PART -II

TABLES

ANNUAL PLAN PROPOSALS

1979- 80

Objectives and Strategy :

Consistent with the national objectives and strategy indicated in the Government of India's Draft Five Year Plan(1978-83) document, and as enunciated in Rajasthan's Draft Five Year Plan 1978-83, while formulating the State's proposals for Annual Plan 1979-80 the basic objectives kept in view are substantial reduction in the unemployment/under employment and poverty, provision of minimum needs for poor, reduction in inequalities, alongwith a higher rate of growth and a rural bias. The priorities followed for determining the sectoral allocations are as indicated below:

- i) The highest priority has been given to employment intensive sectors like agriculture alongwith the associated inputs of irrigated and power, animal husbandry, dairying and allied services, village,cottage and small industries and mining.
- ii) For achieving the upgraded norms of the Revised Minimum Needs Programme in elementary education, adult education, rural health, rural water supply,rural roads, rural electrification, house sites for landless, environmental improvement of urban slums and nutrition sectors, due priority has been accorded to these sectors.
- iii) Adequate provision has been made for the 'Antyodaya' programme.
- iv) Full provision has been made for executing the World Bank/International Development Association(IDA)assisted projects,both on-going and proposed.
- v) Priority has also been given for completion of the Rajasthan Canal Project which will help transform the desert into a granary . Similarly, as part of the area development programme, due provision in the sectoral allocations has been made for schemes to be implemented in the tribal sub-plan area. Care has been taken to ensure that the development in desert /drought prone areas is expedited.

The sectoral distribution of the proposed outlay of Rs.491.05 crores by major heads of development is given below:

(Rs.in crores)

Major head of develop- ment.	Proposed outlay 1978-83		Anticipa- ted expendi- ture 1978-79		Proposed outlay 1979-80	
	Amount	% to total	Amount	% to	Amount	% tooooo to total
1. Agriculture & Allied Services.	296.96	10.23	28.89	11.65	49.57	100.00.10
2. Coopera- tion.	28.00	0.97	3.01	1.21	5.15	11.1.6.05
3. Water & Power Devel- opment	1390.65	47.91	140.39	56.62	267.96	544.1.1.57
4. Industry & Minerals	108.81	3.75	8.19	3.32	20.30	44.1.1.13
5. Transport and Communi- cations.	220.16	7.90	21.40	8.79	34.88	77.7.7.10
6. Social & Community Services.	838.34	28.88	44.32	17.82	111.29	222.1.1.66
7. Economic & General Services.	10.55.	0.36	1.37.	0.55	1.90.	0.0.1.39
Total:	2902.47	100.00	247.87	100.00	491.05	1000.0.00

Out of the total outlay of Rs.491.05 crores, an amount of Rs.106.85 crores has been earmarked for the revised Minimum Needs Programme. It would be revealed from the above table that inter-sectoral priorities during 1979-80 are in consonance with those sectoral priorities assigned in the Five Year Plan 1978-83. The highest priority has been given for Water & Power development. Viewed the allocations proposed for Water & Power development combined with Agriculture & Allied Services and Cooperation, it would be seen that about two thirds of the total plan outlay for 1979-80 would be towards programmes largely leading to rural development. The above table shows a reduction in percentage to total outlays during the year 1979-80 in respect of all major heads of development excepting under Industries and Minerals, and Social and

Community Services when compared to 1978-79. In absolute terms, however, the outlays under all these heads are higher. The increase in Agriculture & Allied Services is 71.58 percent, in Cooperation 71.10 percent, in Water & Power Development 90.87 percent, in Transport and Communication 60.00 percent and in Economic and General Services 38.69 percent. The relatively higher step up in Social and Community Services is because it has a large component of the Revised Minimum Needs Programme. The hike in the Industries and Mineral Sector is also to a considerable extent because of larger outlays on Village and Small industries, including Khadi industries.

The overall increase of 98.24 percent in the outlays during 1979-80, over 1978-79, is considered absolutely essential in view of the proposed outlay of Rs. 2902.47 crores for the Five Year Plan 1978-83 and the objectives envisaged therein. It would be seen that although the anticipated expenditure in 1978-79 works out to only 8.54 percent of the total outlay for the Five Year Plan period 1978-83, the allocation proposed for 1979-80 is only 16.92 percent of the total Plan Outlay(1978-83). The step up in the second year from the first no doubt appears high but it is inevitable to provide a sound base for the subsequent three years.

Financial Resources:

The State resources for financing the Annual Plan 1979-80 are tentatively estimated as under:

Sources	Amount
<hr/>	
I. Pre-Seventh Finance Commission Award:	
1. State's Budgetary Resources	30.55
2. Negotiated loans & State Enterprises Market Borrowings (1978-79 level)	27.75
<u>Aggregate net State resources(I) :</u>	<u>58.30</u>
<hr/>	
II. Post-Seventh Finance Commission Award:	
1. State's Budgetary Resources	65.29
2. Negotiated loans & State Enterprises Market borrowings	38.36
<u>Aggregate net State resources(II)</u>	<u>103.65</u>
<hr/>	

The balance amount has obviously to be met through the Central assistance, additional resource mobilisation and by increasing the quantum of negotiated loans and market borrowings.* The issue regarding grant of Central assistance to the States

for financing the Five Year Plan 1978-83 is under consideration of the National Development Council. It is hoped that the backward States like Rajasthan, stretching over a vast area with a major part coming under desert and which have to incur comparatively heavy expenditure to provide infrastructural and other developmental facilities will now receive substantial funds in the form of central assistance to attain the targets set in the Draft National Five Year Plan 1978-83. The Draft Five Year Plan 1978-83 issued by the Planning Commission states that there would be escalation of borrowing from the present level of Rs. 1600 crores to Rs. 3200 crores each year during the coming years. The policy with regard to borrowings from the market is determined by the Government of India. It is expected that the State of Rajasthan would be permitted to go in for larger market borrowings as compared to the present level of Rs. 19.62 crores (net). Likewise the Government of India will have to increase the limit for negotiated loans and market borrowings by State-Enterprises, the suggested 10 Percent mark-up over the 1978-79 level in the guidelines received from the Planning Commission, looking to the over all size of State Plans envisaged in the Draft Five Year Plan (1978-83) document of the Government of India, will have to be considerably stepped up.

As regards additional resource mobilisation by the State, it may be pointed out that Rajasthan with its low resource potential had per capita tax revenue as percentage of per capita state income at 7.0 as against 5.6 for Uttar Pradesh, 6.6 for West Bengal, 4.6 for Orissa, 5.3 for Bihar and 4.5 for Assam. Only developed states of Punjab, Haryana, Maharashtra, Gujarat, Karnataka, Kerala, Tamil Nadu and Andhra Pradesh had a higher percentage. This fact indicates that the State has already striven hard and reached its limit where further prospects of additional resource mobilisation appear to be rather limited. However, efforts would be made to generate funds through additional resource mobilisation to the extent possible.

The Government of India, while finalising the Plan should take into account not only our effort to raise resources but also our need for development. What is necessary, therefore, is that the Government of India give requisite assistance and permit the State Government for increased market borrowings to enable it to achieve the targets proposed with a plan outlay of Rs. 491.05 crores in 1979-80. The State Government will on its part, also try its best to mobilise more resources through better remunerations, economy in administration, modification of rates of tax and non-tax revenue, etc.

Sectoral Programmes:

While the sector-wise/scheme-wise financial details are given in Table No. 2, details of physical achievements and targets in Table No. 3, the important features are discussed in the following paragraphs:

Agriculture & Allied Services:

The main sectors covered under this head are Agriculture Production, Minor Irrigation, Soil Conservation, Command Area Development, Animal husbandry, Dairy development, Fisheries, Forestry, Drought Prone Area Programme and Rural Development, Community Development and Panchayats and Antyodaya. The total outlay proposed for the sectors for the year 1979-80 is Rs. 49.57 crores as against the anticipated expenditure of Rs. 23.89 crores during 1978-79. Of the proposed outlay of Rs. 49.57 crores for 1979-80, Rs. 30.07 crores relate to committed items of (i) World Bank assisted on-going programmes viz. Agriculture extension, Seed project, Command Area development in R. Jasthan Canal (Stage-I- Phase I) and Chembal, Dairy development, DPAP of Jodhpur and Nagour districts (ii) on-going Minor irrigation works, and (iii) programmes like Integrated Rural development including Samagra Gram Vikas, and Antyodaya.

Agriculture Production:

Weather and Crop Condition:

During the current year (1978-79) rains had started in the last week of June. There were wide spread rains in July and excessive rains during the month of August. Rains completely receded from the State from second week of September except for some scattered rain at a few places during the last week of September. The following table indicates the rainfall received during the period from June to September:

(Rainfall in mm.)

Period	Normal 76-77	Normal 77-78	Actual rainfall 78-79	% Deviation over Normal last year
June to 5th Sept.	514	677	726	+31.1 + 2.8

An analysis of district-wise position reveals that rains were excessive in the districts of Alwar, Jaipur, Sikar, Jhunjhunu, Dungarpur, Udaipur, Jalore, Nagour, Churu and Bikaner being more than 50 percent or even higher than the normal. The rains were below normal or near normal in the districts of Ajmer, Bharatpur, Tonk, Dundi, Jhalawar, Barmer and Jaisalmer. In the districts of

Sikar, Jhunjhunu, Churu and Bikaner heavy downpours caused floods. In parts of other districts like Jaipur, Alwar, Ganganagar and Bharatpur also, floods were caused in some pocke's due to excessive run-off or breaches from tanks/canals.

Due to abnormal rainfall, some of the important tanks/dams in Alwar, Jaipur, Sawai Madhopur, Tonk and Udaipur districts overflowed. Two dams of Alwar district were breached. Major of the tanks had attained adequate storage except in Udaipur division. The tanks of Ghambheri, Khari, Bhopalsagar, Narmangan and Jaisamand of this division, however, had sufficient water for irrigation purposes.

Sowing position : Kharif Crops:

Sowings of Bajra this year were higher by about 10 percent over the last year. Likewise Maize sowings were also higher in the area under pulses declined. Likewise, while the sowings under Cotton were reported to be on the higher side those of sugarcane declined as compared to last year.

Crop condition of Kharif crops:

Katra appeared in epidemic form in the districts of Jodhpur, Bikaner, Churu, Sikar, Jhunjhunu, Ganganagar, Jodhpur, Jalore, Barmer, Pali and Nagaur and damaged kharif pulses to the extent of 30 to 40 percent. On account of excessive rains or floods, crops were damaged to the extent of 50 to 70 percent in the districts of Sikar and Jhunjhunu (Bajra and Pulses), Jodhpur (Pulses and Nagaur (Pulses), Ganganagar (Cotton), and Ajmer (Bajra). 115 to 125 percent damages were reported in district of Alwar (Kharif crops), Hanumangarh (Pulses), Jaisalmer (Pulses and Guar), Jalore (Pulses and Guar), Nagaur (Groundnut), Pali and Barmer (Pulses), while 10 percent damages were reported in the districts of Jaipur (Kharif crops), Ganganagar (all crops except cotton), Bikaner-Churu (Pulses and Barmer), Jalore (Bajra), Kota (Kharif crops), Bundi (Kharif crops), Jhalawar (Kharif crops), Tonk (Kharif crops), Baran (Kharif crops) and Hanumangarh (Cotton).

Crop Estimates

The Agriculture Department has estimated the production of Kharif crops on the basis of visual estimates received from District / Regional Officers. The comparative position of area and production of Kharif crops as compared to last year is given in the following table :

Crop	Area in Lakh Ha.			Production in Lakh tonnes		
	Actual 77-78	Likely 78-79	Actual 77-78	Likely 78-79	Advance estimate by Board of Revenue	Visual estimates.
77-78	Ist estim- ate by Board of Rev.	Esti- mate based on pre-harvest surveys ratio estimate	77-78	7.36	6.10	6.30
Rice.	1.83	1.69	2.12	2.36	2.71	3.00
Jowar	7.23	7.75	8.05	8.79	10.69	12.00
Bajra	40.74	40.61	45.62	8.04	5.16	5.46
Millets	7.49	7.39	8.09	5.16	5.46	6.00
Total	79.08	76.54	84.27	23.74	22.55	23.00

Oilseeds:

Sesamum	3.63	3.65	4.37	0.50	0.47	0.50
Ground- nut	2.43	2.46	3.93	1.74	1.22	2.00
Total	6.06	6.11	8.30	2.24	1.69	2.50
Sugar- cane	0.61	0.50	0.60	28.25	15.40	21.40
Cotton	3.70	3.44	4.11	4.79@	4.08@	4.50@

(@) Lakh bales of 170 kg. each.

The area under Kharif food grains as per pre-harvest estimate (i.e. the area reported under the First Estimates of Kharif pulses and small millets is taken as such for pre harvest estimate), has been worked out at 83.06 lakh ha. which is 5 percent higher than the last year. Like-wise the area under Oilseeds and Cotton are also higher by 36.9 percent and 11.0 percent respectively.

Considering the pre-harvest estimates of area and the condition of the crops based on visual estimates, the production of kharif foodgrains is expected to be 23 lakh tonnes which is 22.2 percent higher than the last year actual, while 17.1 percent higher over the four years average of 1974-75 to 1977-78 (four years average production was 24.69 lakh tonnes). Likewise, the production of Oilseeds and Cotton would also be higher than the last year's actual as well four years average production (four years average production of kharif Oilseeds was 2.20 lakh tonnes and of Cotton 4.08 lakh bales).

Prospect of Rabi Crops:

Position of Irrigation facilities:

The rainfall during the Kharif season has generally been well spread throughout the State through excessive and continuous rains were received in the northern and eastern parts of the State. Heavy rains in north-eastern part of the State caused floods.

The availability of water in the tanks, and continuous heavy rainfall specially in Southern and Eastern Rajasthan has helped in raising the water table in the wells. The areas in the districts of Jikaner, Jhunjhunu, Churu, Alwar and Bharatpur which were affected by floods were expected to retain sufficient moisture which would have helped growing rabi crops in larger areas but the high temperature during September and October had reduced the moisture rapidly.

During September, scattered rains were received in the districts of Ajmer, Bharatpur, Jaipur, Sawai-Madhopur, Bhilwara, Udaipur, Pali, Jalore, Sirohi, Tonk and Chittorgarh, while in October no rains were received throughout the State. The adverse condition prevailing during the two months had severely affected the prospect of sowings. In November, scattered rains were reported almost throughout the State. The temperature had however, been generally higher than the normal.

Sowing position of Rabi crops:

In 1977-78, 46.34 lakh ha. was sown under rabi crops (including 23.01 lakh ha. under cereals, 18.97 lakh ha. under gram and rabi pulses, 4.36 lakh ha. under rabi oilseeds). Of the total rabi area, 22.70 lakh ha. was irrigated and the remaining was rainfed or unirrigated. During this year the position of irrigation is satisfactory but there has been no rabi rains at the time of sowings. Accordingly, the unirrigated area under the crops has shrunk considerably. The position of sowings is given as under :-(
(Area in lakh ha.)

Crops	Actual		1978-79	
	1976-77	77-78	Targets	Likely
Maize	17.99	18.31	19.00	163.00
Barley	5.90	4.70	7.50	44.30
Gram	17.76	18.64	18.50	155.55
Other Rabi Pulses & small millets	0.35	0.33	0.30	
Total:	42.00	41.98	45.30	355.85

Oilsseeds

Rape & Mustard	2.30	3.43	3.00	3.00
Linseed	0.78	0.88	1.00	0.95
Total	3.08	4.36	4.00	3.95
	-----	-----	-----	-----

Production of rabi crops:

Based on the above estimates of area and condition of crops, the production is expected to be 41 lakh tonnes of foodgrains and 2.30 lakh tonnes of rabi oilsseeds.

The total cropped area was 167.00 lakh ha. during 1977-78 (1117.00 lakh ha. in Kharif and 50.00 lakh ha. in Rabi) as against 168.99 lakh ha. in 1976-77 (119.24 lakh ha. in Kharif and 49.75 lakh ha. in Rabi).

In the current year, area under kharif foodgrains is likely to be higher by about 4 lakh ha. and that under commercial crops higher by 2.60 lakh ha. over the last year. Accordingly, the cropped area during kharif this year is estimated to range between 120.00 to 122.00 lakh ha. The cropped area during Rabi is expected to be 45.00 lakh ha. as against 50.00 lakh ha. in 1977-78 and 49.75 lakh ha. in 1976-77. The overall cropped area during the current year is thus estimated to range between 1655.00 lakhs ha. to 167.40 lakhs ha. as against 167.00 lakh ha. in 1977-78.

The estimates of production of food and commercial crops during current year, as compared to the preceding two years, are given as under:-

Crops	Production of crops in lakh tonnes				
	1976-77	77-78	4 years average ending 1977-78	Targets 1978-79	Visual estimates
<u>Foodgrains:</u>	<u>74.90</u>	<u>71.51</u>	<u>68.39</u>	<u>77.00</u>	<u>70.00</u>
Kharif	31.20	23.74	21.69	29.75	29.00
Rabi	43.70	47.77	43.70	47.25	41.00
<u>Oilsseeds:</u>	<u>3.43</u>	<u>4.16</u>	<u>4.13</u>	<u>4.50</u>	<u>4.50</u>
Kharif	2.16	2.24	2.20	2.20	2.20
Rabi	1.27	1.92	1.93	2.30	2.30
<u>Sugarcane</u>	<u>19.90</u>	<u>28.50</u>	<u>21.36</u>	<u>21.50</u>	<u>21.00</u>
<u>Cotton</u>	<u>3.69</u>	<u>4.72</u>	<u>4.08</u>	<u>4.50</u>	<u>4.50</u>
(Lakhs bales of 170 kg each)					

Arrangements for inputs for 1978-79

The achievements of distribution of seeds, fertiliser,, plant protection measures carried out during kharif and likely to be achieved during rabi, as compared to preceding two years are given in the following table:-

Items	Achievements		1978-79	
	1976-77	77-78	Targets	Likely (Kanchi men)
1. High yielding/ hybrid seeds (Quintals)				
i) Kharif				
1) Paddy	1217	928	1250	9211
2) Jowar	106	535	700	595
3) Maize	2658	3133	1500	3298* *
4) Bajra	5123	10342	11250	14219122
Total	9159	14938	17700	18858

* Includes 2210 Qtls distributed by RSAIC & 1083 Qtls. by pri. Trade.

② Includes 6773 Qtls. distributed by RSAIC & 7276 Qtls by ppriv. trade.

ii) Rabi

1. Wheat	35874	36226	105000	60000
Total	45033	51164	122700	78758

III-Area covered:

Under High yielding/
hybrid varieties
(Lakh ha.)

1) Kharif	3.31	5.23	5.40	5.98
2) Rabi	9.10	8.30	10.50	10.50
Total:	12.41	13.93	15.90	16.48

III- Distribution of fertiliser (tonnes)

Kharif N	23274	27884	36000	31704
P	4346	5469	7000	6927
K	857	1282	1600	1412
Total:	28477	34635	44600	40073

Rabi N	55811	62281	80000	77657
P	11081	13393	18000	18000
K	2783	3597	5000	5000
Total:	70075	79271	108000	100657

IV-Plant Protection:

1. Technical grade material(tonnes)	1471	1817	1800	1937
2. Area covered(Lakh ha)	48.36	41.96	51.00	55.71

Trends of production:

Since a large part of the cropped area in the State is dependant on rainfall, specially in the western districts, there are wide fluctuations in cropped area as well as production. In order, therefore, to review the trends of area and production it would be proper to study the average in a block period of 3 years instead of one single year.

The following table indicates the position of area and production of food and commercial crops both for the period 1977-78 and average for the block periods ending 1973-74 and 1977-78:-

Crops	Area in lakh ha.		Production in lakh tonnes/bales		
	Actual 73-74	Average for Block period of 71-72 to 73-74	Target Fifth Plan	Actual 77-78	Average for block period of 75-76 to 77-78.
<u>Foodgrains:</u>					
Area	137.60	128.69	133.55	121.06	121.90
Production	67.21	60.71	88.00	71.51	74.55
<u>Oilseeds:</u>					
Area	11.86	11.99	13.60	10.42	9.90
Production	3.39	3.72	4.90	4.16	3.85
<u>Sugarcane:</u>					
Area	0.40	0.34	0.50	0.61	0.50
Production	19.46	15.00	14.50	28.50	21.25
<u>Cotton:</u>					
Area	3.02	3.21	3.60	3.70	3.20
Production	3.01	3.40	4.76	4.79	4.25

Block averages show that the area under foodgrains and oilseeds had a declining trend while under cotton and sugarcane it is observed to be increasing.

The area under ba ra which touched a level of 57.31 lakh ha. in 1973-74 has been continuously declining and has reached the level of 40.74 lakh ha. in 1977-78. This has effected the overall cropped area of foodgrains. likewise, the area under rape & mustard has also declined. The main crop replacing bajra during Kharif has been guar. Its area

has reached 13.38 lakh ha. in 1973-74. The increase under guar has, however, not been commensurate with the decrease in area under bajra during the same period. Under oilseeds, the competing crop is gram, the area of which has increased at the cost of mustard, especially in Alwar and Bharatpur districts.

The year 1974-75 was drought year and the production of crops had considerably reduced in that year. But in the subsequent year the production went up as high as 77 lakh tonnes. On account of excessive rains in the following years, however, the Kharif crops suffered considerable damage again bringing down the overall production level. Four years block average during the Fifth Plan (1974-75 to 1977-78) has been worked out which is given in the following table:-

Crops	Avg. for the block period 71-72 to 73-74	Avg. for block period 74-75 73-74 to 77-78	Perce taage incre seed
Foodgrains (Lakh tonnes)	60.71	68.39	3.116
Oilseeds (Lakh tonnes)	3.72	4.13	2.882
Sugarcane (Lakh tonnes)	15.00	21.36	10.60
Cotton (Lakh bales) *	3.40	4.08	5.00
Programmes for 1979-80:-	* 176 kg per bale.		

Land Reforms:

The work of updating of land records aimed at providing direct benefits to the tenant so as to enable him to enjoy credit facilities, would continue, with greater emphasis in tribal areas. Out of the proposed outlay Rs.13.00 lakhs an amount of Rs.4.50 lakhs has been earmarked for the Tribal Sub-plan area. A provision of Rs.25.50 lakh has been made for the Tribal sub-plan area for this work out of the Special Plan assistance to be received for the tribal sub-plan.

Agriculture Education & Research:

An outlay of Rs.99.17 lakhs has been proposed for the Udaipur university for the year 1979-80 as below:-

	(Rs. in lakhs)
1. Agriculture Education	42.17
2. Research	44.00
3. Extension	13.00
Total:-	99.17

The University will continue to impart agriculture education in various fields. Provision has been made for development of University Complex, strengthening the administrative staff and to provide other facilities.

With the transfer of fundamental and applied research

Identify the research gaps and to coordinate the two main aspects of research and extension simultaneously. An Operational Research Project is functioning at Chittorgarh under the auspices of the University. The Agriculture Research Station located at Banswara and one Krishi Gyan Kendra at Dungarpur are catering to the needs of the tribals. Among the research projects proposed to be taken up during 1979-80 one of the important schemes would be on development of 'orange' in Jhalawar which is known as 'Nagpur' of Rajasthan. The work of the Seed production unit would also continue.

The University is doing work in extension education also. The important activities of the University in this direction include institutional farmers training programmes, one-day training camps, farmers discussion groups, farmers functional literacy etc. Latest methods of storage are also demonstrated to the farmers. In the year 1979-80 it is proposed to start a staff training school under the Directorate of Extension Education. The Communication Centre will also be strengthened.

Crop Husbandry:

A total outlay of Rs.450.73 lakhs for the year 1979-80 is proposed for Crop Husbandry as against the likely expenditure of Rs.304.28 lakhs during 1978-79. The outlay for 1979-80 includes Rs.254.58 lakhs for committed items and Rs.196.15 lakhs for new items which include additional facilities for staff, equipment, vehicles and for the World Bank Project of Agriculture Extension & Research, demonstration of multiple cropping, setting up of soil testing laboratories and State shares for the Centrally sponsored scheme of Agriculture Engineering and State contribution on State Seed Project.

The total cropped area which was 168.99 lakh ha. in 1976-77 and 167.00 lakh ha. in 1977-78 is likely to be between 165.00 to 167.00 lakh ha. in 1978-79. In 1979-80 an additional area of 24000 ha would be brought under cultivation in Rajasthan Canal Project area and about 6000 ha. in other parts of the State. Thus the total cropped area for 1979-80 is projected as 167.70 lakh ha.

The total irrigated area by the end of the current year is estimated to be 30.55 lakh ha. against 29.85 lakh ha. in 1977-78. In 1979-80 an additional area of 0.78 lakh ha. would be brought under irrigation (24 thousand ha. by Rajasthan Canal and 11 thousand ha. by other major and medium irrigation works and about 43 thousand ha. through ground water sources), thereby the total irrigated area is estimated to be 31.33 lakh ha. by the end of 1979-80.

A target to cover 115.00 lakh ha. under high yielding/hybrid varieties was fixed for the current year. On account of less availability of certified seeds of maize and jowar and failure of bajra seed production in the State, 10498 Qtls. of seed was distributed during Kharif and 46299 Qtls. is likely to be distributed in rabi by RSAIC. Besides this, private trade/N.S.C. have also distributed about 8359 Qtls. of kharif seeds, while 10 to 14 thousand qtls. of wheat is expected to be distributed by other agencies. Accordingly, it is estimated that an area of 16.48 lakh ha. (kharif crops 5.96 lakh ha. and in rabi crops 10.58 lakh ha.) have been covered under the high yielding/hybrid crops. The available varieties of bajra are highly susceptible to ergot and downy mildew diseases and, therefore, the use of hybrid seed is restricted to limited areas.

In 1979-80 it is proposed to distribute 20000 qtls. of kharif high yielding/hybrid seeds and 100000 qtls. of mexican wheat during rabi and thereby a target to cover 17.80 lakh ha. under high yielding/hybrid seeds (6.30 lakh ha. kharif and 11.50 lakh ha. in rabi) is proposed. In addition, 14000 qtls. of improved seeds of barley, gram and other improved wheat would also be distributed.

Till kharif 1978-79 the production of high yielding/hybrid varieties was carried out through the departmental agency on the field of registered growers but from the rabi onwards the production of project seeds have been taken up by the State Seed Corporation. In addition, improved seeds of other varieties (non-project seed) would be carried out through the departmental agency on the registered seed growers farms.

The consumption of fertiliser during Kharif 1978-79 has achieved an all time record of 40000 tonnes, while during rabi, in the current year, it is estimated to be 103000 tonnes. Thus the consumption in the current year has increased by about 15.7 percent during kharif xxx over the last year (last year consumption during khbrif was 34635 tonnes) and by 24.2 percent during rabi (79271 tonnes consumed during 1977-78). For the year 1979-80, on the basis of past trends, it is estimated that consumption would be 47200 tonnes (37500 N, 8300 P and 1400 K) during knarif and 111200 tonnes (87600 N, 19200 P & 4400 K) during rabi.

A target to cover 54.00 lakh ha. was proposed under plant production measures, against which 45.71 lakh ha. are likely to be covered during 1978-79. It is estimated that a total quantity of 1937 tonnes of technical grade material would be utilised in 1978-79 as against 1817 tonnes last year. A target to cover 57.00 lakh ha. under plant protection measures is proposed for 1979-80, and it is estimated that 2000 tonnes of technical grade material would be utilised.

Special programme on Oilseeds and pulses:-

For the use of P_2O_5 in gram the farmers were supplied 20 Kg. P_5O_5 with each qtl. of improved seed of gram (7560 qts of gram seed was distributed), to protect the crop from cut-worm and pod-borer. Intensive plant protection measures are being carried out. Similarly, intensive plant protection ~~measures~~ measures are being arranged through ground/aerial operation for control of aphids on rape and mustard. There has been difficulty in the availability of certified seed of kharif pulses and oilseeds (groundnut and rape & mustard). Government of India may take up the question of arranging the certified seeds through National Seed Corporation.

Agricultural Extension:

The Agricultural Extension Project was started in October, 1977, after it was negotiated with the World Bank. The project has covered 17 administrative districts which have been reorganised into 20 agricultural districts and 50 sub-districts. Staff at the district and sub-district levels have been fully provided. At the field level, 410 agriculture grad aces and 3300 VEWs have been provided and are in position now. For arranging the training to new recruits, 2 training centres have been established. These centres have organised training of 706 VEWs and 72 subject matter specialists. Twelve adaptive trial centres have been identified out of which 7 centres have been set up on the farms of the department/University/Rajasthan State Agro-industries Corporation (SATC). Necessary staff have also been appointed on the centres.

Arrangements for quick mobility (jeeps) have been provided at the Sub-district and district level. For the field staff i.e. A.A.Os and VEWs loans are being advanced for purchase of motor cycles/cycles. In the year 1979-80 it is proposed to strengthen the field machinery and step up the conveyance and building facilities further.

The details of expenditure incurred during last two years and outlay proposed for 1979-80 are given as under :-

Items	Expenditure		(Rs. in lakhs)
	1977-78	1978-79 (Approved outlay)	
1. Extension	97.18	247.51	434.41
2. Training	7.45	25.0	19.34
3. Adaptive trials	1.17	36.46	45.50
4. Monitoring & Evaluation.	3.30	8.05	8.55
5. University (Non-Plan)	-	35.00	36.00
Total:-	109.10	352.37	544.20

The above expenditure/outlay is being financed out of State Plan, University, Special central assistance for Tribal sub-plan area and Centrally Sponsored Scheme as below :-

Item	77-78	78-79	79-80
1. State Plan Agriculture Department and Universities Non-plan contribution.	73.73	270.30	398.50
2. Central Share	25.85	73.37	134.05
3. Special Central Assistance for Tribal Sub-plan area.	9.52	10.70	11.00
Total:-	109.10	352.37	544.00

Against the above expenditure/outlays for the period of 1977-78 and 1978-79 an amount of Rs.2.07 crores is estimated as IDA assistance. For 1979-80 the IDA assistance is estimated to be of the order of Rs.2.49 crores. The Agriculture Extension and Research Project includes centrally sponsored schemes on strengthening of staff and setting up of adaptive trial centres. For this purpose the expenditure incurred during the past 2 years and the amount proposed for the year 1979-80 would be as under :-

6 Rs. in Lakhs 1

Items	<u>Expenditure incurred</u>		<u>Outlay proposed for 1979-80</u>
	<u>1977-78</u>	<u>1978-79</u>	
1. Expenditure:-			
a) Staff.		86.81	179.50
b) Vehicles	34.47	9.35	179.50
Total:-	34.47	95.16	179.50
2. Adaptive trials Not yet sanctioned: 45.50			

Targets of Production:-

Keeping in view the physical programmes and the trends in production, the targets of production of foodgrains and commercial crops for the year 1979-80 are proposed as under:-

Crops	<u>Actual</u>		<u>Likely Targets</u>	
	<u>1976-77</u>	<u>1977-78</u>	<u>78-79</u>	<u>79-80</u>
<u>FOODGRAINS</u>	<u>74.90</u>	<u>71.51</u>	<u>70.00</u>	<u>77.00</u>
1) Kharif (Lakh tonnes)	31.20	23.74	29.00	39.00
2) Rabi (Lakh tonnes)	43.70	47.77	41.00	41.20
<u>OILSEEDS</u>	<u>3.43</u>	<u>4.16</u>	<u>4.50</u>	<u>4.50</u>
1) Kharif (Lakh tonnes)	2.16	2.24	2.20	2.20
2) Rabi (Lakh tonnes)	1.27	1.92	2.30	2.30
<u>SUGARCANE (CANE)</u>	<u>19.90</u>	<u>28.25</u>	<u>21.00</u>	<u>23.25</u>
<u>COTTON (lint) (Lakh Tonnes)</u>				
(Lakh bales of 170 kg. each)	3.69	4.79	4.50	4.70

Seed Project:

The Seed Project envisages an outlay of Rs.8.27 crores for the project period including State contribution. The total requirement of the project for 1979-80 is estimated to be Rs.0.43 crores, including Rs.17 lakhs to be met out of State Plan.

Warehousing:

The Rajasthan State Warehousing Corporation has a 1.35 lakh tonnes capacity of its own at the beginning of the year 1978-79. By the end of the year, the total storage capacity of the Corporation would be 1.83 lakh tonnes.

The Corporation proposes to add 1.00 lakh tonnes storage capacity during the Five Year Plan period (1978-83). Ten godowns of 0.20 lakh tonnes capacity are proposed to be taken up during the year 1979-80. A provision of Rs.5.00 lakhs is being made in the Annual Plan 1979-80 to be given as share capital to the Corporation. It will make available matching share capital contribution of the same order to the Corporation from the Central Warehousing Corporation during 1979-80. The whole amount would be utilised for construction of godowns. It is estimated that besides this amount of Rs. 10.00 lakhs, the Corporation would be spending about Rs.65.00 lakh from its own resources, for providing warehousing facilities in the State during next year.

Minor Irrigation:

An outlay of Rs. 10.24 crores, including Rs. 1.58 crores as debenture support for institutional loaning is proposed for Minor Irrigation in 1979-80. With the investment envisaged under this head during 1979-80, an additional area of 43 thousand ha. would be brought under irrigation. Of this, 13 thousand ha. would be through the minor irrigation works executed by the Irrigation Department and 30 thousand ha. through ground water sources.

Out of the allocation of Rs. 6.00 crores proposed for the Minor Irrigation works of the Irrigation Department, Rs. 5.68 crores are for expeditious completion off the ongoing works and

Rs.0.32 crores for taking up new works. The ~~ext~~ activities of the Ground Water Department are proposed to be stepped up substantially and accordingly the allocation proposed for the department for 1979-80 is Rs.199.70 lakhs as against the anticipated expenditure of Rs.26.50 lakhs in 1978-79. Additional funds for the department would also be available under the D.P.A.P. and Special Central Assistance under ~~Tribal~~ Sub-plan. The work of detailed hydrogeological investigations will be extended by the department to 11 river basins. In addition to these, a provision of Rs.67.00 lakhs has been made for meeting the staff cost of A.R.D.C. financed schemes and Rs. 67.50 lakhs for Special Debenture Support to enable a loaning of Rs. 900.00 lakhs by the financial institutions during 1979-80.

During 1979-80, there would be 42 continuing schemes and the number of new schemes proposed to be taken up is 23. Out of these, 33 would be A.R.D.C. financed Minor Irrigation Schemes. Apart from this, an outlay of Rs. 90.00 lakhs is proposed for ordinary debenture support from which total loaning during 1979-80 is estimated as Rs. 12.00 crores.

Soil Conservation :-

Soil conservation work in the State is being done by the departments of Agriculture and Forest. For 1979-80 an outlay of Rs. 36.81 lakhs is proposed under this head-Rs. 16.50 lakhs for Agriculture department and Rs. 20.31 lakhs for Forest department.

Agriculture Department :

In order to execute the soil conservation works on watershed basis the State has been divided into two parts : One for the Fought Prone Areas and the other for the remaining districts. Like the D.P.A.P., shelf of projects are being formulated in the non-D.P.A.P. areas. During 1978-79, six projects have been formulated and sanctioned at a total cost of Rs.13.32 lakhs which are likely to be completed in the current year. In addition to this, survey work has been completed in ~~10,000~~ 10,739 ha. during 1977-78, and in 1978-79 survey work in 12,000 ha. is likely to be completed. Preparation of project reports for the above works would be taken up in the next year. It is expected that works would be executed in about 8,000 ha. in the year 1979-80. Besides, survey would also be completed in an additional area of 8,000 ha.

Three A.D.C.schemes are in progress at Bandikui, Kekri and Bijolia. Work on these schemes will continue during 1979-80. The outlay of Rs.15.50 lakhs proposed for this department is to meet the subsidy cost and loan amount required for ineligible farmers for A.D.C.schemes etc.

Forest Department :

Soil Conservation afforestation programmes are proposed to be carried out by the Forest department in over 5000 ha. in ravine hilly areas during the Five Year Plan period 1978-83 with an outlay of Rs.106.00 lakhs.

During 1979-80 it is proposed to undertake survey of ravine land in 20,000 ha. and to do ravine afforestation work in 500 ha. with an outlay of Rs.20.31 lakhs.

Command Area Development :

The programmes of Command Area Development in Rajasthan Canal and Chambal areas are in operation in the State with World Bank assistance. Two other projects viz., North-West Shakra and Gang Canal have also been started. Two new projects viz., Command Area Development P. Stage-I-phase II and Stage-II are also proposed to be taken up during the year 1979-80, for which efforts are being made to obtain assistance

from International agencies. An outlay of Rs.9.37 crores has been proposed for these programmes under head 'Command-Area Development' for the year 1979-80. Against this Rs.6.41 crores would be received as Government of India contribution. The Government of India contribution includes an amount of Rs.15.00 lakhs towards crop compensation to be paid to the farmers in Chambal Command Area. These figures of State plan outlays in respect of ongoing CAD Projects of RCP and Chambal indicated above, exclude the figures of allocation with regard to irrigation, roads, forestry and water supply being proposed under the respective sectoral heads. The details of the various programmes have been given elsewhere under head 'Integrated Development of Command Area.' Apart from these budgetary outlays and special loan contribution of Rs. 161.50 lakhs by A.R.D.C. funds from institutional sources ~~in 1979-80~~ of the order of Rs.12.27 crores ^{in 1979-80} are likely to be available as against Rs.6.54 crores likely to be received in 1978-79.

Animal husbandry :

Animal husbandry plays a vital role in the economy of the State, contributing about 10 percent to the State domestic product. The anticipated expenditure during 1978-79 would be Rs.114.59 lakhs which is proposed to be stepped up to Rs.148.56 lakhs during 1979-80. The major achievements during 1978-79 were the conversion of four district hospitals into poly clinics and opening of 50 dispensaries. The programme for control of 'Surra' disease in camels was also taken up. The expansion of biological products laboratory is in progress.

Intensive founder development programme is proposed to be taken up in Chittorgarh district in 1979-80. Programme of artificial insemination will be continued. One new poly-clinic is to be established and the existing ones strengthened. Goshala development will be taken up. 93 new veterinary hospitals/inspensaries will be opened.

For meeting the increased requirements of livestock products, one training school with an intake capacity of 100 students is to be established at Kota. The existing school at Alwar is to be strengthened by increasing the intake to 100 students.

Arrangements for veterinary health care, vaccination against foot and mouth diseases and development of poultry and piggery would continue. The poultry farm and one intensive and poultry ~~and~~ centre will be setup.

A sum of Rs. 1.00 crore is proposed for veterinary

Sheep & Wool :

A sum of Rs.47.96 lakhs is proposed to be provided for sheep development during 1979-80 under State plan. The important programmes to be taken up during 1979-80 would be to strengthen four Sheep Breeding farms by raising the sheep strength by 100 each, establishment of 36 mini-farms and strengthening of 30 extension centres. Eight new A.I. Centres are proposed to be setup. Two new district offices would be opened. Provision has also been made for share capital contribution amounting to Rs.15.00 lakhs to the Sheep and Wool Board and Rs.0.30 lakhs for the managerial subsidy to Cooperative societies.

Dairy Development :

Out of the proposed outlay of Rs.1000.00 lakhs for Dairy development during the period 1978-83 a provision of Rs.220.70 lakhs has been made for the year 1979-80 as against the anticipated expenditure of Rs.201.52 lakhs in 1978-79. Besides the State plan provision funds would also be available from Centrally Sponsored Schemes and through institutional finance during the year.

The basic unit of dairy development programme in the State is the milk producers Co-operative society established at the village level. At the end of 1978-79 there are expected to be 1879 co-operative societies with a membership of 1.50 lakh farmers. 221 new co-operative societies are proposed to be set up during the year 1979-80 and the total membership would be raised to 1.68 lakh families.

Dairy plants have been setup at Bikaner, Jodhpur and Ajmer. Work is in progress on setting up new Dairy plants at Alwar, Udaipur, Ajmer and expansion of Ajmer dairy plant. During the year 1979-80 the Alwar Feeder Chilling Dairy would be commissioned and work would also start on new Dairy plants at Kota, Udaipur, Ajmer and Ganganagar. The number of Chilling Centres which is 11 in the current year is likely to go up to 15 in the next year.

With the completion of the above processing facilities the volume of milk collection would be expanded. The average daily milk collection would increase to 4.00 lakh litres per day during the year 1979-80.

In the remaining 11 of the dairy plants, intensive cattle development programme would be undertaken. This would include animal health care, milch and fodder development and organisation of extension services. A number of Mobile Veterinary units

feed, four Feed Mills are being setup at Nadbai, Ajmer, Jodhpur and Bikaner. The Feed Mills at Nadbai and Ajmer would be commissioned during 1979-80. Union Training Centres would be opened at Udaipur and Sriganganagar. The districts of Dungarpur, Banswara, Udaipur, Kota, Sikar, Jhunjhunu and SriGanganagar would be brought under Dairy Extension Programme. Ten Semen Banks and A.I. Centres would be setup in the area for providing liquid semen for doing artificial insemination. 75,000 As. would be done during the year 1979-80. A Frozen Semen Bank would be setup at Bassi(Jaipur).

The Exotic Cattle Breeding Farm for Jersey cattle at Bassi would be strengthened. It is proposed to setup a farm for the Holstein-Friesian breed at Rojri in the command of Rajasthan Canal.

The small and marginal farmers and agricultural labourers would be provided assistance for rearing cross-bred heifers. Four thousand beneficiaries would be covered.

Fisheries :

The outlay for Fisheries for 1979-80 is proposed to be raised to Rs.55.00 lakhs from 30.00 lakhs during the current year. The fish production is estimated to be 13.00 thousand tonnes during 1979-80 as against 12.5 thousand tonnes in 1978-79. It is proposed to cover 50 ha. of additional area under nurseries. The production of fry and finger-lings would be 40 million in 1979-80 compared to 35 million in 1978-79. Provision of Rs.25.00 lakhs has also been made for setting up of Fisheries Development Corporation.

Forestry :

Forests occupy only about 11 percent of the geographical area of the State. In order to meet the demands of forest products viz. firewood, timber, charcoal etc. emphasis is being given on implementation of social forestry schemes in the State. For forestry development in the State an outlay of Rs.1470.33 lakhs has been proposed for the Five Year Plan 1978-83.

Against this an amount of Rs.218.00 lakhs is likely to be spent during 1978-79. The outlay proposed for 1979-80 is Rs.323.60 lakhs. Out of this, Rs.91.75 lakhs is meant for the ongoing World Bank assisted project in the Rajasthan Canal Project area. An amount of Rs. 1132.24 lakhs is proposed for the social forestry schemes viz. re-forestation of degraded forests (9500 ha.), shelterbelt plantations along roads etc. (1200 ha.)

and afforestation of waste lands (2000 ha.).

Corresponding share of Government of India for these Centrally Sponsored Schemes, works out to Rs.133.70 lakhs.

An amount of Rs.27.25 lakhs from the State plan is earmarked for the Tribal sub-plan area. In addition, Rs.35.00 lakhs for forestry works during 1979-80 are proposed in the Tribal sub-plan area under the special central assistance programme.

A Forestry Development Corporation is also proposed to be constituted in the State during 1979-80... sum of Rs. 50.00 lakhs has, therefore, been kept for this purpose. In the Rajasthan Canal Project area pasture development programme will be undertaken in 14000 ha. and plantation will be done over 312 ha.

Drought Prone Area Programme :

The districts covered under Drought Prone Area Programme are, Jodhpur, Nagaur, Pali, Jalore, Jaisalmer, Bikaner, Barmer, Churu, Banswara, Dungarpur and Kherwara, Deogarh & Bhim tehsils of Udaipur district, Chirawa & Jhunjhunu tehsils of Jhunjhunu district and Seawar tehsil of Ajmer district. During the year 1979-80 an outlay of Rs. 14.70 crores has been proposed, out of which Rs.4.90 crores would be the State share. Major Programmes covered in DPAP are preparation of watershed plans on the basis of detailed agro-economic and topographical survey in agriculture sector, development of ground water by constructing tubewells, development of sheep, cattle and dairy, reforestation of barren hills and restocking of degraded forests area, construction of power lines, minor irrigation schemes and rural water supply schemes. During the year 1979-80 watershed projects for soil moisture conservation will be prepared for 52.50 thousand ha. and execution of the work in about 3.75 thousand ha. in order to help small and marginal farmers and agricultural labourers in securing loans from Commercial Banks the subsidy programmes have also been provided.

For the DPA area programme share from DPAP has also been provided in view of the fact that programmes in the districts of Jodhpur, Banswara and Kherwara tehsil of Udaipur district are being classified under Tribal sub-plan. During 1979-80 the Tribal sub-plan component under State plan out of DPAP is been kept as Rs.37.23 lakhs.

Integrated Rural Development :-

This programme has been initiated by the Government of India as a centrally sponsored scheme during the current year 1978-79 for intensive development at the block level. The programme envisages providing full employment through productive programmes in selected areas. 112 blocks have been allotted to Rajasthan with an indication that 9 new blocks will be allotted every year. During this year, while about Rs.4.86 crores would be available for the execution of this programme from Government of India the State contribution would be Rs.0.47 crores.

In 1979-80 the total requirement of funds for this programme are estimated as Rs.11.71 crores out of which State share will be Rs.1.05 crores. The amount of Rs.11.71 crores includes a sum of Rs.5.60 crores for taking up intensive development in 56 blocks aimed at near full employment by March, 1981.

Samagra Gram Vikas and Growth Centres :-

The State Government has taken up a programme on a pilot basis for whole village development and for development of growth centres in the State. During 1978-79 it was envisaged to initiate the programme of Samagra Gram Vikas in 10⁴ villages (+ in each district) and of 100 Growth Centres. However, only an amount of Rs.12. This is likely to be spent on these programmes during the current year. The year 1978-79 being a preparatory year, it is expected that the programme will gain momentum during 1979-80 and accordingly an outlay of Rs.1.88 crores has been proposed for the same.

Community Development of Panchayats :

An outlay of Rs.10.30 lakhs is proposed for imparting training to 20 thousand Panchayats and Sar-Panchayats during the year 1979-80.

Line 3:

For the social and economic upliftment of the poorest of the poor in the state, the programme of 'Antyodaya' was initiated in 1978-79, when five poorest families were identified in each block in the State. The programme envisages provisioning of minimum support to the selected families to make them economically self-reliant. Employment to unemployed,

purposes and old age pension to those families which are eligible under other operational programmes under this schemes. The various facilities available under other operational programmes like SFD, D.F.P and D.L.P will also be extended to the families selected under this programme.

A provision of Rs.2.00 crores was made during the current year(1978-79) for this programme against which the anticipated expenditure is Rs.3.00 crores. The progress of the programme is well known. For next year an outlay of Rs.8.00 crores is proposed. During the first round 1.60 lakh families were identified, out of which 1.40 lakhs have been benefitted by middle of December 1978.

During the second round, approximately 1.27 lakh families would be benefitted by way of old age pension, land allotment, loans for various approved purposes, Khadi and Village Industries programme, etc. Itemise position of the physical targets is as under :-

Sl.No.	Items of coverage	No.of families
1.	Old age pension	7,900
2.	Land allotment	6,600
3.	Loaning programme:	
	ST*	5,000
	MT	53,000
	LT@	12,000
4.	Regular/Self/wage employment ;	
(a)	Khadi & Village employment	15,000
(i)	Khadi	4,000
(ii)	Village Industries	3,500
(b)	Cottage Industries/Self employment Ventures;	750
(c)	Regular Employment	20,000
(d)	Wage Employment	12,235
	Total :	12,6985

* Only for potassic and phosphatic fertilisers for land allottees(Marginal Farmers). Physical figures not included in the total.

@ Only 1/3rd of the L.T. beneficiaries have been included in physical totals.

Cooperation :

The total outlay proposed for the Five Year Plan(1978-83) is Rs.2600.00 lakhs, the anticipated expenditure during 1978-79 is Rs.301.26 lakhs. Under the Annual Plan 1979-80 a sum of Rs.515.0 lakhs has been proposed to be provided under various schemes of cooperative development. Out of Rs.515.00 lakhs, a sum of Rs.200.0 lakhs has been kept for share capital contribution in the credit institutions out of loans from the National Agricultural Credit (Long Term Operations) fund.

Rs.67.09 crores. The short fall was due to wide spread floods, drought and famine conditions in the State. During 1978-79 the target for disbursement of loans is Rs.100.00 crores. The target fixed for advancement of short and medium term loans for 1979-80 is Rs.112.00 crores. Under the long term loaning programme, the loans advanced during 1976-77 were of the order of Rs.10.53 crores. During 1977-78 the long term advances were still better amounting to Rs.14.00 crores. It is expected that the long term loaning target of Rs.20.00 crores for current year would be fully achieved. The target fixed for 1979-80 is Rs.21.00 crores.

In accordance with the recommendations of the Daterly Committee, the reorganisation work of Primary Agricultural Credit Societies in State has been completed. After reorganisation of PACS the number of PACS has been reduced to 5,149. Each PAC will require a whole time manager. There were 3,877 full time paid managers in the Primary Agricultural Credit Societies, out of 5,149 societies as on 30.6.77. This number has now increased to approximately 4,000. It is proposed to recruit 500 managers during 1979-80. A sum of Rs.140.38 lakhs has been provided to meet the deficit in the Manager's Cadre Fund and an equal amount will be provided by the Central Government under the new Central Sector Scheme.

The Annual Plan 1979-80 envisages opening of 25 branches of Central Cooperative Banks and 25 labour cooperatives. 800 rural godowns and 26 marketing godowns are proposed to be constructed under the proposed World Bank Project to be financed through NCDC for which a provision of Rs.100.00 lakhs is being made in the State Annual Plan. Besides, 7 small scale processing units and one large scale processing unit of cotton seed ~~extrac-~~ plant-cum-oil mill is proposed to be set up during 1979-80. A Cooperative Spinning mill at Ganganagar has already been registered. A sum of Rs.41.00 lakhs is proposed for this mill.

The Consumer Cooperatives have to play a very important role in the supply of essential commodities to the public. It is proposed to open 3 new wholesale stores in the districts not yet covered under this scheme for which a provision of Rs.14.00 lakh is being kept.

Centrally Sponsored/Controlled Sector and NCDC Schemes :-

A outlay of Rs.776.65 lakhs is proposed for the year 1979-80 for the various programmes under this head as per details given below :-

(Rs. in lakhs)

1. Agriculture Credit Stabilisation Fund (to tide over the problem of overdues)	100.00
2. Distribution of consumer articles in rural areas (NCDC).	100.00
3. Urban Cooperative Consumer Stores/Dept. Stores/ Janta Shops etc.	25.20
4. Construction of rural/marketing/LMPS/TADCC (NCDC)	400.38
5. Capital reimbursement of processing units	75.00

Water and Power Development

Irrigation :

For major and medium irrigation projects an outlay of Rs. 78.29 crores has been proposed for the year 1979-80. During 1978-79 against the provision of Rs. 66.42 crores, the anticipated expenditure is likely to be Rs. 66.16 crores.

The project wise details of outlay for 1979-80 are given below :-

(Rs. in lakhs)			
	1978-79	1979-80	
	Approved outlay	Anticipated expenditure	Proposed outlay
A. Major Projects			
1. Chambal			
(i) IDA assisted works	411.00	385.00	432.60
(ii) Technical Committee and left over works	100.00	100.00	76.23
(iii) New works	-	-	209.00
2. Mahi			
(i) Stage - I	525.00	525.00	400.00
(ii) Stage - II	560.00	560.00	400.00
3. Beas	417.00	417.00	-
4. Rajasthan Canal Project			
(i) Stage-I	1600.00	1600.00	1130.00
(ii) Stage - II	1400.00	1400.00	2500.00
5. Other continuing major projects			
(i) Jakhem	350.00	350.00	400.00
(ii) Gurgaon canal	65.00	65.00	80.00
(iii) Okhla Barrage	50.00	50.00	10.00
6. New Major Projects			
(i) Chhapi	-	-	20.00
(ii) Gosunda	-	-	30.00
(iii) Thein Dam	-	-	100.00
(iv) Marbada	-	-	40.00
B. Medium Projects			
(i) Continuing	917.00	917.00	1126.46
(ii) New	-	-	140.00
C. Modernisation	198.00	198.00	634.43
D. Survey & investigation	49.00	49.00	100.00
Total : -	6642.00	6616.00	7828.72

Chambal :

The provision for IDA assisted works is in conformity with the targets envisaged in the project report. It is expected that the project would be completed as per schedule -.

The new works under Chambal relate to lift irrigation schemes and Bundi Branch Canal extension scheme for which an outlay of Rs. 150.00 lakhs and Rs. 59.00 lakhs has been provided. The lift scheme stipulates providing benefits to area lying upto 30 feet above the full supply level of the Chambal canals.

Mahi :

Mahi project is a joint venture of the States of Gujarat and Rajasthan. It was envisaged to provide partial irrigation in about 5000 hectares by June, 1979 but due to slow progress in the water conductor system by M/S Gujarat State Construction Corporation (the contractors for this work), non-finalisation of foundation level due to poor geological condition etc. this may have to be deferred.

For the year 1979-80 the total requirements of funds for irrigation sector amount to Rs. 13.00 crores out of which Rs. 5.00 crores are to be borne by Gujarat as its proportionate share. The balance of Rs. 8.00 crores has been provided in the State plan.

Rajasthan Canal Project ::

The Rajasthan Canal Project is a venture to utilise Rajasthan's share of 3 MAF in surplus supplies of Ravi and Beas rivers. On its completion it would provide irrigation to 11.45 lakh hectares culturable command area in the districts of Sri Ganganagar, Bikaner and Jaisalmer and drinking supplies to nearby areas for which a capacity of 500 cusecs has been reserved in the Main Canal.

Estimated cost & expenditure :

The estimated cost for stage - I was worked out at Rs. 176.00 crores at the 1975 price level and that for stage - II at Rs. 315.46 crores at 1978 price level.

The likely expenditure upto year 1977-78 was Rs. 197.48 crores. The budget outlay for the year 1978-79 is Rs. 30.00 crores (Rs. 16.00 crores for stage -I and Rs. 14 crores for Stage-II). The requirement of funds

for the year 1979-80 is Rs. 36.30 crores (Rs. 11.30 crores for stage - I and Rs. 25 crores for stage - II).

Stage-I:

All the remaining works of stage-I would be completed by March, 1980. The major items of work to be executed during 1979-80 are lining of 260 km length of Kaccha channels (Distributary system), Construction of 13.19 km. long new distributary system, and construction of lined water courses on Bikaner Lift Canal system in 65 Km. length.

The ultimate irrigation potential to be created under Stage- I is 5.90 lakh ha. out of which 4.89 lakh ha. was created by March, 1978 and would increase to 5.29 lakh ha. by March 1979 and the ultimate figure of 5.90 lakh ha. is likely to be achieved by March, 1980. The utilisation by March, 1978 was 2.93 lakh ha. which would increase to 3.13 lakh ha. by March, 1979 and 3.36 lakh ha. by March, 1980.

Stage- II.

A length of 40 Km. on Main Canal and 15 Km. on distributary system was completed by March, 1978. The programme for 1978-79 is to complete 30 Km. lining on Main Canal and 45 Km. lining on distributary system. The target for the year 1979-80 is completion of 45 Km. length of Rajasthan Main Canal and 181 Km. length of distributary system.

A potential of 0.15 lakh ha. is likely to be created during the year 1978-79 which would increase to 0.56 lakh ha. by March, 1980.

The systemwise breakdown of potential credit/demand to be created is given in the following table :-

Irrigation Potential at the end of the year

System	Ultimate C. C. A	Ultimate Irrigation Potential	Upto 3/77	upto 6/78	upto 3/79	upto 6/80
<u>STAGE - I</u>						
1. System upto km 73	380.50	418	335	347	410	413
2. Direct Disty System Km 74-189	55.36	72	62	72	72	72
3. Puzal Br. System	39.16	43	30	36	41	43
4. Loonkaransar Bikaner Lift System	51.34	57	16	34	48	57
Total	536.36	590	443	489	529	590
Stage-II	600.00	670	-	-	15	56
Grand Total :	1145.36	1260	443	489	544	646

Other Major Projects :

The Jalkham project would cater to the needs of the Tribal sub-plan areas. The work on dam and distribution system is in progress. Under the Gurgaon Canal Project, work of lining of main canal and completing the main canal is in progress. A token provision of Rs. 10.00 lakhs has also been made as State share of Okha Barrage. The new projects to be taken up are Chhapi, Gosunda, Thein and Narbad. For Narbada project provision had not been made in 1978-83 plan proposals but with the announcement of the award of the Tribunal to determine the shares of the participating States the implementation of the Project is likely to be started early. Provision for Rajasthan State's share amounting to Rs. 40.00 lakhs has accordingly been made in the State Annual Plan.

Medium Projects

(i) Continuing :

Lassariya and ~~other~~ projects are likely to be completed in 1978-79. The other projects viz. Meja Feeder, Bhim Sagar, Panchana, Som-Kamla-Amba, Daia, Wagon-Diversion, Som-Kagadar, Harish Chandra Sagar, Nohar-Feeder and Sidhmukh are at various stages of implementation.

(ii) New Works

The new works proposed to be taken up during 1979-80 are Sukli, Bandi sendra, Sarda, Bassi, Bilas, Hidlot, Kothari, Sabi and Kanjoli. A total provision of Rs. 1.40 crores has been made for all these works for 1979-80.

Flood Control :

The major works under flood control in progress are Ghaggar control works and Bharatpur Drain Works. A sum of Rs. 300.00 lakhs has been provided for 1979-80.

Colonisation :

During 1978-79, the likely expenditure would be Rs. 26.92 lakhs. For 1979-80 a provision of Rs. 40.00 lakhs has been made.

Power :

The approved outlay for the Annual Plan 1978-79 is Rs. 70.00 crores against which the anticipated expenditure is likely to be Rs. 71.30 crores. The requirement of power sector for the year 1979 - 80 is Rs. 186.27 crores as per details hereunder :-

Item	(Rs. in crores)	Proposed outlay for the year 1979-80.

5. Survey and investigation	0.10
	<u>136.27</u>

Generation :-

The total installed capacity at the end of March, 1978 was 906.5 MW which will be raised to 1032.5 MW by March, 1979 and 1212.5 MW by March, 1980. The electricity generated and purchased was 3022 MW at the end March, 1978 which will be increased to 4773 MW by March, 1979 and 5001 MW by March, 1980. The energy sold was 2296 MW at the end of March, 1978 which will be increased to 3751 MW by March, 1979 and 4001 MW by March, 1980.

Beas Stage - I.

An amount of Rs. 2.00 crores has been proposed for the Annual plan 1979-80 for Beas Project Stage-I. The two units each at Dehar Power Plant and Pong Power Plant will be commissioned during the year 1978-79. During the year 1979-80, amount has been proposed for the balance works. It may be pointed out that two units each at Dehar and Pong have already been commissioned upto March, 1978.

Beas Stage - II :

An amount of Rs. 1.00 crores has been proposed for the year 1979-80 so that one unit of Pong Power Plant could be commissioned in 1982-83 and balance one unit of Pong Power Plant and two units of Dehar Power Plant could be commissioned by 1983-84.

Mahi Stage - I.

An amount of Rs. 6.60 crores has been proposed for irrigation works to be shared by the Power sector and Rs. 3.80 crores has been proposed for auxiliary works of Power sector so that the first unit could be commissioned by March, 82 and second unit by September, 82.

Kota Thermal :

A provision of Rs. 36.17 crores has been proposed during the year 1979-80 so as to commission the first unit by March, 1981 and the second unit by August, 1981.

New Generation Schemes :

Following new Projects are also proposed to be taken up during the year 1979-80.

Project	Proposed Outlay (Rs. in crores)
1. Kota Thermal Extension Project	13.10
2. Mahi Extension	2.40
3. Palana Thermal	10.00
4. Palana Lignite	5.00
5. RPS Pump storage schemes	5.50
6. Baggi	0.60
7. Inter-state Projects	
(i) Dabur Sahib	1.50
(ii) Mukerian	2.00
(iii) Thain	3.60
8. Mini Hydel and other schemes	2.50
Total :	46.20

EHT Works :

Length of 220 KV lines upto March, 1978 was 1017 kms which is expected to be increased to 1155 kms by March, 1979 and 1500 kms by March, 1980. The transmission losses were 24.9% during the year 1977-78. It is proposed to reduce these to 24.5% during the year 1978-79 and 24.25% during the year 1979-80.

For Beas Common Pool Works relating to Stage-I, a provision of Rs. 0.31 crores has been proposed for the year 1979-80 so as to complete the various EHT schemes approved by the Planning Commission for evacuation of power from Beas Stage-I.

A provision of Rs. 0.60 crores has been made for the EHT works to be carried out for evacuation of power from Beas Stage-II i.e. two units each at Pong and Dehar Power Plant.

For transmission lines within the state, an outlay of Rs. 14.49 crores has been proposed for the on-going EHT schemes and Rs. 33.35 crores for new transmission Schemes.

Sub Transmission & Rural Electrification :

A provision of Rs. 24.00 crores and Rs. 18.25 crores has been made for sub-transmission/ distribution and rural electrification respectively. 1540 localities will be electrified and 20,000 wells energised during the year. The allocation of Rs. 18.25 crores includes a provision of Rs. 7.50 crores for Revised Minimum Needs Programme.

Survey & Investigation :

An outlay of Rs. 10.00 lakhs is proposed for the year 1979-80 for carrying out further survey and investigation of various generating schemes such as Mount Abu, Jakham, Right Main Canal on Chambal river etc.

Centrally Sponsored Schemes :

The works of 220 KV Badarpur - Jaipur Inter-State line and 220 KV Kota - Ujjain single circuit Inter-regional line on double circuit towers have been completed and expenditure of Rs. 9.00 lakhs and Rs. 5.00 lakhs has been envisaged for the year 1978-79 for above mentioned lines respectively. For 220 KV Debari - Naroda inter-regional line it is proposed to spend Rs. 170.00 lakhs during the current year and Rs. 130.00 lakhs in the year 1979-80 and the balance amount will be required in the year 1980-81 by which time the line is targeted to be commissioned. An amount of Rs. 77.00 lakhs is proposed to be spent for 220 KV Mehsana - Sirohi inter-regional line, during the current year and Rs. 125.00 lakhs during 1979-80. Balance amount will be required in the year 1980-81. The work of 220 KV second circuit on double circuit Kota - Ujjain inter-regional line will be taken-up during 1979-80 for which a provision of Rs. 60.00 lakhs has been proposed. Balance amount will be required in the year 1980-81.

Institutional Finance :

During the year 1978-79 Rs. 7.52 crores, and for the year 1979-80 Rs. 9.22 crores are expected to be received from ARDC/Commercial Banks and RFC for rural electrification works. This amount is expected from financing Institutions over and above the plan allocation. Against such provision 6904 wells and 360 localities are expected to be energised/electrified during the year 1978-79 and 2500 wells and 460 localities during the year 1979-80.

Industry & Minerals :

Industry :

Under the Industrial Policy declared by the State Government in 1978 a number of new concessions and facilities have been announced for development of small scale industries in general and rural industrialisation in particular. The Five Year Plan 1978-83 envisages substantial investments in the industrial field as compared to past years.

Out of the total outlay of Rs. 67.63 crores proposed for the Five Year Plan period 1978-83 under the Industries sector the outlay being proposed for 1979-80 in Rs. 14.44 crores as below :-

	(Rs. in lakhs)
1. Schemes of the Industries Deptt.	254.16
2. Handloom Board	21.73
3. Khadi - Village Industries	114.40
4. Rajasthan Financial Corporation	120.00
5. Rajasthan State Industrial & Mineral Development Corporation	758.50
6. Rajasthan Small Industries Corporation.	140.95
7. State Enterprises	34.74
Total	<u>1444.48</u>

Industries Department :-

Industrial Areas :

During 1978-79 a sum of Rs. 25.00 Lakhs is likely to be spent for development of existing industrial areas of the Industries Department. A further amount of Rs. 2.00 lakhs would be spent on facilities in the existing 11 Industrial Estates of the department. For 1979-80 a sum of Rs. 30.00 lakhs is being proposed for completing the works in progress in these industrial areas.

A provision of Rs. 205.15 lakhs is being made for continuing the various schemes relating to the development of SSI units during the year 1979-80. A target of registering 5000 new SSI units in 1979-80 has been fixed which would provide employment to 35,000 persons. A sum of Rs. 15.00 lakhs has been provided for grant of margin money loans and a sum of Rs. 25.00 lakhs as investment subsidy to SSI units in districts where Central subsidy is not available.

During 1977-78, SSI units were granted a sum of Rs. 2.18 lakhs as loan under State-Aid to Industries Loan Rules. The Rajasthan Financial Corporation, the main organisation in the State which provides loans to the SSI Units, distributed loans amounting to Rs. 909.30 lakhs to 544 units out of which Rs. 697.85 lakhs were distributed to 534 SSI units. Nationalised and other scheduled Banks also provided financial assistance to SSI units, especially for working capital.

District Industries Centres :

The District Industries Centres scheme in Rajasthan has got off to quite an encouraging start not only in setting up of new units but also in providing financial assistance under various schemes. Powers have been delegated to the officers of District Industries Centres to grant various concessions and facilities at the district-level itself. Most of the required staff has been put in position and a majority of them have also been trained. This programme is now proposed to be extended during 1979-80 to cover all the districts in Rajasthan. A Provision of Rs. 27.00 lakhs is being made for meeting the State share of expenditure on this programme.

A sum of Rs. 25.00 lakhs has been provided towards share capital contribution for the proposed Leather Development Corporation.

Handloom Industries Under Cooperative Cover :

A sum of Rs. 29.38 lakhs is proposed to be spent on revival of weavers co-operative societies, setting up of new looms, supply of improved appliances, opening of dye-houses and sales depots by societies and for grant of managerial assistance. Provision has also been made for grant of interest subsidy to the Central Co-operative Banks and reimbursement of losses to such Banks on account of their loaning programme to weavers societies. It is also proposed to give 10% special rebate on sale of Handloom cloth on special occasions, for which 10% matching rebate would be available from the Government of India.

The finances of Rajasthan Karyakar Sahkari Sangh Ltd., are proposed to be strengthened by making contribution of Rs. 5.00 lakhs., with a matching loan from Central Government.

Provision has also been made for meeting state share of expenditure on setting up of a Technical and Promotional Cell by the Sangh for providing assistance to the weavers societies. The work of providing houses to weavers is also to be taken up by the Sangh by obtaining funds from HUDCO and Development Commissioner (Handicraft). Provision has been made for providing free land to weavers, wherever necessary.

Handicraft Development :

Three training centres under Master Craftsmen are being run at present. It is proposed to continue these and start 7 more centres. Besides, provision has been made for giving grant-in-aid to Rajasthan Small Industries Corporation Ltd., for celebrating Handicrafts Week and for granting special rebate @ 5% during Handicraft week.

Handloom Board :

An outlay of Rs. 21.73 lakhs has been proposed for the Handloom Board. Out of this Rs. 11.91 lakhs are meant to continue the Intensive Development Project being run as part of Government of India assisted programme in the districts of Jaipur, Jodhpur, Ajmer, Bhilwara, Pali, Alwar, Jalore and Kota. The balance amount of Rs. 9.82 lakhs is proposed for the second project to be taken up on the pattern of the first project with Government of India assistance.

Khadi and Village Industries :

Khadi and Village Industries have vast potential for creating maximum employment with the minimum capital. An outlay of Rs. 500.00 lakhs has been proposed under this head for the Five Year Plan period (1978-83). The outlay proposed under the Annual Plan is Rs. 114.40 lakhs against the anticipated expenditure of Rs. 25.00 lakhs during 1978-79. The programme proposed for the year include provision for assistance to weaker cooperative societies and institutions, training to Boards staff, subsidy for Khadi implements, Khadi rebate to promote the sales of Khadi etc. The Programme of Khadi is based on a no-credit no-loss basis. The institutions do not have adequate funds to receive working capital loan which is admissible at ten times of their own capital, though their capacity of production is increased considerably during the last few years. Hence a provision has also been made for providing capital assistance grant to the needy institutions.

A Provision of Rs. 11.00 lakhs has been made for completion of the building of the Board. It is also proposed to establish five mobile training units and a design and research centre during 1979-80.

The State Plan outlay will be further supplemented by institutional finance to the extent of Rs. 5.68 crores. During 1979-80 the production of Khadi and village industries would go up to Rs. 15 crores and Rs. 10 crores respectively from Rs. 12 crores and Rs. 9 crores in 1978-79. It is estimated that like-wise the employment will increase to 1.83 lakhs from 1.24 lakhs in 1978-79 under Khadi and 58 thousand from 44 thousand under village industries.

Rajasthan Financial Corporation :

The Corporation has fixed a target of sanctioning loans of the order of Rs. 15.00 crores during the year 1979-80. Of this Rs. 9.50 crores are likely to be disbursed. To enable the Corporation to achieve these targets a provision Rs. 100.00 lakhs has been kept to be given as share capital and Rs. 20.00 lakhs to be given as assistance for revival of sick units etc. The current year's target of sanctioning loans of the order of Rs. 12.00 crores and disbursement of Rs. 7.00 crores is likely to be fully achieved.

Rajasthan Industrial and Mineral Development Corporation :

Out of the proposed allocation of Rs. 35.00 crores for RIMDC for the Five-Plan period 1978-83 the allocation proposed for 1979-80 is Rs. 7.53 crores as below :-

(Rs. in Lakhs)

1. Share Capital contribution/Market borrowings	620.00
2. Subsidy for Hand Development	80.00
3. Grant for I.T.D.C.	2.00
4. Grant for Deri Base Metal	3.00
5. Grant for Technical consultancy & assistance to entrepreneurs.	12.50
6. Grant for prospecting work & technical consultancy for mines.	12.00
7. Grant for industrial promotion Entrepreneurship organisation.	2.00
8. Grant for Narmada Money for Housing Colony.	25.00
9. Grant for preparatory experimental	
	2.00

It is estimated that apart from the State plan funds, the institutional finances of about Rs. 450.00 lakhs would also be available for the Corporation as under :-

(Rs. in Lakhs)

1. Commercial Banks	225.00
2. HULCO	225.00

Refinance of the order of Rs. 450.00 lakhs shall also be available from IDBI under the term loan scheme of IDBI. For this scheme Rs.40 lakhs have been proposed under state Plan for 1979-80.

The important activities of the Corporation during 1979-80 are summarised below :-

Infrastructure Development & Industrial promotion :

There are 53 existing industrial areas in backward and non-backward areas. It is proposed to take up 17 new areas in the rural sector during 1979-80. The total number of plots to be allotted on development of these areas are estimated to be 1400. Further,75 factory sheds, 50 shops and 25 residential shops have also been planned during the year 1979-80. It is also proposed to undertake short duration training programmes. Consultancy and guidance to the entrepreneurs will be provided at the selected growth centres.

Investment in industrial projects :

As per the broad guidelines for formulating programme for Industry and Mineral sector, first priority has been given to the speedy completion of 21 on-going projects for which letter of intent and licences have been received and joint sector agreement also executed. In addition,17 new projects will be taken up. The new projects envisaged include woollen mills, processing houses, Red Phosphate and intermediate Amonia Nite, Polyester fibre, ceramic complex, Electronic projects, Sand,lime and bricks, white cement etc.

Shares and direct participation :

The Corporation has to play a greater role in allotment of capital participation. All the new companies promoted need to be extended capital support by this corporation. The total requirement of funds under this scheme for 1979-80 is estimated at Rs. 140.00 lakhs and the resultant investment in the economy of the state is expected to be of the order of Rs. 21.00 crores.

Term Loan :

As a result of decentralisation of the term lending activities by IDBI, the Corporation is sanctioning Term Loan to the industrial units. The requirement under this scheme is estimated to be Rs. 40.00 lakhs. An investment of Rs. 12.80 crores is expected to be made in the economy of the State.

Survey, Development & Exploration of mines :

The existing mining projects have to be provided with additional machinery and plant. The Corporation has also to start large scale mining of Granite. The Beneficiation plant at Fluorspar mines at Handokipal and Graphite mines at Banswara and activation of Bentonite has also to be taken up for economic exploitation of the minerals. Rs. 163.00 lakhs would be required for capital investment in mines during the year. A sum of Rs. 60.00 lakhs would be available as institutional finance for financing the mining projects. A sum of Rs. 12 lakhs would be required as subsidy for undertaking the prospecting work and technical consultancy for mines.

Technical Consultancy, Electronic Test Development centre :

It is proposed to strengthen the Technical Consultancy Cell and to extend the facilities to provide feasibility reports etc., at subsidised rates to non-resident Indians as well as to the resident entrepreneurs. A provision of Rs. 12.50 lakhs has been made for this purpose and Rs. 2.00 lakhs for meeting the recurring expenditure for the Electronic Test Development Centre.

Rajasthan Small Scale Industries Corporation :

An outlay of Rs. 700.00 lakhs has been proposed for this Corporation for the Five Year Plan period 1978-83. The outlay proposed for the year 1979-80 is Rs. 140.95 lakhs. The major programme proposed to be undertaken are (i) marketing of SSI products through Trade Centres (ii) establishment of Carpet training centres and (iii) export promotion. To boost up the sales outside the state a scheme of advertisement subsidy and price preference subsidy is planned. A target of opening 75 Carpet Training Centres during 1979-80 has been fixed. 50 persons will be trained at each of the centres.

State Enterprises :

Out of a provision of Rs. 1.61 crores for the plan period 1978-83 an outlay of Rs. 34.74 lakhs is proposed for the year 1979-80., which comprises of Rs. 20.00 lakhs for State Tanneries, Tonk; Rs. 11.00 lakhs for expansion of sodium Sulphate Plant, Didwana; Rs. 3.42 lakhs for salt trading at Didwana and Pachpadra; and Rs. 0.32 lakhs for strengthening the administrative set up of the Department. The Provision for State Tanneries Tonk is being made to help the company to meet the increased cost of the Project. For economic operation of the sodium Sulphate Plant Didwana the replacement of the present oilfired boiler by a coalfired boiler has been necessitated. Provision for salt Trading includes providing of storage, weigh bridge facilities and labour amenities at salt sources.

Mines :

As against the total allocation of Rs. 6.58 crores during the Five Year Plan (1974-79) the proposed outlay for the Five Year Plan 1978-83 is Rs. 11.00 crores. Of this Rs. 10.50 crores are for the continuing schemes and Rs. 50.00 lakhs for the proposed Mineral Development Corporation As per Mineral Development Policy of the State Government mineral survey, prospecting mineral exploration, mineral based industries have to be accelerated to strengthen the state's economy. Scheme wise details are given below :-

Intensive Prospecting, Mineral Survey and Reorganisation and expansion of the Department of Mines & Geology :

An allocation of Rs. 65.00 lakhs is proposed under this scheme for the year 1979-80 for purchase of requisite equipment and suitable strengthening of staff at various levels . During the current year 1978-79, 10 prospecting projects are likely to be completed and 10 more projects are proposed to be completed during the year 1979-80.

Quarry Improvement Scheme :

During
1978-
79

A provision of Rs. 4.74 lakhs is being made under this scheme for the year 1979-80. 8 parties would be benefitted under this programme . 10 more parties are proposed to be benefitted.

Approach roads to mines and quarries :

During the year 1978-79, 36 approach roads covering 148 km. road length have been taken up and construction work is under progress. In order to complete these roads a sum of Rs. 121.00 lakhs has been proposed for the year 1979-80. Besides, Rs. 29.00 lakhs has been proposed for taking up new roads. During 1978-79 about 50 km. road length is likely to be completed, whereas for year 1979-80 the target is to complete 80 km. of roads.

Loans to small scale mining lessees :

The allocation proposed under the scheme for 1979-80 is Rs. 3.50 lakhs as against the likely expenditure of Rs. 1.50 lakhs during current year. 40 parties are proposed to be benefitted during the year.

Phosphate Mining and Beneficiation Scheme, Jhamarkotra :

For the year 1979-80 a sum of Rs. 12.50 lakhs is proposed to continue the prospecting and drilling operations for rock phosphate at Jhamarkotra. Annually about 5000 meters of drilling is being carried out. During 1979-80 also, 5000 meters of drilling is proposed to be completed.

Mineral Development Corporation :

The State Government has taken a policy decision to set up a State Mineral Development Corporation in the State for augmenting mineral development. A sum of Rs. 50.00 lakhs has accordingly been proposed for this corporation.

Rajasthan State Mines & Minerals Ltd. :

Out of the proposed outlay of Rs. 30.15 crores to be given as State share for this Project during the Plan period 1978-83, a sum off Rs. 3.00 crores proposed to be given during 1979-80.

Transport and Communications :

Roads :

A sum of Rs. 25.00 crores has been provided in the 1979-80 Plan for Roads & Bridges. A major share of Rs. 15.15 crores will go to on-going works including that of World Bank assisted C.A.D. Projects of Rajasthan Canal (Rs. 1.75 crores) and Chambal Command Areas (Rs. 1.00 crores). The provision of on-going works under M.N.P. is Rs. 4.00 crores,

Rs.1.05 crores and for State Roads etc. , Rs. 7.35 crores. To make good the backlog of linking villages, a further sum of Rs. 710.69 lakhs for ~~Rajasthan R.M.P.~~ roads is provided for new items of expenditure.

Under the basic minimum needs ~~envisaged~~ in Fifth Plan , it was envisaged that villages having a population of 1500 and above would be connected by road. However, in Rajasthan , villages even upto a population of 5000 and above have still to be connected. There were 41 such villages. Work for joining these is in progress and all these villages will be connected by road by the end of 1979-80. However, villages having a population between 1500 and 5000, numbering 1609,still remain to be connected by road as on 31.3.1978. In 1978-79 nearly 61 such villages will get connected by road . To compensate the backlog , a sum of Rs. 400.00 lakhs for on-going works and Rs.710.69 lakhs for new works to be taken up under this scheme is proposed to link 341 villages by road.

With the expenditure of Rs. 25.00 crores in the current year it will be possible to add 1547 Kms. of new surface roads, besides making progress in the construction of Chambal Bridge on Koteshwar-Jaipur road and Mahi Bridge on Banswara-Ratlam road.

The State Plan provision is likely to be supplemented by Rs. 879.50 lakhs by the Central Government under Centrally sponsored schemes for the construction of national highways, railway safety works, rural link roads etc.

Road Transport :

The outlay proposed for the year 1979-80 amounts to Rs. 89.00 lakhs against the outlay of Rs. 500.00 lakhs for the year 1978-79. It is proposed to purchase 709 buses during 1979-80 out of which 95 would be needed for replacement of the existing vehicles. The percentage of nationalisation is estimated to be 44 percent at the end of 1979-80.

Tourism :

The outlay for the year 1978-79 amounted to Rs.54.00 lakhs . For 1979-80 a provision of Rs. 88.40 lakhs is proposed out of which Rs. 60.17 lakhs would be for meeting the requirements of tourist accommodation and Rs. 5.06 lakhs for development of tourist centres etc.

Social & Community Services:

Education:

As against the likely expenditure of Rs.1332.50 lakhs in the current year the proposed outlay for the year 1979 is Rs.1999.02 lakhs as given below:-

(Rs., in lakhs)

Sector	Proposed outlay	
	1976-83	1979-80
1. Elementary Education	13576.66	1283.90
2. Secondary Education	2259.00	180.93
3. Teachers Education	327.00	48.10
4. Sanskrit Education	44.00	4.00
5. University and Higher Education.	527.00	19.49
6. Adult Education	2255.00	225.40
7. Sports and Youth Welfare including Physical Education	213.00	33.44
8. Other Programmes	5.00	1.00
9. Arts & Culture	517.00	104.30
10. Technical Education	153.00	30.70
Total:	19846.66	1999.02

Primary and Secondary Education:

An outlay of Rs.16162.66 lakh for various schemes in Primary & Secondary Education has been envisaged for the 1978-79 plan period. The Allocation for the year 1978-79 was Rs.1143.00 lakhs which is likely to be utilised. For the year 1979-80 a sum of Rs 152.93 lakhs has been proposed as under :

Elementary Education:

A sum of Rs.1283.90 lakhs has been proposed for the expansion and improvement of elementary education in the State. This amount has been kept to achieve the targets fixed by the Government of India under R.D.N.P. The percentage of coverage of population in the age group 6-11 in the year 1978-79 is 59.69 which is far below the all India average. In the same way, the percentage of coverage in the age group 11-14 is only 29.82. These percentages of coverage proposed to be raised by the end of 1982-83 to 94.15 in the age group 6-11 and 54.38 in the age-group 11-14.

To achieve the targets, the number of students in the age-group 6-11 is proposed to be increased from 26.42 lakh in 1978-79 to 29.49 lakhs in 1979-80 and in

of 3.07 lakh in age group 6-11 and 1.19 lakh in the age group 11-14,. Besides the formal system of education, the alternative strategy of part-time non-formal education has to be adopted to achieve the targets. Out of these, it is, therefore, proposed to cover 90000 students in age group 6-11 and 45000 in age group 11-14 through non-formal education.

In order to provide schooling facilities in uncovere villages/having population of 200 or more 1300 primary schools will be opened and 200 primary schools upgraded to Upper Primary Schools in the year 1979-80. For these new schools, as well as to cope with the increasing number of students in existing schools, on the basis of teacher pupil ratio of 1:40, additional 5350 teachers in Primary School and 2850 teachers in Upper Primary Schools will be required.

The major part of the non-enrolled children belong to the category of girls, the weaker sections of the society and scheduled castes and scheduled tribes. Most of them are economic units of the family. Naturally, various incentives will have to be provided to attract them to schools and to retain them during the full period of elementary education. The following incentives have, therefore, been proposed for the year 1979-80:-

	Amount (Rs. in lakhs)	Students (No.)
(i) Free books & Stationery	20.00	200000
(ii) Uniforms	60.00	200000
(iii) Attendance Scholarships	25.00	50000

To dissuade the girls from staying home to look after younger children of their family, it is proposed to provide 1000 play centres in the year 1979-80. Rs.80 lakhs are being provided in the year 1979-80 for construction of 400 quarters for lady teachers. It is proposed to construct ~~400~~ 200 new school buildings and 3000 additional rooms in existing schools during the year 1979-80. A provision of Rs.100.00 lakhs for providing furniture and equipment has also been proposed.

For improvement of the quality of education at the primary level, socially useful productive work is to be introduced in 500 Upper Primary Schools which will cost Rs.7.50 lakhs. It is also proposed to spend Rs. 1.00 lakh for preparation and production of better text books. For strengthening science education it has been proposed to provide Science Kits to 930 schools. It has also been

planned to train 11500 teachers during the year 1979-80. This will cost Rs. 13.12 lakhs. 1700 schools are proposed to be equipped with radio sets. School complexes will be provided in 300 schools at a cost of Rs.12.00 lakhs. For strengthening the school libraries a provision of Rs.60.00 lakhs has been proposed.

Secondary Education:

The expansion of elementary education will exert great pressure on secondary education. To cope with the large number of students coming at this stage, provision for expansion of facilities for the year 1979-80 has been made as under:-

(Rs. in lakhs)

1.	Expansion of 100 U.P.S. to Secondary Schools and additional Classes.	94.44
2.	Introduction of new subjects	7.00
3.	Assistance to Non-Govt. Schools	2.00

The 10+2 pattern of Secondary education is proposed to be implemented in the State during 1979-80 and provisions have been made as under:-

(Rs. in lakhs)

1.	Appointment of teachers	2.00
2.	In-service training of teachers	2.50
3.	Strengthening of science teaching.	14.00

To provide school bus facilities to girl students a provision of Rs.8.00 lakhs has been made. Rs.3.00 lakhs has been provided for establishing Book Banks. Construction of additional Class rooms at a cost of Rs.11.00 lakhs and laboratories at a cost of Rs.6.00 lakhs has been proposed for providing better schooling facilities to increasing number of students.

For introduction of socially useful productive work in the existing secondary and higher secondary schools Rs.5.00 lakhs and for the improvement of science education Rs.7.00 lakhs have been provided.

Provisions have also been made for improving the activities of Headmasters forums, improvement of library facilities and strengthening of supervisory machinery.

Teacher Education:

For the improvement of teacher education at elementary stage, a provision of Rs.7.00 lakhs has been made for pre-service education. For improving the efficiency of existing teachers, inservice training courses will be organised for which a provision of Rs.20.00 lakhs has been made. For improvement of existing training institutions a provision of Rs.1.20 lakhs has been made for equipment and furniture.

An outlay of Rs.15.00 lakhs has also been made for strengthening the State Institute of Education, which will work for the improvement of curriculum and teaching in ~~work~~ the field of elementary education.

At the Secondary stage, under teacher education, a provision of Rs. 0.20 lakhs has been made for strengthening correspondence courses and a provision of Rs.1.75 lakhs for providing in-service trainings to increase the efficiency of existing teachers. One hostel and two rooms in the existing teachers' training colleges is proposed to be provided with an outlay of Rs.1.95 lakhs.

Adult Education:

42.50 lakh effective adults are proposed to be covered during the 1978-83 plan period. The yearwise break up is as follows:-

Year	Coverage	(Lakh Numbers) Cumulative Coverage of effective persons.
1978-79	2.00	2.00
1979-80	3.50	5.50
1980-81	7.00	12.50
1981-82	14.00	26.50
1982-83	16.00	42.50

To achieve these targets, block and district level plans will be prepared. Various agencies, willing to take up this programme, are to be identified in various districts.

The programme of adult education will not be a programme of the Education department only. It will be integrated with all the developmental activities which the Government is undertaking under various schemes.

The massive programme of adult education would need a strong administrative set-up at the State, District and Block levels. A separate State Resource Centre will be established to deal with the training of key persons

and supervisors, preparation of curriculum and development of various types of teaching and learning materials and also its regular try out. The State Resource Centre will also take responsibility of preparing follow up material for neo-literates. It would have a separate wing for research and evaluation.

According to the Government of India pattern the cost of running this programme from 1978-79 to 1982-83 would be about Rs. 2225.00 lakhs under the Revised Minimum Need Programme.

A sum of Rs.225.40 lakhs has been proposed for the year 1979-80 to meet the requirements of Adult Education.

Other Programmes:

For strengthening the set up of school/deaf, dumb and blind children a provision of Rs. 1.00 lakh has been made

University and Higher Education:

The total outlay for Higher Education during the 1978-83 plan period is Rs.527.00 lakhs out of which Rs.177.00 lakhs have been allocated for three Universities and Rs.350.00 lakhs for College Education. Rs.89.49 lakhs has been provided for the year 1979-80 for University and higher education. A sum of Rs.6.89 lakhs has been proposed for strengthening of administrative set up for College education.

A provision of Rs.9.30 lakhs has been made for introduction of new subjects. 20 additional subjects (15 Post Graduate and 5 at Degree level) will be introduced during 1979-80.

An amount of Rs.12.32 lakhs has been provided for essential new items for improvement in existing colleges. Out of Rs.12.32 lakhs, Rs.5.37 lakhs have been proposed for continuing capital works and the rest for new items for the provision of 25 teaching and 96 non-teaching staff and non-recurring grant for providing furniture to the colleges.

For improvement of library facilities, Rs.9.50 lakhs have been provided out of which Rs.8.00 lakhs are for the projects continuing from the last year and Rs.1.50 lakhs has been proposed for meeting the Stateshare for the construction of libraries with assistance from University Grants Commission. Rs.4.19 lakhs have been provided for hostels for the Colleges out of which Rs.2.69 lakhs are for continuing projects and Rs.1.50 lakhs as State Share for the construction of new hostels with the assistance of University Grants Commission.

There are ~~xxxxxxxxx~~ a number of colleges in the State which are run by the Private Management. It is necessary that the Government provide atleast 50 percent assistance to those colleges which are running independently for more than 5 years. For this, a provision of Rs.2.00 lakhs has been made. A token sum of Rs.0.75 lakh has been provided for students welfare activities.

To organise refresher courses and seminars for teachers to acquaint them with new developments in the field of education and for organisation of foundation courses for new teachers, a provision of Rs.0.25 lakhs has been made for teachers orientation programmes.

As desired by the Government of India the total number of N.S.S. volunteers has been increased to 10,000. Accordingly, a matching share of Rs.3.00 lakhs has been proposed for the year 1979-80 for the purpose. This would fetch central assistance of 4.20 lakhs.

Physical Education, Sports, Youth Welfare and Arts & Culture:

A total provision of Rs.213.00 lakhs for Physical education, Sports and youth welfare and Rs.517.00 lakhs for Fine Arts & Culture, has been made for the 1978-83 Plan period. The respective outlays for 1979-80 are Rs.33.44 lakhs and Rs.101.86 lakhs. Important programmes included under this head are scouts & guides, N.C.C. Physical education and Sports, Archeology & Museums, Archives, Oriental research, Fine Arts education, Academies etc.

Apart from youth activities like NCC, Scouts & Guides there is an autonomous body- the Rajasthan State Sports Council. It aims to plan and promote all round development of sports in the State. A provision of Rs.100.00 lakhs has been proposed for this in the 1978-83 plan. In the Annual plan proposals 1979-80, a provision of Rs.15.25 lakhs has been made for activities of the Sports Council.

In the sphere of Arts & Culture a number of Academies have already been established like (i) Rajasthan Sangeet Natak Academy at Jodhpur (ii) Rajasthan Sahitya Academy at Udaipur (iii) Rajasthan Lalit Kala Academy at Jaipur (iv) Rajasthan Hindi Granth Academy at Jaipur. During the year 1977-78, the State Government took a decision to establish an Urdu Academy to encourage and promote study and research in the field of Urdu language and literature etc. Similarly another Academy named as "Rajasthan Sindhi Academy" to be headquartered at Jaipur is being established during the current financial year(1978-79). This Academy,

will foster and coo-ordinate activities in the sphere of Sindhi language and literature thereby promoting cultural unity.

A separate institution named as Directorate of Persian and Arabic Research Institute at Tonk has been established in the current year with the aim of research in the field of persian and Arabic literature available at Tonk, some of which date back to the fourteenth and fifteenth centuries and some still older.

With the aim of promoting and developing "Jaipur Gharana Kathak Dance" a separate institution named as "Jaipur Kathak Kendra Society" has been registered. The management of Ravindra Manch, Jaipur is also being handed over to an autonomous-body—"Ravindra Manch Society Jaipur". The Society has been registered.

A provision of Rs.15.00 lakhs for public libraries at district headquarters has also been made. Out of Rs.15.00 lakhs, a sum of Rs.13.00 lakhs has been proposed for construction of library buildings.

Technical Education:

The proposed outlay during the five year plan period is Rs.153.00 lakhs. The outlay during 1978-79 is Rs. 24.00 lakhs. The proposed outlay for 1979-80 is Rs. 30 lakhs.

A provision of Rs.0.75 lakhs has been made for direction and administration which include strengthening of the Directorate of Technical Education in accordance with the recommendations of the Working Group on Technical Education. A provision of Rs.5.12 lakhs has been made for reorganisation of courses and modernisation of equipment in Polytechnics. The provision for development of Khaitan Polytechnic at Jaipur is Rs. 10.00 lakhs. This provision includes Rs.4.65 lakhs for equipment and Rs. 4.00 lakhs for purchase of land. A provision of Rs. 0.80 lakhs has been made for diversified courses in Radio and T.V. at Jodhpur Polytechnic and Rs. 1.53 lakhs for continuing the post-diploma course in Dairy technology. The provision for other programmes of Polytechnics including faculty development, part-time diploma courses, consolidation of physical facilities, library books and book banks is Rs.4.80 lakhs.

A provision of Rs.2.00 lakhs has been made for grant-in-aid to M.B Engineering College, and Rs.4.00 lakhs to Malviya Regional Engineering College, Jaipur for meeting the State share of the liabilities against approved University Grants Commission and other Government of India schemes.

A provision of Rs.1.00 lakh has also been made for grant-in-aid to University of Udaipur for modernisation of equipment etc. at Udaipur Polytechnic for Modern Medicines :

The main stress laid during the 1978-83 plan period is towards augmenting the accessibility of health infrastructure in the rural areas, correcting the regional imbalances/disparities and filling up the gaps to the extent possible for which an outlay of Rs. 4506.50 lakhs, including Rs.2840.00 lakhs for R.M.N.P., has been envisaged. A sum of Rs.528.68 lakhs has been provided for 1979-80 under State Plan covering Revised Minimum Needs Programme and other than R.M.N.P. Schemes. A brief description is given as under :-

<u>Scheme</u>	<u>Amount proposed (Lakh Rs.)</u>
1. R.M.N.P.	369.43
2. Other than MNP	159.25
Total :	528.68

A-REVISED MINIMUM NEEDS PROGRAMME:

The bulk of our population resides in the rural areas where health care facilities are extremely inadequate. The Minimum Needs Programme was introduced in the Fifth Plan, to make up the backlog and deficiencies in buildings, staff and drugs for Primary Health Centres and Sub-centres.

A sum of Rs. 369.43 lakhs has been proposed during 1979-80.

	<u>No.</u>	<u>Outlay 1979-80 (Rs. in Lakhs)</u>
1. Construction of buildings for Upgradation of PHCs into 30 - bedded referral hospitals	45	66.60
2. Construction of additional accommodation in PHCs where bed strength is being raised.	174	13.32
3. Additional Sub-Centre buildings	626	34.10
4. Construction of Subsidiary Health Centres	115	46.00
5. Construction of existing staff quarters and Sub-Centres (Committed Expenditure)	-	55.91
6. Drugs and staff to PHCs & Sub-Centres	-	56.32
7. Replacement of Vehicles	30	18.00
8. Lady Health Visitors - Staff	74	2.25
9. Upgradation of PHCs into 30 - bedded Referral Hospitals (Drugs and staff)	10	26.43

For the first time Subsidiary Health Centres have been visualised to serve as a referral link between the Sub-centres/and P.H.(Cs.

B. OTHER THAN R.M.N.P. SCHEMES :

Besides Rs. 112.17 lakhs for five medical colleges to meet deficiency in staff and to provide necessary equipment and building, a sum of Rs. 47.08 lakhs is proposed to be utilised on other than M.N.P. schemes as under :-

<u>Item</u>	<u>Outlay 1979-80</u> (Rs. in Lakhs)
1. Specialists Services	
Sr. Specialist	
Jr. Specialist	0.70
2. Expansion of Mobile Surgical Unit (Building)	2.79
3. M.C.W. Centre (Provision for Lady Doctors)	0.40
4. Strengthening of Drug Control Organisation	2.35
5. Development Work in R.C.P. (Additional staff & Construction of Staff quarters)	9.00
6. Training	21.84
7. Replacement of Vehicles	10.00

There has been a hard felt need of trained para-medical staff in the State. The present existing institutions are not able to cope with the increasing needs, thus special stress has been given to the establishment of additional institutions for training of para-medical staff. Twelve institutions for General Nursing Male, General Nursing Females and A.N.Ms alongwith Diploma Course in Pharmacy are proposed during 1979-80. Proposals to the tune of Rs. 13.50 lakhs for the buildings & hostel facilities have also been included. The existing

vehicles in the hospitals are also in a very poor condition. Such vehicles are proposed to be replaced.

Ayurved

A provision of Rs. 510 lakhs has been made for implementation of various schemes under indigenous systems of medicine (Ayurvedic, Homeopathic and Unani) for the 1978-83 plan period. A sum of Rs. 44.90 lakhs has been proposed for the year 1979-80. 66 dispensaries are proposed to be opened, out of which 30 will be in rural areas and 20 at the Panchayat Samiti head quarters. Besides upgradation of 8 dispensaries, one B-Class hospital is also to be upgraded to A-Class hospital with the provision of 10 beds and one A-Class hospital converted into district level hospital. For improvement in Government Ayurvedic Pharmacy, a sum of Rs. 13.59 lakhs has been provided for efficient distribution of medicines. A mobile dispensary would be established. For the establishment of Herbal Gardens a provision of Rs. 2.00 lakhs has been made. The administrative set-up of the department will also be strengthened.

Water Supply and Sewerage :

Urban water supply

All the 181 towns were covered with water supply schemes by the end of 1977-78. Due to the increase in population and depletion of sources, augmentation and reorganisation of such schemes are to be taken up. In 41 towns, reorganisation of water supply schemes were taken up, out of which 26 schemes have been commissioned. Out of the remaining 15 schemes, 10 schemes are likely to be commissioned during 1978-79 and 5 schemes will be commissioned during the next two years. For 1979-80 a target for commissioning 10 augmentation schemes is proposed.

Sewerage :

Improvement of sanitation could not receive due attention so far. Sewerage schemes of North Zone, Jaipur City was taken up but it could not be completed during 1978-79. In addition to this, sewerage schemes of Jodhpur, Kota and Bikaner were also sanctioned. These schemes will be continued during 1979-80. It is expected that the Kota Scheme is likely to be completed during the year 1979-80.

Surface drainage Schemes

Low priority had been assigned to surface drainage schemes so far. During the 1974-78 plan the surface drainage schemes of 6 towns were taken up, out of which 4 Schemes have been commissioned and 2 schemes of Bikaner and Udaipur are proposed to be commissioned in 1978-79. One new drainage scheme is proposed to be taken up in 1979-80. 13 drainage schemes, costing Rs. 75.00 lakhs have been sanctioned during 1978-79, as flood protection works out of the advance plan assistance of Rs. 65.79 lakhs for 1978-79. All these schemes are likely to be completed during 1978-79.

The total spill over liability of continuing works under the Urban Water Supply & Sewerage Schemes for 1978-83 was of the order of Rs. 1520.00 lakhs. Out of this, a sum of Rs. 445.00 lakhs has been provided during 1978-79 leaving a balance of Rs. 1299.00 lakhs. Out of this balance a sum of Rs. 573.45 lakhs has been provided during 1979-80.

Out of the proposed allocation of Rs. 795.00 lakhs for 1979-80, L.I.C. financed schemes would be of the order of Rs. 655.62 lakhs. Against this, L.I.C. share is expected to be of the order of Rs. 416.84 lakhs. Non L.I.C. Financed Schemes would be of Rs. 139.38 lakhs.

Rural Water Supply :

The norms as laid down under the Revised Minimum Needs Programme for the rural water supply is "Coverage of all left over problem villages by 1983." There are 33,305 villages in the State covering a population of 212.22 lakhs, out of which 24,037 villages, having a population of 167.61 lakhs are problematic villages.

The State Government has sanctioned schemes for 4146 villages in all (4005 problematic and 141 non-problematic). By the end of 1977-78, 3331 villages (including 141 non-problem villages) with a population of 46.29 lakh have been provided the facility of potable water.

During the Five Year Plan 1978-83 the department is likely to have funds from Accelerated Programme, Special Central Assistance under Tribal Sub-Plan Area besides the State Plan provision. A Project for seeking funds from the World Bank is also under preparation. The outlays from various sources and their corresponding physical targets during the plan 1978-83 and during the year 1979-80 are as below :-

Source	Five Year Plan 1978-83		Annual Plan 1979-80	
	Outlay (Rs. in Lakhs)	Targets (No. of villages)	Outlay (Rs. in Lakhs)	Targets (No. of villages)

* Represent wells/diggies to be constructed.

Housing & Urban Development:

An outlay of Rs.5306.00 lakhs for Housing and Rs.710.00 for urban development has been envisaged for the 1978-83 plan period. Respective provisions for the year 1979-80 are Rs.1139.38 lakhs and Rs.141.09 lakhs.

32 houses under Rental Housing Scheme, 320 houses under LIGH, 45 houses under MIGH and 50 houses under Integrated subsidised housing scheme for industrial workers are proposed to be constructed during 1979-80. Rs.1.00 crores as State share has been provided for land acquisition in urban areas and integrated urban development projects. Rs.605.63 lakhs have been provided for development of 80,000 house sites and village housing programme for the landless labour and other weaker sections of the rural areas.

Programmes under Urban Development relate to environment improvement, development of mandis, slum clearance, schemes of the Town Planning Department and Directorate of Local Bodies. A provision of Rs.100.00 lakhs is being made for the environmental improvement programme being implemented in six cities of Ajmer, Jaipur, Jodhpur, Bikaner, Kota and Udaipur. An outlay of Rs.8.00 lakhs has been proposed for slum clearance for construction of 147 tenements.

Information and Publicity:

An amount of Rs.203.00 lakhs has been proposed for the Five Year Plan 1978-83. The outlay for the Annual Plan 1979-80 has been kept at Rs.36.24 lakhs, out of which a sum of Rs.9.47 lakhs is for construction of Information Centre building at Ajmer and Rangmanch at Jaipur. Further revision of Rs.11.56 lakhs has been kept for Television Programme which is executed through the agency of Community Development and Panchayat department.

Besides direction and administration, the continuing programmes of advertising and visual publicity, press information service, information centres, field publicity and publication will be further strengthened to cope with the growing responsibilities of the department.

A new unit of Photo Service to produce documentary films on cultural, historical and other aspects of Rajasthani life is proposed to be established during 1979-80 for which a sum of Rs.3.70 lakhs has been proposed of which Rs.2.00 lakhs will be for non-recurring items.

Labour & Labour Welfare:

The outlay envisaged for the 1978-83 plan period and the 1979-80 Annual Plan on items under the programme of Labour & Labour Welfare is given below:-

Item	(Rs. in lakhs)	
	Outlay 1978-83	Outlay 1979-80
1. Labour Commissioner Office and Industrial Tribunals	26.77	3.04
2. Factory Inspectorate	18.15	1.73
3. Craftsmen training	190.00	129.03
4. E.S.I.	25.00	3.00
5. Employment	71.90	17.74
Total:	331.82	154.54

Proposals of the Department of Labour Commissioner, Factory Inspectorate, and Directorate of Employment relate to strengthening of the machinery for labour relations and industrial harmony, enforcing the provisions of the Factories Act, Indian Builders Act and payment of Wages Act, etc.

Craftsmen Training:

Under the Craftsmen training scheme, Rs.5.00 lakhs have been provided for modernisation of equipment and Rs.1.50 lakhs for reorganisation and diversification of trades in existing I.T.I.s. ~~xxxxxxxxxx~~. Four new I.T.I.s. are proposed to be established for which a provision of Rs.10.46 lakhs has been made. Rs.7.58 lakhs have also been provided for consolidation of physical facilities viz., completion of I.T.I. buildings, construction of hostels and staff quarters. Adequate provision for faculty development (Rs. 0.84 lakhs) and apprenticeship training (Rs.2.70 lakhs) have also been made. As a result of these measures, the intake capacity of I.T.I.s. will increase to 3828 from 3460 in 1978-79.

Besides, it is proposed to establish ~~six~~ some new I.T.I. type institutions during 1979-80 for training of less literate persons in short term courses of 4-6 month in trades where the demand is very high.

A provision of Rs. 100.00 lakhs has been made for the purpose.

Employees State Insurance:

Rs.25.00 lakhs has been provided as State share for the 1978-83 plan period, against which Rs.175.00 lakhs are to be provided by the Corporation. The total programme for the 1978-83 plan period is envisaged to be of the order of Rs.200.00 lakhs of which Rs.24.00 lakhs is proposed for the year 1979-80.

The E.S.I. Hospital at Jaipur is to be strengthened. Two new Dispensaries- One at Dobari (Udaipur) and the other at Naraina (Jaipur) are proposed to be opened during 1979-80 to cover labour working in these areas. Besides, 10 beds at Alwar and 15 beds at Bhilwara are to be reserved during 1979-80. Itemwise provision is given below

<u>Item</u>	<u>Rs. in lakhs</u>
1. Administration	0.40
2. Hospitals and dispensaries	4.88
3. Maintenance of wards	0.90
4. Non-recurring expenditure	17.82
Total:	24.00

The State share amounts to Rs. 3.00 lakhs and the Corporation share to Rs. 21.00 lakhs.

Welfare of Backward Classes:

Keeping in view the main objectives of the Five Year Plan 1978-83 it is imperative that the Scheduled Castes, Scheduled Tribes and Backward Classes who constitute the poorer and more vulnerable section of the community, receive maximum benefit from the plan programmes. The strategy of the development of Backward Classes will be to lay greater emphasis on identification of schemes under general sectors of ~~all~~ development which would be of particular benefit to them. Besides quantification of funds under each sector, efforts would be made to identify specific target group which would be benefited from these programmes. A programme of diversification of occupation has also been envisaged for rapid economic development and delinking persons engaged in unclean occupations. Besides educational programmes economic development programmes also have been accorded priority. Blocks which have concentration of Scheduled Caste population of 20 percent or more have been given priority in the selection of I.R.D. Blocks.

An outlay of Rs. 650.00 lakhs has been envisaged during the Medium Term plan 1978-83 for the Welfare of Backward Classes. Of this, Rs. 75.00 lakhs is the likely expenditure during 1978-79. Annual Plan 1979-80 envisages an outlay of Rs. 84.71 lakhs. The scheme wise breakup of the proposed outlay is as under :

	(Rs. in lakhs)
1. Direction and administration	1.54
2. Welfare of Scheduled Castes	53.57
3. Welfare of Scheduled Tribes	27.80
4. Welfare of Unnotified tribes and Nomadic tribes	1.80
Total:	
	84.71

The programmes which fulfill the objectives of social and economic development of backward classes have been emphasised. 8 new hostels for the members of scheduled castes and 6 new hostels for the members of scheduled tribes will be opened in 1979-80. For the economic upliftment of the members of the scheduled castes, 4 new Training Centres in Crafts will be opened. Two such Centres will also be opened for Scheduled Tribes.

Social Welfare :

An outlay of Rs. 75.00 lakhs has been made for the Medium Term Plan 1978-83 for the Social Welfare Programme. Rs. 9.33 lakhs have been provided for 1979-80. The Children Act Programme will be extended under which 4 new observatory Homes and 4 Children Homes have been proposed. Services for the Mentally Retarded women will be further strengthened.

The year 1979 is being celebrated as International Year of Child. Children are a supremely important asset and the Nation's future lies in their proper development. The International Year of Children provides a valuable opportunity for rededicating ourselves to the noble task of Nation building through proper care of our children. During the year, implementation of various schemes on the lines suggested in the International Plan of Action would be taken in hand for the benefit of children. The Supplementary Nutrition Programme under I.C.D.S. and Special Nutrition Programme would be expanded to cover 1.13 lakhs additional children of 0-6 age group and also the pregnant and nursing mother. Concerted efforts would be made to have an effective link of health coverage programme with that of Nutrition Programme. Immunization Programme would be intensified, more Sub-Centres would be opened and P.H.C's upgraded. Multi-purpose health workers scheme would be expanded and sources of safe drinking water would be created in more and more villages with a view to achieve the aim of reducing child morbidity and mortality rate. A separate hospital for children would be opened at Jaipur. New Scheme for giving incentives for adoption would be introduced.

The Children's Act is presently in force only in four out of 26 districts. Efforts would be made to get this Act enforced throughout the State.

Aid would be given to voluntary institutions working in the field of imparting education and vocational training to the handicapped children.

Similarly, the facilities available in the government

run schools for the blind, deaf and dumb would be increased. The scheme of opening creches would be implemented in all the municipal towns having more than 100 scavenging women staff. A scheme for giving scholarships to the talented children in the field like Arts, Crafts, Music, Painting, etc., would be initiated.

Nutrition :

A provision of Rs.130.50 lakhs has been made for implementing the various nutrition programmes in the State during 1979-80. The details of the programmes have been given elsewhere under the head 'Revised Minimum Needs Programme.'

Economic and General Services :

An outlay of Rs. 120.65 lakhs has been proposed under this 'head' comprising of Rs.37.78 lakhs for Economic Services which include State Planning Machinery, Evaluation and Statistics, and Rs.152.87 lakhs for General Services. Out of Rs.152.87 lakhs, Rs.14.83 lakhs have been provided for Stationery and Printing and Rs.138.04 lakhs for State and District level administrative buildings including Police and Jail Buildings.

Revised Minimum Needs Programme:

While formulating programmes under Revised Minimum Needs Programme the norms laid down in the 1978-83 plan document of the Planning Commission have been kept in view. The outlays proposed for RMNP for the year 1979-80 are in consonance with the broad strategy adopted for the 1978-83 plan period.

The position of expenditure during 1974-78 the likely expenditure during the current year and the proposed outlays for the plan 1978-83 as also for the year 1979-80 is given in the subjoined table :-

Sector	(Rs. in lakhs)				
	Expenditure 1974-78	1978-83 proposed Outlay	1978-79 Outlay	Antici- pated Exp.	1978-80 Proposed Outlay
		2	3	4	5
1. Rural electrification	1000.00	5500.00	400.00	400.00	750.00
2. Rural roads	1585.72	10077.57	720.27	826.00	1110.69
3. Elementary education	2215.3	13865.66	918.00	918.00	1327.10
4. Adult education	13.18	2225.00	30.73	30.73	225.40
5. Health care	110.79	2340.00	148.30	148.30	369.43
6. Rural water supply	2926.08	13695.00	900.00	937.00	6066.00
7. House sites for landless rural labour (including village housing wall)	10.00	3100.00	10.37	10.37	605.63
8. Environmental improvement	169.28	500.00	65.47	65.47	100.00
9. Nutrition	60.52	1200.00	42.85	42.85	130.50
Total	11418	3003.23	3235.99	3378.72	10684.75

Sectorwise wise details of achievement made and targets for 1979-80 as also for the year 1979-80 are given in Table 4. Main activities proposed for 1979-80 are described briefly in the following paragraphs.

Under rural electrification, 750 additional localities will be electrified and 1000 wells energised during 1979-80.

A sum of Rs.750.00 lakhs has been proposed for this programme.

A provision of Rs.1110.69 lakhs has been made for rural roads for the year 1979-80...as command area roads have been excluded from the RMNP from 1979-80 onwards, the programme envisages, construction of 944 kms. of roads as against the likely achievement of 205 kms. during the year 1978-79.

For elementary education a provision of Rs.1327.10 lakhs has been made for the year 1979-80. It is proposed to open 1300 new primary schools in the rural areas of the State and 200 primary schools will be upgraded into Upper Primary schools. 5350 teachers will be provided for Primary schools and 2850 teachers for Upper Primary schools. For non-formal education, 4500 centres will be opened for providing part-time teaching facilities to 1.35 lakhs children. Under the programme of incentives to children 2 lakh Scheduled Caste and Scheduled Tribes students will be benefited by providing free books, stationery and uniforms. The programme of providing incentives to children and matching share for education cess will be continued in all the panchayat samities of the State. The construction of 200 school buildings, 3000 class rooms in existing school buildings and 400 teachers quarters will be taken up during the year 1979-80. 930 science kits will be supplied. Provision has also been made for furniture & equipment (3500 schools), radio sets to 1700 schools, school libraries etc. The administrative & supervisory machinery will also be suitably strengthened. The targets of enrolment in 6-11 and 11-14 age-group by the end of 1979-80 envisage an increase from 55.59 percent and 29.82 percent in 1978-79 to 65.34 percent and 34.00 percent respectively.

A sum of Rs.225.40 lakhs has been provided for adult education for the year 1979-80. The programme envisages opening of 16000 centres catering to 3.50 lakhs effective adults in the 15-35 age-group. For administration & supervision 271 boards will be set up and

necessary staff provided . 100 rural libraries and 300 continuing education centres will be set-up.

Under health facilities, apart from the completion of 217 sub-centre buildings & 191 staff quarters, the work of construction of 626 additional sub-centre buildings and 115 subsidiary health centre buildings will be taken up. Besides, additional accommodation in 45 PHCs for upgradation into 30 bedded referral hospitals provision has also been made for additional accommodation ^{172 PHCs} where the bed strength is to be increased. Additional provision for drugs to all 1232 PHCs @ Rs. 6000/- per PHCs and 2120 sub-centres @ Rs. 2000/- per sub-centre will be continued. Sub-centres will be strengthened by providing 74 LHV's . 30 PHCs vehicles will be replaced. Ten PHCs are proposed to be upgraded into 30 bedded referral hospitals during 1979-80.

In the rural water supply sector, 2700 additional villages will be covered by piped water supply/hand pump schemes, Under wells programme. 640 drinking water wells will be completed during 1979-80. Construction of 117 new ditches (29 sanitary and 88 conventional) in the RCP command area will also be taken up/completed.

For house-sites for landless rural labour, a provision of Rs. 605.63 lakhs including village housing cell has been proposed for 1979-80 for the development of 60 house-sites and subsidy for construction of houses on 80,000 house-sites. The programme of environmental improvement will be continued in the slum areas of Ajmer, Jaipur, Jodhpur, Bikaner, Kota and Udaipur, for which an allocation of Rs. 100.00 lakhs has been proposed for the year 1979-80.

Under Nutrition programme, an outlay of Rs. 130.50 lakhs has been proposed. Five new blocks will be started under applied nutrition programme. The on-going programme of A.F.P. will be extended to cover 1.00 lakhs beneficiaries as against 70 thousand beneficiaries during year 1978-79. Two new blocks under ICDS will be covered, benefitting 10 thousand additional beneficiaries, thereby bringing the total number of beneficiaries to 61 thousand units during 1979-80. The on-going Special Nutrition Programme (SNP) will be extended to cover 0.73 lakhs additional beneficiaries under Plan. Under Mid-day meals programme, 1.25 lakhs additional beneficiaries will be benefit-

Integrated Command Area Development

The Rajasthan Canal and the Chambal Command Area Development Projects are among the first I.R.D./T.I.A. assisted CAD Projects in the country. Encouraged by the success achieved by the CAD Programmes, the State Government took up command area development of Bhakra and Gang Canal and proposes to take-up a few more projects during the Five Year Plan period 1978-83 with the assistance of International Agencies. During 1979-80 the new Command Area Development projects to be taken up are RCP stage-I-Phase II and RCP stage-II. The total requirement of funds estimated for Command Area Development for 1979-80, are as below:-

(Rs.in lakhs)

Particulars	<u>Expenditure/Outlay</u>	
	1978-79	1979-80
1. Rajasthan Canal area		
A-CAD stage I-Phase-I		
i) Canal Lining	750.00	1130.00*
ii) Afforestation:		
a) State share	127.85	91.75
b) D.P.A.P.	11.16	-
c) V.F.P.	18.00	-
iii) Roads	285.00	280.00
iv) Water Supply	33.00	77.00

Total (H)	<u>105.00</u>	<u>484.50</u>
I. Crop Compensation Chambal (Central share)		
Total : I + H	<u>2519.99</u>	<u>3589.98</u>

It is proposed to carry out work on lined water courses in 50,000 hectares and land shaping by Project Authorities 3000 hectares in Rajasthan Canal area (Stage-I-Phase-I). 10,000 hectares of water course lining will be done in Chambal area. The work of lining of water courses in North West Bhakra and Gang Canal would be carried out in 200 hect. The total institutional finances likely to be available, during 1979-80 for 'On-farm' development works in these Projects is estimated to be of the order of Rs. 12.27 crore as against Rs. 6.51 crores anticipated in 1978-79. The

funds for on-farm development will further be supplemented by special loan contribution of Rs. 6.46 crores. State's share of Rs. 161.50 lakhs has been provided in the Annual Plan. The Secretariat Cell will continue to oversee the implementation of the C.A.D. Programmes at the State level and to coordinate the related activities.

Crop Compensation in Chambal Command Area:

In Chambal Command Area it is necessary that on farm development work is carried out from September to June also. For doing so the farmer has to lose his rabi crop which is pre-dominant in the area. The Govt. of India was requested to provide an amount of Rs.15.00~~10.00~~ for paying crop compensation to the farmers out of the funds earmarked as subsidy for Small, Marginal and dis-advantaged farmers. Somehow the proposal has not been agreed to by the Government of India so far. In the absence of such provision the OFD works during the period September to June suffer. The investment on salary on the staff and machinery also remain idle on this account. It is, therefore, essential that Rs.15.00 lakhs should be provided by the Government of India over and above the State Plan during the year 1979-80 for this purpose.

New Projects

Efforts are being made to obtain assistance from the international Agencies for the Command Area development in Rajasthan Canal area stage-I Phase-II as also in stage-II. mean-while provision has been made for construction of roads, afforestation, providing of water supply facilities and onfarm development-survey in 65 hectares in R.C.P. Stage-I Phase-II and for agriculture development, afforestation, road construction and development of villages and towns in R.C.P. Stage-II.

Treatment of Government land:-

It is estimated that on an average about 10 percent of the area falls under the head Government land. It was presumed that as soon as OFD work is implemented in certain chaks, Government land would be allotted and thereby the recovery of the investment would be effected. Due to a variety of reasons it has not been possible to allot or auction the land and therefore, it is felt necessary that provision for treatment of Government land is also kept. By the end of March, 1978 an area of 50000 hectares had been developed with water course lining out of which 5000 hectares is approximately Government land. Another 5000 hectares likely to be developed by the end of March, 1979. It is proposed to develop another 50000 hectares during the year 1979-80 and therefore, the total area to be developed under Government land would be 150000hectare.

An outlay of Rs. 80.50 lakhs has, therefore, been proposed for treatment of Government land during the year 1979-80.

The Area Development Commissioner, Rajasthan Canal is also coordinating all the infrastructure activities in the Rajasthan Canal Command area. The total outlay on the activities including construction of Rajasthan Canal Pm and CAD etc. is Rs. 49.13 crores. Likewise, in Chambal Command area, apartfrom the World Bank assiswed Project works recommended by the Technical Committee and left over works will be executed by the Irrigation Department. The details of scheme-wise outlays and physical targets for 1979-80 as also the anticipated expenditure and physical achievements are given in table 6.

P. T. O.

Integrated Development in Tribal sub-plan area

The tribals in Rajasthan are varied in ethnic composition and cultural pattern. Bhils, Mina, Garasias, Sahariyas and Damors form the main scheduled tribes. According to the 1971 Census the State is inhabited by 31.26 lakhs tribals, which constitute 12.13 percent of the State's total population.

In the overall Tribal sub-plan strategy the following categories of areas are to be covered :-

- (i) Areas of the tribal concentration having 50 percent or more of the total population as tribals.
- (ii) Areas having tribals with lesser concentration in administrative sub-units or groups.

During the Fifth Five Year Plan the approach had been to confine intensive tribal development programmes to the first of the above two categories. The main concentration of the tribals is in the districts of Dungarpur and Banswara, and part of Udaipur district (namely, Phalasia, Kherwara, Kotra, Sarada, Salumber and Lasadia tehsils and Girwa block), Pratapgarh tehsil of Chittorgarh and Abu Road block of Sirohi District. The total population of this region is 20 lakhs of which Scheduled Tribes constitute 65.59 percent or 13.16 lakh persons.

An exercise is being undertaken to include more areas in the Tribal sub-plan area as per recommendations of the Tribal Area Development Commissioners' Conference held at New Delhi in ~~August~~, 1977. This will cover sub-tehsil level blocks with a population of 10,000 or more with 50 percent or more of tribal concentration. 37 mini blocks have been identified to be included under the programme. This will help in the extension of the benefits of intensive tribal development programmes to other tribals not covered so far by the Tribal sub-plan. However, for the present they will have to depend on flow of funds from general sector programmes and special concessions for weaker sections of the society.

The physical programmes under the Sub-plan comprise of development of cooperative infrastructure, agriculture extension, irrigation, ground water exploitation, cattle, poultry and fisheries development, forestry and education.

Assistance will also be provided for development of Khadi and Village Industries and Small Scale Industries to supplement the income of the tribals in that area. The programmes now stand properly geared and can utilise more funds.

Out of the total plan outlay of Rs.491.05 crores proposed for the year 1979-80, the sectoral flows in Tribal sub-plan area would be of the order of Rs.48.49 crores...part from this, an amount of Rs.6.59 crores is expected to be received as special Central assistance from the Government of India for the Tribal sub-plan. A sum of Rs.2.53 crores from Centrally sponsored schemes and Rs.0.97 crores are likely to be invested out of institutional finance. The details of outlays under State plan which would flow to tribal sub-plan area and those expected under special Central assistance are given below by major heads of development :-

Sector	State Plan	Special Central Assistance
1. Agriculture and allied activities	105.14	348.97
2. Cooperation	53.97	5.00
3. Water & Power Development	3226.00	2.00
4. Industry & Minerals	429.65	53.63
5. Transport & Communications	242.00	-
6. Social & Community Services	436.65	163.80
7. Economic Services	1.59	-
8. General Services	4.00	86.00
Total :	4849.00	659.40

The programme-wise details have been given in statement on tribal sub-plan 1 and 2 and the note attached with the statements.

Centrally Sponsored Schemes:

The Centrally Sponsored Schemes and Central sector schemes financed by the various Union Ministries/Corporations/Boards and being run in the State have an important bearing on the overall development of the State. These schemes are not only supportive in the various fields but a number of them are complementary in financial terms matching share has to be provided under State Plans and Central Plan. The expenditure on such schemes has been increasing from year to year. The expenditure of Rs.22.57 crores in 1971-75 had gone up to Rs.52.23 crores in 1977-78. During four years (1974-78) of the Fifth Plan the total expenditure reported on such schemes was Rs.154.00 crores. The anticipated expenditure during 1978-79 is estimated at Rs.80.28 crores. The requirement of outlays for such programmes during the year 1979-80 works out to Rs.125.50 crores. The subjoined table gives the expenditure figures for 1971-78, 1977-78, anticipated expenditure for 1978-79 and proposed outlays for 1979-80 by broad of development :

(Rs. in lakhs)

Major heads of development	Expenditure		Anticipated Expenditure during 1978-79	Proposed Outlay 1979-80
	1974-78	1977-78		
I-Agriculture & Allied Services	7320.06	2463.26	3781.81	6179.45
II-Cooperation	634.69	197.73	415.07	776.65
III-Irrigation & Pover Development	354.32	49.96	275.63	316.50
IV-Industry & Minerals	337.14	149.01	195.04	207.68
V-Transport & Communication	1821.13	716.05	914.12	1254.50
VI-Social and Community Services	4387.26	1628.09	2428.21	3675.77
VII-Economic and General Services.	15.36	18.91	17.81	39.88
Total:	15400.26	5223.01	8027.99	12550.43

Under Agricultural Production , the Indian Council of Agricultural Research has taken up schemes mostly relating to coordinated research programme . Under Soil Conservation Works the River Valley Projects of Chambal, Dantiwara and Koda are important ones. Besides Crop Husbandry, with the assistance of Government of India a massive programme of development under the heads Animal Husbandry, Sheep & Wool and Dairy is being undertaken. Under the SFDA programmes the subsidies provided have been instrumental in all round development and supplementing the income of weaker sections of the Society. DPAP, Desert Development and Integrated Rural Development programmes are also amongst the important Centrally Sponsored programmes. The programme of Desert Development is vital for a State like Rajasthan.

Under the Cooperative Sector the schemes of NCDC forms the core of Cooperative development. Under Transport and Communication head the major programme relates to National Highways. Under Social and Community services the major programmes relate to Family Welfare, National Malaria Eradication Programme, and Community Health Workers.

During the current year the special central assistance to be received for the Tribal Sub-Plan area is of the order of Rs.3.27 crores. The outlay proposed under the scheme for 1979-80 is Rs. 6.51 crores.

The details of schemes are given in Table - 5.

In the past, indications of Central Assistance for such Centrally Sponsored Schemes were received very late in the year from the Central Ministries. This resulted in short falls at the close of the year. For 1979-80 the allocations in respect of such schemes may be finalised alongwith the State Plan schemes so that they can be properly budgetted and expenditure may be evenly incurred through-out the year.

Employment and manpower :

In order to achieve the commitment of eliminating unemployment and reducing under-employment substantially, the emphasis has been laid in the year 1979-80 on those sectors of development which are relatively more labour intensive. An attempt has been made to estimate the number of persons expected to become available for employment, and the employment opportunities likely to be generated during the year 1979-80.

Due to limitations of data available from various sources, it is not possible to work out precise figures of unemployed persons. Efforts have, however, been made to estimate the backlog of the unemployed and additions to the labour force.

In order to ensure conformity between the State and All India estimates, the State-wise figures published by the Planning Commission in the Draft Five Year Plan 1978-83 have been adopted for estimating the net addition to labour force during 1979-80 for Rajasthan. The net increase in the total population of the State during the year 1979-80 is estimated at 6.54 lakhs over the preceding year. The increase in the number of persons above 4 years of age would be 5.52 lakhs. Applying the participation rate of 61.3 percent, the net addition to labour force during the year 1979-80 is estimated at a little over 3.41 lakhs persons. At the beginning of 1978-79 the backlog of unemployment has been estimated around 6 lakh persons. During 1978-79 additional job opportunities for 3.83 lakhs persons are expected to be created leaving a backlog of about 5.8 lakh persons at the end of the year as against the backlog of about 6 lakh persons at the begining of the year. The net addition to the labour force during the year 1979-80 being 3.41 lakhs persons a total of 9.22 lakh job-seekers would be available in the State during 1979-80.

The estimates of additional employment opportunities during 1979-80 have been worked on the basis of sectoral investment/employment norms. They have been calculated in terms of employment for investment/expenditure of one lakh of rupees multiplied with the additional total outlay (Revenue and Capital) over 1978-79.

The estimates of additional employment within agriculture are based on the estimated increase in area and utilisation of human labour per hectare in respect of different crops.

On this methodology, detailed exercises have been done to calculate additional employment opportunities likely to be generated with the proposed investment of Rs.491.05 crores during the 1979-80. It is estimated that employment opportunities for 4.23 lakh persons would be made available as per following details :-

Item	Additional Employment Likely to be generated (In lakhs)
<hr/>	
<u>1. Direct Employment</u>	
<u>Outside agriculture :</u>	
(a) Continuing	0.15
(b) Construction	2.21
<u>2. Indirect employment</u>	
<u>Outside agriculture</u> <u>(55% of direct employment)</u>	1.30
<u>3. Additional employment</u>	
within agriculture	0.62
<hr/>	
	4.28
<hr/>	

Besides this, employment opportunities will also be created as a result of investment that might be made under Central sector and Centrally Sponsored Scheme and Institutional Finance mainly in the field of agriculture, industries, transport and housing etc. to the extent these are not covered in the above estimates. The quantum of employment opportunities to be created has since been estimated on the basis of 1973 norms; it will need modification due to change in technology, prices and pattern of investment.

It is estimated that with the creation of additional employment opportunities for 4.23 lakh persons in 1979-80 the backlog at the end of 1979-80 will further reduce to 4.94 lakhs.

In rural areas the problem is more of relieving under employment. The number of under employed persons in the State was 20.90 lakhs at the end of March, 1978 (18.06 lakhs in Rural areas and 2.84 lakhs in Urban areas).

The sectoral programmes are envisaged to provide part-time employment also, besides providing full employment opportunities discussed earlier. Apart from this, Rajasthan has launched an ambitious programme of 'Antyodaya' i.e.

upliftment of the poorest of the poor. It will make a big dent on the problem of under employment in the State. The Antyodaya programme alone will cover 1.27 lakh families during the year 1979-80. Other similar important programmes are D.P...P., S.F.D... , Dairy Development, Animal Husbandry Programmes, Desert Development, Integrated Rural Development and expansion of village and khadi Industries etc. which will help a great deal in solving the problem of under employment also, particularly in rural areas.

A precise calculation of the educated unemployed persons is not possible. The only source that can be used to arrive at such estimates is the data of persons on the live register of Employment Exchange. The number of educated job-seekers on the live register of Employment Exchanges was 1.38 lakhs, out of a total of 2.98 lakhs persons on the live register, at the end of June 1978.

An attempt has also been made to estimate the requirements of the technical manpower on the basis of sectoral outlays for the year 1979-80-

Engineering

The demand for Civil and Electrical Engineers will be much higher than their out-turn by the Institutions in the State. Substantial requirement of Civil engineers has been indicated for water supply, Irrigation, Rajasthan Canal Project, P.W.D. and Command area Development etc. The main consumer of Electrical Engineers is the Rajasthan State Electricity Board. The avenues for Mechanical Engineers are confined mainly to Rajasthan State Road Transport Corporation, Public Works Department, Ground Water Department and Public Health Engineering Department. No significant demand of other categories of engineering degree holders is expected.

regards engineering diploma holders it is estimated that there will be a considerable shortage of civil diploma holders. The surplus will be in the Mechanical and Electrical categories. In view of this imbalance, action has already been initiated to start conversion courses at the diploma level.

Medical and Surveyed:

The State has 5 Medical Colleges with an intake capacity of 550 doctors per year. The total requirement indicated for the year 1979-80 is 126. Thus the possibility of unemployment

among doctors can not be ruled out. No gap is likely to exist in the demand and availability of Ayurvedic Graduates. Two Ayurvedic Colleges in the State would provide 100 Graduates while the demand has been placed at 108 for the year 1979-80.

As regards the para medical staff a demand of 66 has been estimated 328 persons under Allopathy and 138 under Ayurved.

Veterinary Graduates :

Veterinary

In respect of Veterinary Graduates, as against supply of 60 during the year 1979-80 a requirement of 110 has been estimated.

Educated persons :

The State Government is alive to the problem of unemployment among educated persons. More than 40 thousand graduates and post-graduates were registered with the employer exchanges at the end of June '78. On the basis of projection the outturn of graduates and post-graduates is estimated to be 24783 and 9098 respectively, aggregating to 33881 during 1979-80. Against this the requirement of graduates and post-graduates in the State Sector works out to about 2 thousand only. The position of matriculates and above who are non-graduates will also remain difficult. It is estimated that about 14 thousand jobs will be created for persons of this category in the State Sector. There was already a backlog of more than 1 lakh persons of this category at the end of June, 1978. With a view to promote self employment for educated unemployed the ongoing scheme of providing financial assistance for setting up of industrial units, will continue. Provision has been made in the State's Annual Plan 1979-80 for opening of new type of I.T.I.s. to enable less educated persons to obtain a short term training of 4-6 months duration in various vocations to earn their livelihood. Provision exists in the State Plan for providing stipend to unemployed graduates and post graduates of scheduled Castes/tribes.

Food For Work Programme:

The Government of India had initiated in April, 1977 a scheme for generation of additional employment opportunities (Food for Work programme) in rural as well as for maintenance and creation of durable rural community assets by utilising food grains stock available with the Government of India. Essentially an employment generating and anti-poverty scheme, it seeks to create rural infrastructure for generating higher incomes for the rural people.

Under the Food for Work programme, wages to the workers are partly paid in cash & partly in the form of food grains according to their need. Funds, equivalent to the value of the food grains distributed, are made available to the State Governments for maintenance & creation of rural assets.

The programme was launched in this State in January, 1978. 3,000 tonnes of wheat were distributed in the last quarter of 1977-78, which generated 6.87 lakh mandays of employment and Rs. 34.50 lakhs worth of funds for additional rural works.

The programme for 1978-79 envisages distribution of about 2.65 lakh tonnes of food grains most of which would be utilised through panchayats in the State. Out of the likely distribution of 2.65 lakh tonnes of food grains about 2.04 lakh tonnes would be utilised on the community works (Non-plan items) executed by panchayats. Of the balance 0.61 lakhs tonnes of food grains 50 percent would be utilised for maintenance and the other 50% ~~for~~ creation of new assets.

The programme in 1979-80 also envisages distribution of about 3.75 lakh tonnes of wheat and 0.25 lakh tonnes of rice which would generate additional funds worth about Rs. 44.50 crores for additional development works in the rural areas under Plan and Non-plan Schemes. The distribution of 4.00 lakhs tonnes of food grains has the potential of creating additional employment of 742 lakh mandays.

PLAN PROPOSALS FOR TRIBAL AREA SUP - PLAN
RAJASTHAN

TRIBAL SUB - PLAN AREA
(ANNUAL PLAN 1979-80)

TRIBAL AREA DEVELOPMENT DEPARTMENT
RAJASTHAN, UDAIPUR.

(1)

Two main long term objectives of Tribal Area Sub-Plan are:

- (a) To narrow the gap between the level of development of Tribal and other areas.
- (b) To improve the quality of life of the Tribal community.

The Tribals in Rajasthan are varied in ethnic composition and cultural pattern. Bhil, Meena, Garasia, Damon and Saharias

are the main Scheduled Tribes in Rajasthan. The Tribal Sub-Plan Area of Rajasthan consists of the following:-

| S.No | District/Tehsil/
Block. | Area in
Sq. Kms | Total
Popula-
tion. | S.T.
Popula-
tion. | % of
Total

| 3.7 | Girwa (Block) | 777 | 106882 | 50892 | 47.62 |
| 4. | Chittorgarh
(Pratapgarh Tehsil) | 2159.5 | 150250 | 78895 | 52.59 |
| 5. | Sirohi
(Abu Road Tehsil) | 84 | 48953 | 32469 | 66.33 |
| | <u>Grand Total</u> | <u>13671</u> | <u>2093008</u> | <u>1365252</u> | <u>65.23</u> |

Rajasthan has 31.26 lakhs tribals which constitutes 12.13 percent of the State's population according to 1971 Census. These tribals are largely concentrated in the Banswara and Dungarpur Districts, southern half of the Udaipur District, Pratapgarh Tehsil of Chittorgarh District and Abu Road Tehsil of Sirohi District. A large part of the Sub-Plan area is rich in forests which provide the tribals their traditional protected habits and also the source to fall back upon the livelihood in bad years.

The total population of tribal Sub-Plan area is 20.93 lakh of which scheduled tribes constitute 13.65 lakh (65.23 percent) covering 13671 villages. About 11 percent of the tribal population of the state is concentrated in this area. Dispersed tribals outside the sub plan area will be covered under the Mini Block with

more than a population of 10,000 having 50% or more tribal population. 37 Mini-Blocks in 13 Districts have been formed covering 23% of the tribal population of the state. The

Saharia tribal Community concentrates in the Shahbad Panchayat Samiti area of Kota District and covers about 15% of tribal population of the state. In this manner, 68% of tribal population of the state will be covered as against the all India target of 65%. If the cluster Plan comes into effect, then out of the remaining 32% tribal population, 10 to 12% population will be covered under the special schemes for Tribal Area Development.

Concentrated efforts were made in the fields of economic advancement and human resources development in each five year Plan. The share of Tribal Area in State Plan expenditure has been indicated as below:-

| District | Share of Tribal Area in State Plan Expenditure
(Percentage) | | |
|------------------------------|--|------------|-----------|
| | II Plan * | III Plan * | IV Plan * |
| Banswara. | 1.69 | 1.20 | 1.32 |
| Dungarpur. | 1.71 | 0.90 | 0.72 |
| Udaipur. | 2.06 | 0.20 | 0.04 |
| Chittorgarh.
(Pratapgarh) | 0.23 | 0.24 | 0.23 |
| Total | 5.69 | 2.54 | 4.31 |

During the fifth plan the outlay for the Tribal Sub-Plan Area was about 6 per cent of the State Plan. The expenditure during fifth five year Plan for the Tribal Sub-Plan Area is as under:-

| Year | Budget Provision | Expenditure | (Rs. in lakh) |
|---------|------------------|-------------|---------------|
| | | | |
| 1974-75 | 491.42 | 466.26 | |
| 1975-76 | 861.29 | 973.60 | |
| 1976-77 | 1319.64 | 1260.04 | |
| 1977-78 | 1322.04 | 1497.10 | |

During 1978-79 a budget provision of Rs 1906.03 lakhs was kept for tribal sub plan area out of which Rs 1345.68 lakhs were kept under State Plan, Rs. 327.00 lakhs under Special Central Assistance, Rs. 219.80 lakhs under Centrally Sponsored Schemes and Rs. 13.55 lakhs under Institutional Finance.

* Percentages are exclusive of expenditure on Major and Medium Projects.

Even after five plan periods the level of development in the tribal areas has remained low as compared to the other non-tribal areas of the state. If the two long term objectives of the Sub-Plan of tribal development viz; (i) to narrow the gap between the level of development of tribal and other areas and (ii) to improve the quality of life of the tribal community are to be achieved, it is essential that the outlay for the tribal Sub-Plan be stepped up substantially. Thus keeping these objectives in view, proposals for Annual Plan 1979-80 have been formulated totalling Rs. 5857.96 lakhs (Rs.4849.00 lakh from State Plan, Rs. 659.40 lakhs from S.C.A., Rs. 252.56 lakhs under Centrally sponsored Schemes and Rs. 97.00 lakhs from Institutional Sources). The total proposal constitutes 11.22 per cent of the total State Ceiling of Rs. 48779.19 lakhs.

Programmes have been re-oriented in consonance with the National objectives of full employment within ten years and tuned to their specific socio economic situation. A comprehensive and systematic effort has to be initiated on all fronts - agriculture and allied services, Forestry, Industry, Irrigation, Power, Roads etc. to improve the conditions of the tribals and to ensure that they become sharer in the fruits of economic development. Tribals cannot be dealt in isolation and they have to be drawn in the mainstream of National Development.

The table below will give a picture of the sectoral allocation proposed during the year 1979-80:-

--- 4 ---
Outlay for Tribal Sub-Plan

| S. No. | Sector | State | S.P | E.C.A. | C.S.S. | I.F. | Total | % of col
8 to Co.3 |
|--------|---------------------------------|---------------------|---------|--------|--------|-------|--------------------|-----------------------|
| | | Ceiling | | | | | | |
| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 |
| 1. | Agriculture & Allied Programmes | 4956.45
(10.09) | 405.14 | 348.97 | 192.83 | 37.00 | 983.94
(16.79) | 19.85 |

(4.13) | 6.93 |
| 6. | Social & Community Services. | 11129.44
(22.66) | 486.65 | 163.80 | 30.31 | - | 681.26
(11.63) | 6.12 |
| 7. | Economic Services. | 37.78
(0.08) | 1.59 | - | - | - | 1.59
(0.03) | 4.20 |
| 8. | General Services. | 152.07
(0.32) | 4.00 | 86.00 | - | - | 90.00
(1.53) | 58.87 |
| Total: | | 49104.88
100% | 4849.00 | 659.40 | 252.56 | 97.90 | 5857.96
100% | 11.22 % |

The above table reveals that out of the total proposed plow allocation for tribal sub plan, maximum 55.11 per cent of allocation has been kept for water and power development sector. The next in order of priorities comes Agriculture and Allied programmes, Social and Community Services, Industries and Minerals Transport and Communication, General Services, Cooperation and Economic Services.

The salient features of the programmes for tribal Sub-Plan area are detailed in the following paragraphs:-

1. Agriculture and Allied Programmes:

Land Reforms:

The work of updating land records is proposed to be undertaken with an outlay of Rs. 30.00 lakhs (Rs. 4.50 lakh from State Plan and Rs. 25.50 lakhs from S.C.A.) in tribal areas.

Crop Husbandry:

Against the State ceiling of Rs. 554.90 lakhs, a high proportion of Rs. 102.51 lakhs (Rs. 51.21 lakhs from State Plan Rs. 22.00 lakh from S.C.A. and Rs. 29.30 lakhs under C.S.S.) is proposed for tribal Sub-Plan area. Out of which as much as Rs. 86.97 lakhs has been provided for Agriculture Extension and Research Project Programme. Under this programme 1063 demonstrations are proposed to be undertaken. High yielding varieties programme will cover 91150 hectares and 7271 M. tonnes of Chemical fertilizer will be distributed. An area of 2.60 lakh hectares will be covered under plant protection and 4640 cultivators shall be benefitted under horticulture programme. Further a target of 180960 plants has been fixed for distribution to the cultivators under the said programme in the tribal area.

Minor Irrigation:

(i) Ground Water Exploitation Schemes for Irrigation:

This scheme consists of construction of low duty tube wells deepening of existing wells by blasting, installation of diesel and portable pump sets. The total outlay proposed for this Scheme is Rs. 34.60 lakh (Rs. 6.00 lakh from State Plan, Rs. 14.00 lakh from S.C.A. and Rs. 14.60 lakhs from Institutional sources) the target of construction of 50 low duty tube wells, 300 dug- cum blast wells and installation of 100 electric pump sets and 210 Diesel/portable pumpsets is proposed to be undertaken this year.

(ii) Minor Irrigation works:

An outlay of Rs. 200.00 1-khs (Rs. 50.00 1 kh from State P and Rs. 140.00 lakhs from S.C.A.) has been proposed for Minor Irrigation works under which Minor Irrigation works are proposed to be undertaken in Tribal Sub-Plan area.

Soil Conservation

This is one of the important programme for the Tribal Sub-Plan area because of widespread incidence of soil erosion due to heavy rainfall and unscientific agricultural practices. For this purpose, a soil testing laboratory has been established at Banswara for which an outlay of Rs. .75 lakh has been provided. A sum of Rs. 3.50 lakhs has also been provided for soil conservation unit of Agriculture Department.

. Animal Husbandry:

Against the State Ceiling of Rs.196.52 lakhs, a sum of Rs. 39.29 lakhs (Rs. 13.27 from State Plan and Rs. 26.02 from S.C.A.) has been provided with the objectives of providing greater opportunities for employment and economic uplift of Tribals. Some of the important programmes undertaken are training of tribal people for livestock farming, Animal health programmes, poultry development, fodder demonstration and seed distribution etc.

In order to implement these programmes a sum of Rs. 39.29 lakhs has been provided out of which Rs. 13.27 lakhs has been provided from State Plan and Rs. 26.02 lakhs from S.C.A.. The new veterinary hospitals are proposed to be opened during this year. It is proposed to provide subsidy for foot and mouth vaccinations for 1000 animals in Tribal area. An outlay of Rs. 3.07 lakhs has been provided from State Plan for the opening of Sheep and Wool office and one extension centre. A sum of Rs. 39.24 lakh from State Plan and Rs. 72.70 lakh from S.C.A. has been provided for Dairy Development, in which it is proposed to allocate Rs. 40.00 lakhs for Udaipur dairy, Rs. 22.22 lakh for chilling centre at Banswara and Rs. 22.98 lakhs for Chilling Centre at Jangarpur. A sum of Rs. 26.74 lakhs has been proposed for Cattle Development in Tribal Area.

Fisheries :

A sum of Rs. 7.71 lakhs (Rs. 3.21 lakh from State Plan and Rs. 4.50 lakh from S.C.A.) has been provided for the development of fisheries in Tribal Area. This programme include development of the two existing dry bundh breeding units, induced breeding units, assistance to cooperatives etc..

Forestry :

In the tribal areas of Banswara, Dungarpur, Chittorgarh, Udaipur and Sirohi Districts, the total forest area is 5755 sq. km. which is nearly 29.3% of the total area. Forestry programmes are mainly based on development of forests on the existing forest area. Special emphasis will be given to development of forest based industries and utilisation of the vast potential of forest wealth for income and employment oriented schemes.

Out of the proposed outlay of Rs. 62.25 lakhs, Rs. 55.00 lakh has been provided for Reforestation of degraded forest and Rs. 6.50 lakh for shelter belts plantation. Plantation in 2500 hectares and advance action in 5000 hectares has been proposed in Tribal area.

I.P.A.P. & A.R.U.

Tribal Area is covered under I.P.A.P. for which Rs. 267.69 lakhs under different sectors is provided. An outlay of Rs. 37.20 lakhs and Rs. 7.20 lakh is provided for I.R.U. and Samagra Gram Vikas and Growth Centres programme respectively.

Antyodaya :

A provision of Rs. 80.00 lakhs against the State Ceiling of Rs. 800.00 lakhs has been proposed for the poorest families of the Tribal Sub-Plan area.

Cooperation:

It is vital to meet the consumption needs of the tribal population through cooperative marketing and distribution of consumer services. A sum of Rs. 87.89 lakhs (Rs. 53.97 lakh from State Plan, Rs. 5.00 lakh from S.C.A. and Rs. 28.92 lakhs under C.S.I.) is proposed to strengthen the cooperative units in the tribal area. It is proposed to assist 50 societies under share capital in credit institutions scheme for which a sum of Rs. 45.00 lakh has been provided. 50 Lamps godowns are proposed to be constructed for which an outlay of Rs. 26.89 lakhs has been earmarked. 20 new lamps and 37 continuing lamps are proposed to be assisted under the managerial subsidy to lamps programme for which a sum of Rs. 1.38 lakh has been provided. Rs. 5.00 lakh has been provided under S.C.A. for share capital to T.A.B.C.C., Udaipur.

Water and Power Development:

Higher priority has been given to this sector as it provides the infrastructural base for economic development. An outlay of Rs. 3228.00 lakh (Rs. 3226.00 lakh from State Plan and Rs. 2.00 lakh from S.C.A.) which is 55.11% of the total outlay

of Tribal Sub-Plan area is proposed for this sector. Out of this, Rs. 1700.00 lakhs has been provided for Irrigation and the rest of Rs. 1528.00 lakhs for power in tribal area.

Irrigation:

The main project is Mahi for which Rs. 800.00 lakhs has been provided. Rs. 400.00 lakhs has been provided for Jhakam other major projects and Rs. 150.00 lakh for Waggon diversion, Rs. 175.00 lakhs each has been allocated to Somkagdor and Som Kamla Amba irrigation works.

Power:

Out of total allocation of Rs. 1528.00 lakhs, a sum of Rs. 1280.00 lakhs is proposed for Mahi Continuing Scheme Generation. For Rural electrification, a provision of Rs. 135.00 lakhs has been made under which 120 villages are proposed to be electrified and 700 wells are to be energised. A sum of Rs. 86.00 lakhs has been provided for E.H.T. Lines and Rs. 27 lakh for Sub-Transmission.

IV. Industries & Minerals:

Industries:

Tribal Sub-Plan area is the most backward area from Industrial Point of view. There is a great scope and need for extending the small scale and cottage industries for providing opportunities for self employment. An outlay of Rs. 197.40 lakhs (Rs. 83.77 lakhs from State Plan, Rs. 53.63 lakhs from S.C.A and Rs. 60.00 lakhs from Institutional Finance) is provided. Out of this Rs. 145.00 (Rs. 50.00 lakhs from State Plan, Rs. 35.00 lakhs from S.C.A. and Rs. 60.00 lakh from Institutional Finance) will be provided to Rajasthan Industrial Mineral Development Corporation for promoting Industrial growth by developing infrastructure facilities, for promoting joint sector projects and for the development of mineral projects. For the development of village and Khadi industries, a sum of Rs. 11.21 lakh is proposed. For small scale industries a sum of Rs. 11.00 lakhs has been proposed and Rs. 5.40 lakh has been proposed for large and medium industries. A sum of Rs. 2.71 lakh has been provided for the development of Hand-loom industries. Further a sum of Rs. 18.63 lakhs has been proposed for industrial training cum production centres. It is proposed to develop such industries in 25 acres of land.

Minerals:

The total outlay proposed for the tribal Sub-Plan area is Rs. 345.88 lakhs out of which an outlay of Rs. 45.00 lakhs is proposed for the schemes of Directorate of Mines and Geology for the exploration of minerals in tribal areas. A provision of Rs. 300.00 lakhs has been made for the schemes to be executed by Rajasthan State Mines and Minerals in tribal sub plan area.

V. Transport & Communication:

Roads: Most of the interior areas in tribal sub plan area are inaccessible. Road development is essential for providing the necessary support to the economic activity and development of the area. With this view, a sum of Rs. 200.00 lakhs is provided for the construction of Roads which includes the construction of Mahi Bridge under the continuing scheme.

Rajasthan State Road Transport Corporation:

A sum of Rs. 30.00 lakhs has been provided for developing Bus-Station and purchase of new buses in tribal sub plan area.

Tourism:

Rs. 12.00 lakhs from State Plan has been allotted for development of tourist sites. Out of which, Rs. 6.00 lakhs has been provided for the construction of tourist bungalow at Bishanpur, Rs. 5.00 lakh for Janta Hotel at Mount Abu and Rs. 1.00 lakh for completion of tourist Bungalow at Rishabhavji under continuing Scheme.

VI. Social and Community Services:

One of the objectives of the tribal development programme is to improve the quality of life of tribal people. In order to achieve this objective, a sum of Rs. 501.20 lakhs is proposed for the tribal sub plan area. Out of these Rs. 400.00 lakhs are proposed from State Plan, Rs. 137.00 lakhs from S.C.A., and Rs. 30.00 lakhs under Central Sponsored Scheme. This outlay constitutes 63% to total allocation of tribal sub plan area. The following table will indicate the allocations for the different sectors in Social and Community Services:-

| S.No | Sector | State Ceiling | State Plan | S.C.A. | CSS | IF | Total & of Col. to Col
(in brackets) |
|------|------------------------------|--------------------|------------|--------|-------|----|---|
| 1. | Education. | 1999.02

(100%) |

N.B : Figures in brackets indicate percentage to total.

Education:

Education is vital for economic and social development of the people. By the end of 1961 only 99.23 per cent persons were literate. In 1971 the percentage of literacy was increased to 12.05%. In order to provide educational facilities in Tribal Sub-Plan Area, sum of Rs.279.36 lakhs (Rs.177.47 lakhs from State Plan and Rs 101 lakhs from SCA) has been provided under educational sector. The detailed allocation is given below:-

| S.No | Head of Development | State Ceiling | State Plan | SCA | CSS | IF | Total |
|------|-----------------------|--------------------|------------|--------|-----|----|-------------------|
| 1. | Elementary Education. | 1283.70
(64.23) | 132.87 | 101.89 | - | - | 234.76
(84.04) |
| 2. | Secondary Education | 229.03
(11.46) | 20.51 | - | - | - | 20.51
(7.34) |
| 3. | Tutit. Education. | 225.40

The physical programme in case of Elementary Education includes opening of 150 primary schools, appointment of 120 new teachers, enrolment of 13500 students under non-formal education, provision of incentives to 45000 tribal students under different programmes, construction of 20 new school buildings etc.. For Secondary Education, it is proposed to upgrade 10 upper primary schools to secondary schools, appointment of 14 new teachers, introduction of new subjects in 6 new schools, construction of 10 class rooms in different schools, construction of two laboratories, strengthening of science teaching in five schools etc.. It is proposed to start 1500 centres for adult education in both rural and urban areas. The plan for higher education includes improvement of existing new colleges, introduction of new subjects and hostels for colleges in tribal areas.

Modern Medicine:

The level of health services is low in tribal areas as compared to other areas. To have an effective programme of medical care an outlay of Rs. 85.70 lakhs (Rs. 38.89 from State Plan, Rs. 16.00 lakhs from S.C.A. and Rs. 30.81 lakhs under C.P.S.) is proposed. Out of this it is proposed an outlay of Rs. 0.11 lakhs under consolidation schemes, Rs. 30.68 lakhs under minimum needs programme, Rs. 5.50 lakh under staff and drugs and Rs. 2.60 lakhs under other health schemes from State Plan and Rs. 16.00 lakhs under mini health centres from S.C.A.. A provision of Rs. 330.81 lakhs has also been made under other health schemes for centrally sponsored schemes. In physical terms 5 P.H.C's are proposed, to be covered under C.H.W. programme, 24 subsidiary healthcentres are to be constructed.

Ayurved:

Out of the proposed outlay of Rs. 9.63 lakhs, an outlay of Rs. 4.27 lakh from State Plan and Rs. 5.36 lakh from S.C.A. is proposed. This programme includes opening of dispensaries and aid posts, consolidation of existing dispensaries, training of compounders and mobile dispensaries etc.. It is proposed to open 20 'C' class and 2 'B' class dispensaries.

Rural and Urban Water Supply:

There is an urgent need of supplying drinking water into villages. Villages of 1500 to 2000 population should have P & T subm and villages of less than 15500 population should have atleast hand pump. With this aim, an outlay of Rs. 180.00 lakhs (Rs. 160.00 lakh from State Plan and Rs. 20.00 lakhs from S.C.A.) is proposed. Out of this Rs. 170.00 lakh has been provided for Rural Water Supply and Rs. 10.00 lakh for Urban Water Supply in Tribal Area.

Housing:

A sum of Rs. 82.51 lakh from the State Plan is allotted under housing programme in Tribal Area. Out of this Rs. 50.00 lakh has been provided for Rural House sites, Rs. 6.26 lakhs for construction of various types of residential quarters under rental housing scheme, Rs. 5.25 lakhs for advancing loans to Government Servants under L.I.G.H and M.I.G.H. schemes and Rs. 20.00 lakhs for housing board.

Information and Publicity:

A sum of Rs. 2.10 lakh is proposed under State Plan for Information and Publicity.

Labour and Labour Welfare:

(i) Employment:- A provision of Rs. 3.86 lakh is proposed for employment and labour welfare programmes, in tribal areas. Out of which Rs. 0.80 lakh has been allocated from State Plan and " Rs. 3.00 lakh from S.C.A.,.

(ii) Craftsman Training Scheme:- An outlay of Rs. 22.35 lakhs (Rs. 4.80 lakh from State Plan and Rs. 17.55 lakhs from S.C.A.) is proposed for various crafts man training schemes in tribal areas. Out of this an allocation of Rs. 2.40 lakh each has been provided for the establishment of I. T. I centres at Dungarpur and Pratapgarh. A sum of Rs. 4.00 lakh is provided for the construction of I.T.I. building at Banswara, Rs. 3.50 lakh at Dungarpur and Rs. 3.50 lakh at Pratapgarh. In physical terms, 45 staff members are proposed to be appointed, 12 various trades are to be started and 156 students are to be benefitted in various trades. Stipend to 300 trainees is proposed in this programme.

Welfare of Backward Classes:

To improve the living conditions of tribal people, an outlay of Rs. 5.96 lakh is proposed from the State Plan for the Welfare of Backward Classes. Out of this, Rs. 0.41 lakh has been provided for the welfare of scheduled castes, Rs. 5.25 lakhs for welfare of scheduled tribes and Rs. 0.30 lakh for other social welfare schemes. This programme includes educational scholarships to prematric students, stipend to unemployed graduates and post graduates, payment of interest on loan given to cultivators, maintenance of hostels etc.. Rs. 3.00 lakh is proposed for subsidy for Share Capital of Cooperative Society. This would facilitate getting short and medium term loans for purchase of agriculture inputs, agricultural implements, bullocks etc. Under this scheme

600 persons are proposed to be benefitted. In physical training 190 students are proposed to be benefitted from scholarships. It is proposed to give stipends to 76 unemployed graduates and post graduates. Under the scheme of assistance for small scale industries, 30 units will be benefitted.

Nutrition:

A sum of Rs. 9.77 lakh is proposed under State Plan for the Nutritional programmes. Out of this Rs. 3.77 lakh has been proposed to be allotted for Garhi in Banswara District through the Social Welfare Department and Rs. 6.00 lakh through the Development Department.

VII. Economic Services:

It is proposed to strengthen the existing Statistical and Evaluation set-up at an outlay of Rs. 1.59 lakh, Rs 19 lakh has been provided for Economics and Statistics and Rs. 1.40 lakh for Evaluation from the State Plan.

VIII. General Services:

A sum of Rs. 20.00 lakh is proposed for the administrative set-up for the office of the Commissioner, Tribal Area Development from S.C.A. and Rs. 50.00 lakh is proposed for Core budget from S.C.A.. Further a provision of Rs. 16.00 lakh from S.C.A. and Rs. 4.00 lakh from State Plan is proposed for other building works in the Tribal Area.
