PREFACE

"Education in India" is brought out annually by the Department of Education, Ministry of Human Resource Development. The publication is brought out in three volumes, Volume I (S) containing numerical data on school education, Volume II (S) financial data on school education, Volume III Examination results of matriculation and higher levels. The present publication Vol.I(S) relates to the year 1990-91 and contains state-wise statistics on School Education.

This publication is divided into two parts. Part-I contains an abstract and a general survey of the developments in the field of education during the year 1990-91. Part-II comprises state-wise statistiscal tables based on the information collected from the States and Union Territories through ES-I(S) forms. Despite reapedted reminders no data has been received from Andhra Pradesh, Orissa & West Bengal for the third consecutive year.

It is felt that this publication would provide information to educational planners and policy makers as well as to those engaged in research and development in the field of education.

I would like to thank the State/Union Territory Administrations, the officers and staff of Statistical Unit and of the CMIS Unit for their efforts in bringing out this publication. We still have a long way to go to reduce the time gap in bringing out the statistical publications and our constant endeavour would be to reduce this time gap.

This publication has been broughtout in resographic form for making available the data for official use. This data is also available in floppies.

Further suggestions, if any, for improving the publication are welcome and may be sent to the undersigned.
