PREFACE

The present issue of the publication entitled "Manipur At-A Glance 2006" is the ninth in the series. It presents classified statistical information of Manipur State in a very concise form in order to facilitate in having a better understanding, the scenarios of socio-economic development of Manipur.

The data presented herein are collected from various State, Central Government Departments/Local Bodies and also from published reports. It has been a continuous endeavor of the Directorate of Economics & Statistics, Manipur to incorporate the latest data for all the sectors of the economy. In spite of our best efforts, it was not possible to do so in a few cases.

The co-operation extended by various Government Departments/Offices/Statutory Bodies by furnishing the up-to-date data relating to their department's performances is gratefully acknowledged. Collection/Compilation/scrutinies/processing for producing the present publication have been accomplished in the Co-ordination and Publication Unit of the Directorate. I would like to express my deep sense of appreciation to all the Officers and staff of the unit particularly to Shri Kangujam Indrajit Singh, Inspector. The hard work put in by the Printing Unit of this Directorate is also gratefully acknowledged.

Suggestions for improvement in the quality and coverage for its future issues are most welcome.
