PREFACE

Access to valid and reliable data holds the key for effective planning and management in any developmental field and education is no exception.

This handbook of selected educational statistics, 2001-02 provides such data with regard to school education in Andhra Pradesh on the number of institutions, teachers, enrolment, selected educational indicators like Teacher - Pupil ratio, Enrolment ratio Dropout rates, performance in examinations pertaining to different stages of school education.

It is hoped that this handbook finds a warm reception by all concerned with the development of school education. Any suggestion on this handbook is welcome.

Hyderabad
