## PREFACE

The current issue of the Annual Statistical Abstract of Tamil Nadu relates to the year 1991-92 and presents Administrative Statistics and data relating to Socio-Economic aspects such as Population, Agriculture, Forests, Fisheries, Industries, Electricity, Transport and Communications, Banking, Health, Medical, Education, Prices and State Domestic Product (State Income).

The Statistical Tables are presented with a view to highlight the trends in the development of various sectors of Tamil Nadu economy.

As a compendium of essential Statistics pertaining to the State, this volume will serve as an useful source of reference to various Departments of Government especially those in charge of economic planning, research scholars, economists and others interested in the study of the Tamil Nadu economy.

With a view to avoid the time lag in releasing of this Publication this issue has been designed with DTP Process avoiding type setting and proof correction work.

The co-operation extended by various Heads of Departments and Local Bodies in supplying the data is acknowledged.
