PRE - FACE

It is with a sense of privilege that this Directorate of Education is bringing out for the first time this Statistical publication of Colleges in Mizoram at a Glance. It is somewhat difficult to give a correct list of students and teachers due to transfer of Students and change of Teachers. It is hoped that this publication will serve as an important source of information to know the general position of Colleges in Mizoram.

It is much regretted for mistakes that may be committed owing to wrong information collected from the Colleges.

Some few extra information is also herewith furnished. Science department upto B.Sc. is opened in Pachhunga University College and upto Pre-University level in Lunglei, Govt. College Kolasib College (1987) and Aizawl College (1988). The Govt. has been intending to open science department upto Pre-University level in two more Colleges, namely Champhai College and Saiha College during the academic session of 1989. Zirtiri Womens' College is the only College in Mizoram where Home Science is opened. Commerce departments are also opened in Hrangbana College, P.U. College and Aizawl College. Departments of Zoology, Sociology are also opened in the Pachhunga University College.
