

Educational Statistics at a Glance

Mizoram

P R E F A C E

'The Educational Statistics at a Glance' for the years 1971-72, 1972-73, 1973-74, 1974-75 and 1975-76 is the first publication prepared by the Directorate of Education (Statistical and Educational Survey Unit), Mizoram. The reference date for the data contained in these tables is 31st March for every year, except for 1975-76 in which case it is 30th September, 1975.

As there are often demands for educational data of this territory from other states of India and from various departments in Mizoram, it is hoped that this bulletin will meet these requirements to a great extent. These statistics also clearly project the rapid expansion and improvement of education in Mizoram after it became a Union Territory.

I am thankful to the Statistical Officer and his colleagues for their efforts to bring out this bulletin and also to the Government Press for printing the cover.

We hope that the statistical information contained herein will prove useful.

Dated Aizawl,
24th March, 1977.
