainamedu, near palakkad town. Kalpathy Viswanathaswamy temple is the oldest siva temple in malabar. The district is gifted with the beauty of virgin and verdant Nelliampathy hills, the precious and unique Silent valley national park, the famous parambikulam wild life sanctuary, Attappadi hills and more than half a dozen dams like Malampuzha, Mangalam, Pothundy, Kanjirapuzha, Siruvani and Parambikulam.

DPEP, PALAKKAD

IMPLEMENTATION OF ACTIVITIES, ACHIEVEMENTS AND CONSTRAINTS

I. Management and Planning capacity Development.

- District Project office has been set up.
- District functionaries have been appointed.
- Furniture, equipment's and vehicles have been procured.
- Computer system has been installed and computer programmer and data entry operator has been appointed. Computer cabin with furniture provided
- Photocopier and telephone supplied to DIET.
- II BRC's have been set up with staff.
- Furniture procured for office functioning, and civil works is almost completed.
- 125 Cluster Resource Centers have been identified and made functional. Civil works is in good progress in 87 Govt, schools. All CRC's have been given a grant for Rs 20000/- each for augmentation.

II. Programme to reduce dropouts.

- 90 Village Education committee under the chairman ship of Panchayath President and 4 MEC's under the chairman ship of Municipal chairman have been formed and orientation given. School grant @ Rs.2000 per school per annum has been distributed to 869 schools.
- Best school among socially and economically backward groups has been selected by VEC's and BAC's.
- PTA/MTA and SWC formed on 869 schools and orientation given.
- Educational officers have been oriented on the Programmes of DPEP and pedagogical renewal.
- Teacher's organisation representatives have been frequently convened and oriented
- Block level functionaries have been oriented.
- DPEP Pamphlets printed and distributed to all stake holders and boards/banners displayed by all VEC's.
- Exhibition arranged at District level during 1997-98 and 98-99. All BRC's conducted exhibition and seminar at BRC level.
- Under facilities improvement the following work is in good progress.
 - al 11 school buildings to replace rented schools (55 class rooms).
 - bl 14 toilets.
 - cl 167 class rooms.
 - d] Minor work in 6 schools.
 - e] Major work in 6 schools.
- To maximise enrollment and retention in tribal areas, Tribal volunteers have been appointed and assigned work.

- Annual Work Plan and Budget has been prepared on the basis of school plan, Panchayath Plan and Block Plan etc.
- Orientation was given to teachers to identify the children with learning disabilities.
- District level monitoring cell has been formed to give suggestions for improving programme.
- Tribal volunteers have been oriented to identify whether gender discrimination exist among the children in the age group 5-14.

III. Programmes to improve learning achievement.

- BRC co-ordinators and trainers have been trained on activity based, child centered class room practice and evaluation techniques.
- All teachers of Std.1 to 4 have been trained on activity based, child centered class room practice and evaluation techniques.
- Cluster level teacher meeting arranged for sharing class room experiences and planning for better class room transactions.
- Free supply of text book and notes to girls and SC/ST boys.
- 6 issues of DPEP news letter printed and distributed.
- One Academic Co-ordinator and four teachers conducted action research in language and mathematics during 97-98 In 98-99 11 Academic Co-ordinators, 11 BRC trainers, 22 teachers were given orientation on action research and their were is in progress.
- District Core Team has been formed for imparting training to Angan wadiworkers in November/December with social welfare department and the training is in progress, selected Anganwadi workers, supervisors, CDPO have been oriented.
- Teacher grant @ Rs.500/- per teacher per annum has been distributed to 6000 teachers to prepare low cost teaching aids.
- 2 year pre-service teacher training to 40 SC/ST students started at DIET.
- Library grant @ Rs.1000/- and library shelf @ Rs.2300 has been distributed to 760 schools in 1997-98 and Rs.2000 each in 1998-99 to 869 schools.
- Tribal link language material has been prepared.
- Block level orientation to Head Masters of primary schools for the effective implementation of DPEP activities in schools.
- Block level Head Masters conference held on civil works to be carried out in the schools concerned.
- Volunteer teachers have been appointed in remote tribal areas.

I. Programme to improve access.

- School mapping completed in connection with opening of 10 new schools and survey report submitted.
- Identified localities for starting 10 multi grade learning centers.

Achivements.

- District, sub district and Grama Panchayath level structure have been established with required infra structural facilities which will form part of the Main Education System for sustaining the programmes of quality education.
- Ensured the co-operation of functionaries at different level for the success and sustainability of the programme.
- Progress of civil work is as on below.

No.	Estimate In lakhs.
11	52.45
11	57.75
14	7
167	200,4
12	86.4
6	1.5
6	6
4	111.5
	11 14 167 72 6

- Enrollment in tribal areas slightly increased.
- Micro level plauning ensured.
- Teachers are aware of the learning disabilities in children.
- Educational officers, BRC Co-ordinators, trainers and teachers are equipped in the activity based child centered class room practices and evaluation technique
- Teachers are able to identify the class room problems and their solution through discussion in CRC meeting
- Text books and note books are made available to the deserving children
- Teachers are able to prepare low cost teaching aids.
- Reading habits of teachers and children increased.
- Children have significantly improved in expression, interaction, creativity and enquiry thirst.

Constraints

- There is internal resistance to internalise the change envisaged in DPEP (school level, parents level, media)
- Delay in distribution of text books.
- In sufficient co ordination.
 - a) Intra Department
- b) Inter Department
- Inadequate number of dedicated persons.

III. PLAN OVERVIEW

A. PROCESS OF PLAN PREPARATION

For evolving ways of identifying needs and community aspirations and incorporating these in to the district plan, DPEP Palakkad did not adopt a single process. Since we want our plans to be need based we made a sincere attempt to make the planning process decentralised and participative.

ACTION PLAN FOR PARTICIPATORY PLANNING PROCESS FOR PREPARING

ANNUAL WORK PLAN AND BUDGET FOR 1999 - 2000. --- DPEP PALAKKAD.

BACK GROUND.

During 1998 – 99, DPEP Palakkad initiated a comprehensive micro level planning in connection with the preparation of Annual Work Plan and Budget. As a result of this micro planning exercise, every school in the district evolved a school education plan, every Panchayath a Panchayath education plan, every Block a Block education plan and at the district level the district plan. This year also the AWP and Budget for DPEP Palakkad will be prepared in a participatory manner but with some changes.

Since we have already a school plan in which activities are planed for short term and long term period, it is not desirable to repeat the same this year. This year we have to review the progress of each activity, list out the priorities for the current year and also make fresh proposals for addressing present issues. A detailed plan of action for planning at various levels is discussed below.

I. <u>PLANNING</u>

A. SCHOOL EDUCATION PLAN

PARTICIPANTS:

All teachers.

5 members from PTA executive committee,

5 members from MTA executive committee,

6 members from SWC.

1 Social worker / Educationalist.

Date: 22-2-99

PROCESS:

- 1. Review of activities that had been planned for 1998-99
- 2. List out the activities assigned for this year from the SEP.
- 3. Discussion on fresh proposals.
- 4 Identify the funding agency and task force for implementation

5. List out all activities planned for the current year with a detailed description, funding agency, implementing agency, time factor and monitoring system.

B. PANCHAYATH EDUCATION PLAN.

PARTICIPANTS:

- 1. VEC executive committee members.
- 2 Task force members of Grama Panchayath.
- 3 All SSG convenors.

Date: 24/25 February 1999.

PROCESS:

- 1. Review of activities planned for 1998-99.
- 2. Analyse the new SEP's and determine the VEC level activities
- 3. Identify the VEC's own proposals.
- 4. Consolidation of VEC level activities.
- 5. Preparing a Panchayath education plan in the prescribed format. (S1. No. Name of activities, funding agency, implementing agency, time schedules and monitoring system.)

C. BLOCK EDUCATION PLAN.

PARTICIPANTS:

- 1. 5 Selected members from the BAC
- 2. All trainers and co-ordinators.
- 3. VEC secretaries/ representatives/ VEC chairman/ standing committee chairman.
- 4. Assistant Educational Officer.
- 5. Members of the Task Force for Decentralised planning at block level.

Date: 2nd or 3rd march 1999.

PROCESS:

- 1. Review of activities.
- 2. Analyse the new VEC proposals.
- 3. Identify the fresh proposals for the current year.

4. Preparation of Block Education Plan in the format (SL. No. Name of activities, funding agency, implementing agency, time schedule.)

D. <u>DISTRICT PLAN PREPARATION.</u>

PARTICIPANTS:

- 1. 5 Representatives from DAB.
- 2. District Project Co-ordinator and all PO's.
- 3. One representative each from BRCs.

Date: 5th and 6th March 1999.

PROCESS:

- 1. Analyse the BEP's
- 2. Identify the activities that can be included in the District Plan.
- 3. Determine District's own activities.
- 4. Preparation of a District Plan.

II. TRAINING PROGRAMMES FOR RESOURCE PERSONS.

A. DISTRICT LEVEL ONE DAY ORIENTATION FOR RP'S AT BRC LEVEL

PARTICIPANTS:

1. All AEO's	11
2. BRC Co-ordinators	22
3. 1 trainer from each BRC	11.
	<u>44</u>

RESORCE PERSONS:

- 1. District Project Co-ordinator.
- 2. Finance Officer.
- 3. Accounts Officer.
- 4. Programme Officers.

Date: 12 - 2 - 1999.

B. BRC LEVEL ONE DAY ORIENTATION.

PARTICIPANTS:

- 1. Chairman of VEC.
- 2. All PTA Presidents.
- 3. All Head Masters.
- 4. All SSG Convenors.

The orientation Programme will have to be conducted in 4-5 batches simultaneously considering the number of participants. The participants of district level workshop will impart training to all BRC functionaries and Grama Panchayath Presidents/ Standing Committee Chairman and equip them as resource persons. This can be done in a convenient date.

RESOURCE PERSONS.

- 1. Participants of the District Level Work shop.
- 2. All BRC functionaries/ VEC chairman.

III. <u>DISTRICT LEVEL CONSULTATION/ DISCUSSION.</u>

- A. The District Project Co ordinator and other SRG's will conduct discussions with the District Punchayath President, District collector. Chairman of the Welfare Standing Committee and other functionaries on the participatory planning process.
- B. Discussions will be held with the District planning Board to ensure the participation of task force members of Decentralised planning all levels of DPEP planning.
- C. Discussions will be held with ICDS,ITDP, Health Department and other Departments to ensure convergence.

TIME SCHEDULE AT A GLANCE

1.	Discussion	with District	Level	Functionaries-	Between	3/2 a	nd 6/2

District Level Orientation to DRG's
 Block Level Orientation to BRG's
 12-2-1999.
 18-2-1999.

4. Block Level Orientation to BRC Functionaries — Between 19/2 and 21/2 And Panchayath Presidents/ Chairman of Standing committee.

School level plan preparation
 VEC Level Plan Preparation
 22-2-99.
 24 or 25/2/99.

7. Block Level Plan Preparation 2nd or 3rd March 1999.
8 District level plan preparation 5th, 6th March 1999.

III. B <u>CONVERGENCE</u>

DPEP is a programme which seeks to provide significant addition and support to existing government schemes. It cannot be viewed in isolation of what is happening in other areas with in the education department as well as in other departments. Some schemes in education and other departments are:

- a. lumpsum grant for SC/ST students.
- b. Muslim girls scholarships.
- c. Scholar ships for handicapped students.
- d LSS, USS scholarships.
- e. Midday meal programme.
- f. Free text books and slates for standard 1

The findings of academic study mission, pilot studies in Thrithala, Palakkad, Mannarkkad were also used for plan preparation. The EMIS data and the survey reports of tribal volunteers greatly helped for determining the major interventions.

III C MAJOR THRUST AREAS

- Community mobilisation and awareness creation.
- Teacher training.
- Facilities improvement.
- Opening of new schools and Multi grade Learning centers.
- Research and evaluation.
- Girls education.
- ECCE.
- Integrated education.
- Distance education.

DPEP PALAKKAD

DOCUMENTATION OF GOOD PRACTICES AT DISTRICT, BLOCK, CLUSTER, & SCHOOL LEVELS

The following innovative programmes have been initiated in Palakkad District

School Observation Tool for Educational Officers.

We have developed a school observation tool for Assistant Educational Officers and District Educational Officers and acquainted it to them. Now they are utilising this tool on their school visit and inspection time. The tool contain methods to assess how far the new approaches are being followed in each activities by teachers in the class room. How much emphasis can be given in the process in every aspects of school functioning. Combined visits of Educational Officers and BRC Co ordinators using DPEP Vehicles is done once in a week.

2. Tribal Volunteers Utilised as Teachers.

In the Utibal belt of Attappady under Mannarkkad BRC, the scarcity of teachers is a hindrance in the day to day functioning of schools. Tribal Volunteers—are recruited for house to house campaign for sending children to schools of Mannarkad BRC. The service of Tribal Volunteers are being utlised in the Tribal area as teachers especially in Attappady—after imparting 3 day Teacher training to them.

3. Observation.

The trainers have been maintaining a separate file which contains full details of academic inputs of the teachers under their observation and try to develop the file continuously.

4. "Griha Sadas"

The tribal volunteers frequently visits the tribal settlements and convene the meeting of tribal heads and other parents for generating the awareness of DPEP.

5. "Vayichu Vilayuka"

In Tamil belts we are facing acute shortage of child friendly reading materials in Tamil. To over come this problem the BRC Chittur initiated to develop a list of such books and disseminated the same to each school. And sent copies to other DPEP Districts.

6. Text Book Supply by Panchayath to boys.

Certain Panchayaths and Municipalities are issuing free text books and Note Books to boys in order to over come the difficulties of the poor parents, eg. Agali, Sholayur, Pudur, Alanallur, Pattambi Panchayath and Municipalities like Ottappalam and Shoranur. The motivation behind this practice is as initiated by the BRC's concerned.

/ Identifying disabled children.

Some children are facing many learning problems due to their disability. To over come this problem DPEP have given training to trainers and teachers (with the help of Doctors) to identify such children and inform the parents how they can go ahead to solve their children's problem.

8. Nutrition Programmes conducted by Panchayaths with the advice of BRCs.

In certain areas children are unhealthy because of the lack of nutritious food. In such areas under the advice of BRCs some Panchayaths are giving nutritious food such as egg, fruits and milk daily. For eg. Palakkad municipality, Malampuzha Panchayath.

9. Talent Test conducted for children and giving awards by Panchayath.

On the basis of new approach the children are being tested on the achievements in several learning areas with the help of teachers. The children with best performances are awarded cash prizes and all the participants are given complimentary prizes. BRC's took the initiative eg. Marutharoad and Malampuzha Panchayaths etc.

10. Reserve Teachers Posted by PTA.

Due to the scarcity of teachers children are loosing effective school days. To over come this difficulty PTAs are posting Reserve teachers from the area, for nominal remuneration. Eg. Sholayur, GUPS Pudur, GUPS Akathethara etc.

11. Activity preparation on the basis of problematic area of learning by BRC.

Teachers are facing many classroom problems in certain areas in the new approach. Through on site support such areas are identified and workshops are conducted in BRCs to prepare learning activities and materials in such areas and equipped the teachers. This is a continuos process being practiced by BRCs, eg. Kollengode BRC.

12. <u>VEC level Exhibition and Seminar & VEC Level Activities, Competition of Teachers and Children.</u>

In connection with the BRC Level Exhibition and Seminar, Competition for teachers and children are held.

13 BAC adapted VEC's

On the direction of BRC the BACs are monitoring the functions of VECs, the Panchayath Presidents (VEC Chairman) are summoned together by the BAC chairman and discusses and controls the activities of VECs VEC monitoring of schools, VEC level exhibition and seminar, monitoring of civil works, linking with peoples planning process and school plan etc. are some of the duties entrusted to VEC chairman by the BAC. Combined school visits especially to problem schools and backward schools by BAC chairman and members, VEC members, Educational officers and BRC functionaries is also a major intervention of BAC and VEC. Eg. BRC Alathur.

14. Feed back cycle system.

Every Wednesday all programme officers of DPEP are convened in the chamber of the DPC for review and planning. Every month (second and fourth Tuesday) the biweekly review and planning meeting of programme officers and academic co-ordinators are held in DIET under the chairman ship of ADPC. On the basis of the experiences of field visits conducted by programme officers and weekly review report of BRCs they intervene the conference while conducting review of each BRCs. Afterwards all members are involved to plan future activities. The co-ordinators disseminate the same to trainers in the weekly review meeting of BRCs and it is disseminated to schools through on site support.

In turn the problems identified from schools through on site supports are reviewed at BRC's, DIET and DPC and this is a continuous cyclic process.

15. CIVIL WORKS.

Under replacement of rented building for govt: school there is a provision for the construction of building having 5 class rooms, provided the community freely provides land. It facilitated convergence with health Depts: local bodies and individual contribution. The Dept: of health transferred 50 cents land to the school. The local bodies transfer 20 cents land. In three schools the Block Panchayath have been contructing additional classrooms in addition to DPEP buildings which acted as a catalyst.

MAJOR INTERVENTIONS

I PROJECT MANAGEMENT.

Code	Action Discription	Action Points	Time/Sheduile
1001	District Management Establishment Cost. All the staff have been appointed during last year except media officer and CA, two UDC and two LDC. One post of clerk has been shifted to BRC Mannarkkad being very large in size which includes Attappady. All posts are to continue for 1999-2000 also.	Posting of media officer is urgently needed	April -1999 to June 2000
1002	Infra structural facility at DPO Fax has not been installed so far. Urgent steps may be taken from the SPO to install the fax machine and P&T connection for the same. The expenditure to be met from the spill over amount for 1996-1997. Provision for fax stationary has been provided. Strict economy has been maintained during 98-99 on the basis of this Rs. 50,000/-is reduced towards TA/DA to officials, Rs.40000 towards O&M vehicle, under local consultancy no expenditure has been incurred. In the proposed plan the salary for inhouse engineer will be met under local consultancy.	Fax to be installed.	April to March
II	PLANNING MANAGEMENT.		
1004	Augmenting DIET The provisions of Rs.12000/- for library has been utilised last year. DIET is the major institution to monitor the project. To develop the capacity of DIET staff and trainees of DIET including special batch students under DPEP, an amount of Rs. 12000/- is allotted for library and Rs. 20000/- for equipments, Rs.50000/- for generator and OHP to be carried forward to 1999-2000. Fortnightly review meeting of programme officers and Academic co ordinators has a prominent role in project monitoring and supervision. For this a contingency @Rs. 10 per head per meeting is to be allotted.	Purchase of library books and purchase of generator and OHP, 24 meetings during 1999- 2000	April 1999 to Marci 2000

LOCAL THE STATE OF		
The construction of 72 CRC buildings are complet govt. schools. As the CRC is a village level cluster it should be developed as a reference center. For purpose each CRCs purchased library books for F. As it is not suffitient. It is to be continued @Rs.20 each CRCs during 1999-2000. An amount of Rs.1 provided for stationary and Rs. 2000/- for conductions.	center this Distribute the fund for preparing low cost teaching aids. 1005	Augmenting BRCs. The Construction of all the 11 BRCs are completed during 1998-99. BRCs have a major role to monitor and implement all the project activities of the DPEP in time. To satisfy the needs of school under its jurisdiction, BRCs have to conduct so many innovative programmes at BRC, CRC and school level to enable the students to develop their capacities.		March 1999 to /\pril 2000
	It is also proposed to install telephones at 5 BRCs without STD to enable the BRCs to facilitate easy communication with other institutions & DPO.	To install the telephone.	
2001	Strengthening of VEC		
	At present 2000/- rupees per school is distributed for the beautification of school, gardening and to exhibite the relief maps of India, Kerala, District and Panchayath etc. This grant of Rs.2000 should be continued this year also, as it is found usefull to develop the map reading capacity of the children and to improve other physical facilities planned in the school.	Distribution of grant to all schools @Rs 2000/ to 880 schoels	Aug-

3001 Equipping Educational officers for monitoring and		
The main weakness in the implementation of DPEP is the lack of intra departmental co ordination. In addition to the orientation programme suggested in activity code 2003 it is proposed to conduct a work shop for educational officers to equip them for effective monitoring and supervision of variuos activities under DPEF.	2 day orientation to equip educational officers. 2 times	
Lis also planned to make available the DPLP vehicle to the educational officers alleast one day per week for a combined school visit with the DPEP officials.	Making available DPFP vehicle	June 1999 to March 2000
They have to sist atteast 4 schools in a month and it is proposed to give them an incidental expense @ Rs 250/-per month. They have to make a report of sists with suggestion for improvement based on a tool altready designed.	Distribution of incidental expendes @Rs 250 PM	All months
3002 Equipping DRG / BRG		
i ast year the role of PRG/BRG in developing district and block level training module was appreciable. In the current year these groups are to be equipped for full filling the training needs of teachers and other participants in the workshop.		
his proposed to conduct a 6 day residential work shop and 2 spells of 5 day work shop in the current year	Residential workshoop for 6 days 2 spells of 5 day workshop.	99 April first week August 99 second week Nov.99 first week

Continues and comprehensive evaluation		

For this purpose it is proposed to conduct 5 day initial training to all teachers of Std. 1 to V during summer vacation. In addition to this the teachers handling second languages will be given 2 spells of 3 day training. 2 day orientation to SSG coveners and Head masters will be conducted for developing an action plan to improve capacity of school support group for effective School level activities, CRC meeting and to ensure the sustainability of Kalari experiances (team teaching of trainer and teacher).	4	May 99- II,III week. First week of nov.1999 june 1999 last week
Pedagogical study / pilot project at BRCs It is the 3rd year of implementation DPEP. Many studies are to be conducted during the year 1999-2000. Each BRCs will take up one area of study.		
1. Areas of study Study on parents and the role of teachers in improving pupil's reading habits and creative writing DPEP distributed an amount of Rs.1000 during 1997-98 and Rs.2000 during 1998-99 to all schools, students should be able to read and prepare library notes, comprehensive study is to be conducted in a CRC in BRC Palakkad to find out the reading habits and the extent of creative writing developed by the pupils. BRC Palakkad will take up the study.		July 99, October 9\$
2. Study on parents involvement for effective schooling. Its components are - what inputs they are expecting - role perception at present - How feed back can be collected - How to develop right perception for effective schooling etc. BRC Parli will conduct the study		July 99, October 9
3. Need assesment of teachers Its components are - Impact of teachers training conducted for the last 2 years Action plan for refresher teacher training during the academic year - Identification of inputs further required (Material, Exposure trips etc.) - Impact of CRC meetings. BRC Trithala will conduct the study.		July 99, October 9\$

	4. Effectiveness of news letters. Its components are - whether it has reached the target group what is expected from the news letter - whether the present news letter satisfy the job requirements Development of model news letter BRC Kollegode will conduct the study 5. 	teachers and for re inforcing earlier training inputs. In these meetings the teachers plan in detail for next months activities and try out some activities. They also try to develop activities for hardspots. 10 meetings are proposed during the year. CRC meeting will be conducted during last week of every month. Activity Bank for term end evaluation will be developed in CRC meetings. Costing for remuneration of BRC Trainers is made for 154 sanctioned posts.		
3 009	Low cost teaching aids		
	Grant @Rs.500/- was given to all teachers of Std.I to IV for preparing low cost learning aids. In the case of teachers handling classess in Std. V the grant was distributed in propotion to the number of periods handling in Std V. That is @Rs.500/- per division. The report from the head masters and trainers indicate that this grant was effectively utilised by the teachers regulerly, hence it is proposed to be continued in 1999-2000, the grant may be distributed in the 2nd week of June 99 it self.	5700 teachers X 500	2nd week of June 1999
3 011	School library grant		
	During 1998-'99 each school was given Rs 2000 for school library. It is proposed to continue the grant to all schools (1 to 4) an additional amount of Rs 2000 will be distributed to 40 Tamil medium parallel schools. It helps to improve the reading habits of children	Distribution of school library grant.	1:11-9

16 Block level orientation to HM's planning and supervision.		
		A - illa Maria 0000
Last year HM's were given one day monthly orientation (10 times.) with a view to improving the supervision skill HM's hold the openion that this is not sufficient. Hence 3 day orientation during summar vacation is to be conducted. The effectiveness of the orientation is to be assessed by Ottappalam BRC and remedial measures followed. At present most of the HM's feel that they are incapable of giving on site support to teachers since they are not equipped well. The training should be focused on a reviewed pedagogy so as to enable them to identify the difficulties faced by teachers. Since the HM's have so many other responsibilities he can seek the BRCs help	One day monthly training to HM's. 7 times. (760 Hm's) 3 day orientation to all HM's (760 HM's)	April to March 2000 April 1999. May 1999
17 Pupil evaluation		
To assess the achievement level of the pupil, term end evaluation should be conducted. Evaluation tools should be prepared in CRCs: (Std. 1 to 5.)	CRC level activity bank development workshop	August 99 December 99 March 2000
Students achivement profile (Amma Ariyan) should be printed and distributed to all parents of Std 1 to 5 pupils. It should be done immediately after the first term end evaluation.	Amma Ariyan printing a nd distribution	Aug 9
Learner achivement shedule (PADANA NILAVARA REKHA) should be distributed to all teachers. So as to enable them to prepare the promotion list	Padana Nilavara Rekha printing and distribution.	Mai-0

All BRC's have identified some schools where renewed pedagogy is not practiced successfully. In order to empower the school to plan and implement activity based T.L process and for building their capacity to conduct SSG meetings, PTA's it is proposed to conduct a 3 to 5 day Kalari model programme in these schools by BRC trainers. The Kalari programme was very successfully conducted in selected schools last year and in those schools the T.L process is being implemented very effectively. Hence we propose to conduct the programme this year also. The HM/SSG covener of respective school will monitor the programme after Kalari.	BRC planning Kalari programme	Jul-9
No expence is incurred for this purpose except some contingencies for preparing learning aids which can be utilised from the funds under preparation of low cost teaching aids for BRC's		

Reading material developing work shop and supplimentary reading		:
There are about 40 Tamil medium schools in Palakkad district, clustered in 4 blocks. The Tamil students get relatively less opportunity to read and write using supplementary material since such materials are not available in Tamil. Teachers often find it difficult to make such materials them selves to address this problem. DPEP Palakkad propose to make supplementary reading material in Tamil for Std. I and II separately. The material will be developed in a work shop of language experts, childrens literature writers and so on. This material will be printed and distributed to all schools, the teachers and students can make use of this I M in and out side class rooms. There are reading corners in each schools and atleast 5 copies of the materials will be made available for each school in addition to 1 copy each for teachers. The printing cost may be met from Tamil library grant. Chittur BRC will be the implementing agency.	5 day residential work shops for Tamil experts at district level. 15 partiicipants. Printing and distribution of book lets.	June 3rd week August/ septemb er
One day preparation of school calander. At present school calander has been mistaken for education calender. It should be an action plan of the school for the effective implementation of curricular and co-curricular activities during the year according to the annual work plan. This must include the general activities as well as class wise monthly and weekly planning of curricular activities with time shedule. It must include 1. The general activities such as national day celebrations, school assembly, Balasaba, seminar, excursion, general PTA meeting, PTA executive meeting etc. 2. monthly class PTA/MPTA meeting. 3. CRC meetings and SSG meetings. 4. Month wise/ weekly/ daily activities relating to curricular statements such as field trips, projects, utilisation of local resources, participation of PTA/MPTA representatives in field trips, preparation of learning aids etc. 5. Construction of gardens, vegetable yards, planting trees etc. 6. Cleaning of class rooms and school premises in time	Dissemination in BRC review meeting Dissemination in CRC review meeting	June 2rid week
Presently no schools have such an idea to prepare an effective school calender. So this capability can be developed among teachers by giving an effective orientation by considering all these points. This can be done in June 1999 at CRC level. This can also be done as an agenda in the vacation training programme. BRC	Monitoring by VEC level monitoring cell.	June to march

2003 Orientation of Educational Officers and other functionaries.	One day orientation to Educational Officers was given on "Kingmi koottam" on 27-4-99. The educational Officers were involved in the orientation programme for DRG. One day orientation was given to all Educational Officers on "Kalari" (15 days field based research by BRC trainers) orientation programme for Educational Officers on "Narayam" (3 day teacher training for teachers of Std V) was held on 6/7/98. On 22/9/98 a combined meeting of Educational Officers, Programme Officers and Co-ordiantors was held and the DPC and DIET principal oriented them on the ensuing programmes.	In some months the Educational Officers are very busy and we could not get their service.	Steps will be taken to convene meetings to the convenience of Educational Officers.
3001 Equipping Educational Cfficers	In addition to the orientation programme already mentioned the district conducted a 2 day work shop to AEO's and DEO's. In this workshop a school observation tool was developed and this is being used for monitoring the activities of schools as envisaged in DPEP	Reports on school visits in the format is not regularly sent to the DPO. Because they hardly find time to conduct the visit as per the tool designed by the DPEP as frequently as planned.	District will discuss the difficulties of the functionaries, in presense of DDE and District Panchayath president.

	BRG.	Conducted 8 day residential training to DRG on 'kinginikoottam" (16 day hands on training to teachers) conducted 7 day residential training to BRG on "Kinginikoottam". One day planning workshop for DRG on 20/5/98. 3 day orientation to BRC trainers on "Kalari". 3 day residential training to DRG on "Narayam" (3 day teacher training for teachers of Std V). 3 day residential training to BRG on "Narayam". DRG meeting on planning of first term evaluation on 5/8/98. BRC trainers planning of first term evaluation on 6/8/98 and 7/8/98. One day DRG workshop to develop a module for BRC trainers on conducting academic study (23/9/98). 3 day training to DRG and BRG on second language training.	residential training programme is not available	when the construction of all BRC's are over this problem will be solved.
	Inservice teacher training at BRC.	Conducted 3 day BRC level orientation to teachers of Std V from 20/7/98 to 27/7/98. All the teachers handling classes in Std V participated in the training programmes. Conducted 3 day training programme to language teachers. Teachers handling Hindi, English, Arabic, Urudu and Sanskrit participated in the meetings.	since class teacher system does not prevail in UP classes some difficulties are felt.	Meetings of teachers handling same subjects will be convened.
3004	Monthly one day training, meeting at CRC.	Regular meetings of all teachers at CRC level is being held in the District, sharing of experiences and planning of next months activities are the agenda in these meetings. By the end of March, 10 meetings will be conducted. In addition to this cluster level meetings, the training of Arabic teachers was conducted this year as requested by those teachers. These meetinigs proved to be very successful and the evaluation tool for term end evaluation was prepared at cluster level meetings.	One day is not sufficient for these meetings.	more time will be spent in these meetings by starting early and finishing late.
