Some notable and significant progress has been made in the field of education since Mizoram became a Union Territory in 1972 when Mizoram began to have a separate State Plan. Mizoram then received the benefits of State Plan only for the last two years of the 4th Plan and the period of the 5th Plan.

During the recent years several Middle and High Schools were taken over as Govt. Schools and quite a number of Schools were also brought under the deficit system of grants. Many new schools were opened and the existing Schools strengthened and expanded. The intake capacity of the Teachers' Training Institutes at Aizawl and Lunglei has also been doubled from 1982-83. The progress made over the recent years can be seen as follows : In 1979-80, the number of educational institutions in Mizoram were, 518 Primary Schools, 234 Middle Schools, 116 High Schools, 5 Colleges, 4 Teachers Training Institutes including one Institute for training of Hindi Teachers. There are now 806 Primary Schools, 362 Middle Schools (including 67 un-aided Middle School) 145 High Schools (including 18 un-aided High Schools), 12 Colleges (including un-aided Theological College) and the intake capacity of the Teachers' Training Institute has been increased and in the Institute for training of Hindi Teachers Hindi B.Ed (Parangat Course) has also been opened to facilitate training of the Hindi Teachers for High Schools.

The main thrust of the 6th Plan is on the Universalisation of Elementary Education comprising Education for the age group of 6-14 years. The new pattern of Education has been introduced in Mizoram from 1982 in the Elementary Education especially at the Middle and Primary School Levels.

With the implementation of New Pattern of Education in Mizoram from 1982, heavy incidence of wastage and stagnation in Primary Schools is now gradually minimised as a result of introducing age-restriction (6+) in the lower classes.

As peace and normal conditions gradually returned to Mizoram, many villagers who were compelled to come to the Grouping Centres have gone back to their original villages, some schools were shifted to the Grouping Centres and combined with other Schools and some were closed down. The existing Primary Schools have been crowded as a result of the increasing number of children due to rise in population, people who have gone back to their original villages have settled down in small groups of houses here and there throughout the length and breadth of Mizoram. As the villagers are very keen for the education of their children, school buildings have sprung up in these new habitations and some voluntary teachers are also being engaged by the villagers on private basis by paying them a meagre sum per month and sometimes payment is made in kind. The Education Department has also posted some existing Govt. teachers to these schools in the temporary habitations (natively called "Thlawnbawk"). The villagers find it extremely difficult to run their schools privately from their own contributions or donations. They have, therefore, been persistent demands from the Thlawnbawk for elementary education in the villages.

In fact some of these Thlawnbawks have more than one hundred houses already and it is felt that the educational facilities cannot be denied by the Government. According to the survey conducted in 1978-79, it was found that there were more than 400 Thlawnbawks which had no facilities for Primary Education. And accordingly during the year 1979-81, 335 of these 400 Thlawnbawk had been provided with Primary Schools where one or two Teachers were posted in each school. However, usual essential facilities of school stationery and furniture and the needed funds for construction of improvement of school buildings have not yet been provided in most cases. Thus much has been achieved for the spread of Elementary Education still much more has yet to be done and achieved since as many as 65 Thlawnbawks have yet to be provided with proper Primary Education. It is therefore, necessary to take effective and urgent measure on a large scale to meet the needs of Thlawnbawk dwellers so that uniformity of standard could be maintained in the implementation of the new pattern of education.

There is another peculiar factor to be borne in mind in the implementation of programmes for universalisation of Elementary Education in Mizoram. It is not possible to determine the minimum and maximum post of teachers based on students enrolment.

As was pointed out already small villages and hamlets have scattered all over the Territory all of which have to be provided with one or two teachers according to enrolment. Again, the new pattern of education has been introduced in our Primary Schools, only one teacher cannot look after all the classes.

~~There are times when a teacher has to go to his field posts to receive his monthly salary and sometimes teachers are called together for short course or orientation training. Thus single teacher schools have suffered since a teacher has also to take casual leave on account of illness. Thus there is a demand for more posts of teachers.~~

In Mizoram most of the villages are located on the top of small and steep hills interspersed by deep valleys and gorges all over the length and breadth of Mizoram. In order to go from one village to another which, as the crow flies, may be only one km or two apart, one has to go down first to the deep valley separating the two hills and then up again on the other side for an equal distance which distance which can easily be several kilometres. On top of this, there is a possibility of the stream between the two villages being ~~inspite~~ most of the time during the monsoon. This brings us to the conclusion that the usual criteria of distance from the nearest school and reasonable enrolment figures cannot be a practical yard stick in case of Mizoram for opening of Primary and Middle Schools.

In this connection, reference to the peculiarly difficult conditions of Chhimtuipui District may be made where new schools have been opened to facilitate education in the educationally backward belt of the Territory as a special case, and where many Primary Schools are yet manned by a single teacher.

In addition to the Govt. Primary Schools, there are 30 Aided Primary Schools which have been given grants-in-aid by the Department for teachers of these schools as a continuing scheme carrying a provision of Rs. 7.80 lakhs.

According to the norms followed by the Govt. of Assam one-third of the strength of teaching staff in the College was upgraded to the post of Professor and at the time of creation of the posts of Professor in Pachhunga College, the strengthening of the staff warranted 6 posts.

Since Lecturers in Govt. Colleges in Mizoram now have no promotional avenue, it is now proposed to create at least 3 posts of Professors in Lunglei Govt. College. The required provision is also indicated in the Plan. For strengthening of the Science Department in Lunglei Govt. College, 2 additional posts of Lecturer is also proposed.

Recently, the North Eastern Hill University, Shillong declared norms regarding maximum size of classes in Science and Arts subjects for the affiliated colleges in accordance with the general policy framed by the University Grants-Commission read with section 42 of the NEHU., statutes. It has been regulated a class of P.U. Science and the first two years B.Sc Course (in theory) shall not exceed an enrolment of 40, In the case of practical class, both in P.U. Sc & B.Sc the enrolment shall not exceed 20. The enrolment of a class in P.U. Arts and 1st and 2nd year B.A. shall not exceed 60 and in case it is more than 60 the class should be split into sections. The size of each section in the third year of the B.A. course shall not exceed an enrolment of 50.

These new norms have to be adopted immediately so that the transition may be completed before the beginning of academic session 1985-86. Moreover, a three-year Degree course will be introduced from the next year 1984 for which more additional teachers will be required. It is therefore, planned to have additional 20 posts of Lecturers to be distributed among the NON-Govt. Colleges in Mizoram during 1984-85.

iv) Office and Travelling expenses and other non-recurring expenditure		1.35
Total	9.94	
(b) Recurring Grants for the existing 61 adhoc Aided Middle Schools and 67 Private Middle Schools.		41.26

Rs. 41.26 lakhs is earmarked for maintenance (i.e. for pays & allowances) of the existing 61 Adhoc Aided Middle Schools and 67 Private Middle Schools being proposed to be taken under Adhoc Aided system.

There are 67 Private Middle Schools for opening of which due permission has been given by the Department. The constitutional imperatives indicate that children in the age group of 6 to 14 years have to be given free and compulsory education and our Middle Schools also fall under the Elementary Education Programme. As was already pointed out the topographical conditions of Mizoram call for opening of Middle Schools in the Thlawhhawk with reasonable population. Under the Plan for B.E. 1984-85, it is proposed to take these 67 Privately-run Middle Schools under adhoc aided system since the poor villagers are not in a position to run and maintain these Middle Schools properly and since some of them are on the point of being reduced to the position of sub-standard schools.

Introduction of the new pattern of education necessitates stable establishment of these private Middle Schools and staffing pattern of the prescribed standard. Hence, the proposal to stabilize the condition of these private schools by taking over them under adhoc aided system.

each for 1000 Students

~~contingency including teaching arrangement/stationery, equipments and teaching aids @ Rs. 750/- per Centre for 20 Centres.~~

Total : Rs. 1.62

The Department has taken up schemes for non-formal education for children in the age group of 9-14 years and so far 35 Non-Formal Education Centres have been opened in Mizoram. The Programme for Non-Formal Education is to cover such far-flung and remote place where formal education institutions are not yet established with non-starters as the main targets-(Non Formal Education is for non-starter and drop-outs. However, the scheme is mainly applied to non-starters with a few drop-outs in Mizoram.)

However, in this area of Non-Formal Education it appears that the target enrolment could not be achieved. The Non-Formal Education Centres are located in most cases in small hamlets and habitations with a small population where formal educational programmes have not yet been started. For this reason and inspite of the number of Centres so far opened, the target enrolment cannot be achieved due to the small population covered. The Plan includes the required provision for maintenance of this continuing programme.

TOTAL OF ELEMENTARY EDUCATION : Rs. 203.60

IV. SECONDARY EDUCATION :

A total outlay of Rs. 97.00 lakhs has been provided in the Sixth Plan 1980-85 for Secondary Education. Out of this outlay, expenditure so far made and approved outlay are indicated below :-

1980-81 = Rs. 26.38

SET UP OF VOCATIONAL TRAINING CENTRES :

Secretary, the time has been ripe for opening of vocational Training Centres under secondary Education in view of the absence of such training facilities in the state.

The average annual enrolment in the secondary school is about 14,000, out of which more than 2000 students are passing out. Matriculation every year is therefore unemployed problem has been increasing year by year as almost all the students in the secondary schools as well as in the colleges are following the courses of general education (arts) As there is no training centres of any kind other than a few professional training courses provided within the state, it is felt imperative that the following training courses, which are systematically selected to meet the existing needs for development of the socio-economy of the state be opened from 1984-85 with a provision of Rs. 5 lakhs. It is highly hoped that opening of training courses in these trades would surely

1. Give employment opportunity to these persons having such rare requisite qualifications.
2. Minimise future unemployment problem among the youths.
3. Give better outlook to several youths in different trades which would result in the development of the socio-economic development.

Name of Trades to be taken up are as follows :-

1. Beautician
2. Farming (mostly animal husbandry)
3. Carpentry
4. Radio Repairing
5. Watch Repairing
6. Secretarial practice

It is also proposed that 3 Training Centre be opened in each of the three District Namely Aizawl, Lunglei, and Saiha and the centres will be maintained in the form of grants-in-aid under the provision of funds provided for non- Govt. High Schools for which the proposed funds is incorporated in a separate item.

iv) Other Programmes (including Administration and Supervision)

Rs. 8.20 lakhs is proposed for 1983-84 for administration and supervision of secondary education. Which comprises the inspecting staff and other supporting staff stated below :-

(a) Appointment of staff :

No. of anticipated posts upto 83-84	New posts proposed during 1984-85
-------------------------------------	-----------------------------------

i) D.E.O.	-1 (Rs. 900-1400)	1	-
ii) D.E.O.	-1 (Rs. 650-1200)	1	-
iii) Head Asst.	-3 (Rs. 425- 700)	3	-

vii) Chowkidar	-2 (Rs. 196- 232)	2	-
viii) Duftry	-2 (Rs. 220- 250)	2	-
ix) Acct. Asst.	-3 (Rs. 330- 560)	3	-
x) Stat. Asst.	-2 (Rs. 425- 700)	2	-
Total :	-28	28	-

Rs. 2.00 is earmarked for pay and allowance, L.T.C.
Medical re-imbursement etc. of the staff 3.78 -

The following other non-recurring expenditure is also proposed for running the establishment :-

1) Rent for office accommodation and travelling expenses and maintenance of vehicle	.45	-
2) Furniture and equipments	.10	-

Total : Rs. .55 -

Under this scheme there is a proposal to establish an office of the District Education Officer in Aizawl District in addition to the existing one with headquarters at Aizawl. There are already District Education Officer Establishment in the headquarters of Lunglei and Chhimtuipui Districts. The population of Aizawl District is by far the largest among the 3 Districts. The 1981 census figures show that Aizawl District has a population of 3,40,826 Lunglei District 86,511 and Chhimtuipui District 66,420. Thus Aizawl District population is almost four times as large as that of Lunglei District and more than five times as large as that of Chhimtuipui Districts. The area of Aizawl District is also by far the largest among the 3 Districts, where there are also the maximum number of Educational institutions. Only one District Education Officer cannot cope with the colossal task of supervision of the performances of the institutions. Hence, it is imperative to have an establishment of another D.E.O. in Aizawl District in addition to the existing one to achieve more efficient administration and supervision. For this purpose a provision of Rs. 4.28 lakhs is inclu-

ded in the plan, creation of the post of D.E.O. and the supporting staff for establishment of the said office was also already made under the approved budget.

III. Development & Expansion of Science Promotion Wing :

For improvement and re-organisation of school science education, various programmes of activities have been taken up which including supply of improved text books, supply of text books, training of Science Teachers, organisation of Science Seminars and Science Fairs pervisory work etc. with the improvement of syllabus in Science the necessary at the H.S.L.C. level. For this purpose Laboratory establishment in all schools teaching Class-X is essential. At the present moment, there have been only few schools having laboratory facilities. Greater emphasis will, therefore, be laid for establishment of Science Laboratories, equipments and furniture in a phase manner. Training of Science Teachers in handling equipments is also important and this too will be given priority in the developmental activities. An outlay of

required in future for establishment of laboratories and facilities in all the 141 High Schools teaching Science in Mizoram. This scheme was included in the Elementary portion before. However, the scheme deals with more secondary education. Hence it is included in Secondary Education from 1984-85.

TEACHER EDUCATION : A total outlay of Rs. 24.79 lakhs has been earmarked for teachers education during the Annual Plan 1984-85 with the break-up of Rs. 3.76 lakh for Graduate Teachers' Training (MIE) and Rs. 5.00 lakhs for Under Graduate Teachers' Training (TTI) and Rs. 16.03 for SCERT.

1. Graduate Teachers' Training : The programmes for development of Mizoram Institute of Education include supply of books for the Institute Library, Classroom furniture/equipments and teaching aids/Educational tour for teacher trainees for which Rs. 2.20 lakhs has been earmarked. Rs. 1.56 lakhs has also been provided for salary of existing staff in the Mizoram Institute of Education.

The intake capacity of the Institute was 100. During the current year 1982-83, NEHU increased the intake capacity by 10 making the total intake to 110.

2. Under-Graduate Teachers' Training : Steps are being taken to clear the back log of untrained Primary & Middle School Teachers during the 6th Plan period. The intake capacity of Teachers' Training Institutes has been doubled from 1982 session as per advice given by Mrs. T.T. Trivedi, Advisor, State Plan. With the increase of the intake capacity of the Institute, more furniture, equipments, teaching aids, etc. is essential. Hence, Rs. 2.00 lakh is proposed in the Plan Budget 1983-84 for the purpose. An outlay of Rs. 2.00 lakh has been provided for salary and Rs. 1.00 lakh is proposed for purchase of vehicle under Teachers' Training Institute.

The State Council of Educational Research and Training (SCERT), a counterpart institution of NCERT, is an academic Wing of State Education Department. It has to be an all purpose institute concerned levels from Pre-Primary to Higher Secondary.

As the name implies, it has to conduct studies and investigations in order to improve teaching-learning processes in the school

levels. Besides this, it has to conduct constant refresher courses
 Seminars, workshops etc. of the teachers, teacher education and adminis-

In addition to such normal duties and functions as guidance services, research studies, in service teacher education, evaluation reforms etc. etc. the SCERT is held responsible for the effective implementation of the four (4) UNICEF Assisted Projects, most of them being directly concerned with the implementation of the Universalisation of elementary education, a top priority area in Education. As per State Governments' agreement, each Project has to be looked after by at least 3 (three) qualified academic persons to be designated as Lecturers or Asst. Professors. However, due to paucity of fund it is not possible to include the required posts during the Sixth Plan.

It is also proposed to construct SCERT building complex for which Rs. 10.00 lakh has been proposed under capital works in the Plan and the same is reflected in the PWD works scheduled. d) Equipment and raw-materials	= Rs. .15 lakh
	Total : = Rs. .50 lakh

VI. PHYSICAL EDUCATION :

A total outlay of Rs. 12.44 lakhs is earmarked for implementation of the following schemes under Physical Education in the proposed Annual Plan 1984-85.

~~State Administration and strengthening and expansion of Physical Education~~

Proposal for setting up a separate Wing of Physical Education was approved and incorporated in the Annual Plan 1982-83 and a post of Deputy Director (Sport Programme) with supporting ministerial staff had already been created and filled up. It is anticipated that a post of Joint Director (Sport Programme) and a few additional ministerial staff essential for successful implementation of the various schemes under Physical Education will also be created and filled in during 1983-84. A total provision of Rs. 4.00 lakhs is proposed for meeting expenditures on salary, purchase and maintenance of vehicle, travelling expenses..

B. Other Administration :-

1. Expansion of Physical Education Teachers in Institution :

A provision of Rs. .96 lakhs is earmarked for meeting expenditures on salary of 4 Physical Education teachers in Govt. High Schools and Teachers' Training Institute created during 1981-82 and for payment of honorarium to Physical Education and N.P.F.P.

2. Rs. .10 is proposed for miscellaneous expenditure including rent.

3. Organisation of Sports, Games, Competition at State/District Level :

Rs. 1.35 lakh is proposed for this scheme for 1984-85.

4. Participation in National Sports Organisation :

Sport teams have been occassionally sent to participated in inter-State and National Sports meets/Competitions for overall promotion of sports and Physical Education. A provision of Rs. .80 lakhs is proposed for the purpose.

5. Sports Talent Search Scholarship//wards :

It is proposed that the Sports Talent Search Scholarships instituted for the benefit of talented boys and girls selected from the Annual and State Lecel Sports meets be continued. A provision of Rs. .53 lakhs is proposed for 15 such Scholarships.

6. Assistance to Voluntary Organisations for Promotion of Physical Education, Games & Sports :

A provision of Rs. 2.00 lakh is proposed for giving grants-in-aid to voluntary/Youth Organisation for purchase of Sp rts materials. This has been found to go long may towards promotion

of sports activities as well as for encouragement and mobilisation of such organisations in cocurricular activities.

7. Training College of Physical Education/Research :

Sending promosing young people for training in physical Education Colleges/Institutions has been found to bring about encouraging results. A provision of Rs. .60 lakh is earmarked sending of Youth to the Physical Education College, Allagapa and the National Institute of Sports, Patiala, during 1983-84.

8. Rs. 1.75 lakhs is proposed for supply of materials.

A provision of Rs. .35 lakhs is earmarked for meeting expenditure on salary of one NPFP organisor and one LDC as well as for running training centres and camps.

VII. YOUTH WELFARE WING (SCOUTS & GUIDES) :

A. Scouts & Guides Movement :

The Scouts and Guides Movement has been given considerable importance among the programmes for Youth Activities. In fact, the Scouts and Guides movement has made encouraging impacts on the students' community in particular and the Mizo Community in General. Among the Mizo Society, the Scouts & Guides uniforms have been recognised as a symbol of service, integrity and efficiency.

A total outlay of Rs. 1.43 lakh is provided for the whole scheme which includes the following :-

1. Strengthening and Expansion of Administration

~~Supervision and Control~~

It has been experienced that inadequacy in supervisory staff as well as ministerial staff, has been a constraint for the success of the Scouts and Guides movement. The following posts approved and incorporated in the Annual Plan 1982-83 are proposed to be continued.

~~2. Equipment for Central Workers :-~~

3. Travelling expenses and purchase of furniture
4. Office expenses
5. Providing and supply of materials
6. Organisations of training camps
7. Organisation of Annual State/District camps and Rallies
8. Maintenance/Development of camping sites
9. Assistance to Voluntary Youth Welfare activities
(including Honorarium for Scouters and Guiders.
Weekend activities and Parents' Day Rallies etc.)

B. Youth Adventure Centre/Youth Activities :

The programme for establishment of Youth Adventure Clubs/ Youth adventure Centres in Mizoram has been given a high priority amongst youth activities as it is considered essential to motivate the young energetic boys and girls in various adventures like mountaineering, skiing, hiking and expeditions of various types. Such adventures, beside its immense importance for the mental and physical development of the Youths, will no doubt make no mean contribution towards minimising the various social problems prevalent amongst the youths.

Although of recent initiation, taken up as it is since 1981-82, the scheme of youth adventure is very encouraging amongst the Mizo Youths. The following programmes have been taken up in this sphere of activity :-

- 1) Sending of 5 members of the Youth Adventure Clubs to undergo training at the Basic Course of Mountaineering at the Nehru Institute of Mountaineering at Uttarkashi, Uttar Pradesh.
- 2) Sending of a 35 member Exploration and scaling expedition team to Lengteng Tlang, the second higher peak in Mizoram.
- 3) Organisation of a Youth rally at Champhai near Mizoram-Burma border.
- 4) Sending of 5 lady members of the Youth Adventure Clubs to the Ranger Trekking at Kulu Valley, Himachal Pradesh.
- 5) Sending of 5 members of the Youth Adventure Clubs to the Special Adventure Course at the Himalayan Institute of Mountaineering at Darjeeling, West Bengal.

6) 5 Youth Adventure Clubs have since been formed in Educational Institutions and grants are being given in the form of Uniforms, furniture, Camping equipment and utensils, etc. The clubs have already obtained recognition of the Director National Adventure Foundation.

With the initiative made in 1982-83 by installing necessary staff and processing essential equipment, it is expected that the Department will be in a position to take up the scheme more intensively during 1984-85 and the following programmes have been taken up in this sphere of activity.

The following items are also included in the scheme :

- a) Maintenance of vehicles
- b) Starting of 12 State controlled adventure Clubs in various Schools.
- c) Sending of trainees for skiing and mountaineering.
- d) Hanggliding purchase of Hang Gliders.
- e) Training for "workmanships including canoeing and rafting including improvised materials".
- f) Organisation of hiking and expedition for Youth.
- g) Purchase of essential cooking materials and other materials for hiking and expedition.
- h) Organisation of cross country race and cycling
- i) Training of teachers and instructors for conducting
- j) Exploration of Youth Adventure/activities.
- k) Development of camping site for construction of building and camping area.
- l) Rents.

An outlay of Rs. 5.40 lakhs is proposed for the schemes state above.

C. YOUTH SERVICES :

An outlay of Rs. .35 lakh is proposed for (a) Scheme of NSS matching grants to College for organising special and regular camping programmes, for which a provision of Rs. .25 lakh is proposed to meet the central Govt. grants as the State share of expenditure. (b) Participation in National events/International events under National Integration Programmes, Youth Festival/Youth Leaders Training etc. for which a provision of Rs. 10 lakh is proposed.

D. PLANNING FORUM :

An outlay of Rs. .05 lakh is proposed as matching grants to colleges for organising regional meetings, educational trips and literature (report write upto etc).

VIII. GAMES & SPORTS WING

A regional Coaching Centre has been established in the previous years for training and coaching of students and non-students in sports, games and physical education. In the interest of further promotion of Sports & Games and with a view to implementing the National Coaching Scheme, it has been found imperative that a separate coaching/Games Wing is established.

For implementation of this scheme, one Chief Coach, two Coach Grade-II, one L.D.C.-Cum Storekeeper and one Chowkidar have been appointed and now in position. The posts of one Coach Grade-I, Coach Grade-III were also created and filled up to strengthen the existing staff.

A total outlay of Rs. 5.33 lakhs is proposed for this scheme which, besides salary of staff, includes - .

- a) Office expenses including purchase of Motor Cycle, GL, Cinema Projector, Films and accessories.
- b) Purchase of Sports materials for Regional Coaching Centre,
- c) Organisation of training and Coaching to student and non-students.
- d) Organisation of Rural Sports /Centres.
- e) Construction of buildings (minor works) for Regional Coaching Centre for which Rs. 1.00 lakh is proposed.

IX. SPORTS COUNCIL :

Sports grants in various forms have been instated with the Mizoram State Council as the agency. It is found essential to earmark more fund to the Sports Council so that various sports Programme may be implemented through its active co-operation. The Council has also undertaken construction of Playgrounds, Indoor Stadium, Swimming Pools etc., which involves considerable expenditure.

An outlay of Rs. 2.00 lakhs is proposed for the purpose in the Draft Annual Plan, 1984-85.

X. DIRECTION, ADMINISTRATION AND SUPERVISION :

An outlay of Rs. 2.69 lakh is proposed for salary of the existing staff for starting a new Planning Cell of the Directorate.

After gaining and practical exercising of Plan Administration in the Education Directorate the Directorate has actually been experiencing great difficulties in the absence of a separate

Planning Wing/Ccell with sufficient staff to look after its Plan Schemes, without which it is practically impossible to make proper Plan for the Directorate.

In order to solve and overcome the problem and in the interest of effective administration of the Education Plan, it is now high time to strengthen the administrative structure of the Directorate adequately by establishment of a separate Planning Cell/Wing with Planning Officer and supporting ministerial staff.

In the light of the points indicated above a provision of Rs. 2.69 lakh is proposed in the Annual Plan 1984-85 for strengthening the existing administrative structure at the Directorate.

One post of Planning Officer and 1 post of Accountant had been approved in the Annual Plan 1983-84.

A provision of Rs. 0.50 lakh is also provided for maintenance of one vehicle and for office expenses.

XI. OTHER PROGRAMMES :

An outlay of Rs. 2.42 lakhs is proposed for Book grants for 350 post Metric Students and for maintenance of the existing staff ~~and~~ expansion of Mizoram Scholarship Board is now functioning and the charge of Deputy Director of Education, Mizoram Scholarship Board as a Secretary of Scholarship Board ^{lack} all kinds of Scholarship scheme under the Education Department ~~and~~ taken up by this Board. With the increase of Scheduled Tribe students population in Mizoram, one Post of Superintendent, one post of U.D.C. and one Post of Chowkidar had been approved in the Annual Plan 1982-83, for strengthening the Board. During 1984-85 it is proposed to continue the scheme with the outlay stated above.

XII: ART & CULTURE :

The Art & Culture Wing deals with preservation, development and promotion of Art and Culture which include Library services, Museum and Archives, Mizoram Gazetteer and Tribal Research.

A total outlay of Rs. 20.66 lakhs is proposed for the whole scheme which includes the following :-

1. Fine Arts Education : An Institute of Music and Fine Arts has been opened since 1979 for the study of traditional and modern Music, organisation and demonstration of drama, Codification of dresses and performance of various dances etc. It was first started on an experimental basis and later instituted as a permanent establishment. Two classes with 20 seats capacity each have been conducted one for traditional music, songs and

dances and the other for modern music. The following posts are anticipated to be continued during 1984-85.

1) Senior Instructor	
2) Musician	
3) Dance Instructor	
4) Drama Instructor	- 2
5) Codifier	- 1
6) Grade-IV employee	- 1

Besides teaching songs, music, dances, musical instrument and dramas, various awards in dances, drama, novel writing, short story writings, music and fine arts are instituted at the state ~~Assistant and Lower Levels~~, ~~An outlay of Rs. 2.25 lakhs is proposed~~ for this item.

2. Promotion of Art and Culture :- (1) Culture Programmes :-

The activities under this scheme will include Organisation of Cultural shows, debates, competition in folk dances, music and crafts. Cultural troupes have also been sent to participate in Inter-State Cultural meets. A provision of Rs.0.20 lakhs is proposed for these activities.

Voluntary Organisations working in the field of promotion of culture will also be given grants-in-aid while some such organisations will be given assistance by giving them musical instruments. A total provision of Rs. .83 lakh is proposed for these purposes.

(ii) Improvement of Vanapa Hall : In so far as the Union Territory of Mizoram is concerned, we are short of standard Public Hall and the newly constructed Hall in Aizawl called "Vanapa Hall" is the only standard and big Hall in Mizoram for officials as well as for the public functions. It was decided by Govt. of Mizoram that the Hall is to be supervised and managed by the Education Department. Hence the hall is handed over to Education Department without allotment of funds for the purpose of maintenance of the hall and maintenance of staff. For proper supervision and management of the Hall, some posts need to be sanctioned during the financial year 1983-84 an additional provision of funds Rs.1.18lakh is proposed for inclusion in the Revised Budget for purchase of materials and equipments, maintenance of building, office expenses and for the appointment of the following staff :-

1. One post of Assistant-cum-caretaker on Rs. 425-700/-
2. One post of Technician on Rs. 425-700/-
3. One post of Peon on Rs. 196-232/-
4. One post of Chowkidar on Rs. 196-232/-
5. One post of Sweeper on Rs. 196-232/-
6. One post of Mali on Rs. 196-232/-

proposed

It is, therefore,/ that the scheme be taken up during the Annual Plan for 1984-85 as on-going scheme and the proposed expenditure of funds and the new posts during 1984-85 are shown below :-

NAME OF SCHEME	AMOUNT Proposed during 1984-85

 b) Office expenses including travelling expenses		.15	
c) Maintenance of the building		.05	
d) Purchase of materials and equipments		.55	
 TOTAL OF ii) :		2.43	

3. ARCHEOLOGY :

The Archaeology unit has been strengthened by providing one post of Research Investigator, which is proposed to be retained during 1984-85 along with the existing posts i.e one post of Archaeologist, one post of L.D.C and one Grade IV staff.

A provision of Rs. .84 lakh is proposed for this scheme which includes miscellaneous expenses including rent.

4. ARCHIEVES :

Experience has shown that a repository of Public records has been conspicuous by its absence in Mizoram. Consequently, in the absence of scientific classification and preservation of old records of historical, Educational and even administrative values, the works of researchers and historians, as well as different Government Departments have been hampered to a considerable extent.

A modest beginning was made during 1981-82 with the appointment of a Superintendent of Archieves along with one Storekeeper one L.D.C and one Grade IV staff. The establishment is being strengthened with one post of Chemist during 1982-83

It was proposed and approved in 1983-84 to expand the staff for the State Record Office and the posts of Record Attendant, one post of Clerk/Typist and the post of Hawk-
Guard for proper collection and preservation of all records of historical, educational and administrative value and these posts will be retained in 1984-85.

An outlay of Rs. 1.98 lakhs which includes salary of staff and miscellaneous expenses including rent is proposed.

5. MUSEUM :

The State Museum, the only museum worth mentioning in Mizoram, though comparatively small, has proved to be a success and attracts a good number of visitors everyday.

A provision of Rs. 4.60 lakhs which includes salary of staff, miscellaneous expenses, rent, purchase of museum exhibition and furniture and maintenance of vehicle, and Rs. 3.00 lakhs is proposed for construction of Museum building to be taken up by P.W.D. as schedule of work.

6. LIBRARIES :

Public Library services in Mizoram have now gained much popularity. The number of members and regular users also has much increased. Besides those run by the Department viz. one State Library at Aizawl, two District Libraries at Lunglei and Saiha, there are Sub-Divisional Libraries at Champhai and Kolasib there are now some 30 recognised public libraries run by voluntary organisations in the interior villages.

These recognised libraries have been given assistance in the shape of provision of matching contributions to the Raja Rammohan Roy Library Foundation for purchase of books for supply of such libraries.

A. State Central Library:

A total provision of Rs. 4.75 lakhs is proposed for the following items besides salary of staff :-
a) Miscellaneous contingency including rent.
b) Contribution of Raja Rammohan Roy Library Foundation.
c) Purchase of books.
d) Construction of State Library Building for which Rs. 3.00 is proposed to be taken up by P.W.D.

B. District Libraries :

A provision of Rs. 0.30 lakh is proposed for purchase of books for the two District Libraries.

C. Sub-Divisional Libraries :

A total provision of Rs. 1.86 lakhs is proposed for two Sub-Divisional Libraries for :-

- a) Salary of Staff
- b) Miscellaneous expenses including rent and travelling expenses.
- c) Purchase of books.

C. TECHNICAL EDUCATION :

Rs. 32.76 lakhs is proposed for Polytechnic Institute in Lunglei for 1984-85.

The Polytechnic at Lunglei, for the establishment of which budget provision had been made from 1979-80 was opened during 1980-81 and is now housed in a rented building. Till completion of the construction of the buildings by the P.W.D.

it is necessary to occupy the institutional rented buildings. These buildings are, therefore, occupied for office, classrooms and hostel. To meet the expenditure for rent, a provision of Rs. 3.10 lakh is required and included in the Plan.

Being a new Institute, it has yet to be provided with laboratories and equipments for different courses/subjects and it is proposed to purchase the following materials/equipments for the Polytechnic during 1984-85 for which Rs. 8.00 lakh is proposed :-

1) Physical Laboratory equipments	= Rs. 1.50 lakhs
2) Chemistry Laboratory equipments	= Rs. 1.50 lakhs
3) Drawing equipments	= Rs. .75 lakhs
4) Carpentry workshop equipments	= Rs. 1.50 lakhs
5) Fixing workshop equipment	= Rs. 1.00 lakhs
6) Smithy workshop equipment	= Rs. 1.00 lakhs
7) Survey equipments	= Rs. .75 lakhs

Total = Rs. 8.00 lakhs

The Polytechnic was started without furniture and library books which are the essential foundations of an institute and it is now proposed a provision of Rs. .75 lakh for purchase of essential library books and furniture for office, classrooms and hostels.

For construction of Polytechnic Complex, such as Administrative Block, Workshop building, Auditorium, student Hostel and Residential Quarters, Administrative Approvals have been accorded to the amount of Rs. 65.00 lakhs. However, the provision of funds amounting to Rs. 18.00 lakhs have been provided in the Plan Budgets of 1980-81, 1981-82 and 1982-83 for construction of the said buildings. This amount is not all adequate to meet the requirement of Rs. 65.00 lakhs for which Administrative Approval have been accorded as indicated above. Hence Rs. 10.00 lakhs is proposed to meet part of this required expenditure for the year 1984-85.
