ISSUED BY
DIRECTORATE OF ECONOMICS AND STATISTICS
MIZORAM : AIZAWL.

I N T R O D U C T I O N

This is the first Publication of Education Statistics by the Department of Economics & Statistics of Mizoram. Earlier, this kind of information has often been included in other Publications issued by this Department under various names of Booklets.

The figures shown in this book are simply based on the reports received from the respective concerned Officers.

In spite of its narrow contents, it is hoped that it may serve the necessity in planning and implementing Development Scheme of Mizoram in the field of Socio-Economic Development.

I am happy to convey many thanks to all Officers and Staffs who have rendered possible helps for bringing about this Publication.

It may be expected to cover larger contents and more useful in the next issued.

Suggestion if any, for further improvement of this Publication, are welcome.
