STATISTICAL TABLES (PROVISIONAL)

Preface

The National Council of Educational Research & Training (NCERT) has been conducting the All India Educational Surveys (AIES) in collaboration with the States and Union Territories and publishing reports which are major sources of educational statistics to educational planners and other users. This Survey is the seventh in the series of AIES with 30th September 2002 as its date of reference.

The 7th AIES has various interlinked phases – planning, training of field staff, data collection, manual scrutiny, data entry, data validation, etc. As such it is a gigantic operation involving a large number of persons at the National and State levels. At the State level, it involves a host of Officers and their Staff, Head of Educational Institutions, Teachers as well as Educational functionaries working at the districts, blocks, towns and city.

At the State level, survey work was carried out by the State Survey Unit under the guidance of the NCERT and supervision of the Director, Directorate of Elementary & Mass Education (DEME), who also functions as Nodal Officer – cum – Director of the Survey. I am indeed very grateful to Smti R.D. Marak, ex-Director, DEME and Smti. L. R. Sangma, Director, DEME for their inspiration and encouragement to go ahead and complete the work despite innumerable difficulties.

I would like to place on record my deep sense of appreciation and gratitude to Shri M.K. Gupta and his colleague, Dr. B. M. K. Raju, for their continuous guidance and prompt help to sort things out resulting ultimately in the publication of this Report – Report on Provisional Statistics, Meghalaya. My special thanks go to Shri T. D'har, I.D., State Informatics Officer and Ms. C. Shadap, SA, IIC, Meghalaya State Unit for their efforts in ensuring that data entry and other allied works are done at the earliest possible time.

(ii)

I am very much thankful to the District Survey Officers - Shri G. Barman, Smti P. Shullai, Shri E. S. Hadia, Shri K. J. Sangma, Shri W.L. Shullai, Shri P. K. Hajong & Shri L. Pyngrope and their teams comprising Block and Town Survey Officers and Statistical Assistants as well as Teachers, Head Teachers, Headmasters/Headmistresses and Principals of Colleges and Higher Secondary Schools who have contributed largely to the successful completion of the Survey. Last but not the least, I am very thankful to my colleague, Ms. B. Jyrwa, ARO and Assistant State Survey Officer who has ably supported me for the successful completion of this Survey.

16th November 2004

R. Thangkhiew,
State Survey Officer,
7th All India School Education
Survey, Meghalaya.

Foreword

All India Education Surveys (AIES) have been useful sources of data in Educational Planning and formulation of education policies in school education. The data of these Surveys are being used widely by planners, researchers, social scientists and educationists. The present Survey is the 7th in the series and has been re-named as All India School Education Survey (AISES) to specifically indicate its scope. This Survey provides data with reference date September 30, 2002. The most important feature of this Survey is that the data of this survey will be hosted on the website. Any individual can look into the data of any village, urban area or school he or she desires.

At the national level, from NCERT Zonal Incharges guided the State Survey Officers and their team in different aspects of Survey. At the state level, the State Level Monitoring and Review Committee headed by Education Secretary has been constituted to evaluate the progress of the Survey and guide for its smooth and successful completion.

One of the significant features of this Survey is to release important Statistics through Flash Sheets attached to main Schedules in the quickest possible time. It provides important information from villages and schools. The report based on this has been termed as 'Provisional Statistics'. It contains 46 Tables, PS-1 to PS-46, providing information regarding availability of schooling facilities in rural areas at primary and upper primary stages, number of schools belonging to different categories i.e. Primary and Upper Primary, Secondary and Higher Secondary, types of school buildings, enrolment in different categories of schools, class-wise enrolment of boys and girls, teachers working in different categories of schools and also primary schools having different number of teachers and Schools having female teachers. This report also facilitates comparison between data of 6th AISES and 7th AISES.

(iv)

I would like to express my gratitude to Shri L. Roy, Commissioner & Secretary Education Department, Govt. of Meghalaya for his guidance and support in our efforts for early completion of the work. I am also grateful to my predecessor, Smti R.D. Marak, for all the help she extended to me during the time of transition.

Shri R. Thangkhiew, State Survey Officer and his team and Shri T. Dkhar and Mrs. C. Shadap of the State Unit of NIC deserve my sincerest thanks and appreciation for their sincere efforts to bring out this document successfully. I also take this opportunity to thank Mr. M. K. Gupta, NCERT Co-ordinator for North - East and Dr. B. M. K. Raju for their continuous guidance and support to the State Survey Unit.

I am quite confident that this provisional Survey data, which will be made available on the website will be very much useful to the educational planners, educational researchers and others concerned with school education.

Dated Shillong,
16th November 2004

L.R. Sangma,
Director of Elementary & Mass Education
&
Nodal Officer-cum-Director of the Survey,
7th All India School Education Survey
Meghalaya

State Summary

A. Educational Facilities within Rural Habitations

	1993	2002	Growth (%)
1 Total Number of Habitations*	6576	7277	10.66
2 Number of Habitations having Primary stage schooling facility			
(i) Within the habitations	3677	5028	36.74
(ii) Within 1 Km	5003	6219	24.31
3 Number of Habitations having Upper Primary stage schooling facility			
(i) Within the habitations	796	1116	40.20
(ii) Within 3 Km	3889	4327	11.26

* In the seventh survey clusters of houses satisfying all other criteria of a habitation have not been treated as separate habitations unless the convenient walking distance between them is more than 200 metres, while in sixth survey there was no such criterion.

Schools

	1993	2002	Growth (%)
Total Number of Schools			
(i) Rural	4955	6763	36.49
(ii) Urban	382	723	89.27
(iii) Total	5337	7486	40.27
Primary Schools			
(i) Rural	3919	5439	38.79
(ii) Urban	180	368	104.44
(iii) Total	4099	5807	41.67
Upper Primary Schools			
(i) Rural	743	932	25.44
(ii) Urban	77	151	96.10
(iii) Total	820	1083	32.07
Secondary Schools			
(i) Rural	289	355	22.84
(ii) Urban	120	158	31.67
(iii) Total	409	513	25.43
Higher Secondary Schools			
(i) Rural	4	37	825.00
(ii) Urban	5	46	820.00
(iii) Total	9	83	822.22
Degree Colleges having Classes XI & XII	28	45	60.71

C. School Building

	1993		2002	
	Total	Rural	Total	Rural
1 Percentage of Primary Schools				
(i) Without building	0.12	0.10	0.53	0.55
(ii) With Kachcha building	38.13	38.86	21.70	22.45
(iii) With Pucca/partly Pucca building	61.75	61.04	77.77	77.00
2 Percentage of Upper Primary Schools				
(i) Without building	0.12	0.14	0.37	0.43
(ii) With Kachcha building	27.20	27.32	14.77	16.31
(iii) With Pucca/partly Pucca building	72.68	72.54	84.86	83.26
3 Percentage of Secondary Schools				
(i) Without building	0.00	0.00	0.00	0.00
(ii) With Kachcha building	15.40	17.99	9.16	10.99
(iii) With Pucca/partly Pucca building	84.60	82.01	90.84	89.01
4 Percentage of Higher Secondary Schools				
(i) Without building	0.00	0.00	0.00	0.00
(ii) With Kachcha building	11.11	0.00	2.41	2.70
(iii) With Pucca/partly Pucca building	88.89	100.00	97.59	97.30

Note: 'Without Building' includes school functioning in tents and open space only
