The current issue of the brochure—"Some Basic Statistics of Tripura, 1986" being the ninth in the series, presents a variety of important data reflecting the socio-economic progress of the State. This issue also provides a glimpse of rural development programmes which are being implemented by the State Government. Updating of information has been done on the basis of latest available data relevant to the issue.

The Directorate of Statistics gratefully acknowledges the co-operation of the different departments/officers in supplying the requisite materials for bringing out this publication.

Suggestions for improvement of this publication are welcome.
