Foreword

To implement Universalization of Elementary Education (UEE) the Government of India and our State Government have taken many necessary steps. On the track of UEE the District Sarva Shiksha Mission, Purba Medinipur has initiated many programmes from the beginning of the project.

In the light of UEE, Sarva Shiksha Mission, Purba Medinipur likes to measure the internal efficiency of the education system of the Primary schools of the district through EBBs Study.

The present study report is based on a systematic field survey in Primary school level in our district. The findings of this study should be useful to the educationists, planners and policy makers to formulate future policy on primary level of education.

I am grateful to all the district level officials and personnel for providing immense support at every stage. I congratulate all the Circle Project Co-ordinators for kind support and assistance to the field surveyors to collect the field date. We thank all the teachers who helped to supply the required data in completing this research work.

I congratulate the district MIS Cell for constant support to analyze the data. The entire research work has been successfully managed by the District Research & Evaluation Cell. Last but not the least; I appreciate all the field surveyors for collection of data and supplying the same in time.

District Project Officer
Sarva Shiksha Mission
Purba Medinipur, Tamluk

ACKNOWLEDGEMENT

The present report is based on an empirical survey to assess the internal efficiency of school system at Upper Primary level in the district.

This study has been sponsored by the State Project Office, PBSSM and District Project Office, Sarva Shiksha Mission, Purba Medinipur. The SPO assisted us by supplying Data Capturing Format (DCF) and Software for collection and entry of data. The Research & Evaluation Cell, District Project Office, SSM, Purba Medinipur take this opportunity to congratulate the State Research Cell and State MIS Cell for their kind support.

Many individual engaged with Primary education in the district help and support directly or indirectly. The District Research & Evaluation Cell would like to express gratitude to all the Head and other teachers for their cooperation by providing with the required information for this study.

We are grateful to the Chairman, SSM & Sabhadhipati, Zilla Parishad, Purba Medinipur, District Project Director, SSM & District Magistrate, Purba Medinipur, Chairman, District Primary School Council, Purba Medinipur, Additional District Magistrate(General), Purba Medinipur, District Project Officer, SSM, Purba Medinipur, District Inspector of Schools (Secondary Education) and District Inspector of Schools (Primary Education) for extending their kind support and encouragement.

The study was impossible without the help and cooperation of all the Circle Project Co-ordinators who supervise and guide the surveyors to conduct the data.

We express our hearty thanks to all the field investigators for collection the required data from the school end.

Special thanks are due to District MIS Cell for their outstanding and sustainable support to analyse the raw data.

Finally, we are thankful to all the staff of this project for their support to conclude the entire work successfully.
