EDUCATIONAL STATISTICS

2004 - 2005

**DIRECTOR OF SCHOOL EDUCATION
ANDHRA PRADESH, HYDERABAD**

PREFACE

The Government of Andhra Pradesh is committed to the goal of Education For All (EFA) and concerted efforts are being made to attain it. In this endeavour it has been forging ahead as per the National policy of Education 1986 and the Programme of Action 1992 and also as per the decisions taken at the two International Conferences on EFA held at Jomtein, Thailand (1990) and Dakar, Senegal (2000).

As a result of the various programmes and schemes being implemented by the government significant strides have been made with regard to provision of schools, enrolment of children, reduction of drop out rate, improvement in teacher pupil ratio and other qualitative aspects.

The Statistics Wing of the Directorate of School Education gathers data every year pertaining to number of schools, enrolment, dropout, teacher pupil ratio, examination results, budget, expenditure etc., with 30th September as the date of reference. The current issue presents data pertaining to the academic year 2004-05 on certain important aspects and educational indicators.

A considerable increase can be observed with regard to the number of schools and a marginal decrease in enrolment of children when compared to last year. The number of schools has increased from 92,354 in 2003-04 to 92,768 in 2004-05. This does not include 1926 Alternate Schools and Maa Badi schools (which were included last year) as they are not full-fledged schools. The total enrolment, which was 1,35,29,486, has come down to 1,34,11,068 and it does not include the children enrolled in Alternate and Maa Badi Schools (52,153).

The gross enrolment ratios for all three stages have shown an upward trend and the drop out rates a downward trend. The teacher pupil ratio has remained the same i.e., 1: 32 without any change. The percentage of girls' enrolment has increased from 46.74 percent to 47.51 percent in 2004-05.

I sincerely hope that this annual publication of the Department will be of great use to all educationists, researchers, planners, administrators and the public in general.

Hyderabad

Dated : 28-02-2005

K. RAMAKRISHNA RAO, I.A.S.
Director of School Education,
Andhra Pradesh, Hyderabad.
