

FOR OFFICIAL USE

HIGHER EDUCATION STATISTICS OF CENTRAL INSTITUTIONS

2008-09
(AS ON 30TH SEPTEMBER 2008)

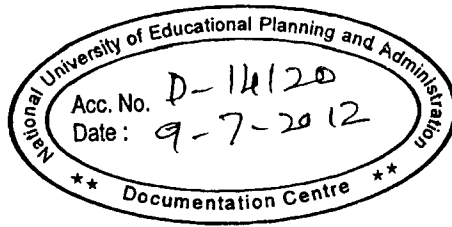

NUEPA DC

D14120

GOVERNMENT OF INDIA
MINISTRY OF HUMAN RESOURCE DEVELOPMENT
DEPARTMENT OF HIGHER EDUCATION
BUREAU OF PLANNING MONITORING & STATISTICS
2011

PREFACE

The Ministry of Human Resource Development is the nodal agency for collection, compilation and dissemination of educational statistics in the country. It collects, consolidates and provides information on quantitative aspects of education to meet the needs of educational planning, policy making and evaluation. The Statistics Bureau in the Ministry brings out various annual statistical publications. For the first time an attempt has been made to bring a publication exclusively for Central Institutions.

The publication "Higher Education Statistics of Central Institutions" contains statistical data on Institution-wise data on important educational indicators such as stream-wise and level-wise enrolment, number of Teachers, Pupil Teacher Ratio, share of Girls and students belonging to SC & ST categories.

Officials of the Statistics Bureau deserve appreciation for their continued and systematic efforts to collect, collate and analyse enormous data from about 100 Institutions coming under the purview of MHRD. They have presented this document in an attractive and reader friendly format for which I congratulate them.

My thanks to all the Institutions for their co-operation without which this Ministry would not have been able to bring out the present publication.

I deeply appreciate the efforts of all the officers and staff of the Statistics Bureau of the Ministry in bringing out the "Higher Education Statistics of Central Institutions 2008-09". I am sure this will serve as a reference for planning & taking various policy decisions in the Ministry.

[Dr. VIJAY P. GOEL]
Deputy Director General
Government of India
Ministry of Human Resource Development
Department of Higher Education
New Delhi

*CONCEPTS
AND
DEFINITIONS*

Concepts and Definitions

Higher Education is defined as the education obtained after completing 12 years of schooling or equivalent and is of the duration of at least nine months (full time) or after completing 10 years of schooling and is of the duration of at least 3 years. The education may be of the nature of General, Vocational, Professional or Technical education.

Reference Date is 30th September 2008. Student's enrollment during the Academic year 2008-09, the period during which one year or two semesters or three trimester of a Programme is completed has been considered.

Under the University Grants Commission (UGC) Act, 1956, "**University**" means a University established or incorporated by or under a Central Act, a Provincial Act or a State Act, and includes any such institution as may, in consultation with the University concerned, be recognized by the Commission in accordance with the regulations made in this behalf under this Act.

The following Universities types are covered in the present publication:

1. Central University - A university established or incorporated by a Central Act.
2. Open University - A University which imparts education exclusively through distance education in any branch or branches of knowledge.
3. Deemed University - An Institution Deemed to be University commonly known as Deemed University refers to a high-performing institute, which has been so declared by Central Government under Section 3 of the University Grants Commission (UGC) Act, 1956.
4. Institute of National Importance - An Institution established by Act of Parliament and declared as Institution of National Importance such as All Indian Institute of Technology (IIT), National Institute of Technology (NIT).

Under Section 12A(1)(b), **College** means any Institution, whether known as such or by any other name which provides for a course of study for obtaining any qualification from a university and which, in accordance with the rules and regulations of such university, is recognised as competent to provide for such course of study and present students undergoing such course of study for the examination for the award of such qualification. These are the institutions established or maintained by, or admitted to the privileges of the University.

Apart from the above, Indian Institutes of Management which although does not come under the purview of definition of University has been covered in this publication as they are directly funded by Ministry of Human Resource Development.

Programme is a course of study for which Degree or Certificate is awarded by the Institution. A Programme of study is the approved curriculum followed by an individual student such as B.A, M.A, MBA etc.

Levels of Programmes are as follows:

1. Under-Graduate - Programme after 10+2 and generally having the duration of 3/4/5 years, in General or Professional courses.
2. Post-Graduate - Programme after Graduation and generally having the duration of 2/3 years in General/Professional courses.
3. M.Phil - Programme after Post-Graduation and generally having the duration of 1/2 years and are pre-research course.
4. Ph.D - Programme after M.Phil or Post-Graduation and generally having the duration of 2/3/4/5 years.
5. Post Graduate Diploma - Programme generally after 10+2 or after Graduation in General and Professional courses and having duration of 1/2/3 years.
6. Post School Diploma - Programme generally after 10+2 in General and Professional courses and having duration of 1/2/3 years.

Distance or Correspondence Mode i.e. Non-Formal system of Higher Education is the system of imparting education through broadcasting, telecasting, internet, correspondence courses, seminars, contact programmes or the combination of any two or more such means of communication.

Student means a student of the Institution and includes any person who has enrolled himself/ herself for pursuing any programme of study conducted by the Institution. Students' enrolment is total students on roll in a Programme as on 30th September 2008 during the academic year 2008-09.

Teacher is defined as a faculty/ staff assigned the professional activities of instructing pupils, providing knowledge and giving guidance in the subject area of studies in self contained classes or courses or in class room situations.

Pupil-Teacher Ratio (PTR) is the average number of pupils (students) per teacher in a given academic year. It is calculated by dividing the total number of pupils enrolled by the number of teachers.

Overview

Central Universities

There are 40 Central Universities under the purview of the Ministry of Human Resource Development, created under the Act of Parliament. Out of them 16 new Central Universities have been established w.e.f. 15.01.2009 in hitherto uncovered States (except Goa), by an ordinance promulgated by the president of India. The ordinance has since been replaced by an Act of parliament, namely, Central Universities Act, 2009 which has been assented to by the President of India on 20th March, 2009. While 39 of these

are getting maintenance and development grants by the Central Government through the University Grants Commission (UGC), Indira Gandhi National Open University (IGNOU), New Delhi is funded directly by the Ministry.

President of India is the Visitor of all Central Universities. President nominates some members to the Executive Committee/ Board of Management/ Court/ Selection Committees of the University as per the provisions made in the relevant University Act.

2.1 Coverage

21 Central Universities provided the data for 2008-09. The analysis is based on the data provided by these 21 Universities. 16 Central Universities, which were established in 2009, are not covered during this years' publication. Nagaland University, Kohima and Tripura University, Tripura did not provide the data. Data in respect of Indira Gandhi National Open University was not collected. However, the data collection from this University has been initiated from 2010-11. The list of 40 Central Universities is given in Table 1. The list also gives the year of establishment of these Central Universities and the states in which these are located. North-Eastern Hill

University (NEHU), Shillong has provided data only in respect of University and not for its colleges. However, as per the information available on website, approximately 35000 students are enrolled in colleges affiliated to NEHU.

There are 11 Universities, which affiliates colleges. Total number of colleges affiliated with these Universities is 435. The number of colleges affiliated with the Universities by specialisation is given in Table 2.

2.2 Enrolment in Central Universities by Levels

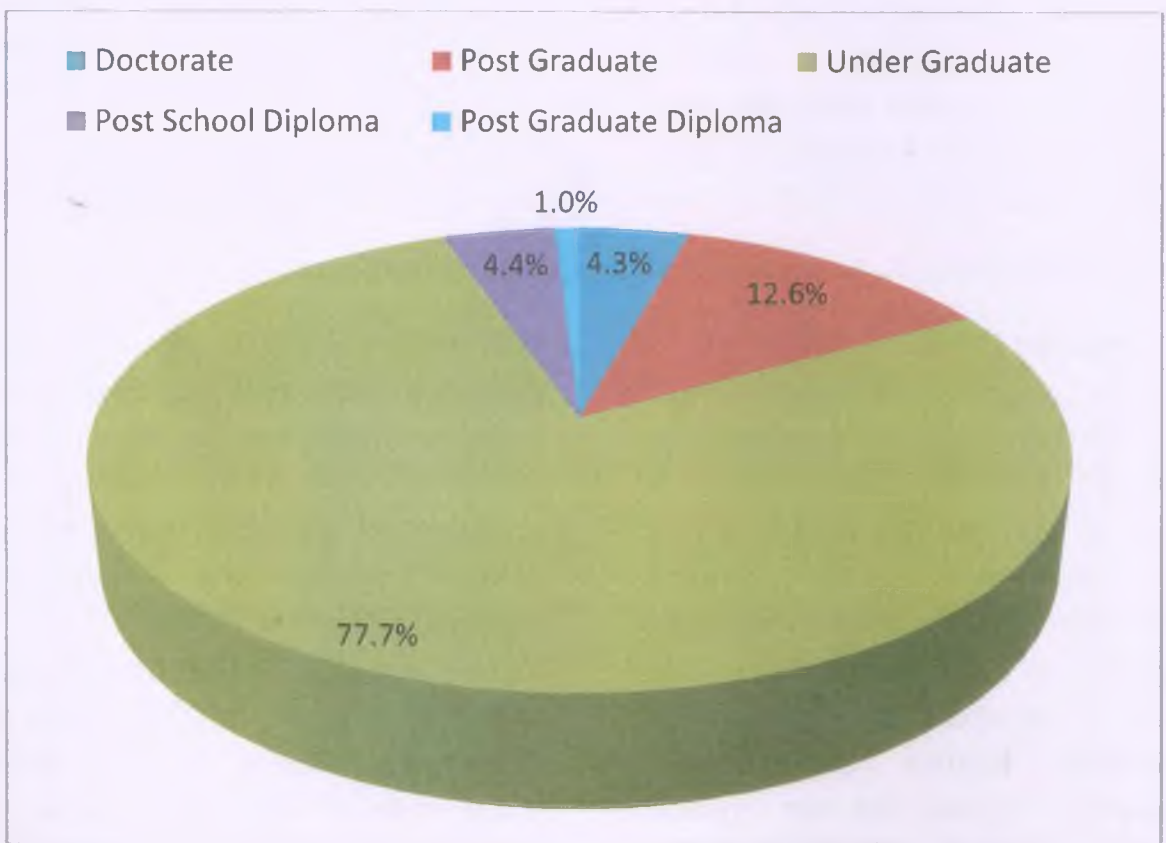

3,59,050 students were enrolled in these Universities during 2008-09. In University of Delhi alone 1,32,812

students are enrolled. University-wise enrolment by Level and Streams is given in Table 3. Of the total enrolment, the share of Under Graduate students is maximum 78%, followed by Post Graduate (13%). Enrolment in Doctorate level accounts

for less than 5% of the Total enrolment.

Pondicherry University has not shown separate enrolment for Arts, Commerce and Science. The total figure has been mentioned against the Arts.

Figure 1: Enrolment by Levels

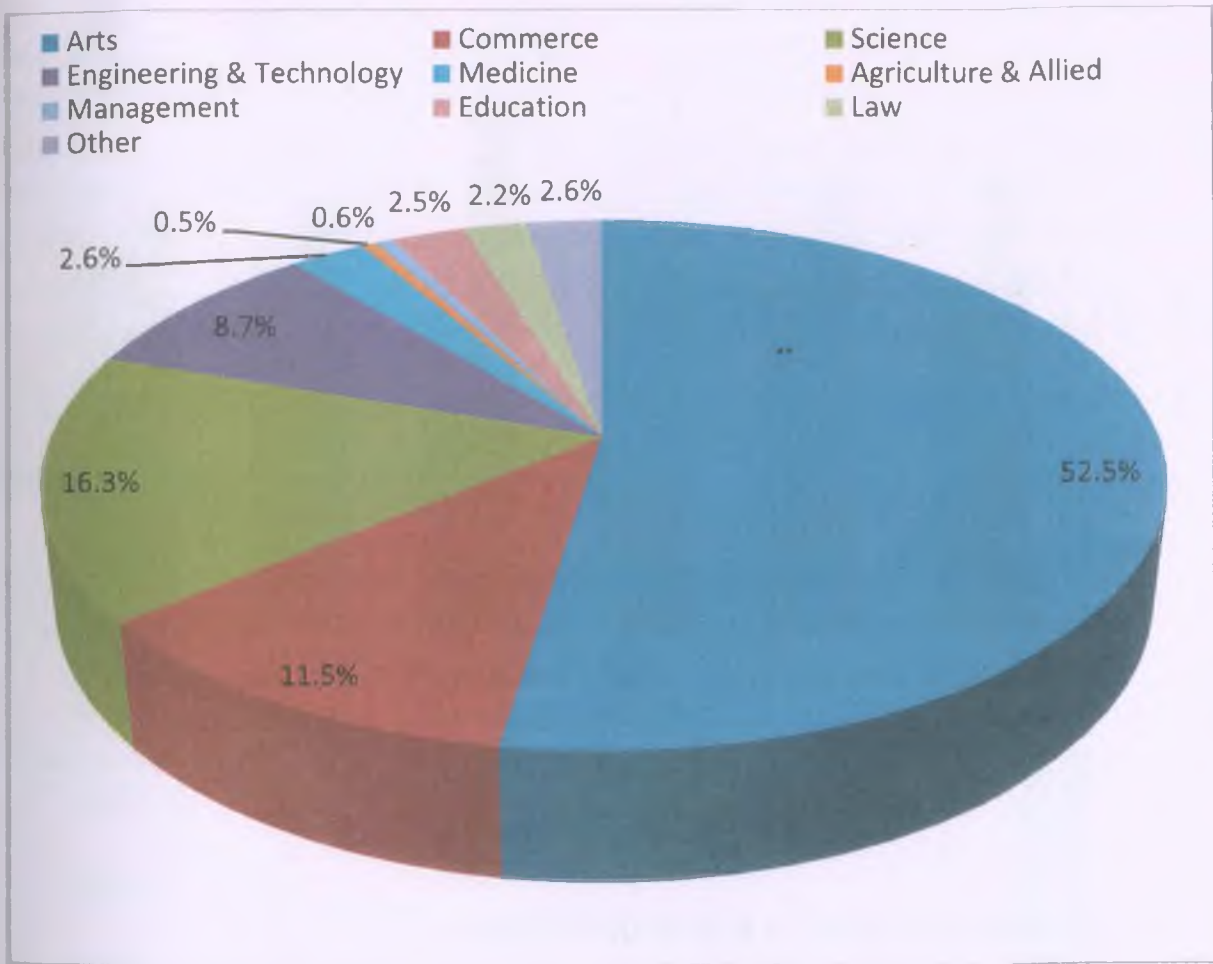

2.3 Enrolment in Central Universities by Stream

Of the total enrolment, the share of Arts students is maximum 52%, followed by Science (16%) and

Commerce (12%). Engineering & Technical, Education, Medical and Management students accounts for about 9%, 3%, 3% and 1% respectively in total enrolment.

Figure 2: Enrolment by Streams

2.4 Share of Girls' Enrolment

Percentage share of girls' enrolment out of total in different Universities varies from 16.5% to 55.4%. Among SC students, percentage share of girls' enrolment out of total in different Universities varies from 2.4% to 47.1%. Among ST students, percentage share of girls' enrolment out of total in different Universities varies from 2.7% to 59.7%. The distribution is spread unevenly across Universities. University-wise variation may be seen in Table 3, 4 & 5.

Percentage share of girls' enrolment out of total at different levels varies from 35% to 49%, the highest is at Under Graduate level and the lowest is at Post School Diploma level. Percentage share of girls' enrolment out of total in different streams varies from 21% to 67%, the highest is in Education stream and the lowest is in Engineering & Technology stream.

Figure 3: Level-wise Share of Boy & Girl Students

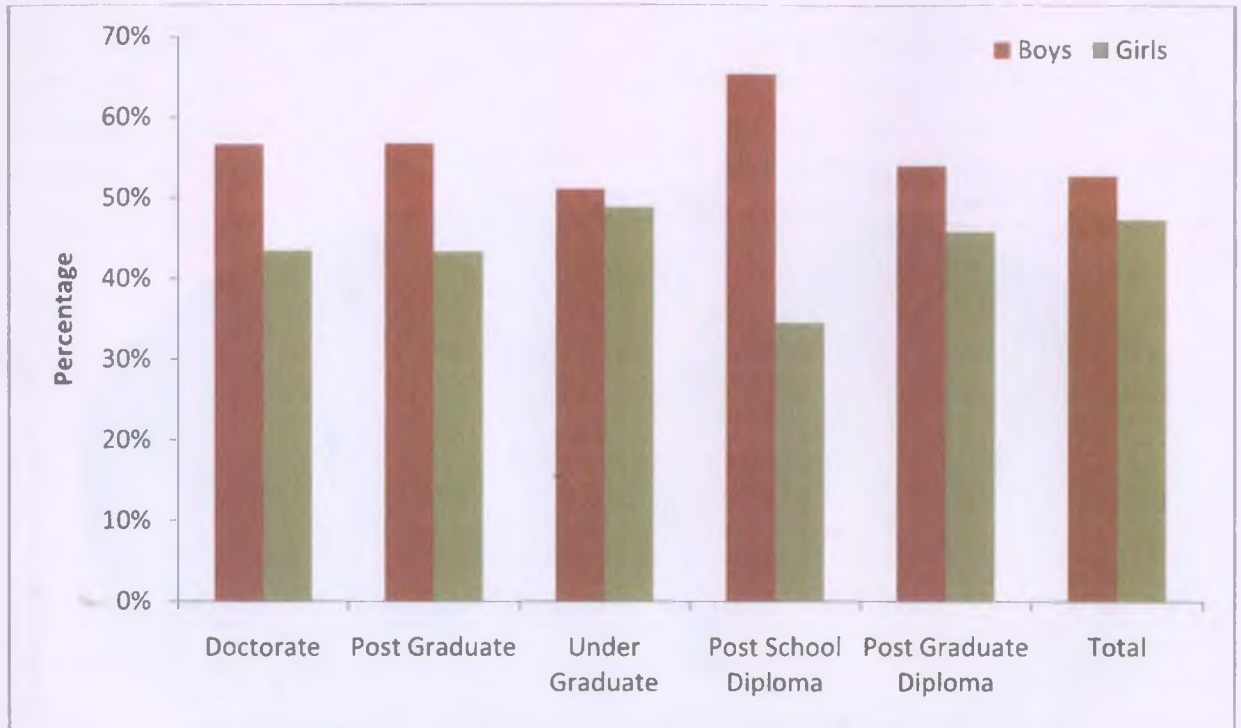

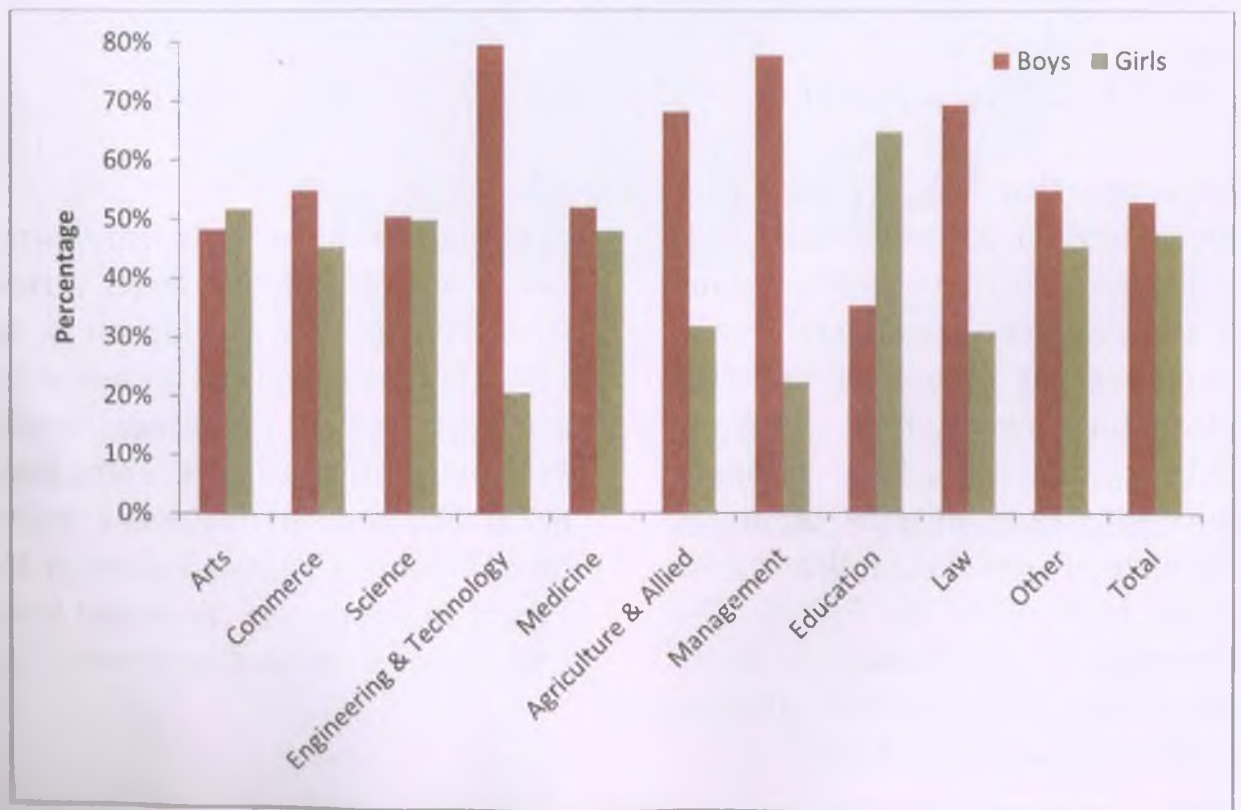

Figure 4: Stream-wise Share of Boy & Girl Students

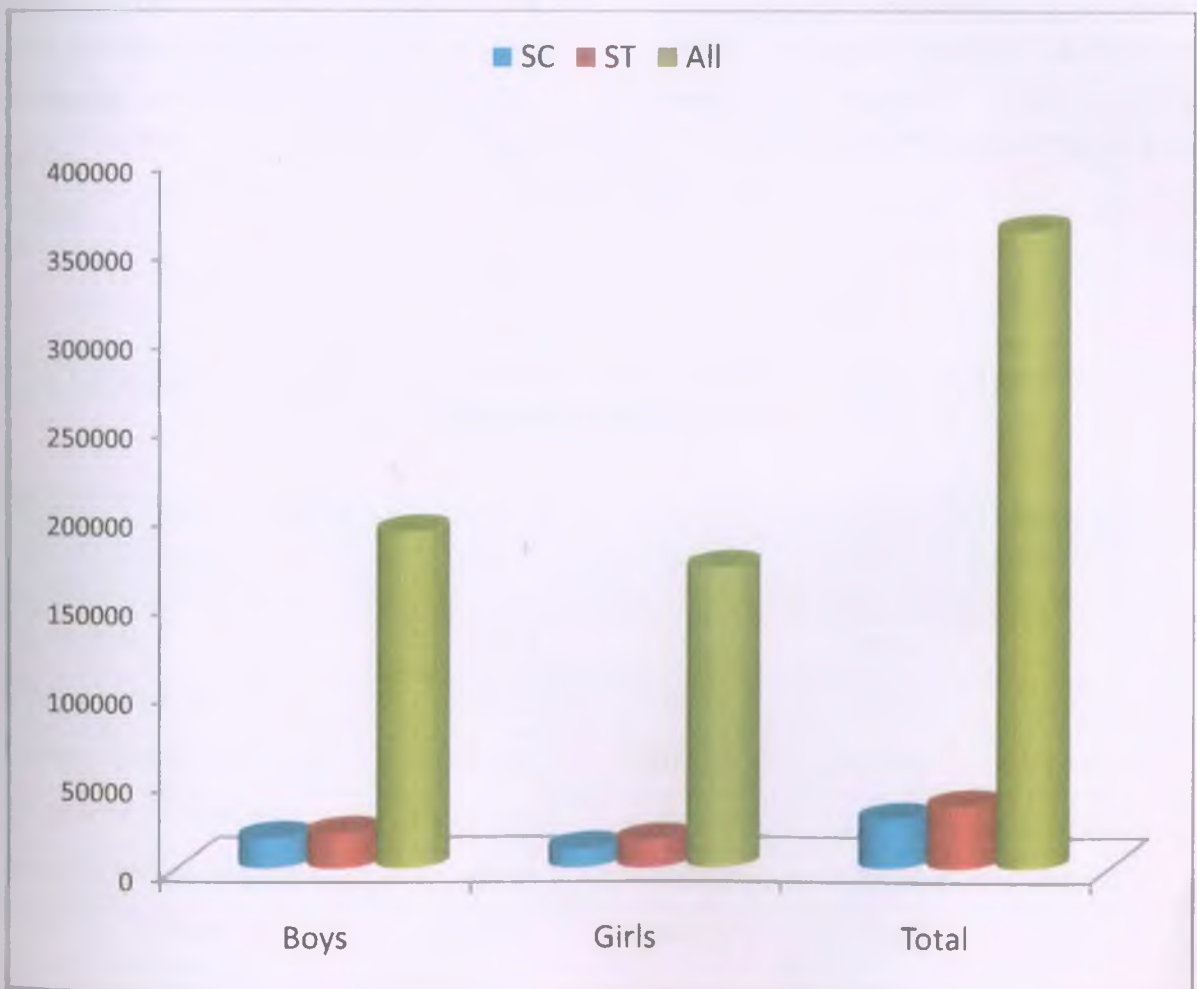

2.6 Enrolment of SCs and STs

Out of 3,59,050 students enrolled in these Universities, there are 28,542 Scheduled Castes and 35,154 Scheduled Tribes students. Thus, participation of Scheduled Castes and Scheduled Tribes are about 7.9% (Boys - 8.7% & Girls - 6.3%) and 9.8% (Boys - 10.4% & Girls - 9%)

respectively of the total students in the Central Universities though the distribution is spread unevenly across Universities. University-wise, level-wise and stream-wise variation may be seen in Table 4a and 5a. Pondicherry University has not shown separate enrolment for Girls and Boys for SC & ST Categories except at Under Graduate Level.

Figure 5: Share of SCs and STs

2.7 Enrolment of students with disability

Number of students with disability by type has also been collected and given University-wise in Table 6. Almost all universities enroll students with disabilities.

2.8 Pupil Teacher Ratio

Several Universities did not provide number of teachers. For those Universities, where figures were available, Pupil Teacher Ratio has been calculated and shown in Table 7.

2.9 Enrolment at Ph.D level

In Indira Gandhi National Tribal University, Amarkantak, Sikkim University and Mizoram University, no students are enrolled at Ph.D level. Level-wise and Stream-wise enrolment is given in Table 8.

2.10 Enrolment in Post Graduate & Post School Diploma level

Level-wise and Stream-wise enrolments in Post Graduate & Post School Diploma level are given in Tables 9 and 10 respectively.

**STATEMENT 1: STREAM-WISE ENROLMENT OF BOYS AND GIRLS IN
CENTRAL UNIVERSITIES**

Stream	Boys	Girls	Total	% of Girls Enrolment to Total
Arts	90869	97372	188241	51.7%
Commerce	22628	18640	41268	45.2%
Science	29542	29160	58702	49.7%
Engineering & Technology	24919	6437	31356	20.5%
Medicine	4787	4415	9202	48.0%
Agriculture & Allied	1199	558	1757	31.8%
Management	1638	484	2122	22.8%
Education	2949	5892	8841	66.6%
Law	5371	2368	7739	30.6%
Other	5155	4275	9430	45.3%
Total	189057	169601	358658	47.3%

**STATEMENT 2: LEVEL-WISE ENROLMENT OF BOYS AND GIRLS IN
CENTRAL UNIVERSITIES**

Level	Boys	Girls	Total	% of Girls Enrolment to Total
Doctorate	8808	6761	15569	43.4%
Post Graduate	25400	19431	44831	43.3%
Under Graduate	142622	136342	278964	48.9%
Post School Diploma	10359	5479	15838	34.6%
Post Graduate Diploma	1868	1588	3456	45.9%
Total	189057	169601	358658	47.3%

Note: Total enrolment shown in these 2 Statements is lower than the actual enrolment of Central Universities as University of Allahabad has not provided separate enrolment for Boys & Girls in a few streams.

Overview

Centrally Funded Technical Institutions

INDIAN INSTITUTES OF TECHNOLOGY (IITs)

IITs are apex institutions for Engineering education and research. At present, there are fifteen Indian Institutes of Technology (IITs) viz. at Mumbai, Delhi, Kanpur, Kharagpur, Chennai, Guwahati, Roorkee, Hyderabad, Patna, Bhubaneswar, Ropar, Jodhpur, Gandhinagar, Indore and Mandi under the purview of the Ministry of Human Resource Development. Out of these first seven are governed by The Institutes of Technology Act, 1961 which has declared them as "Institutions of National Importance", and lays down their powers, duties, framework for governance etc. Remaining eight new IITs are registered as society under Society Act. The new Institutes are in various stages of consolidation and development.

The main objective of IITs is to impart world class education in engineering and technology; to conduct research in the relevant fields, and to further advancement of learning and dissemination of knowledge. These Institutes are also contributing significantly to education and research in basic sciences and humanities. The IITs offer undergraduate programmes in various branches of engineering and technology; postgraduate programmes with specialization and Ph.D. programmes in various engineering and science disciplines, interdisciplinary areas; and conduct

basic, applied and sponsored research.

INDIAN INSTITUTES OF INFORMATION TECHNOLOGY (IIITs)

Information Technology is an important tool for development of different areas of knowledge economy. India is emerging as a global player in the field of Information Technology. There has been a steady rise of software and IT sector in India since 1990's. As the IT industry is expanding rapidly, manpower requirement is growing exponentially. The Central Government has established four IIITs at Allahabad, Gwalior, Jabalpur and Kanchipuram. These institutions are meant to provide undergraduate as well as postgraduate education.

To integrate the knowledge of a given discipline with design as well as manufacturing considerations, Indian Institute of Information Technology, Design and Manufacturing at Jabalpur was established in 2005. The Institute is envisioned as an academic institution of excellence that facilitates and promotes the competitive advantage of Indian products and manufacturing in global markets. The Institute serves as an inter-disciplinary institution for education and research in the area of product life cycle management, encompassing design

and manufacturing using state of the art concepts, tools, processes and practices of the industry world over. It would meet the requirement in different sectors like automobile, aerospace and defense, industrial machinery, engineering services, high-tech electronics, consumer durables etc.

INDIAN INSTITUTE OF SCIENCE EDUCATION & RESEARCH (IISER)

The Scientific Advisory Council to the Prime Minister (SAC-PM) under the Chairmanship of Prof. C.N.R. Rao, recommended creation of five new institutions devoted to science education and research to be named "Indian Institutes of Science Education and Research" broadly on the lines of IISc, Bangalore. Five such Institutes have been established at Bhopal, Kolkata, Mohali, Pune, and Thiruvananthapuram during XIth Five Year Plan.

The vision of these institutes encompasses creation of research centres of the highest caliber in which teaching and education in basic sciences will be totally integrated with state-of-the-art research. These Institutions are devoted to under-graduate and post-graduate teaching in sciences in an intellectually vibrant atmosphere of research and make education and career in basic sciences more attractive by providing

opportunities in integrative teaching and learning of sciences.

INDIAN INSTITUTES OF SCIENCE (IISc)

The Indian Institute of Science, Bangalore has been engaged in higher learning and advanced research in the fields of Science and Engineering. The institute started functioning in 1911 with two Departments and over a period of nine decades has grown steadily to occupy its present leading position among the institutions of higher learning in the country. The Institute is a post graduate Institution providing quality education and excelling in research and development at the cutting edge of several disciplines in Science, Engineering and Technology.

NATIONAL INSTITUTES OF TECHNOLOGY (NITs)

On the recommendations of Engineering Personnel Committee (EPC) set up by the Planning Commission in 1955, eight Regional Engineering Colleges (RECs) (two in each regions - East, West, North & South) were set up in early sixties as joint and co-operative ventures of the Central and State Governments concerned with a view to provide the required technical manpower for the industrial projects being contemplated during the 2nd Five-Year Plan (1956-61). These

institutes were registered as autonomous bodies under the Society Registration Act 1860 and affiliated to the State Universities in their respective regions. Gradually Seventeen Regional Engineering Colleges (RECs) were established in various States as a joint and co-operative enterprise of the Central and the State Governments concerned. Each REC was to function as an all-India institution admitting students and recruiting faculty from all parts of the country. Fifty percent of the admissions of these institutions (each of which was meant to be equipped for a total annual student intake of 250) was reserved for students from States other than the one in which they are located. In addition to undergraduate courses, these colleges also offered Post-graduate courses in various fields. The main aim of setting up these RECs was to create the required technical manpower by providing undergraduate education and training in different branches of engineering & technology. Further, the RECs were also envisaged to function as pace setters and to provide academic leadership to the technical institutions in their respective regions. In 2003, the Seventeen erstwhile Regional Engineering Colleges (RECs) were rechristened as National Institute of Technology (NITs) and taken over as fully funded institutes of the Central Government and granted deemed university status. In addition, Central Government has also taken over 3 other Institutes namely Bihar

Engineering Colleges, Patna, Government Engineering College, Raipur and Tripura Engineering Colleges, Agartala and converted them into National Institute of Technology (NITs) on 28th January 2004, 1st December, 2005 and 1st April, 2006 respectively. Thus the total number of NITs has gone up to 20. These institutes are expected to be at par with other national level technical institutes and be able to fulfill the demand of high quality undergraduate and postgraduate level of education in engineering and technology. An Act, namely the National Institute of Technology Act, 2007 has since been enacted by Parliament so as to provide a common statutory framework for all NIT.

INDIAN INSTITUTES OF MANAGEMENT (IIMs)

IIMs located at Ahmedabad, Bangalore, Indore, Kolkata, Kozhikode, Lucknow and Shillong are institutions of excellence, established with the objectives of imparting high quality management education and training, conducting research and providing consultancy services in the field of management to various sectors of the Indian economy. These Institutions are recognized as premier management institutions, comparable to the best in the World for teaching, research and interaction with industries. All the IIMs are registered Societies governed by their respective Board

of Governors. During the XIth Five Year Plan, six new IIMs have been set up at Raipur (Chhattisgarh), Ranchi (Jharkhand), Rohtak (Haryana), Tiruchirappalli (Tamil Nadu), Kashipur (Uttarakhand) and Udaipur (Rajasthan).

IIMs conduct Post-graduate Diploma Programmes in Management, fellowship Programmes in Management, Short-term Management Development and Organisation based programmes as well as carry out Research and Consultancy for the industry.

2.1 Coverage

11 Indian Institutes of Technology (IITs) provided the data for 2008-09. The analysis is based on the data provided by these 11 IITs. 2 IITs Indore and Mandi, which were established in 2009 and IIT Gandhinagar are not covered during this years' publication. IIT, Kanpur did not provide the data. IIT Chennai has provided Admission data instead of enrolment. MS course of IIT Chennai is included in Ph.D, resulting in a high enrolment at Ph.D. level. Dual Degree programme of IIT Chennai & Mumbai is included at Graduate level.

4 Indian Institutes of Information Technology (IIIT), 5 Indian Institutes of Science Education & Research (IISER) and Indian Institute of Science, Bangalore provided the data for 2008-09 and their data have been compiled together. IISc Bangalore has not provided separate enrolment for Boys and Girls. Further it has provided combined enrolment of SC and ST students, which are shown against SC. Integrated Ph.D enrolment is included at Ph.D. level.

Except Malaviya National Institute of Technology, Jaipur, all NITs have provided the data for 2008-09.

All 7 IIMs provided the data for 2008-09. 6 IIMs, which have been established in 2010 or 2011, are not covered.

The list of 15 IITs, 4 IIITs, 5 IISERs, IISc, 20 NITs and 13 IIMs is given in Table 1. The list also gives the year of establishment of these Institutions and the states in which these are located.

2.2 Enrolment by Levels

20,743 students are enrolled in 11 IITs, 3,122 students are enrolled in 10 IIITs, IISERs & IISc, 31,022 students are enrolled in 19 NITs and 2,505 students are enrolled in 7 IIMs. Institute-wise enrolment by Level is given in Tables 2, 3, 4 & 5.

Of the total enrolment in IITs, the share of Under Graduate students is maximum 53%, followed by Post Graduate (28%). Enrolment in Doctorate level accounts for less than 18% of the Total enrolment.

In cases of IITs, IISERs & IISc enrolment share of Under Graduate students is maximum 45%, followed by Post Graduate (42%). Enrolment in Doctorate level accounts for less than 14% of the Total enrolment.

Graduate (20%). Enrolment in Doctorate level accounts for about 5% of the Total enrolment.

Of the total enrolment in NITs, the share of Under Graduate students is maximum 75%, followed by Post

Of the total enrolment in IIMs, the share of Post Graduate and Diploma students is 77% and 9% respectively. Enrolment in Doctorate level accounts for less than 3% of the Total enrolment.

Figure 1: Enrolment by Levels-IITs

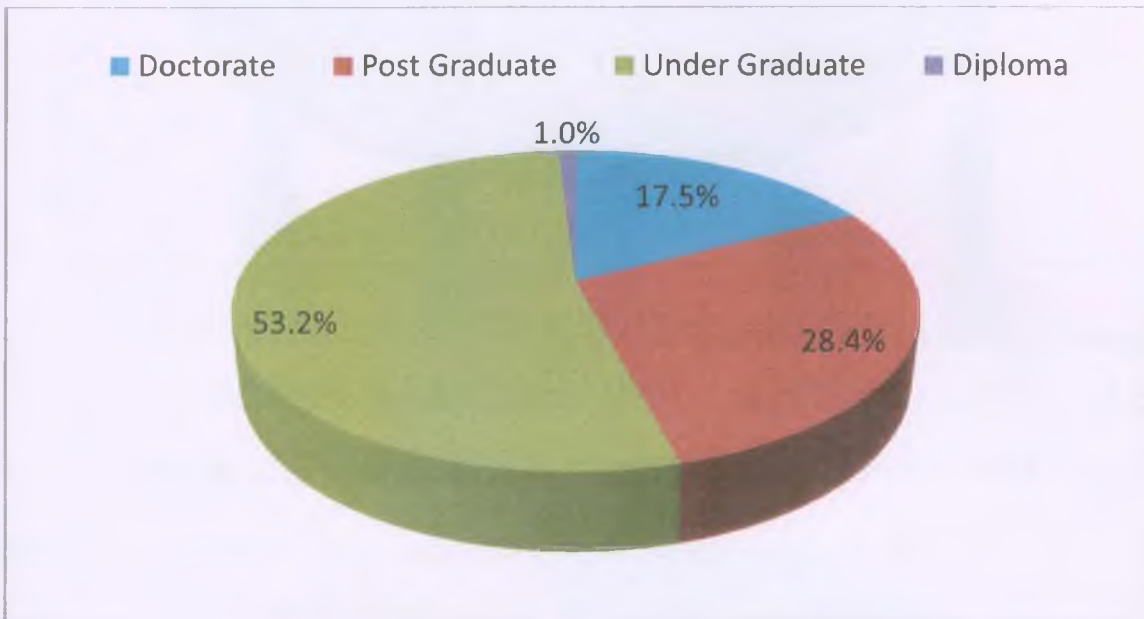

Figure 2: Enrolment by Levels-IITs, IISERs & IISc

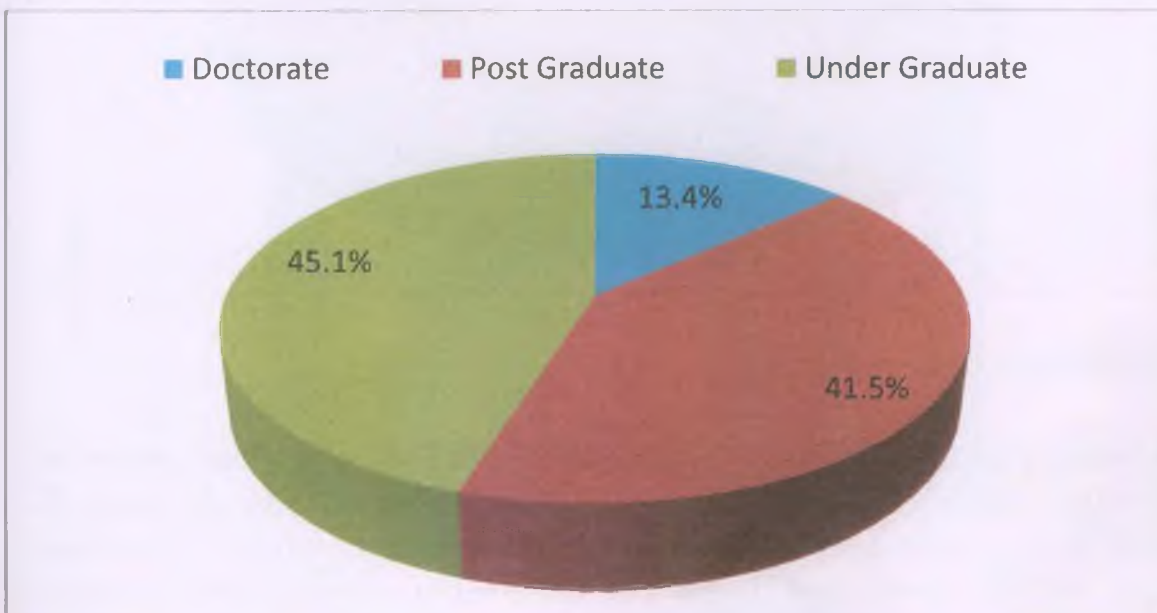

Figure 3: Enrolment by Levels-NITs

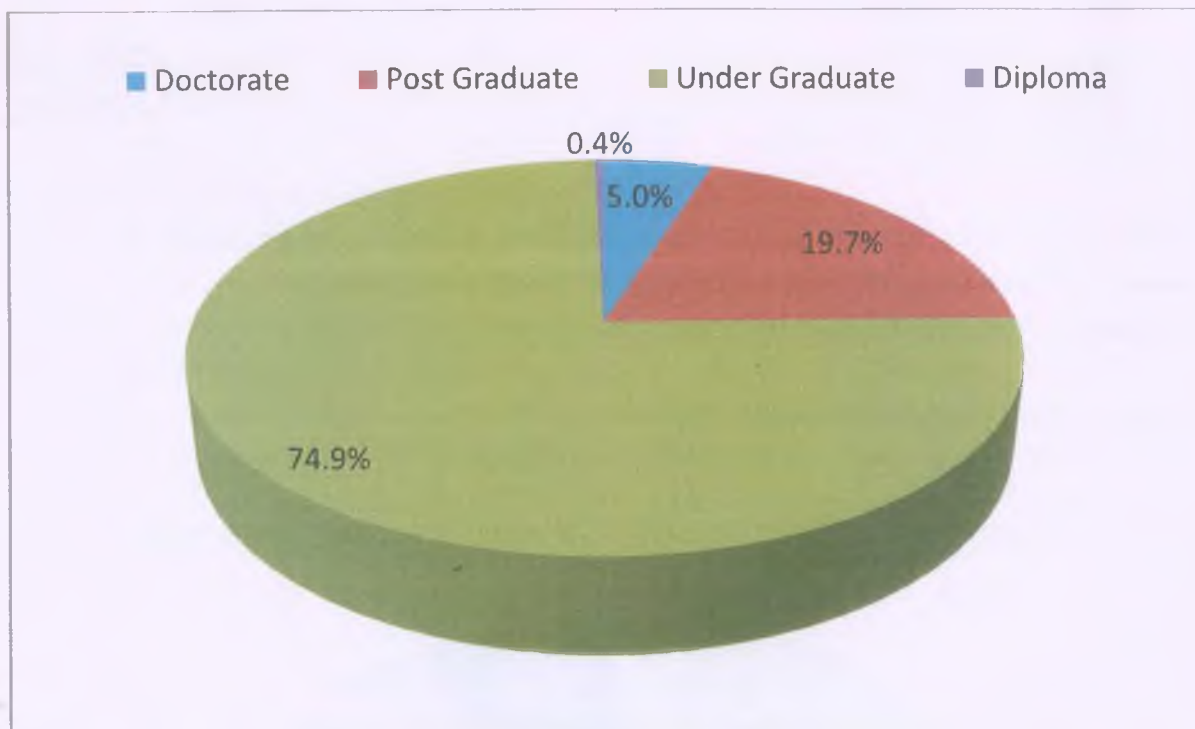

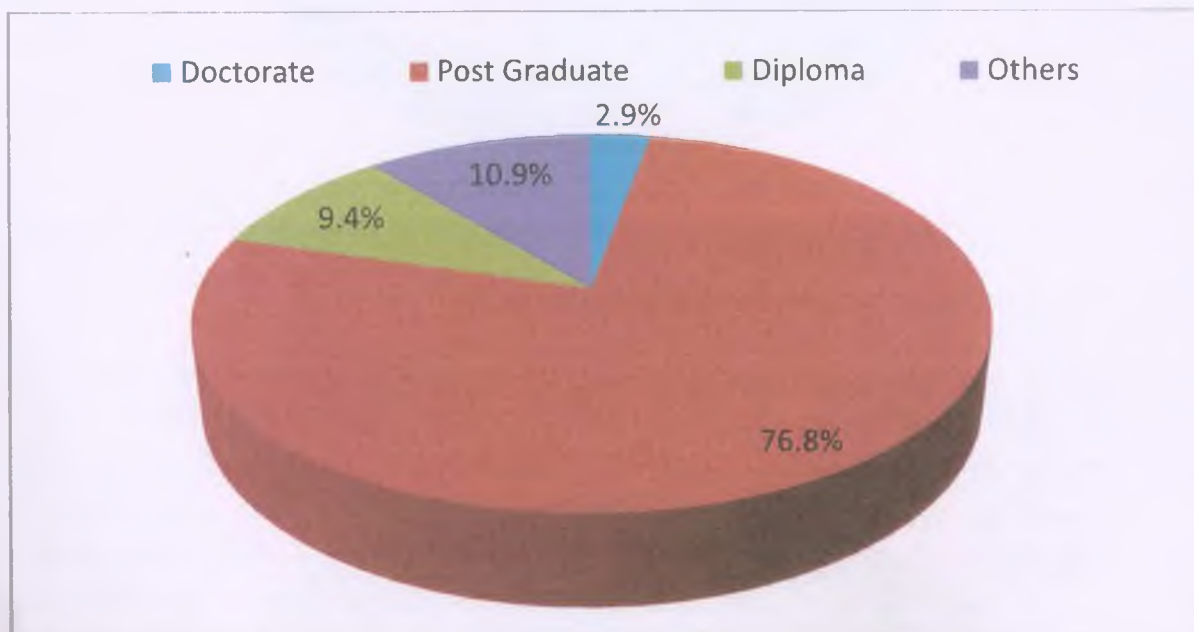

Figure 4: Enrolment by Levels-IIMs

2.3 Share of Girls' Enrolment

Percentage share of girls' enrolment out of total enrolment in IITs, IIITs, IISERs & IISc, NITs and IIMs are 12.3%, 13.1%, 16.6% and 11.3% respectively. There are large

variations in percentage share of girls' enrolment out of total in different Institutions. Institution-wise variation may be seen in Tables 2, 3, 4 & 5.

Percentage share of girls' enrolment out of total at different levels varies from 8.1% to 22.5% in IITs, 9.4% to 32.8% in IIITs, IISERs & IISc, 15.1% to 21.2% in NITs and 7.7% to 31.5%

in IIMs. At Doctorate level girls' enrolment is comparatively higher, 22.5%, 32.8%, 21.2% and 31.5% in IITs, IIITs, IISERs & IISc, NITs and IIMs respectively.

Figure 5: Level-wise Share of Boy & Girl Students-IITs

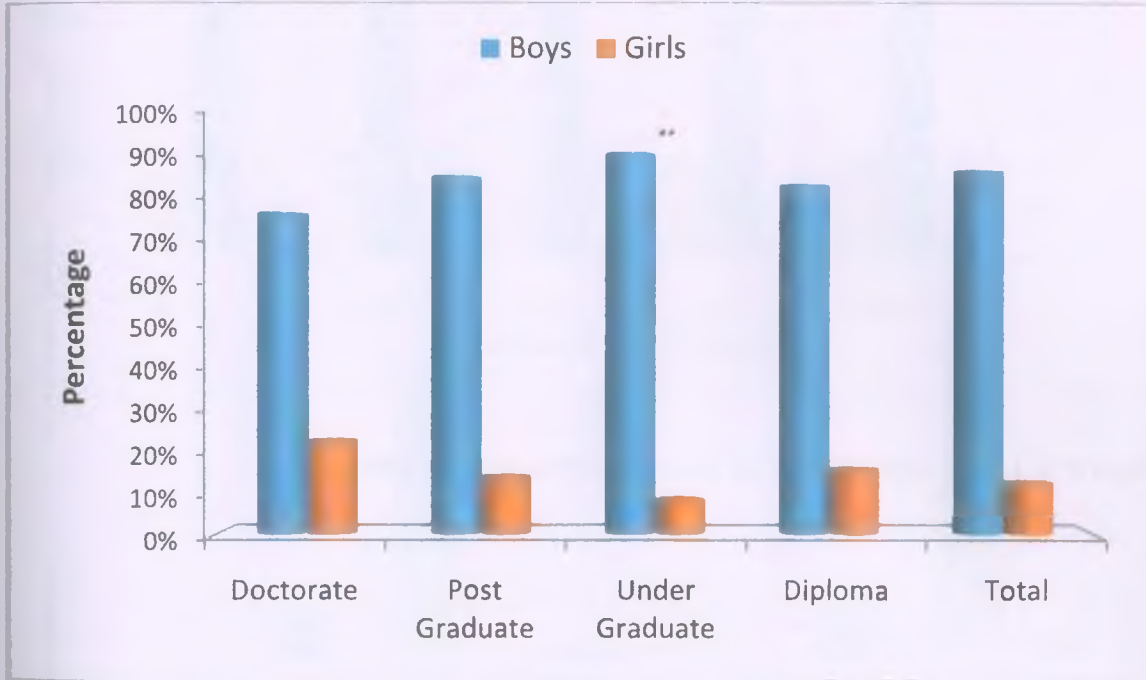

Figure 6: Level-wise Share of Boy & Girl Students-IIITs, IISERs & IISc

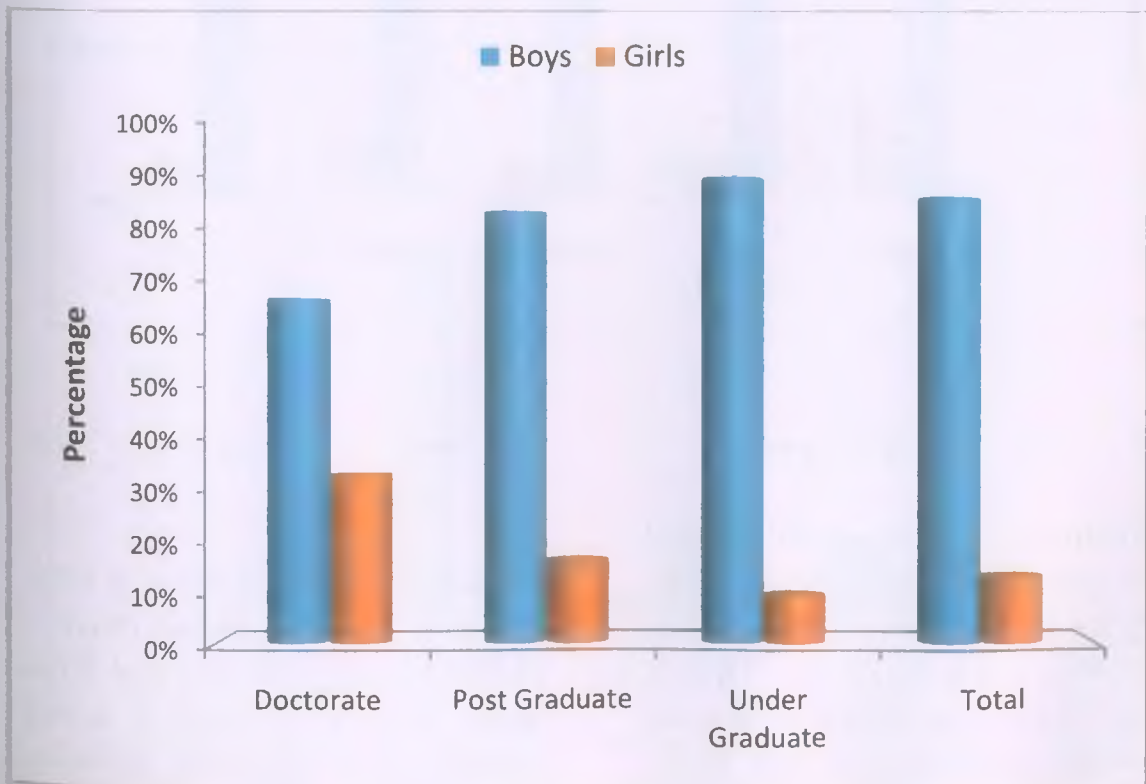

Figure 7: Level-wise Share of Boy & Girl Students-NITs

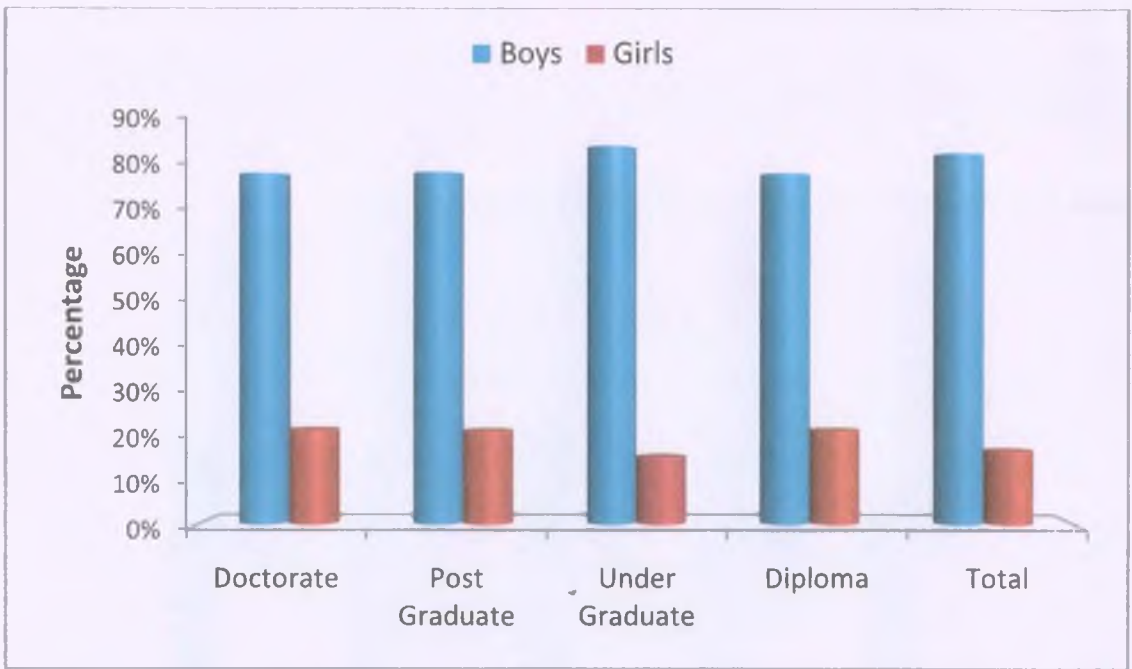

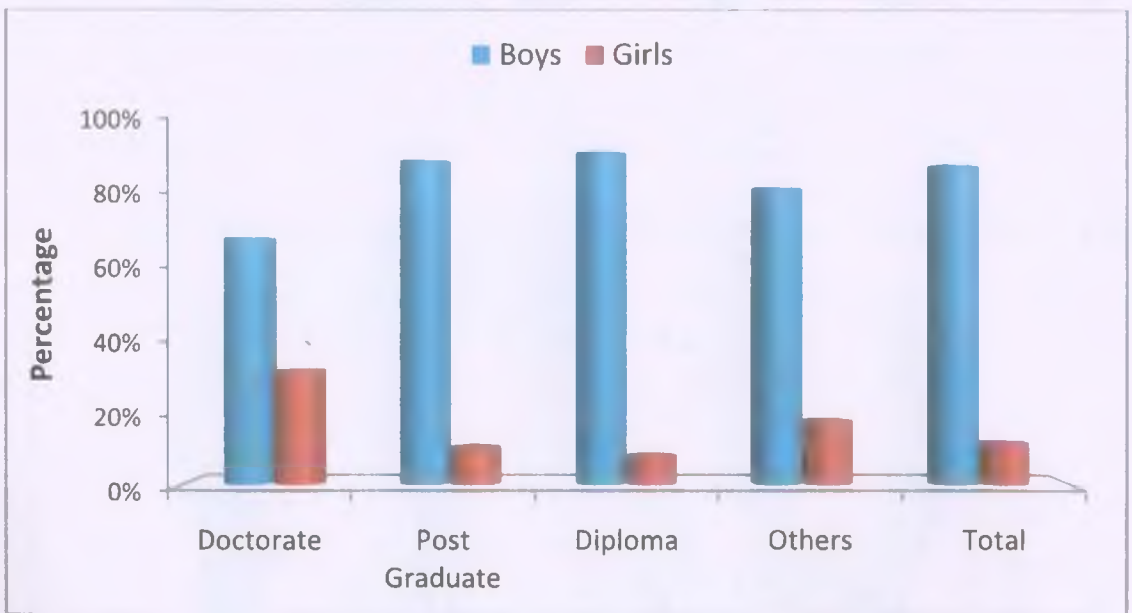

Figure 8: Level-wise Share of Boy & Girl Students-IIMs

2.4 Enrolment of SCs and STs

Participation of Scheduled Castes and Scheduled Tribes Students in IITs are 12.4% (Boys - 12.6% & Girls - 10.9%) and 4.3% (Boys - 4.5% & Girls - 3.1%) respectively of the total students. Institute-wise and level-

wise variations may be seen in Table 2a.

Share of SC and ST Students in IIITs, IISERs & IISc are 14.7% (Boys - 14.6% & Girls - 15.4%) and 5.0% (Boys - 5.1% & Girls - 4.4%) respectively of the total students.

Institute-wise and level-wise variations may be seen in Table 3a.

Share of SC and ST Students in NITs are 13.7% (Boys - 14.1% & Girls - 12.1%) and 7.2% (Boys - 7.3% & Girls - 6.7%) respectively of the total students. Institute-wise and level-wise variations may be seen in Table 4a.

Share of SC and ST Students in IIMs are 9.5% (Boys - 9.3% & Girls - 11%) and 4% (Boys - 3.9% & Girls - 4.6%) respectively of the total students. Institute-wise and level-wise variations may be seen in Table 5a.

Figure 9: Share of SCs and STs-IITs

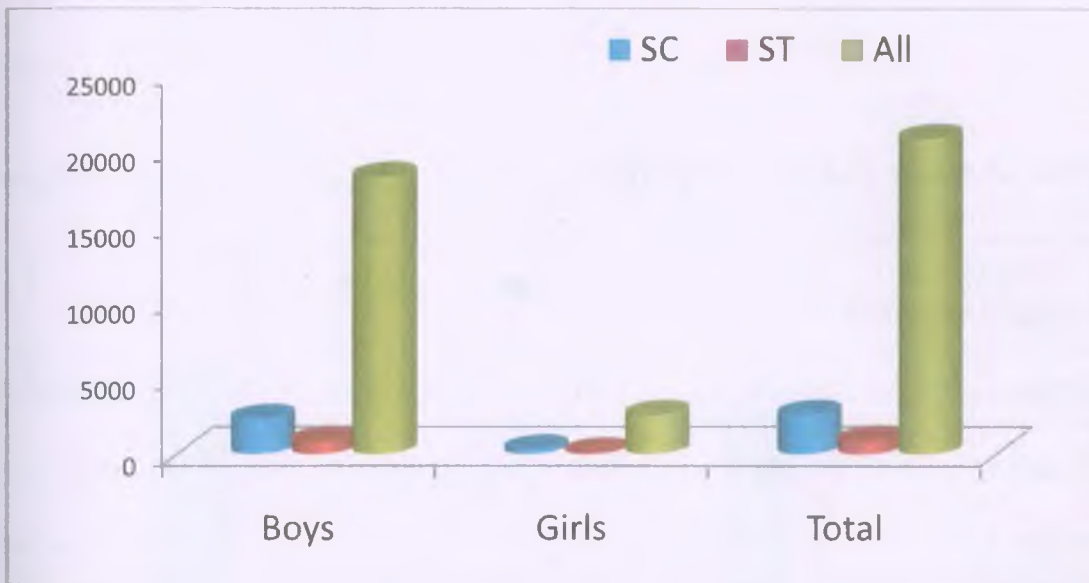

Figure 10: Share of SCs and STs-IIITs, IISERs & IISc

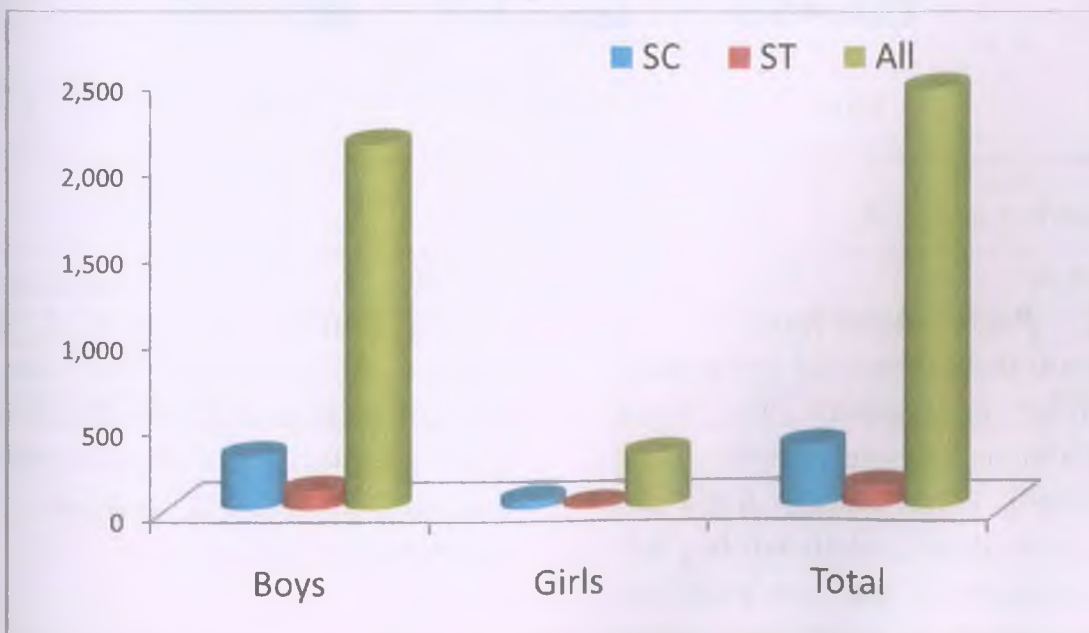

Figure 11: Share of SCs and STs-NITs

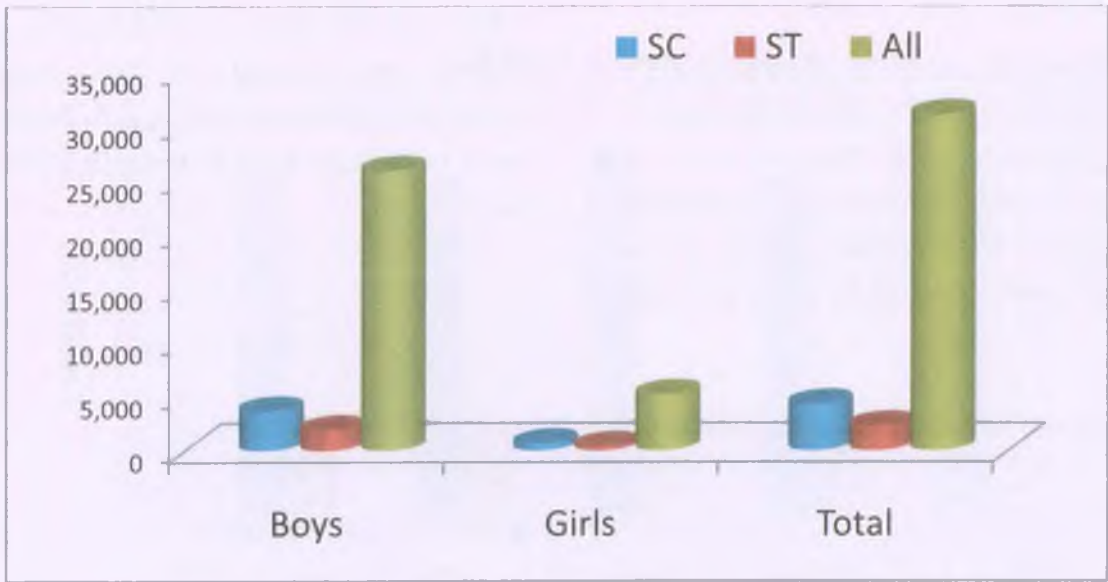

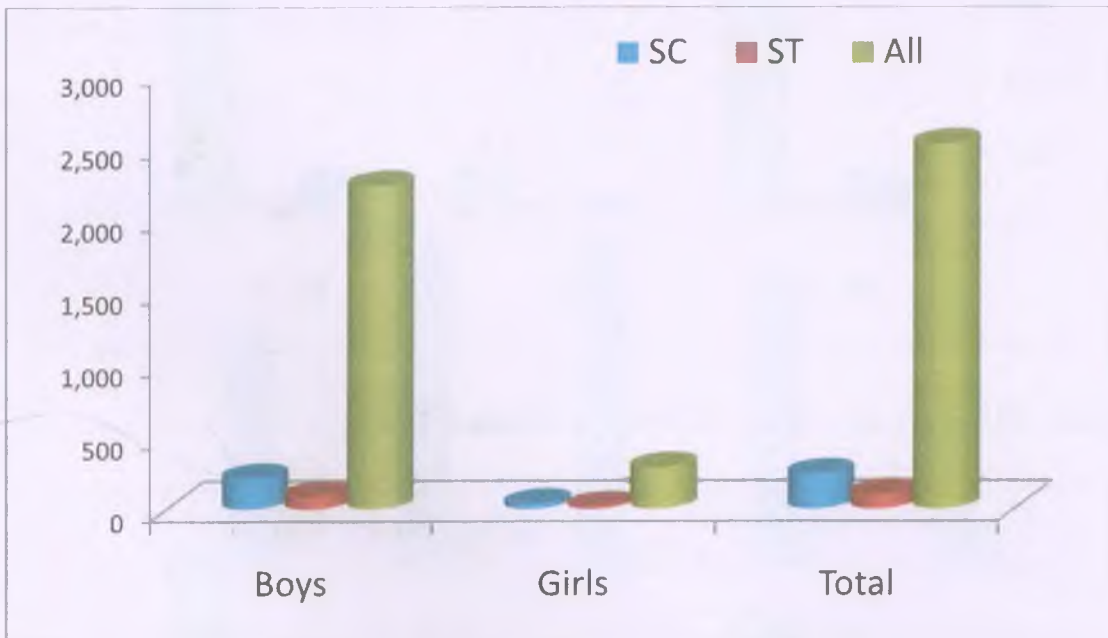

Figure 12: Share of SCs and STs-IIMs

2.5 Pupil Teacher Ratio

Several Institutions did not provide number of teachers. For those Institutions, where figures were available, Pupil Teacher Ratio has been calculated and shown in Table 7. However, it may not give true picture for those Institutions, where

visiting faculties are included in number of teachers. For some Institutions Male-Female bifurcation was not available and therefore only the total number of teachers is shown in the table.

STATEMENT 1: ENROLMENT OF BOYS AND GIRLS

Institute	Boy	Girl	Total	% of Girls Enrolment to Total
IITs	18195	2548	20743	12.3%
IIITs, IISERs & IISc	2118	318	2436	13.1%
NITs	25884	5138	31022	16.6%
IIMs	2223	282	2505	11.3%
Total	48420	8286	56706	14.6%

STATEMENT 2: Enrolment by Levels -IITs

Level	Boys	Girls	Total	% of Girls Enrolment to Total
Doctorate	2811	816	3627	22.5%
Post Graduate	5081	805	5886	13.7%
Under Graduate	10130	895	11025	8.1%
Diploma	173	32	205	15.6%
Total	18195	2548	20743	12.3%

Enrolment by Levels -IIITs, IISERs, IISc

Level	Boys	Girls	Total	% of Girls Enrolment to Total
Doctorate	84	41	125	32.8%
Post Graduate	775	147	922	15.9%
Under Graduate	1259	130	1389	9.4%
