PREFACE

The Hand Book of Statistics of Andhra Pradesh, 1992-93 is the thirty fifth issue in the series and it contains factual information in brief highlighting the progress made in different sectors of the State's Economy. The data presented in this publication have been collected from various departments of Central and State Governments, Public Sector undertakings and other organisation. The co-operation extended by various organisation in making available the required information for this publication is gracefully acknowledged.

I hope this small publication will meet the requirements of a variety of users like Administrators, Planners, Research Scholars and a host of others. Suggestion for improvement in scope and content of this publication are welcome.
